Thomas Bingham-Mathia's (father) Declaration in Support of Termination of Temporary Guardianship filed on 11/21/12. Mr. Mathia states that unbeknownst to him his daughter has been living with and in the care of Petitioner for approximately 1 year. Mr. Mathia states he was completely unaware that his daughter had been living with Petitioner all this time. In fact, throughout the entire process in which Teresa [mother] and Mr. Mathia were trying to work out custody and visitation of the minor, Petitioner and Teresa have fraudulently claimed that the minor was in the care of her mother.

Mr. Mathia states the current Family Court order granted on 7/6/2011 gave Teresa sole legal and physical custody of the minor. Father was given supervised visits on the 4th weekend of each month Saturday and Sunday from 9:00 a.m. to 1:00 p.m. The visits were to occur at the club house located at the apartment of the supervisor [Amanda Joy Mathia]. In the event of controversy regarding the selection of the third party supervisor, parties shall contact an agency that provides supervised visitation. Each parent will be responsible for his or her own registration fees and/or orientation costs. All costs of said supervised visitation shall be the responsibility of the mother and the father.

Mr. Mathis alleges that the first visitation did not go well with Amanda Joy Mathia supervising. Mr. Mathia states he told the mother that he felt it was best to go through an agency. Mr. Mathia states he told the mother that he could not afford the visits on his own and that the court order stated she was to split the costs but mom refused to help. Mr. Mathia states he suggested other third party supervisors but mom refused to agree to any of them. Since February 2012 Mr. Mathia states he has only been able to have telephone communications with his daughter.

For the first few months Mr. Mathia states he had no issues taking with his daughter. At times they would video chat and times he would call the minor and they would chat for up to an hour. However, on or around May of 2012 these communications with the minor decreased.

Petitioner and Teresa [mother] would purposely plan activities with the minor during Mr. Mathia's designated call times so that the minor would not want to stay and talk to him. They would tell the minor that they were taking her swimming, to Chuck-e-Cheese, or to play with friends. As of late, the conversations last maybe one minute because the minor wants to get to the activity that the Petitioner and mom have planned for her.

Mr. Mathia states he is not a danger to his daughter as seen by his psychiatric assessment (Exhibit B). His daughter has never expressed fear nor has she ever seemed anxious when they spend time together. In fact it is the opposite, the minor wants to tell her father about her day, wants to watch movies with him, or play games together. The minor and Mr. Mathia have a good relationship despite what the Petitioner wants the court to believe.

Mr. Mathia is requesting the Court terminate the temporary guardianship and allow the Family Court to determine custody of the minor. Furthermore, Mr. Mathia alleges Petitioner has tried to extort money from him and lied to the Family Court about her involvement with the minor. Petitioner has no legal ties to the minor. Petitioner is the sister of Mr. Mathia's biological father who severed his legal relationship with Mr. Mathia when Mr. Mathia was adopted by Douglas Bingham as a child. Petitioner is not Rachel's legal aunt as she claims.

Teresa [mom] has already stated she is unable to care for the minor. Mr. Mathia states he has a stable job and lives in a loving home with his mother and step-father. Both his parents are active members of the church and are foster parents themselves. Mr. Mathia believes it is in the minor's best interest to be in a stable loving home with her father.

Points and Authorities in Support of Termination of Guardianship filed on 1/14/2013. Thomas Bingham-Mathia seeks termination of the guardianship in order that the issues concerning custody of his minor daughter may be determined in family court where all interested parties have appeared before that court and jurisdiction exists therein. Respondent has recently discovered that his daughter has been living with Petitioner, Amandajoy Mathia for approximately one year unbeknownst to him. In this period both the mother and Petitioner had informed the Family Court that the child lived with her mother and indeed lied to the court.

Good cause exists for the court to exercise its discretion and refer this matter back to Family Court. Since 2010 both Respondent and Theresa Bingham-Mathia have been in and out of Family Court in an attempt to resolve their issues regarding child custody and visitation. In fact the parties were in court as most recently as July of 2012 on Ms. Bingham-Mathia's motion to modify custody and visitation.

Since February 2012 Respondent has been unjustly denied his court ordered visitation and had been taking great efforts to resolve the issue when he was served with Petitioner's petition for guardianship. Until the petition was filed Respondent had no knowledge that his daughter had been residing with Petitioner. Even Ms. Bingham-Mathia filed her motion to modify in July 2012 accompanied with Petitioner's declaration in support, both parties signed under penalty of perjury that the minor child was residing with Ms. Bingham-Mathia and not petitioner.

It is imperative that Petitioner's petition be denied as Petitioner has conducted herself in a fraudulent manner to this court hand as openly refused to allow respondent visitation with his daughter. The Family Court is well acquainted with the parties and the issues involving custody of his child. Moreover, the issues of child support and the fraudulent collection of that support will also need to be addressed, an issue best suited for the Family Court.

Currently, the Family Court has before it a motion to modify custody/visitation and child support. In terms of judicial economy, the Family Court is best equipped to deal with these matters as these issues have been ongoing. Therefore, based on the foregoing, Respondent respectfully requests that this court exercise its jurisdiction by terminating the guardianship and referring the matter to the Family Court to determine the aforementioned issues.

Court Investigator Julie Negrete's Report filed on 11/15/12.

NEEDS/PROBLEMS/COMMENTS (cont.):

3. Thomas Mathia (father) reports that the minor has Native American Ancestry. Notice of Child Custody Proceeding for Indian Child was mailed on 12/18/13. CA Rules of Court 7.1015(c)(9) further states if after a reasonable time following service of notice under the act—**but in no event less than 60 days**—no determinative response to the *Notice of Child Custody Proceeding* is received, the court may determine that the act does not apply to the proceeding unless further evidence of its applicability is later received.
4. Thomas Bingham Mathia states he was adopted as a child by Douglas Bingham, therefore he is the legal paternal grandfather and would be entitled to notice of this hearing see #2b above.
