 Petition for Final Distribution**

DOD: 8/5/2001	VICTOR W. SIDERS , Administrator with Will Annexed, is petitioner.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>Attorney Zavala has filed several documents attempting to correct his defective pleadings. Most of the documents have not been signed or verified by the Administrator. Filing declarations and/or other corrective pleadings are not sufficient to correct the issues raised. The accounting must be presented in one complete document. Therefore, the attorney must:</p> <ol style="list-style-type: none"> File a Second Amended First and Final Account, verified by the Administrator. File a Notice of Hearing on the Second Amended First and Final Account with proof of serviced on all parties entitled to notice. <ol style="list-style-type: none"> Accounting does not comply with Probate Code §1060 et seq. The pages of the pleadings after the first page are upside down. Petition was not signed or verified by the fiduciary. Inventory and appraisal, partial no. 1, final was filed on 8/19/14 which implies there is another inventory and appraisal. It appears that the fiduciary transferred the real property into his name and refinanced. Need authority which would allow distribution prior to a court order. The court will require more information about the refinance and distribution of the real property. Petition states the fiduciary was paid compensation totaling \$16,266.44. Compensation cannot be paid prior to an order allowing compensation. Need Notice of Hearing. Need proof of service of the Notice of Hearing on Brian L. Fox pursuant to his Request for Special Notice filed on 3/10/03.

Since the date of their marriage, Decedent' and Petitioner have resided in the State of California and accumulated all of their property from marital earnings of the parties. Decedent and Petitioner always intended and understood that all of the property described in this petition was community property in which they each held an undivided ½ interest. The real property described in this petition was purchased on 01/29/1993, and is currently held in the name of Decedent, a married man as his sole and separate property. Due to the fact Petitioner had prior credit problems, the lending company required that the real property be placed in the name of the Decedent alone even though the real property was purchased with community property funds. No legal proceedings were ever instituted to terminate the marriage or to determine the rights of the parties to their community property nor did the parties ever separate.</p> <p>Petitioner requests court determination that ½ interest in the property located at 9396 N. Boyd Avenue Fresno, Ca.; the decedent's community interest in all shares of common stock of Bank of America Corporation; Decedent's community property in the Roth IRA Investments, and Decedent's community property interest in all outstanding, future and prospective SAG-AFTRA residual payments received from Associated Actors & Artistes of America/AFL-CIO for performer Stuart Quan be passed to petitioner and that the remaining ½ is confirmed as belonging to the petitioner.</p>

Probate Status Hearing Re: Filing Inventory and Appraisal

DOD: 2-27-14	<p>JANELLE HOVSEPIAN, Sister, was appointed Administrator with Full IAEA without bond and Letters issued on 4-23-14.</p> <p>At the hearing on 4-23-14, the Court set this status hearing for the filing of the Inventory and Appraisal.</p> <p>Status report (unverified) filed 9-25-14 states the inventory is nearly ready to be sent to the probate referee for appraisal. The decedent's predeceased spouse held certain retirement accounts that designated the decedent as beneficiary, but which decedent had not transferred into his name prior to his death. This required additional inquiry by the personal representative. It is anticipated that the inventory will be sent to the probate referee within two weeks and once he returns it, it will be filed. A continuance of 60 days is therefore requested.</p> <p>Status report (unverified) filed 11-13-14 states the Administrator did finally receive the necessary information from TIAA-CREF on 11-6-14 and a complete inventory was mailed to the Probate Referee. It broke her heart to know she wasn't able to do anything. Their mother is a drug addict and Petitioner believes she lost custody and Sofia took over, but she does not allow the girls to talk to Petitioner or see Petitioner. Petitioner would like to have them weekends, holidays, and vacations, and requests that the court help her find them and make this possible.
