Case No. 07CEPR00246

Petition of Elaine Cory for Settlement of Accounting and Report of Bruce Bickel  
Dated and Served August 21, 2009 and Objections Thereto, and for Order  
Compelling Former Trustee James Wagner to Account for Period from April 1, 2007  
Through January 31, 2008

Louie Friguglietti DOD: 5-11-06	<b>ELAINE CORY, Beneficiary of the LOUIE FRIGUGLIETTI TRUST dated 9-30-05 and amended 10-4-05 and 10-11-05, is Petitioner.</b>	<b>NEEDS/PROBLEMS/COMMENTS:</b>
Cont. from 110112, 112912	<b>Petitioner states</b> the decedent's attorney James F. Wagner was the original trustee and Bruce Bickel is acting as trustee currently. The former trustee provided his "First Account and Report" for the period <u>9-30-05 through 3-31-07</u> . He subsequently resigned as trustee and this Court appointed Bruce Bickel as the successor trustee.	<u>Minute Order 11-29-12:</u> Mr. Curry is appearing by conf. call. Counsel requests a continuance. Matter set for Status Conference on 1-4-13. Counsel is directed to provide notice of the Status Conference to all counsel.
<input type="checkbox"/> Aff.Sub.Wit.	Bruce Bickel assumed the office of trustee after his appointment by the Court once the bond was issued on or about 2-8-08, and <u>provided an informal report and accounting by memorandum on 8-21-09, which covered the period from 2-1-08 to 8-15-09 (attached).</u>	<b>As of 12-12-12, nothing further has been filed. The following issues remain:</b>
<input checked="" type="checkbox"/> Verified	James Wagner did not provide an accounting from <u>4-1-07 through 1-31-08</u> .	<ol style="list-style-type: none"> <li><b>1. Need clarification:</b> Petitioner requests that the Court review and settle an informal accounting that was provided by the trustee to Petitioner informally by fax in 2009. The Court may require authority for such request.</li> </ol>
<input type="checkbox"/> Inventory	In order to determine what receipts and expenditures during that time period were related to the specific gift to Petitioner in accordance with this Court's previous order construing the terms of the trust, it is necessary that an itemized accounting with receipts and disbursements identified and described be provided to the Court, to the current trustee, and to the beneficiaries by James Wagner.	Examiner notes that the document attached is not the accounting format required by Probate Code §1060 (containing summary, etc.), and is not a verified document or petition by the trustee for approval.
<input type="checkbox"/> PTC	Petitioner requests the Court review and settle the informal report and accounting by Bruce Bickel (Exhibit A) and review the acts of the trustee.	<ol style="list-style-type: none"> <li><b>2. **Petitioner specifically objects to the following items in Bruce Bickel's accounting:**

- \$1,000.00 for riding lawnmower on 4-3-08 – Petitioner states the property that it was purchased for is a regular city lot with a front yard of approx. 10x30 with no lawn in the back yard, having all fruit trees and grapevines in the back. In addition, \$275.00 paid to Bernie Mesa on 4-23-09 to disc the weeds, \$1,035.00 paid to City of Los Banos for weed abatement, and \$274.00 for weedeater on 8-12-09. Petitioner states the caretaker received payments of approx. \$7,102.60, but did not provide mowing or weeding services. Petitioner is informed and believes there was an operating Ford tractor and disc on the property that were trust assets and should have been used for this maintenance.
- Expenditures of \$800.00 paid to American Express by check # 1035 on 7-30-08 are not explained in this report, and absent adequate explanation, should not be approved and the trustee should not be credited with that expenditure.
- Disbursements totaling \$610.11 for telephone bills at a vacant building are objected to as shown on Page 3 of the category detail report.
- Utility expenditures paid to PG&E shown on pages 3 and 4 of the category detail report ranging from \$342-\$572 per month for a vacant building are objected to as unreasonably high and beyond the possible need for keeping utility service in place.
- Expenditures to City of Los Banos for water bills ranging from \$69.05 to \$425.55 are objected to as unreasonably high and not related to trust business for a vacant building when the minimum water and garbage was only \$58.11 at the time.
- Expenditures for bond premium as being unnecessarily high because the bond was retained in an amount higher than was required by the Court, which reduced the bond amount to \$2.9 million on 4-18-08. The premium of \$10,500.00 paid 3-30-08 and again on 2-11-09 reflects that the bond amount must not have been reduced pursuant to the Court's order, and the trustee should be surcharged for payments for the excessive bond.
- \$2,279.00 paid to Allied Insurance on 8-26-08 as unreasonably high, as only general liability insurance was needed by the trust on the 28 acres on Overland Road as there are no structures on the Overland Road property and premium should only have been about \$600.00 for general liability, of which only half should have been paid by the trust as co-tenant. Further, the farm tenant should have the trust listed as an additional insured on his own farm general liability policy, which should have reduced or eliminated the need for this expenditure.
- Petitioner objects to the 7-31-08 property tax bill for farm equipment because the farm equipment was no longer in existence and had been sold prior to this time, and according to the caretaker, Petitioner is informed and believes that the only farm equipment remaining at the time was one small Ford tractor (1950 model) and a disc.
- Petitioner objects to payment of property taxes for parcel 082-050-066 which are strictly for the 10 acres with structures on which beneficiary has no interest in.
- \$12,835.42 for APN 081-110-007 because this payment is for 100% interest in the whole 28 acres and only ½ of the property taxes should have been paid by the trustee out of trust assets, as the other ½ was owned by Colleen Toscano as an individual.

