NEEDS/PROBLEMS/COMMENTS (Continued):

1. **Petitioners request that the Co-Administrators' statutory compensation be split between two of the Co-Administrators, Robert Shaw and Gayden D. Schorling, and that Attorney Douglas D. Schorling, who is the third Co-Administrator, but is also the attorney for the Co-Administrators, receive the entire amount of statutory compensation as attorney. The Court may require clarification or authority for this request with reference to Cal. Rules of Court 7.706(a), which states:**

(a) Personal representative's compensation only

Notwithstanding the provisions of the decedent's will, a personal representative who is an attorney may receive the personal representative's compensation but may not receive compensation for legal services as the attorney for the personal representative unless the court approves the right to compensation for legal services in advance and finds the arrangement is to the advantage, benefit, and best interest of the decedent's estate.

Note: It does not appear that Mr. Schorling has requested approval in advance for compensation as an attorney pursuant to the above Rule of Court. As such, it appears that his statutory compensation may be limited to a one-third share of the Co-Administrators' statutory compensation, instead of the two other Co-Administrators splitting it half each.

Note: Petitioners request a closing reserve of \$10,000.00 due to anticipated potential additional taxes and expenses, and request to distribute the balance of the reserve without further Court order.

However, consistent with the Court's recent practice, if Court determines an informal accounting of the closing reserve is warranted, Court will set a Status Hearing as follows:

Wednesday, May 13, 2015 at 9:00 am in Dept. 303 for an Informal Accounting of the \$10,000.00 Closing Reserve.

Pursuant to Local Rule 7.5, if the document noted above is filed 10 days prior to the date listed, the hearing will be taken off calendar and no appearance will be required. The filing of the Informal Accounting of Closing Reserve will not generate a new hearing date.

Petitioner states Conservatorship of the estate is necessary because the Conservatee is incapable of understanding or managing her own finances and property. Although a 70" TV was purchased using her funds, it is in her father's house, not hers. He also embezzled enough funds from her that he was sentenced to jail. Her funds are now protected through a guardianship and two trusts. Alameda County was guardian of the estate until that guardianship terminated when she became an adult. This matter was referred by that office once Ms. Moreno-Long attained the age of majority and required conservatorship. It is not necessary to file a petition for removal of the guardian of the estate because the guardianship already terminated by operation of law.

The Public Guardian also filed a Probate Conservatorship Investigation Report (Confidential).

Court Investigator Charlotte Bien filed a report on 12-19-14.

		<p>File 9A - Boghosian</p>

Due to some conflicts of interest that have arisen in the dispute between Richard and Bickel, Garabedian has declined to act as trustee.

Randy M. Aaronian, cousin to Richard, has offered to serve as successor trustee, however due to his appointment as Guardian Ad Litem for Richard in the dispute between Richard and Bickel, it was decided that this would result in a conflict of interest and Mr. Aaronian's wife, Petitioner herein, has offered to serve as successor trustee.

The Office of Successor Trustee will be vacant as of 10/15/14. Pursuant to the circumstances as provided in this petition, Petitioner seeks this Court's order appointing the Petitioner as Successor Trustee, without bond, with all the powers granted to Petitioner under the Trust Declaration to carry out the purpose of the Trust.

Petitioner prays that:

1. The Court finds that all notices required by law have been given;
2. The Court find that Bickel has resigned as trustee of the Trust;
3. The Court find that Garabedian has declined to serve as successor trustee;
4. The Court find that Petitioner, Penny Aaronian, is willing and able to perform the duties and responsibilities as successor trustee, and, accordingly, is appointed successor trustee of the RICHARD BOGHOSIAN TRUST, established July 29, 2004, without bond, and with all the powers under the Trust Declaration to carry out the purpose of the trust.

Petitioner states, continued:

- Taken together, the Trust and Schedule A show that Rea intended for all her property, including the assets, to be assigned to the Trust and held for the benefit of its beneficiaries, even if such property was not titled in the name of the Trust;
- The Settlers also executed that certain Assignment dated 10/25/2007, which transferred and assigned all of the Settlers' right, title and interest in all the real and personal property described in *Exhibit A* of the Assignment to the Trust (*copy of Assignment attached as Exhibit C*);
- Property in *Exhibit A* of the Assignment includes bank accounts, savings and loan accounts, brokerage house account, certificates of deposit, mutual funds and all other investment accounts or investment vehicles; stocks, bonds and other securities; all property belonging to William M. Rich [*Petitioner*] and/or Rea T. Rich not otherwise described in the Assignment;
- Therefore, the Assignment also shows that Rea intended to transfer and assign all of the assets, among other items, to the Trust;
- Notwithstanding Rea's intent that all the assets be subject to the Trust, through inadvertence, the following assets owned by Rea were never formally transferred [*listed in lines 23 – 28 on page 3, lines 1 – 28 on page 4, and lines 1 – 18 on page 5*];
- Petitioner seeks to bring Rea's intention to fruition and requests that this Court confirm that the assets are part of the Trust and subject to the control of Petitioner as successor trustee of the Trust;
- Petitioner notes that Rea's will is a pour-over will that bequeaths any and all estate property to the Trust to be held, administered and distributed pursuant to its terms (*copy of Rea's will attached as Exhibit D*); therefore, even if the assets were probated, they would end up as part of the Trust estate and ultimately pass to the Trust beneficiaries;
- Petitioner is not aware of any party who would allege that the assets should be included in Rea's estate and not treated as a Trust asset;
- Petitioner requests this Court confirm and declare that the assets are a Trust asset, held by Petitioner as Trustee of the Trust.

Petitioner prays for an Order that the bank accounts, investment accounts, and stocks identified in the Petition are subject to the management and control of Petitioner, the successor trustee of the Trust, and Petitioner's interest in such bank accounts, investment accounts, and stock shall be and is confirmed and transferred to the Trust.
