1 Josephine Canales (Estate)

Case No.04CEPR00293

Petition states all other beneficiaries have filed waivers of accounting of administrator and acceptance of \$10,000 as their full beneficial interest in the estate on 6/6/11. Because of the EDD their beneficial interest could not be distributed from the estate. All the funds, except administration and attorney fees, had to be paid to the mortgage on the "J" Street property, or the EDD would not allow the partial release of the lien to allow the "J" Street property to be sold. Since there was no money remaining after the payment of title fees, costs , attorney fees and property taxes, the Personal Representative took \$20,000 from her own retirement funds and paid all other beneficiaries \$5,000.00 each. Kristina received the 1997 Buick Bonneville with the value of \$5,000.00. All beneficiaries have signed an assignment of their share of the "J" Street property to the petitioner. Petitioner has used this property as collateral to acquire enough money to pay off the "I" Street property's mortgage, back property taxes, and other debts of the decedent. Petitioner is still making payments on these loans.

Examiner notes: the personal representative could have petitioned the court for authority to purchase the real property of the estate, however in this case the personal representative did not.
