File 3 - McDaniels																				

**Petitioner states:**

- Petitioner sought instructions from this Court as to Petitioner's obligation to pay charges incurred by the Conservatee, and per *Order Instructing Conservator Regarding Debts Incurred by Conservatee* filed 8/3/2010, Petitioner was instructed not to pay and has not paid any charges incurred by the Conservatee based upon determination that such charges were not reasonable or for necessities; Petitioner has also per the Court's order notified credit reporting agencies that Conservatee is under a conservatorship to help prevent future credit being extended to Conservatee without Petitioner's knowledge and approval; Petitioner has paid Conservatee's living expenses, upkeep and maintaining of Conservatee's residence and vehicle, and has paid a weekly allowance to the Conservatee [totaling ~\$64,170.00 during this account period];
- Pursuant to Court order, Petitioner has been authorized to pay itself on account of its fees \$600.00 per month; Petitioner has received a total of \$14,400.00 on account during the two-year period of this account, leaving a balance of \$17,935.47 as now unpaid and which sum should now be authorized to Petitioner; *Declaration of Elisabeth Lambert in Support of Conservator's Fee* states special services have been provided by Petitioner in this case, including assistance to the Conservatee in matters of routine maintenance to his home that would be handled by most homeowners themselves, that require attention and services from Petitioner's real estate department due to Conservatee's disabilities and limitations; in addition, during this account period Conservatee expressed desire to marry **KATHRYN WASHBURN**, which required Petitioner to obtain court permission for the Conservatee to marry, and Petitioner hired and coordinated several attorneys involved in preparation of the petition and the prenuptial agreement; Petitioner has had to schedule many meetings with Conservatee and his new wife subsequent to their marriage [in ~10/2011] to educate them regarding appropriate expenses, budgeting and conservation of the estate for Conservatee's care and support; further, the Conservator of the Person does not appear to be active in Conservatee's life and the Conservatee having a spouse has not reduced the need for Petitioner's weekly involvement on mundane issues that affect the Conservatee, but in fact the addition of a spouse has required increased diligence by Petitioner to monitor impulse spending, utility usage, etc.; Ms. Lambert on behalf of Wells Fargo spends significant time supervising and providing financial education to address the myriad weekly problems the Conservatee brings to Wells Fargo as Conservator; significantly more time and attention are required to oversee Conservatee and his estate than is provided to irrevocable trusts with similar assets; the compensation required by Petitioner is fair and reasonable compensation for the services and benefits provided to Conservatee under the circumstances of this case.

**Petitioner requests as Conservator of the Estate:**

1. **Authority to continue to pay itself \$600.00 per month on account of services until further Court order**, with the final amount of compensation to be paid for the Conservator's services for periods following the end of the 22<sup>nd</sup> Account to be later determined by the Court; and
2. **That the fee schedule it applies to similar accounts be allowed for the management of this conservatorship at the rate of 1.35% of the assets under management**, which Petitioner states is substantially lower than the customary charge of 1.5% paid by many of the Petitioner's trust clients for related management services; Petitioner states compensation has been previously allowed in the present Conservatee's estate based upon the 1.35% of the value of assets under management.

