Aff. On 8-23-04, the decedent and her spouse signed a trust that Attorney Armas prepared for them, which provides for a distribution identical to the distribution set forth in the decedent's will. Attached are the relevant sections of the trust and the will, confirming that the distribution is identical. Although the trust was prepared and signed, Joseph and Juanita Mason never transferred any assets into the trust; therefore, there are no trust assets. Distribution should be pursuant to Article Fifth of the decedent's will. The Probate Examiner also questioned the interest earned in the decedent's accounts. All of the accounts were consolidated into one interest-bearing account. The interest was used to help the executor pay property taxes and related costs to prepare house for sale.

NEEDS/PROBLEMS/COMMENTS:

1. The original Inventory and Appraisal filed 11-2-12 totaled \$504,522.95 as of the date of Decedent's death, 3-31-12, including the following:
 - \$204,522.95 cash including Western National Policy, four Morgan Stanley accounts, and a Golden 1 Credit Union account
 - Real property valued at \$300,000.00

The prior petition included the house as property on hand to be distributed; however, mention of preparation of the house for sale caused Examiner to check public real estate records, which indicated that the house was actually sold in August 2014. Attorney Armas' Declaration filed 10-15-14 confirms this information.

In addition, there was a question of whether the house was this decedent's community or separate property, because of Petitioner's confusing proposed distribution.

It was then determined that the same house, in its entirety, has also been inventoried as an asset of this decedent's spouse in the Estate of Joseph Mason 14CEPR00064.

Examiner Notes from the Third Amended Petition heard on 9-18-14 raised a number of issues in connection with the above information provided.

Now, Petitioner has filed an Amended Inventory and Appraisal that simply indicates \$277,794.06 cash and states: "The above sum represents the separate property of Juanita Mason. There is an additional \$277,794.06 that is assigned to the Estate of Joseph Mason as his community property interest and not subject to distribution by this estate."

This Amended I&A filed 10-15-14, with one line item of cash only, does not appear to be an accurate representation of the decedent's assets at her date of death. If Petitioner meant to clarify that the assets included on the prior I&A were community property of the decedent and her husband, this is not an appropriate way to do so. The Court may require clarification or further amended I&A.

2. If it is determined that the Amended I&A filed 10-15-14 is correct, need clarification as to how one lump sum of cash remained exactly the same from March 2012 to now, as Petitioner states that same amount is the amount of property on hand for distribution.

Alternatively, if it is determined that the house and accounts listed on the I&A were assets of the decedent's at her date of death, need further amended I&A and amended petition containing information regarding the changes in the forms of these assets per Cal. Rule of Court 7.550.

3. The above issues affect the calculation of statutory compensation.

SEE ADDITIONAL PAGES

NEEDS/PROBLEMS/COMMENTS (Continued):

4. As previously noted, the decedent's will distributes her estate to the Mason Family Trust of 2004. Petitioner states that the trust was never funded; therefore, distribution should be made directly to heirs pursuant to Article Fifth of the decedent's will. Examiner Notes previously noted that the trust did appear to have been funded by the execution of Schedule A Transfer of Assets; therefore, distribution should be made to the Trust pursuant to Article Third of the Will, and a declaration pursuant to Local Rule 7.12.5 is needed.

Attorney Armas continues to assert his original position regarding the trust and requests distribution directly to the heirs; however, no authority is provided.

Examiner notes, also, that Article Fifth of the will does not appear to distribute directly to the heirs as requested; rather, it appears to create a testamentary trust based on the 2004 trust.

5. The decedent's husband, Joseph Mason, died 1-21-13. The original petition for final distribution in this estate was filed 1-23-14 and included a waiver of accounting signed by Cheryl Mason "Power of Attorney for Joseph Mason." A Power of Attorney does not have authority to waive accounting on behalf of a beneficiary; however, it appears this was previously overlooked among the myriad of other issues. At this time, Cheryl Mason (represented by Attorney Armas) is now the Executor of the Estate of Joseph Mason. Also, as a note: It does not appear that the I&A filed 2-25-14 in that estate, which includes the house and other accounts, has been corrected yet.

