Public Administrator requests the next hearing be set no sooner than four (4) months out.</p> <p>Public Administrator's Status Report filed 6-10-14 states the final I&A has now been filed. A relative who lives on the real property, Brian Rackley, expressed an interest in purchasing the property; however, Senior Probate Assistant Susan Banuelos has been unable to set up a meeting with the family. 		File 4 – Mclain		

Page 2 – NEED/PROBLEMS/COMMENTS:

1. Petitioner Jeff Dale requests that “all 4 petitions filed by the Petitioner (Duehning) be dismissed.” However, Court records indicate that there are only two petitions currently outstanding in this matter:
 - Ms. Duehning’s Petition for Order Compelling Trustee to Make Distribution to Trust Beneficiary; for Imposition of a Constructive Trust; and for an Accounting filed 4-6-11; and
 - Ms. Duehning’s Petition to Review Reasonableness of Trustees Compensation, Reasonableness of Attorney’s Fees and Costs; for an Accounting and for Removal of Trustee filed 8-25-11.

Therefore, need clarification: What petitions, specifically, is Mr. Dale requesting be dismissed?

Note: On 9-6-11, Ms. Duehning filed a motion to amend her petition filed 4-6-11; however, the motion does not appear to have been granted or denied, and no amended petition was filed.

Note: Although the Court continued to include status conferences regarding Mr. Dale’s Petition for Instructions filed 1-13-11, the Court’s minute order of 4-11-11 reflects that that petition was granted, and an order was signed on 4-21-11. Therefore, it does not appear that this petition is technically outstanding.
2. As noted by Objector, although filed as a motion, Mr. Dale’s request appears to require review as a petition under Probate Code §17200. As such, it should state the names and addresses of each person entitled to notice pursuant to Probate Code §17201. The Court may require a declaration containing this information.
3. Notice of Hearing was not served on beneficiary and Conservatee Michele Dale directly pursuant to Cal. Rule of Court 7.51(c)(2). Although Jeff Dale is Michele Dale’s husband and conservator of her estate in 07CEPR01207, and attorney Gordon Panzak is conservator of her person, the Court may require 30 days’ direct notice to Michele Dale. (Note: The objection also was not served on Ms. Dale.)
4. Petitioner states in July 2011, a First Accounting was filed and served. However, Court records do not reflect the filing of any account in this trust matter by the trustee for any account period. Need clarification.
5. Petitioner states that he was instructed by Judge Oliver to retain \$107,000 in the trust and to pay \$107,000 in settlement of an adverse claim. As a matter of clarification, Examiner notes that the Court’s Order of 4-21-11 authorizes transfer of \$107,000 from the Michele Dale Conservatorship to the Elaine McClain Trust, only. There is no mention of payment of \$107,000 in settlement of an adverse claim. Note: The minute order of 4-11-11 indicates that the matter would be continued to 6-6-11 in the even that there are issues that still need to be resolved. At a later hearing on 10-3-11, Mr. Panzak advised that \$170,000 and \$25,000 have been transferred into segregated accounts, and the Court ordered that the accounts remain frozen. However, these figures do not correspond to the figures in the Order signed 4-21-11 or the figures in this petition. The Court may require clarification.

Petitioner states moreover, Trustee Neilsen has failed to require the execution of notes requirement repayments by the borrowers of the Trust and Insurance Trust assets, and/or that Trustee Neilsen has failed to require the repayment of principal and interest on the Trust and Insurance Trust monies by the borrowers, all to the detriment of Petitioner and the other beneficiaries.

Petitioner states the Trust estate was to be divided into 12 separate trusts immediately on the death of both settlors. Petitioner made inquiries of Trustee Neilsen as to what is held in the trust created for Petitioner, but Trustee Neilsen has not provided the requested information or any meaningful response. Petitioner is informed and believes that Trustee Neilsen has, without consent or knowledge of several of the beneficiaries, used Trust and/or Insurance Trust assets to fund business transactions initiated by other beneficiaries, all to the detriment of Petitioner and other beneficiaries.

