Fresno Superior Court
Re: Wesson Agreement

As requested, here is the pool photographer arrangement entered into by Fresno's five major television stations for coverage of the Marcus Wesson trial.

Beginning Monday, March 7, 2005, and continuing through the conclusion of the Marcus Wesson trial, Channels 21, 24, 26, 30 and 47 have decided to rotate, on a daily basis, a photographer on the fifth floor to shoot and distribute all video and/or interviews.

The photographer will dub and distribute all material shot to the four other stations at the same time.

It is felt this arrangement will serve the needs of all without giving any one station an advantage. Material shot during morning sessions of the trial will be dubbed and distributed during noon recess. Photographer will arrive at fifth floor ready to shoot by 8:30 a.m. Rotation will start Monday using channel 24, Tuesday--channel 26, Wednesday--channel 30, Thursday--channel 47, Friday--dark.

Starting Monday, March 14th, pool will be channel 21 and the rotation starts over. If trial runs late into the evening, on scene crews will select one person to retrieve tape and dub for 4/5/6 newscasts.
