 File 1A – Banda-Nieto

Petitioner states:

- It was agreed among the parties, attorneys and the Court that the Public Administrator would file his final account and hold the remaining funds, after payment of commissions and fees, until the matter of who is entitled to receive distribution is resolved; thus, the estate is not in a condition to be closed as the heirs, devisees and/or legatees of the Decedent entitled to final distribution of the estate have not been determined;
- The two issues that have prevented closure of the estate administration are: the persons entitled to distribution of the estate, and the sufficiency of the amount of estate assets; a brief summary of the status of these issues is as follows:
 - Decedent's 1997 California Will admitted to probate for administration on 3/27/2006 identified Decedent's parents **ALFREDO BANDA ARRIAGA and REMEDIOS NIETO RODRIGUEZ** (now represented by Attorney Javier A. Alabart) as the only beneficiaries of Decedent's estate;
 - A woman named **MARIA LUISA SANCHEZ** (represented by Attorney Edward L. Fanucchi) is asserting that she is the rightful heir of the Decedent entitled to distribution of the entire estate of Decedent; this issue has not yet been resolved;
 - The source of the Decedent's estate assets is the Decedent's Workers' Compensation benefits, which were received as part of a settlement in the 1997 Workers' Compensation Appeals Board (WCAB) case FRE 01150566 that included settlement of a third-party case by way of a *Third-Party Compromise and Release* approved by Workers' Compensation Judge George J. Perlingieri; specifically, the assets of the Decedent's estate belonging to the Decedent at the time of Decedent's death consist of the amount remaining from that settlement after distributions made to the Decedent or for his benefit;
 - At the time of Decedent's death, the remaining settlement funds were held in trust by Attorney Robert F. Perez and the law firm of Perez, Makasian, Williams & Medina ("The Perez Law Firm") at the direction of Judge George J. Perlingieri;
 - A dispute arose as to whether the amount delivered to the Public Administrator after the Decedent's death by Attorney Robert F. Perez and The Perez Law Firm was the accurate amount remaining from the WCAB case settlement;
 - Ms. Sanchez and Attorney Fanucchi contended that there should have been substantially more settlement proceeds remaining; the Public Administrator's attorney conducted an extensive review of the initial WCAB settlement amount and the distributions made therefrom in an effort to resolve this issue; after receipt of numerous documents and discussion with The Perez Law Firm, the attorney was able to confirm that all proceeds were accounted for;
 - Because Attorney Fanucchi was still questioning the amount, the Court ordered attorneys Kruthers, Perez and Fanucchi to meet; at that meeting, after reviewing the forensic accounting results and supporting documentation, attorney Fanucchi indicated that although he needed to report back to his client [Ms. Sanchez], he was satisfied that all of the settlement funds had been accurately accounted for; subsequently, Attorney Fanucchi noted in Court that his client agreed that all funds had been properly accounted for;
 - Neither Attorney Alabart nor his clients have ever objected, contested or disputed that the amount turned over by Attorney Robert Perez and The Perez Law Firm was the accurate amount remaining from the WCAB case settlement proceeds.

~Please see additional page~

Petitioner states, continued:

- A preliminary distribution of the estate in the amount of **\$103,000.00** was made to Attorney Fanucchi on behalf of his client, Maria Luisa Sanchez, pursuant to Court order dated 11/5/2007; the *Receipt of Distribution* signed by Attorney Fanucchi was filed with the Court on 12/12/2007;
- After payment of commissions, fees and costs in the amount of **\$19,643.43**, there will be **\$89,703.10** to distribute upon further Court order.

Petitioner prays for an Order:

1. Settling, allowing and approving the First and Final Account and confirming and approving all acts and proceedings of the Petitioner as Administrator;
2. That pursuant to the specific agreement and acceptance by Attorney Fanucchi and his client, Maria Luisa Sanchez, and there being no objection by Attorney Alabart and his clients, Alfredo Banda Arriaga and Remedios Nieto Rodriguez, the amount of the funds delivered to the Public Administrator by The Perez Law Firm is accepted as the correctly accounted for amount remaining from the Decedent's 1997 Workers' Compensation Case FRE 01150566 and third-party settlement proceeds subject to probate administration with no further action to be pursued regarding this issue;
3. Authorizing Petitioner to pay the statutory compensation to Petitioner, and statutory fees and extraordinary legal fees to Petitioner's attorney; and
4. Authorizing Petitioner to pay from the estate the bond fee and the costs advanced.