~Please see additional page~

**NEEDS/PROBLEMS/COMMENTS, continued:**

2. *Schedule C, Disbursements* shows payment on 2/9/2011 of **\$37,570.96** for purchase of a 2011 Chevrolet Silverado, which is not referenced or explained in the *Petition*, neither as a court-authorized purchase nor otherwise. In addition, an entry for payment on 3/22/2011 of **\$4,268.98** for Allied Insurance Auto Policy is included, and other Auto Policy and vehicle-related expenses (i.e. DMV) are included totaling **~\$2,138.64**, which entries are not explained as to the vehicles associated with the payments. Further, *Schedule E, Non-Cash Assets at End of Account Period* lists the 2011 Chevrolet Silverado with a carry value of **\$1.00**. Court may require additional information.
3. Recreational vehicle purchase of **\$24,335.73** on 12/22/2011 for a 2008 Weekend Warrior was authorized by Court per *Order Instructing Conservator Regarding Purchase of Recreational Vehicle* filed 12/1/1011, allowing expenditure from the conservatorship estate of up to **\$25,000.00** for purchase of a travel trailer or toy hauler; *Schedule C, Disbursements* entry dated 3/12/2012 of **\$1,379.91** for modifications to the vehicle as part of the purchase per Court order brings the total purchase to **\$25,715.64**. *Schedule E, Non-Cash Assets at End of Account Period* does not but should include the 2008 Weekend Warrior as personal property on hand of the conservatorship estate (or, *Petition* should include an explanation as to the reasons it is not accounted for as conservatorship estate property on hand.) Additionally, as a potentially related issue, *Schedule D, Losses on Sales* lists a 2004 Chevrolet Trailblazer with a loss of **\$37,425.00**, which is not referenced or explained in the *Petition* (perhaps this constitutes a trade-in for the 2008 vehicle purchase; however, that information is not provided in the *Petition*.)

**Note re Fiduciary Fee Rate:** Traditionally, this Court has authorized a fiduciary fee rate of **.75%** of the value of the assets. *Judgment Settling Twentieth Account and Report of Conservator* filed 4/15/2009 authorized Petitioner's requested fees "without setting a precedent as to percentage rate used to calculate fee request." Petitioner's request for **1.35%** of the value of the assets appears reasonable based upon the specific circumstances of this case, as evidenced by the Court's orders allowing that rate for the previous accountings.

**Notes re Attorney Fees Paid During Account Period:**

- Attorney Marvin T. Helon, for the Conservator of the Estate, was paid fees and costs of **\$7,465.00** per *Judgment Settling Twenty-First Account and report of Conservator of the Estate* filed 6/1/2011, and was paid fees and costs of **\$2,746.50** per *Order Instructing Conservator for Substituted Judgment Regarding Premarital Agreement* filed 9/21/2011.
- Attorney Gary Bagdasarian, court-appointed to represent the Conservatee on 8/11/2010, was paid fees of **\$19,000.00** for the period 8/11/2010 to 10/31/2011 per *Order Approving Compensation of Attorney for Representation of Conservatee* filed 12/14/2011; and was paid fees of **\$3,825.00** for the period 11/1/2011 to 5/10/2012 per *Order Approving Compensation for Representation of Conservatee* filed 6/26/2012.
- Attorney Gary L. Motsenbocker, hired by Co-Conservators of the Person, was approved fees and costs of **\$3,545.00** per *Order Approving Petition for Approval Attorney's Fees to Private Counsel* filed 12/15/2010.
- Law firm of Wild, Carter & Tipton was paid **\$612.50** on 8/15/2011 and **\$300.00** on 10/7/2011 for attorney fees regarding the premarital agreement for the Conservatee's marriage to Kathryn Washburn.

<input checked="" type="checkbox"/> Aff.Mail	<b>Declaration of Dolores Arroyo filed 01/17/13</b> states that the parents are portraying themselves as victims. When they obtained guardianship the father was facing 10 years in prison. They also state that the father is a gang member. Ms. Arroyo states that the mother has willingly stayed away from the children and have never provided for them. Ms. Arroyo states that the mother's older son, Joe Manuel Delgado, prefers to live with them also even though they are not his guardians. Ms. Arroyo states that due to the father's visitation on the 1 <sup>st</sup> , 3 <sup>rd</sup> & 5 <sup>th</sup> weekends of the month, she only has one weekend with them and is not willing to agree to a visitation plan. Ms. Arroyo states that both of the parents were fine with them taking care of the children before the father had to pay child support and the mother is angry that her eldest son wants to live with them and she might lose the aid that she receives for him. Attached to Ms. Arroyo's declaration is a letter from Joe Manuel Delgado that states he wants to be emancipated from his mother. He states that his mother has never been there for him and is always running the streets with her friends and boyfriend. He states that his step-grandma (Guardian, Dolores Arroyo) has provided for him. He states that his mother has always put him last and receives cash aid and foodstamps for him but does not buy him anything.
