NEEDS/PROBLEMS/COMMENTS – The following issues remain noted:

1. The Court may require clarification regarding the Social Security supplemental income, which the petition states is paid directly to the Conservatee for his living expenses, and is not included in the accountings. This income was inventoried as an asset of the conservatorship estate on the Inventory and Appraisal filed 11-4-11.

Attorney Declaration filed 2-23-15 requests that this living allowance be continued for the benefit of the Conservatee's living expenses.

2. Bond calculation does include the value of the Conservatee's interest in the vehicle. The Court may require bond of at least \$38,078.39.

Note: This calculation does not include the above social security income. If included, bond should be at least \$49,232.39.

If granted, the Court will set status hearings as follows:

- **Wednesday, April 15, 2015 for the filing of the bond**
- **Wednesday, December 14, 2016 for the filing of the next account**

If the proper items are on file prior to the status hearing dates, the status hearings may be taken off calendar. Otherwise, status report is required pursuant to Local Rule 7.5.

		File 5 – Raymond

As of 2/20/14 the following issues remain:

1. A Petition to Determine Succession to Real Property was previously filed for this decedent (that petition was denied on 1/31/13). In the previously filed petition the petitioners were requesting a 50% interest pass to petitioners. (This decedent had a 25% interest in the real property and her sister had another 25% interest. The petition alleged that decedent's sister's 25% interest belonged to this decedent because the sister had died and decedent was her sole heir). The Inventory and Appraisal in the first filed petition listed the value of the property (50%) at \$110,000.00. This petition includes a copy of the same inventory and appraisal valued (25%) at \$110,000. How can the 50% interest alleged in the first filed petition and 25% interest as alleged in this petition both be valued at \$110,000? – **Declaration of Attorney states** the property is appraised at 100% therefore a 25% interest would be \$27,500.00. This petition only concerns a 25% interest in the estate. **Examiner note:** Pursuant to Probate Code 13152(b) and Probate Code §8802 the property listed shall state the fair market value of the property at the time of the decedent's death. **Therefore need amended inventory and appraisal showing the value of decedent's interest in the property as of her date of death.**
2. Decedent was also survived by a 10th grandchild, Opal White. Opal White died on 5/25/05 (after this decedent) therefore her estate is entitled to a 1/10 share of this estate. Petition states her son, Danny Brown has filed an Affidavit Re: Real Property of Small Value to pass Opal's interest in the real property to him. However, Opal's interest must first pass to her. In addition, someone (a special administrator?) will need to sign this petition on her behalf. Note: A special administrator cannot be appointed in this estate for Opal. A special administrator will need to be appointed in a new case for Opal's estate. – Petitioner contends that the issue of the 2.5% interest passing to the heirs of Opal White is not before the Court. Danny Brown has filed an Affidavit Re: Real Property of Small Value to claim the final 2.5% interest from the estate of Opal White. Danny Brown is not a petitioner herein, and seeks no relief in this petition. – **Examiner note:** The problem is that before the property can pass to Danny Brown the property must first pass to Opal White's estate. Therefore a Special Administrator would need to be appointed (in a separate proceeding) to be able to sign this Petition to Determine Succession on Opal's behalf in order to pass Opal's interest in this estate to her estate. After the property is in Opal's estate then Danny Brown can file the Affidavit Re: Real Property of Small Value.

Declaration of Randolph Krbechek filed on 8/27/14 states he cannot attend the hearing on 8/28/14 because he is required to be in Redwood City for closing arguments. Mr. Krbechek requests a continuance of 90 days to address the examiner notes.

Declaration of Randolph Krbechek filed on 11/26/14 states he cannot attend the hearing on 12/6/14 because he is required to be in Dept. 401 at the same time for a pending court trial. Mr. Krbechek requests a continuance.

Declaration of Attorney Krbechek filed on 1/12/15 states he has not been able to complete the required Petition to Determine Succession to Real Property due to the holidays and family matters. Based thereon, Mr. Krbechek respectfully requests the court continue the matter for 30 days.

NEEDS/PROBLEMS/COMMENTS:

1. **Petitioner paid extraordinary fees totaling \$62,049.28 to Attorney Scott Ivy in connection with the litigation against the estate, and requests reimbursement. The Court may require clarification with reference to Cal. Rules of Court 7.700, which states:**
 - (a) **No compensation in advance of court order**
The personal representative must neither pay nor receive, and the attorney for the personal representative must not receive, statutory commissions or fees or fees for extraordinary services in advance of an order of the court authorizing their payment.
 - (b) **Surcharge for payment or receipt of advance compensation**
In addition to removing the personal representative and imposing any other sanctions authorized by law against the personal representative or the attorney for the personal representative, the court may surcharge the personal representative for payment or receipt of statutory commissions or fees or fees for extraordinary services in advance of an order of the court authorizing their payment. The surcharge may include interest at the legal rate from the date of payment.

Note: Exhibit B, Attorney Declaration Re Compensation, describes the benefit to the estate, and provides itemization in the form of billing statements for services in connection with the Petition to Determine Validity of Trust Instruments filed 12-19-11 in this matter and the related civil action, 11CECG04320.
2. **Many of the expenses charged include expenses considered by this Court to be costs of doing business and not reimbursable, such as charges for photocopies, computer research fees, clerical services, travel/telephonic appearance costs, and runner/document services. The Court may disallow these charges. (Examiner calculates a total of \$1,251.86 in non-reimbursable expenses.)**
3. **The total cost also includes \$3,867.82 in interest charged on the various billing statements. The Court may require clarification or authority for interest charges on extraordinary fees not yet authorized by the Court.**
4. **Declaration states Attorney Scott Ivy of Lang Richert and Patch undertook defense of the litigation on behalf of Petitioner; however, the billing statements appear to include work from additional staff. The Court may require clarification regarding the identity and qualification of those included in the billing. Are they attorneys? Paralegals pursuant to Probate Code §10811 and Cal. Rule of Court 7.703(e)? Other secretarial staff?**