SUMMARY (Continued):

Petitioner did not receive any detailed information until a beneficiaries' meeting on 8-6-11, to which she was forbidden to bring representation of any kind. At the meeting, a PowerPoint presentation included a list of the properties owned and a balance sheet for Varni Corporation (*not the trust*). This information was provided 18 months after the death of the surviving trustor and still no accounting was provided.

Petitioner states the trustee has not provided an accounting pursuant to Probate Code §16062, which requires account at termination or at least annually. A letter from the trustee's counsel dated 1-27-11 stated an accounting would be forthcoming, but the only information Petitioner received is the list and balance sheet noted above and provided at the beneficiaries' meeting. These documents do not conform to the requirements for the contents of an accounting (Probate Code §16063), including receipts and disbursements, assets and liabilities, trustee's compensation, and compensation of any agents hired.

In addition, Petitioner is informed and believes the trustee purchased a residence and adjacent vacant lot in Tahoma, California for \$865,000.00, and spent \$27,778.92 for additional improvements to the property, presumably an investment for the trust. The balance sheet provided to beneficiaries shows the property has expenses of \$62,198.76 for the period 6/2010-5/2011, yet this property has not generated any income. The purchase was made in December 2009, two months before the death of Louis Varni, at which Mr. Pinasco was a co-trustee. Mr. Varni was supposedly the beneficiary of this purchase; however, at that time, he was in poor health and advanced in age and it was highly unlikely that he would have ever visited or used the property. Petitioner speculates that Mr. Pinasco has used it himself since it has not been rented to third parties.

A trustee has a duty to manage assets as a prudent investor would, exercise reasonable care, skill and caution per Probate Code §16047(a), and also has a duty to make the trust property productive. The purchase and subsequent management of the Tahoma Property is a violation of the trustee's duty, since approximately one million dollars from the trust was spent on it, but it has not been rented out or generated any income. This money could have been available to distribute to beneficiaries of the trust.

Petitioner states the trustee has only made one small distribution to the beneficiaries at the meeting.

He has not provided a list of assets or proposed distribution schedule. Specifically, he has failed to make the distributions of tangible personal property in violation of the specific trustee's duties.

Petitioner further states that the trustee has a conflict of interest in that he is trustee, beneficiary, and an officer of Varni Corporation, which is owned by the trust. Trustees are subject to removal whenever it appears that their private interests conflict with their trust duties, and when it appears that trust property has been appropriated to their own use. See Moore v. Bowes (1937) 8 C.2d 162, 165; Estate of Vokal (1953) 121 C.A.2d 252, 258. Petitioner states that because he "is wearing multiple hats" it is difficult for him to act in the best interest of all trust beneficiaries.

Petitioner states the trustee should be removed from office, his powers suspended, and an independent successor trustee appointed because:

- He does not keep the beneficiaries informed regarding the administration of the trust;
- He has not provided an accounting for the trust;
- He has mismanaged assets of the trust; and
- He has not distributed the assets of the trust.

Petitioner also requests that the Court order trustee's compensation and/or share of the assets be charged for Petitioner's attorney's fees and costs for bringing this Petition.

Petitioner requests an Order:

- That Mr. Pinasco provide an accounting of the assets in the trust and the subtrusts created thereunder;
- That Mr. Pinasco be removed as trustee;
- That Justice Steven M. Vartabedian be appointed as the neutral successor trustee;
- That Mr. Pinasco surrender all assets of the trust and subtrusts created thereunder to the Court-appointed neutral successor trustee;
- That Mr. Pinasco's compensation/distributive share of the trust be charged and credited to Petitioner for the costs and attorney's fees for bringing this Petition; and
- Any such additional order as the Court deems proper.

SEE PAGE 3

NEEDS/PROBLEMS/COMMENTS (Continued):

2. Petitioner provides a list of parties entitled to notice pursuant to Probate Code §17201; however, there appear to be a number of beneficiaries who are not included.

The Court may require clarification and notice pursuant to Probate Code §17201 and Cal. Rule of Court 7.51 (including minors).

The list of persons that may require notice may include:

- Roberta (Jane) Pores (Eva Varni's sister)
- Eva Varni's five grand-nieces and nephews
- Kimala Hockey and her children
- Dan Stetson and Jan Stetson (unknown relation to Eva Varni)
- Kathy Pinasco and Sherry Pinasco (unknown relation to Eva Varni)
- Lisa Pacheco (Louis Varni's sister)
- Heirs of deceased heirs, as mentioned in the trust
- "caregivers who served Eva Varni and Louis Varni during their lifetimes" pursuant to the 2-21-06 Amendment.

