		File 1A – Nelson	

7. Since the previous account, Christopher has incurred medical expenses totaling more than \$32,000.00 to date.
8. Christopher's medical expenses are higher than in the previous accounting period because his parents have decided to follow a treatment regimen recommended by Nancy Mullan, M.D. which relies heavily on supplements and tests not paid by insurance. Although this treatment is "alternative" Christopher's parents believe that he has benefitted from these treatments. The Trustee feels that they are in the best position to judge Christopher's response to these treatments and requests instructions and approval to use trust funds to pay for these treatments.
9. Pursuant to Section 2.1 of the Trust, the Trustee requests instructions and approval to expend up to \$5,000.00 each year to pay for travel and vacation of Christopher and two family members.
10. Each year, Christopher's parents have taken him on a trip that provides Christopher with an educational and fun experience. In the previous account period, the Trustee reimbursed Christopher's parents \$4,813.05 for this purpose. Advancing these expenses creates a financial burden on the family, therefore, the Trustee seeks authorization to use trust funds to purchase tickets, prepay for accommodations, and provide Christopher's parents with an allowance for incidental travel expenses.
11. As of 09/30/12, the Trust had assets with a total value of \$384,576.69, of which \$8,741.39 is cash.
12. Currently the Trust receives income of approximately \$1,000.00/month from dividends and interest. On July 15, 2017, the Trust will begin receiving monthly annuity payments of \$2,684 per month for Christopher's life, increasing at 3% per year compounded. Beginning July 15, 2022, the Trust will receive additional future lump sum payments totaling \$50,000.00 each year. In addition, the Trust will receive lump sum payments of \$300,000.00 on 07/15/28; \$300,000.00 on 07/15/33; \$300,000.00 on 07/15/38; and \$788,135 on 07/15/43.

Petitioners pray for an Order:

1. Authorizing and instruction the Trustee to expend up to \$5,000.00/month retroactive to May 1, 2012 for Christopher's medical expenses by direct payment or reimbursement to Christopher's parents for charges by any medical doctor, hospital, nurse, pharmacy or any other medical care provider or vendor for medical supplies and services necessary for Christopher's treatment; and
2. Authorizing and instructing the Trustee to expend up to \$5,000.00 each year to pay for travel and vacation expenses for Christopher and two family members.

Aff.Pub.	Petitioners state the minor has been in their care since before she was two years old, when mom moved to Colorado. Mom would call randomly and request to talk to the minor, but never visited with her. Last week she called and stated she would be coming to pick up the minor and take her back to Colorado with her. She has not seen the minor in a long time and they feel it would be a detriment to the child if her mother takes her away from them. Petitioners are requesting a temporary guardianship until they can sort out the situation.