**SEE ADDITIONAL PAGES**

**Page 3**

- Petitioner objects to the Trustee's fees and requests that the Court order that the trustee inform the Court how these fees were calculated and provide an itemized statement of time spent and description of task by the trustee rather than the non-descriptive line item shown at pages 5 and 6 of the category detail report.
- It appears to Petitioner from the memorandum that the trustee had not viewed the property at the time of preparation of the accounting and did not know what items belonged to the trust at that time.
- Petitioner objects that the report shows no option payment receipts. If no option payments or extension payments were made when due, then the trustee breached his duty to use reasonable care in management by failing to list the Overland property for sale, thereby unnecessarily permitting the property specifically devised to Petitioner to depreciate during a declining real estate market.
- Petitioner objects that the report does not show that the trustee filed any fiduciary income tax return from May 07-08, 08-09, or any other accounting period if the tax filing period was changed by the trustee.
- Petitioner alleges that the trustee has breached his duty to use reasonable care, skill and caution in protection and management of the trust estate by the foregoing expenditures and actions, and that he has breached his duty of impartiality between trust beneficiaries by charging expenditures to the trust which are for the benefit of Colleen Toscano as an individual co-tenant and by charging expenditures which are solely to benefit trust assets which would pass to Colleen Toscano as part of the residue and charging them against Petitioner's share, who is a specific devisee of the Overland Road property.
- Petitioner alleges that the trustee has breached his duty to act with impartiality between the beneficiaries by actively participating in the litigation of Petitioner's petition to construe the trust on the side of Colleen Toscano, which was solely for the benefit of Colleen Toscano, because regardless of how the Court ruled in the hearing on that petition, the result would have had absolutely no effect on the overall trust corpus and estate, and therefore, his active engagement was solely on behalf of and for the benefit of beneficiary Colleen Toscano and was hostile to and against the interest of Petitioner as beneficiary.

**Petitioner prays for an order that:**

1. The trustee be required to supplement and explain his informal report and accounting in the particulars set forth herein above;
2. The Court disallow the credits which the trustee claims to be entitled to regarding the disbursements and expenditures objected to herein and that the trustee's fees be surcharged therefor;
3. The trustee file with the Court the itemized statement of time spent with specific description of services rendered for the trustee's fees as shown on the accounting provided to Petitioner, and that the Court disallow all or any portion of said fees that are not shown to be reasonable and for the benefit of the entire trust estate, and that no part of the fees be charged against Petitioner's share except those which are specifically and directly related to the Overland Road property which is the specific devise to Petitioner;
4. The trustee be ordered to reduce the bond amount to comply with the Court's order of 4-19-08 if he has not already done so;
5. The trustee be removed for the reason of his breaches of trust as alleged herein above;
6. The former trustee James Wagner prepare and file an accounting for his actions as trustee from 4-1-07 through 1-31-08; and
7. For such other and further relief as the Court deems proper.

**Petition to Compel Turnover of the Betty Ruth Cozby Trust Pursuant to Probate Code Section 16061.5 and for Damages and Attorney's Fees Pursuant to Probate Code Section 16061.9**

		<b>JANICE POTTER</b> is Petitioner.	<p><b>NEEDS/PROBLEMS/ COMMENTS:</b></p> <p><b>Continued from 11/15/12. As of 12/12/12 the following issue remains:</b></p> <p>1. Need Order.</p>
		<b>Petitioner states</b> she is an heir at law, and believes she is a beneficiary of the Betty Ruth Cozby Trust.	
		Betty Ruth Cozby died in April 2011.	
		Betty Cozby was unmarried and did not have children, and her parents and siblings predeceased her.	
		Petitioner is a niece of Betty Cozby and heir at law under applicable Probate Code intestacy statutes.	
		Petitioner believes Betty Cozby's friend, Edward D. Reimer, is the named successor Trustee of the Betty Ruth Cozby Trust.	
		Upon the death of Ruth Cozby the Trust became irrevocable. Petitioner states she requested orally, and then more formally, through counsel, a copy of the Trust. The formal request was made on 8/17/2011. No response has been received to the request.	
		Probate Code §16061.5 provides that a trustee has a duty to provide a true and complete copy of the terms of an irrevocable trust, or irrevocable portion of a trust, to any beneficiary who requests it, and to any heir of a deceased settlor who requests it.	
		<b>Wherefore, Petitioner seeks relief as follows:</b>	
		1. For an Order compelling Edward D. Reimer to provide full and complete copies of the Betty Ruth Cozby trust, including any applicable schedules and amendments, if any;	
		2. For an Order compelling turnover of relevant information on the administration of assets of the Trust pursuant to Probate Code section 16061;	
		3. That Edward D. Reimer be ordered to personally pay Petitioner's attorney's fees and costs in filing and prosecuting this petition.