Ex Parte Petition for Order Regarding Transfer of Money Belonging to Minor to Custodian Under the California Uniform Transfers to Minors Act [§3413]

	BRENDA C. LAING is Petitioner.	NEEDS/PROBLEMS/COMMENTS: 1. Need proof of service of Notice of Hearing on the minor Emily Elizabeth Laing and any other interested persons pursuant to Order dated 9-23-14. 2. This petition was filed as an "estate" matter titled with the decedent's name. However, it appears the title should be amended to reflect the minor's name, as it will govern access to her funds and is not connected with any probate estate matter for this decedent. The Court may order the title amended to: In Re: Emily Elizabeth Laing. 3. The Court may require further information regarding the estate of the decedent with reference to the use of CUTMA rather than establishing a guardianship estate (§3413). Is this the only asset that is expected to pass to the Emily? Is Petitioner aware of whether there will be any proceeding (probate or other) for the decedent's estate? 4. It is the policy of the Court to order funds placed into a blocked account for this type of petition, accessible upon the minor's 18 th birthday. Examiner has prepared the Order to Deposit Money Into Blocked Account (MC-355) for the Court's signature, if granted. 5. Need revised order to reflect deposit into blocked account and revised case title. 6. Additionally, if granted the Court will set a status hearing for the filing of the Receipt and Acknowledgment of Order for the Deposit of Money Into Blocked Account (MC-356) as follows: - Thursday January 8, 2015 If the receipt is on file, the Court may take the matter off calendar.

Anna Young, Niece, filed Objections on 1-9-15. Objector states she and the proposed Conservatee recently moved from the State of Iowa to Fresno, California. The purpose of moving was to provide Mr. Pirie with a larger network of support than he had in Iowa. Objector has been his live-in care provider since July 2010 when she moved at his request from California to Iowa to assist him.

Mr. Pirie lacks the requisite capacity to make any legal, business, financial, or medical decisions on his own. The Public Guardian's office must agree, as they filed for conservatorship. Objector challenges the recent revocations of the November 13, 2012 documents due to capacity. He resided at Regency Park Nursing and Rehabilitation Center in Jefferson, Iowa from August 2014 to Sept. 29, 2014, and medical staff there determined him to have "Severe Impairment," including delirium, impulsive behaviors, and requiring lock-down for his safety.

Ms. Young is concerned about Mr. Pirie's current living arrangement and states that since he has been at Sunshine Home, he has suffered multiple medical events. Objector has reason to believe the staff used medication to restrain and restrict him, resulting in a hospital stay only two days after executing the revocations. Medical records will show that he has a history of confusion which is understandably aggravated by infections, medications, and coercion by others. Ms. Young believes claims made by Omid Babakanifar are a result of her questioning Mr. Pirie's care and threat to move him from the facility for lack of quality care.

Objector states many of the facts supporting the petition are simply false. For instance, the petition states Objector is Mr. Pirie's son's former girlfriend, when in fact she is his great niece by marriage.

The petition states Ms. Young isolated Mr. Pirie by not allowing him to engage in phone calls and preventing him from leaving the Sunshine Care Home. Sunshine Care Home is owned and operated by Evelyn and Omid Babakhanifar and is a lock-down facility for patients with dementia. The facility was chosen by Ms. Young because the owners assured her it would be a safe environment for her uncle. This is for medical necessity, not isolation.

Ms. Young states Mr. Pirie has a history of alcoholism and gambling addiction, and is vulnerable due to his weakened and confused mental state. He also has a history of being a very generous man. In Iowa, Ms. Young was concerned that he was taken advantage of, and as a result, Ms. Young was protective and mindful of who was spending time with him. It is Petitioner who has isolated Mr. Pirie from Ms. Young, the person who has cared for him for the past five years.

Objector states the petition alleges that she has made statements that he lacks funds to pay for what he needs. The truth is that Objector questioned the residential facility regarding the cost of additional supplies out of concern. Ms. Young was being responsible with his resources and making sure he was not being overcharged by the facility. She contracted with the facility for \$150/month for those services, and also maintains a stock of supplies and incidentals to supplement those provided by the facility.

SEE ADDITIONAL PAGES

Page 4

Objector states (Cont'd): The petition states Objector told the facility not to take Mr. Pirie to the hospital. The truth is, after two back-to-back hospital visits, Ms. Young was advised by Dr. Osbourn of Clovis Community Hospital that the facility had unnecessarily called 911 and had Mr. Pirie taken to the emergency room. Due to his mental state, Mr. Pirie was traumatized by the hospital and emergency environment and advised Mr. Young to minimize future trauma by bringing him to the hospital herself, if at all possible. As a result, she instructed the facility to call her before calling 911.

Objector has never taken or abused any finances of the proposed Conservatee. It is true that many large expenses have been paid out of his account, but these costs are directly related to the move to California. In addition, the Wells Fargo joint account holds over \$20,000 in Objector's personal funds. Prior to their move to California, she was advised by the local bank in Iowa to remove all funds from both of their accounts and deposit them into an account with a larger banking institution with branches in Iowa in California.

