The Court orders the transcript sealed pursuant to Rule of Court Section 243.1, Subdivision (d) as follows:

In this case the defendant is charged with nine (9) murders and multiple counts of rape and child abuse. There has been significant public interest and media coverage on an international scale.

Because of the seriousness of the charges in this matter, security issues related to the trial, concerns about securing a fair and impartial jury, and in order to provide a fair trial to the parties hereto: The Court finds as follows:

- (1) There is an overriding interest that overcomes the right of public access to the records being sealed;
- (2) These interests support sealing the records;
- (3) That a substantial probability exists that the overriding interest will be prejudiced if the record is not sealed;
- (4) The sealing is narrowly tailored;
- (5) No less restrictive means exist to achieve the overriding interest.