Petitioner has been unable to determine what has been done with what portion of the Insurance Trust assets and the Trust assets which were to have been segregated from the rest of the Trust property and Insurance Trust property for Petitioner's benefit.

Petitioner requests the Court order as follows:

1. Directing Trustee Bruce Neilsen to prepare and file a complete account and report of his administration of the Davis 1989 Family Trust and the Davis 1989 Life Insurance Trust for the period of June 6, 2000 through March 31, 2014, inclusive;
2. Directing Trustee Bruce Neilsen to set the Account and Report for hearing and give notice of same pursuant to §17203;
3. Awarding Petitioner reasonable attorneys' fees and costs incurred in this matter; and
4. Granting any and all other relief as the Court deems just and proper.

NEEDS/PROBLEMS/COMMENTS:

~~1. This petition requests accountings for two separate trusts. The two separate trusts have separate terms, separate assets, and separate purposes, and as such consideration by the Court requires separate petitions, separate notice, separate files, separate filing fees, and ultimately separate accountings.~~

~~The Court may designate this case number as the Family Trust file and direct Petitioner to initiate a separate proceeding regarding the Life Insurance Trust.~~

Update: On 8-26-14, Joshua Davis, Corey Davis and Brittney Davis filed a separate Petition for Order Compelling Trustee to Account and Report in Case 14CEPR00790, titled "Davis Family 1989 Life Insurance Trust – See Page 7 of this calendar.

2. Also, per its terms, the Family Trust was to immediately divide into twelve (12) separate trusts, only one of which was for Petitioner's benefit. Need clarification and authority regarding the scope of the request for accounting(s).

Note: The language in the instruments differentiates between division into separate trusts and into separate shares, as contemplated by the Life Insurance Trust.

3. Notice appears to have been mailed to six people as couples, rather than as individuals entitled to direct notice. The Court may require amended direct service pursuant to Cal. Rules of Court 7.51.

4. Probate Code § 17200(b)(7) provides that the Court can compel the trustee to provide information or account if the trustee has failed to provide the requested information within 60 days after the beneficiary's reasonable written request. Here, Petitioner states that he requested information after the settlors' deaths, which was approx. 14 years ago, but Petitioner does not state if any recent written request was made pursuant to § 17200(b)(7), or what response was received, if any, pursuant to the written request. The Court may require clarification as to whether this petition may be prematurely filed pursuant to § 17200(b)(7) and may require continuance for formal request and response. (Note: The requests should be separated for each trust pursuant to the above items.)

5. Need revised order.

Petition for Order Compelling Trustee to Account and Report

		<p>JOSHUA DAVIS, COREY DAVIS and BRITNEY DAVIS, beneficiaries, are petitioners.</p> <p>Petitioners state Settlor Wealthea Davis died on 3/25/98 and Thomas J. Moreover, Petitioners believe that Trustee Neilson has failed to require the execution of notes requiring repayment by the borrowers of the Insurance Trust assets, and/or that Trustee Neilson has failed to require repayment of principal and interest on the Insurance Trust monies by the borrowers, all to the detriment of Petitioners and the other Beneficiaries to whom loans were not made.

Petitioners believe that Trustee Neilson has transferred property belonging to the beneficiaries of the Insurance Trust in a manner that diminishes Petitioners' rights as beneficiaries under the Insurance Trust. Petitioners submit Trustee Neilson has refused to share information with Petitioners concerning what has been done with the assets of the Insurance Trust, and that such refusal constitutes a violation of Probate Code §16060 which states the trustee has a duty to keep the beneficiaries "reasonably informed of the trust and its administration."

Further, Petitioners believe that Trustee Neilson has made substantially greater distributions to some beneficiaries than to others, in a manner which is inconsistent with the terms of the Insurance Trust. Some beneficiaries have been distributed or loaned far more than their "share" of the trust assets. Petitioners have been distributed far less than their "shares" and the Insurance Trust does not appear to hold sufficient assets to provide Petitioners with the assets to which they are entitled.