Note: 30 days' notice is required. The Court may not shorten time for giving notice per Probate Code §17203(b).

3. Petitioner requests appointment of Justice Steven M. Vartabedian as the neutral successor trustee; however, there is no indication that he is aware of or would agree to serve as successor trustee. He was not served with notice of this petition, and there is no signed consent or acceptance of trust provided.
4. Pursuant to Probate Code §15602, a person not named as a trustee in the trust instrument must provide a bond; however, Petitioner does not provide an estimate for bond purposes. The code states that the Court may not excuse the requirement except in compelling circumstances.

File 12 - Snyder				

Objections to the Appointment of Catherine Snyder as Conservator of the Person and Estate filed by Kristen Snyder, proposed conservatee's spouse, on 2/10/12. Kristin Snyder objects to the appointment of Catherine Snyder stating the spouse or a person nominated by the spouse has a higher statutory preference than petitioner for appointment as conservator of the person. However, given her marital difficulties with the conservatee she feels her appointment as conservator would only exacerbate the current animosity being exhibited by conservatee's extended family (petitioner, conservatee's mother and brothers) toward the conservatee's immediate family (son, daughter and Objector) and would not be in the best interest of the conservatee. Objector does believe that it would be in the best interest of the conservatee to have their son, Ross Snyder, or an impartial fiduciary appointed as the conservator of the person. Therefore, pursuant to Probate Code §1811 Objector nominates Ross Snyder to be the conservator of the conservatee's person. If Ross Snyder is unable or unwilling to act as conservator, then Objector nominates Bruce Bickel as the conservator of the conservatee's person.

Objector objects to the establishment of a conservatorship of the estate. Objector and conservatee are legally married and have been since September 12, 1981. Although Objector and conservatee are having marital problems, Objector is not a party to any action or proceeding against the conservatee for legal separation, dissolution of marriage, annulment, or adjudication of nullity of their marriage.

Objector believes that as the spouse of the conservatee, she is entitled as a matter of law under Probate Code §3051(a) and Probate Code §3051(b)(1) to manage and control the community property of the conservatee and Objector; that as a matter of law under Probate Code §3051(b)(2), all of the community property of the conservatee and Objector is not a part of the conservatorship estate; and that Objector does not consent to any portion of the community property of the conservatee and Objector to be included in and subject to Probate Code §3071, to be managed, controlled, and disposed of as part of the conservatorship estate of the conservatee.

Objector prays for an order as follows:

1. That a conservatorship of the person be established for Robert Snyder;
2. That the petition of Catherine Snyder to be appointed as conservator of the person of Robert Snyder be denied.
3. That Ross Snyder be appointed as conservator of the person of Robert Snyder, or in the alternative that Bruce Bickel, a private fiduciary be appointed as conservator of the person of Robert Snyder;
4. That the petition of Catherine Snyder for the establishment of a conservatorship of the estate and for appointment as conservator of the estate of Robert Snyder be denied.

Consent of Bruce Bickel to act as the conservator of the person of Robert Snyder filed on 2/14/12.

Declaration filed 2-22-12 by Attorney Janet Wright, court-appointed counsel for Robert Snyder, states that she has met with Mr. Snyder on three occasions since the last hearing. With each visit, there has been a marked improvement in his physical condition and vocabulary. Mr. Snyder is communicating more effectively, but continues to supplement verbal communication with body language, facial expressions, and tone.

Mr. Snyder continues to indicate his preference for his sister, Catherine Snyder (Petitioner) to make medical and financial decisions. Mr. Snyder is even more emphatic that he does not want his wife, Kristen Snyder, to make decisions, does not want to live with her, and does not want her to visit.

In regards to the appointment of his son, Ross Snyder, Mr. Snyder indicated that he did not want his son to make decisions for him, but he does want his son and daughter to visit.

NEEDS/PROBLEMS/COMMENTS:

- 1. Petition does not include information about the bond. Temporary appointment required bond of \$22,128.33. Therefore bond should be set at \$22,128.33.**
- 2. Capacity Declaration of John M. Kirby does not include the dementia attachment. Therefore the request for administration of dementia medications cannot be granted.**
