DOD: 04/10/06		<p>OSAMU SHOJI, friend and Executor, is Petitioner.</p> <p>Petitioner states:</p> <ol style="list-style-type: none"> The First Amended First and Final Account of Petitioner was settled, allowed and approved on 03/07/11. The Property on Hand at the end of the accounting period was \$307,543.04. The signed Order on the First Amended First and Final Account authorized Petitioner to hold \$15,000.00 in a blocked account for closing expenses and as a reserve for any liabilities that may arise. The remainder of the estate assets were distributed to the decedent's wife, Shigeko Yamanaka's personal representative attorney Mr. Yuichi Motegi in Japan. There were no additional liabilities of the estate that required the use of the reserve, therefore the reserve was distributed to Mr. Motegi. The financial institutions in Japan were reluctant to honor the distribution checks from the United States to Mr. Motegi and a substantial amount of time and effort was needed with the international banking divisions of Bank of America and Wells Fargo Bank to finally resolve those distribution check negotiation issues. The distribution check from Wells Fargo bank was ultimately accepted and successfully negotiated. The original Bank of America distribution checks to Mr. Motegi as personal representative for Decedent's wife had to be reissued and were ultimately accepted and successfully negotiated. A new distribution receipt signed by Mr. Motegi was filed. <p style="text-align: center;">Continued on Page 2</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <ol style="list-style-type: none"> Need Order.

Status Report filed 6-6-13 by Attorney Rindlisbacher (not verified by Administrator) states funds totaling \$69,425.63 should be received in the next 30 days from CA State Controller unclaimed property. We are working with Bank of American to obtain a satisfaction of creditor's claim that has been paid. **A guardianship of the estate will need to be established for minor beneficiaries before distribution can be made.** They reside with their mother, who would have the right to be appointed; however, we would recommend that if this probate estate were distributed to her as guardian of the estate that the funds be placed in blocked accounts, as the estate has a judgment against her in the amount of \$13,869.21 entered 9-20-07. Interest is accruing at the legal rate and the amount she now owes is \$21,796.01. **Administration should continue until a guardianship of the estate has been established for each minor child.**

Minute Order 6-7-13: Counsel advises the Court that they will not be filing a guardianship as that responsibility falls on the mother. Counsel further advises that they are hoping to receive the proceeds within 30 days. Continued to 8-9-13.

Status Report filed 8-8-13 by Attorney Curtis Rindlisbacher (not verified by fiduciary) states:

- Proofs of Claim have been submitted to the California State Controller regarding the unclaimed property totaling \$69,425.63. Per correspondence, processing may take 180 days.
- The mother of the two minor beneficiaries will be establishing guardianship estates for them; however, the estate has not yet been given notice of these proceedings.
- The mother has a judgment against her in the amount of \$13,869.21 entered 9-20-07, with interest accrued at this time of \$7,926.80, for a total of \$21,796.01. Therefore, if the mother is appointed guardian of the minors' estates, it is recommended that the accounts be blocked.
- Administration should continue until the guardianship estates are established and the property has been received from the state. A petition for final distribution can be filed then.

Minute Order 8-9-13: The Court will also review the status of Guardianship. Continued to 9-6-13.

Verified Status Report filed 9-5-13 states:

- No further communication has been received from the State of California Controller's Office regarding the claims. They are still waiting for the state to process the claims.
- The Administrator has not received written notice of the guardianship proceedings; however, attached is a printout from San Joaquin County Superior Court showing that the guardianship petitions have been filed for both minors. It is unclear from the printout if the hearing date is set for 10-1-13 or 10-15-13.
- Administration should continue until the guardianship estates have been established and the property has been received from the State of California.
- After guardianship estates have been established, they can petition for preliminary distribution, and a petition for final distribution can be filed when proceeds have been received from the State of California.

Page 3

Verified Status Report filed 10-31-13 states it appears from court records in San Joaquin County Superior Court that the guardianship petition was dismissed, but they don't have any information as to why.

Administration should continue until distribution can be received from the State of California and guardianship estates have been established. Note that one of the minors will turn 18 in Feb 2014, but the other not until 2018.

File 15 – Medrano & Salaiz

Declaration of Jorge Amaro (Adriana's father) filed 12/23/13 states: he can and wants to provide a safe and stable home for his daughter. He states that Adriana's mother is on drugs and the children are not bathed, have lice in their hair, are not properly dressed, and are always late to school or miss days. When Adriana stays with his family she brings her grades up only to have them fall back down when she goes back to the proposed guardian. Mr. Amaro states that he wants Adriana to have the same opportunities as his other children. He states that in 2010 he tried to get custody of Adriana, but that Adriana stated she wanted to stay with her other 2 siblings. Mr. Amaro alleges that Yvette (mother) and the Ms. Hernandez instruct Adriana to lie and put ideas in her head a lot. CPS has caught Adriana in lies because her mother has told her to lie. Ms. Hernandez claims that her boyfriend is not living in the home, but Mr. Amaro alleges that he is. He further states that Adriana and her siblings sometimes stay with their mother in the converted garage. Adriana was molested by the mother's boyfriend. Mr. Amaro states that he buys Adriana clothes, but everytime she takes them to Ms. Hernandez's house they do not come back, she often comes back wearing her younger sister's clothes or with dirty clothes. Mr. Amaro also states that the proposed guardian and mother both know where Mr. Salaiz lives and are lying about not knowing his whereabouts. Mr. Amaro asks for the opportunity to raise Adriana and have her in his custody. He has tried giving Yvette (mother) the benefit of the doubt and opportunity to change, but she has failed to do so. Mr. Amaro states that he wants his daughter to live with him. Mr. Amaro attaches several certificates of programs he has completed and other documentation proving his fitness and ability to provide a home for Adriana.

Court Investigator Julie Negrete filed a report on 12/19/13.
