The allocation proposed by Petitioner is the sequestration of the sum of \$54,565.00 in cash (primarily) or other property (secondarily) held by the estate (applied first as to Decedent's share, of community property, if any, and second to Decedent's separate property, if any) from which petitioner will be paid an amount equaling one-half of any settlement entered into by Petitioner in the Collection Case or, in the event there is not settlement amount, an amount equaling one-half of any final judgment entered in the Collection Case.

Petitioner estimates the total contingent debt represented by the Collection Case to be \$109,130.00, based on an estimated October 2013, trial date in the Collection Case and note and allegations of the Complaint in the Collection Case.

**Wherefore, Petitioner prays:**

1. That the Court order the Personal Representative/Administrator to sequester the sum of \$54,565.00 in cash, (primarily) or other property (secondarily) held by the estate (applied first as to Decedent's share, of community property, if any, and second to Decedent's separate property, if any) from which petitioner will be paid an amount equaling one-half of any settlement entered into by Petitioner in the Los Angeles Superior Court Case No. BC471669, Melita Montgomery V. <input type="checkbox"/> <b>File 5 - Seabeck</b>		

9. Based on this Lease, Petitioner alleges that the Seabecks were owners of a 1/5<sup>th</sup> interest in the improvements.
10. On 05/29/84, one of the original Lessors, Kenneth C. Mears, transferred his interest in the improvements to Gordon E. Haas and Beverly Haas. Shortly thereafter, the Haases transferred that 1/5<sup>th</sup> interest to the remaining Lessors. Pursuant to that transfer, the Seabeck's acquired an addition 1/20 interest in the improvements, increasing their ownership interest to a 1/4 interest.
11. Despite owning a 1/4 interest in the improvements, the Grant Deed purporting to transfer the Seabeck's interest to the Trust only refers to a 1/20 interest.
12. Petitioner alleges that the attorney who prepared the Grant Deed transferring the Seabecks' interest to the Trust was unaware that the Seabeck's already owned a 1/5 interest in the improvements prior to the transfer from the Haases because the only documentation that Petitioner is aware of that supports the prior 1/5<sup>th</sup> interest is the commercial lease, which was not recorded and therefore would not have appeared on any title search.
13. As a result of the original error only transferring a 1/20 interest in the improvements to the Selma property, all subsequent deeds transferring the property to the Seabeck QTIP Trust, the Seabeck Bypass Trust, and the Seabeck Survivor's Trust incorrectly referenced the property transferred as an undivided 1/20 interest in the Selma Property.
14. In *Estate of Heggstad*, 16 Cal.App.4<sup>th</sup> 943, 947, the California Appellate Court articulated a doctrine that "a declaration by the settlor that he holds the property in trust for another, alone is sufficient" to create a trust for real property. In such a case, the Court will treat the property as being held by the trust, even though the real property was never transferred to the trust.
15. In this case, the Seabeck's referenced and specifically described the Selma property in the Trust in Schedule A which clearly demonstrates an intention that the property be held in trust, as well as an intention to convey the property through the means of the trust instrument. Further, the Funding Memorandum or Trust executed by James P. Seabeck on 02/24/09 intended to formalize the funding of the Survivor's and Decedent's shares of the Trust following the death of Novia Seabeck and lists the Selma property as an asset of the Trust.
16. Following the rationale of *Estate of Heggstad*, Petitioner contends that the reference to and legal description of the property in the body of the Schedule of Trust Assets constitutes sufficient evidence to show the Seabecks' intent to transfer the Selma property to their Trust. Petitioner requests that the Court honor the Seabecks' intention by ordering that the property is part of the trust corpus, to be distributed pursuant to the terms of the Trust.
17. Petitioner further alleges that the Court's confirmation that the Selma property is a Trust asset will not alter the ultimate disposition of the assets because, if the property were not determined to be held in Trust, James P. Seabeck's pour-over Will would distribute the property to the Trust. Therefore, no good purpose would be served by requiring a probate of the property.

**Petitioner prays for an Order:**

1. The Court find and confirm that, at the time of his death, all of Trustor James P. Seabeck's rights, title and property interest in real property located in Selma, CA be confirmed as an asset of the SEABECK FAMILY TRUST.
