

DOD: 04/04/12		SONIA MARQUES SAMAJA , surviving spouse, is Petitioner.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <ol style="list-style-type: none"> The Petition is not marked at item 5(a)(2) regarding issue of a predeceased child. Petitioner states at 4c that a copy of the will is attached. However, the attachment appears to be a typed translation that is not certified. Need copy of will pursuant to Probate Code § 13651 (b) plus certified translation pursuant to § 8002(b)(2). Note: Although this is a summary proceeding, an order under this section necessarily includes a determination as to the validity of the will, even if it is not technically admitted to probate. See commentary under § 13151. Petitioner states that, under Brazilian law, the property seeking to be passed with this Petition was community property. However, this petition was filed as a summary proceeding under California law, which provides for the passing of assets to the proper heirs under California law only. The request for judicial notice of Brazilian law does not specifically request that this Court pass the property pursuant to Brazilian law instead of California law, but appears to argue that this is the case. If this is the case, need authority. The Petitioner does not provide sufficient facts to determine whether the property is community property under California law. Need further details (when were Petitioner and Decedent married, when and how was the property acquired, etc.) The Petitioner states that the decedent's children have all filed Disclaimers of Interest, disclaiming their interest in the Decedent's property (copies attached). If the property can be determined to pass to Petitioner under this section, upon the providing of pertinent information as requested above, then such disclaimers are unnecessary. If, however, it is determined that the decedent's children are entitled to shares, but are disclaiming them, there is no provision under this section, or any summary procedure, for disclaimers of interest. Summary proceedings provide for the passing of assets to the proper heirs under California law only. Further, pursuant to Probate Code § 282, disclaimers have the effect as if the person disclaiming interest predeceased the decedent. Petitioner does not state whether the three children disclaiming interest in the property have issue.
		No other proceedings.	
		Will dated 05/04/05 (copy not provided)	
Cont. from		Petitioner states that she and the decedent were married in Brazil and their assets consist entirely of community property.

Both spouses are treated as joint holders of those assets, which are considered indivisible. (Article 1667 of the Brazilian Civil Code.) Article 1829 of the Brazilian Civil Code provides that if one of the spouses dies, the decedent's assets are apportioned 50% to the surviving spouse and 50% to the children. If the children waive their right to the 50% share, these assets will fully accrue to the surviving spouse.</p> <p>Petitioner states that the Decedent's three children have each disclaimed their interest in Decedent's property and that under Brazilian law, his assets would accrue in their entirety to Petitioner as the surviving spouse.</p> <p>Petitioner requests Court confirmation that ½ interest in 52 horses, including some unborn belongs to her and that ½ interest in 52 horses, including some unborn passes to her.</p>
