			<b>Recommendation:</b>
			<b>File 7- Mitchell</b>

**Petitioner states** in the Spring of 2015, Mr. Bickel was approached by Recurrent Energy regarding entering into an Option Agreement for the sale of 2 parcels of real property belonging to the conservatorship estate ("Option Properties"). Recurrent Energy is interested in obtaining an Option Agreement in order to purchase the Option Properties for the purpose of developing a "solar farm."

The Option Properties were appraised by the probate referee as of the date of the establishment of the conservatorship as follows:

19.55 acres in Kern County appraised at \$35,000.00 and 9.55 acres in Kern County appraised at \$19,000.00.

Recurrent Energy proposes to purchase the Option Properties at \$12,500.00 per acre. Consequently the sales price for the 19.55 acre property would be \$244,375.00 and the sales price for the 9.55 acre property would be \$119,375.00.

Recurrent Energy proposes to pay non-refundable option payments totaling \$70,000 over 30 months following court approval (schedule outlined in pleadings).

Mr. Bickel believes that it is in the best interest of the Conservatorship to execute the Option Agreement as the Option Properties are currently undeveloped, not productive, not currently located in the pathway of any other type of commercial development and costs the conservatorship estate ongoing maintenance in the form of annual property taxes.

Mr. Bickel further requests the authority to reimburse the Co-Conservators of the person for travel related expenses to visit the conservatee. Mr. Mitchell and Ms. Singh, the Co-Conservators of the person, each reside outside the State of California. Mr. Mitchell and Ms. Singh believe that it is in the Conservatee's best interest that, in addition to the monitoring of his care by regular telephone and e-mail contact with his care providers at Cottonwood Court, that they visit the Conservatee, on a minimum, a quarterly basis in order to view firsthand his care and well-being. Mr. Mitchell and Ms. Singh estimate that the following amounts would be incurred by one (1) of them each quarter to visit the conservatee:

Flight (roundtrip):	\$600.00
Rental car:	\$400.00
Hotel (4 nights x 125/night):	\$500.00
Total amount:	\$1,500.00

With Court approval and authorization as requested herein, Mr. Bickel is in agreement with providing reimbursement, without additional court approval, to the Co-Conservators of the person, on a quarterly basis, for travel related expenses up to the amount of \$1,500.00.

**Petitioners pray for an order that:**

1. The Third Account and Report be settled, allowed, and approved as rendered, and all acts and transactions of Bruce Bickel set forth in it, or relating to the matters set forth in it, be ratified, confirmed and approved;
2. The Conservator of the Estate be authorized to pay himself compensation for services rendered in the amount of \$12,143.10;
3. The Conservator of the Estate be authorized to pay Dowling Aaron Inc. in the amount of \$9,762.50 for legal services rendered and \$561.75 for costs for costs advanced for a total amount of \$10,324.25;

**Please see additional page**

4. The Conservator of the Estate be authorized under Probate Code §2590 and 2591(b) to execute an Option Agreement form Recurrent Energy in the form attached as Exhibit "C";
5. The Conservator of the Estate be authorized under Probate Code §2590 and 2591(b) to independently execute the power to consummate the sale of the Option Properties consistent with the terms of the Option Agreement, without prior court approval or authorization;
6. The Conservator of the Estate be authorized to reimburse, on a quarterly basis, without further Court approval, the Co-Conservators of the Person, for travel related expenses up to the amount of \$1,500.00, incurred by the Co-Conservator's of the Person to visit the Conservatee, upon presentation of appropriate documents and receipts supporting the expenses incurred.

**Court Investigator Report filed 7/7/2015**

**Note:** If the petition is granted, a status hearing will be set as follows:

- **Wednesday, September 13, 2017** at 9:00 a.m. in Department 303, for the filing of the fourth account.

Pursuant to Local Rule 7.5 if the required documents are filed 10 days prior the date set the status hearing will come off calendar and no appearance will be required.

**Note to Attorney:** Probate Code §2620(c)(2) states the filing shall include all account statements showing the account balance at the closing date of the accounting period for the court accounting. If the court accounting is the first accounting the conservator shall provide the to the court all account balance immediately preceding the date the conservator was appointed and all account statements showing the account balance as of the close of the first court accounting. Therefore, it is unnecessary to file each and every account statements for the entire account period.