Petitioners request this Court order Trustee Neilson to provide a complete account and report of his administration of the Insurance Trust for the period from June 6, 2000 through the present.

Petitioners allege that Trustee Neilson should be personally surcharged for any damages resulting from his mismanagement of the Insurance Trust and failure to provide the beneficiaries with information as provided by law.

Petitioners allege that Trustee Neilson's failure to segregate the Insurance Trust assets as provided for in the Insurance Trust constitutes a breach of his fiduciary duties as Trustee.

As a proximate result of Trustee Neilson's breach of trust, there has been an extreme depletion of the Insurance Trust assets which would be available for distribution to Petitioners if not for the wrongful distributions and loans made by Trustee Neilson. Petitioners believe that Trustee Neilson's breach of trust has resulted in damages to Petitioners and the Insurance Trust in an amount not less than \$533,000.

Wherefore, Petitioners request the Court order the following:

1. Directing Trustee Bruce Neilson to prepare and file a complete account and report of his administration of the Davis Family 1989 Life Insurance Trust for the period of 6/6/2000 through 8/15/2014, inclusive;
2. Directing Trustee Bruce Neilson to set the Account and Report for hearing and give notice of same pursuant to Probate Code §17203;
3. Awarding Petitioners reasonable attorneys' fees and costs incurred in this matter;
4. Surcharging Trustee Bruce Neilson as appropriate according to proof.

DOD: 01/16/2005	<p>JOHN T. LAETTNER, son, was appointed Executor with full IAEA authority without bond on 01/23/2013.</p> <p>Letters issued 01/29/2013.</p> <p>Inventory and Appraisal filed 07/10/2013 shows a value of \$12,892.00.</p> <p>Status Report filed 03/09/2015 John T. Laettner needed to be appointed as Executor of the decedent's estate in order to receive assets from the ancillary probate in Nebraska. The sole asset in the Nebraska probate is an interest in mineral rights, and these rights have been the subject of a quiet title action. The initial trial court ruling on 08/06/2013, and the later final "appealable" order issued on 01/16/2015, were not in favor of the decedent. An appeal has been filed with the Nebraska Court of Appeals, case number A-15-00073. Counsel in the quiet title action estimates that it will be approximately six months before a final determination is made on appeal.</p> <p>Wherefore, counsel respectfully requests a one year continuance to allow a final determination of the appeal and completion of the ancillary probate proceeding.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>1. Aff.Sub.Wit.	<p>Status Report filed 7-31-14 by Attorney Knudson states that as set forth in the report filed 10-3-13, investigation has disclosed that there were assets transferred out of the decedent's accounts both before and after his death. The estate is working with litigation counsel to prosecute the estate's claims. Kimberly Mahew of Caswell Bell & Hillison LLP will appear at the status hearing. For these reasons, it is not possible to close the estate at this time. The attorney estimates an additional six months or more before the issues can be explored and resolved, and it may take longer if trial is necessary.</p>	<p><u>Note:</u> On 2-2-15, the Court ordered that a new status report is to be filed at least 10 days prior to 3-30-15.</p>

As previously discussed, a petition pursuant to Probate Code §850 was filed on 8-20-14; however, at the hearing on 10-16-14, the Court ordered the petition dismissed without prejudice and determined that the matter should be filed as a civil action. Mr. Knudson has been in contact with Ms. Mayhew, who associated as counsel, and the petition is being refiled. The delay is due to the fact that the administrator had a serious auto accident and was recovering for a period of time. Ms. Mayhew has advised that the civil action will be filed. Mr. Knudson will prepare a first account and likely a petition for preliminary distribution within 60 days. It is respectfully requested that the administration of the estate continue, that further status hearing be set concerning the filing of the first account and to monitor the civil action, and for all other and proper orders.</p>	<p><u>Status report was filed 3-26-15 (1 Court day prior to hearing).
