**Status Hearing Re: Property and all Outstanding Matters**

<b>DOD: 7/2/2010</b>	<p><b>DAVID D. GRABER</b>, Son and Executor with Full IAEA with bond of \$564,000.00, petitioned the court to purchase the estate's real property for \$275,000.00.</p> <p>On 6/28/12 the court confirmed the sale and set this status hearing regarding the property.</p> <p><b>Status Report of Attorney Richard Hemb filed on 10/16/12</b> states the remaining administrative activities involve the disposition of real property. Decedent's real property in Madera County was appraised at \$80,000.00. The asking price was \$60,000.00 but received no interest. Proceeding with the closing of the estate and requesting a court order conveying titled to each residual beneficiary may not be possible because it is not a position favored by <u>all</u> beneficiaries. The real estate broker has noted movement in this area at a level of \$25,000.00. The personal representative has now instructed the agent to market the property at that level.</p> <p>The Court approved the sale of the decedent's real property in Fresno to the personal representative on 6/28/12. At one time Mr. Graber was pre-approved for a loan to be used toward the purchase. Because of the delayed process of obtaining court approval to make the purchase, Mr. Graber proceeded to refinance his current residence as a first step in obtaining financing to be used for the current purchase of the decedent's residence. The lender indicated that for internal purposes a three month delay is required. The current status of the matter is that the lender anticipates receiving a conditional approval of the loan during the afternoon of October 16, 2012. Therefore, written approval should be available for the court for the hearing on October 19. Closing should take place soon after November 1, 2012.</p>	<p><b>NEEDS/PROBLEMS/COMMENTS:</b></p> <p><b>Continued from 10/19/12. Minute order states Counsel advises the Court that his client has been approved for a loan.</b></p> <ol style="list-style-type: none"> <li>1.