Objector sought legal advice from Michael Mumma, Mr. Pirie's attorney in Iowa, regarding the move and handling of accounts. Once in Fresno, Objector sought legal representation with Attorney Jeffrey Pape to obtain clarification of the ownership of the accounts to avoid any appearance or allegations of inappropriate handling of Mr. Pirie's finances. Adjustments to the ownership of the accounts were made after consulting with the California attorney.

Objector states the proposed Conservatee has lacked capacity to handle his own finances for several years. In August 2014, his mental state digressed further due to medical crisis. Objector has many of the receipts and records for expenses for all of the years she has been living with and assisting him.

Objector states there are many other inconsistent statements and misrepresentations made throughout the request for conservatorship. Objector believes the petitions should be denied and she should be reinstated s attorney in fact and agent for health care, or in the alternative, a contested hearing should be set to expose the truth and make a fair determination as to what is truly in Mr. Pirie's best interest.

Objector requests that:

- 1. The petitions of the Public Guardian be denied; and**
- 2. The revocation of Raymond Pirie's Power of Attorney and Durable Power of Attorney for Health Care Matters be rendered void;**

Or in the alternative that:

- 1. A contested hearing regarding the conservatorship of the person and estate be set out at least 60 days to allow the parties to engage in discovery and obtain vital records, documents and information held in the State of Iowa; and**
- 2. Other relief be granted that the Court considers proper.**

Note: If granted, the Court will set status hearings as follows:

- Thursday, June 18, 2015 for the filing of the Inventory and Appraisal**
- Thursday, June 16, 2016 for the filing of the First Account Current.**

If the proper items are on file prior to the status hearing dates.

Status Hearing Re: Filing of the First Account and/or Petition for Final Distribution

DOD: 4-4-12	<p>LOUIS WAYNE WIEBE, Son, was appointed Executor with Full IAEA without bond and Letters issued on 6-25-12.</p> <p>On 6-25-13, the Court set this status hearing for the filing of the first account or petition for final distribution.</p> <p>Status report filed 6-16-14 states the estate has been liquidated and is in a position to close. However, to creditors of the estate have issued a form 1099-C, cancellation of debt for 2013, even though the estate has not closed. The attorney contacted the claimants to determine if the 1099-C is intended as a waiver of their claims against the estate and both confirmed. However, the issuance of the 1099-C forms causes implications that were not anticipated, and the cancellation of debt results in taxable income of \$15,562.97 for the estate and a return will need to be filed for calendar year 2013. Therefore, additional time is needed.</p> <p>Status report filed 9-3-14 states the cancellation of indebtedness resulted in taxable income for 2013 requiring income tax return for the estate. Additional time is needed to complete and file the proper fiduciary income tax returns. The estate will likely be closed as an insolvent estate. Mr. Simonian will attend the hearing.</p> <p>Status report (unverified) filed 11-5-14 by Attorney Simonian states he is in the process of preparing a list of assets on hand, administration expenses that have not been paid, a calculation of the amount of statutory and extraordinary fees for the personal representative and attorney, and a proposed allocation for the payment of the remaining estate pro rata to the general creditors. Mr. Simonian will attend the hearing on 11-6-14 and can address additional questions at that time.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>Minute Order 11-6-14: The Court grants one last continuance for status on this matter. If the Petition is not filed prior to the next hearing, then Louis Wiebe must be present on 1/15/15. Continued to: 01/15/15</p> <p>As of 1-12-15, nothing further has been filed.</p> <p>Note: I&A filed 11-27-12 indicates a total estate value of \$208,915.73 consisting of cash and various real and personal property.</p> <p>Note: There are four (4) separate creditor's claims filed in this estate.</p> <ol style="list-style-type: none"> 1. Age: 49 years		<p>ARMENTA BURRIS, sister, was appointed conservator on 8/17/2005.</p> <p>Court Investigator Jennifer Young filed a Petition for Transfer on 11/25/14 requesting this proceeding be transferred to Tulare County because the conservatee has resided there for over five years and it is presumed pursuant to Probate Code §2215 that transfer of the conservatorship case to the county of residence is in the best interests of the conservatee.</p> <p>Court Investigator further recommends that the fees and costs related to this transfer be waived.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>In reviewing the file for this hearing examiner discovered that on 3/12/2010 the court approved a Petition for Authority to Deposit Sale Proceeds [from the sale of real property] into a Pooled Special Needs Trust with changes to the Master Trust that were agree upon the record by Ms. Ratzlaff. The order was to be signed ex parte. No order is in the file allowing the funds to be placed into a pooled special needs trust. There is a receipt filed on 7/29/2009 showing that the proceeds of the sale of the real property [\$54,793.10] were placed into Attorney Ratzlaff's Attorney-Client Trust account. Prior to transferring this matter the court may want to inquire about the status of the funds and the special needs trust.</p>
