Probate cases on this calendar are currently under review by the probate examiners. Review of some probate cases may not be completed and therefore have not been posted.

If your probate case has not been posted please check back again later.

Thank you for your patience.

NEEDS/PROBLEMS/COMMENTS:

1. The Court may require authority for exclusion of the real property from the estate, given that the Quit Claim Deed was recorded after Decedent's death, and also given that the Court specifically made an order that the real property, which had previously been inventoried as an asset of the estate, is to be sold. (See Minute Order of 1-12-15.)

2. In her Objection to Appointment of Randi Jean as Special Administrator filed 9-17-13, Petitioner describes various actions that she took with regard to Decedent's assets, including collection of rents, payment of expenses, transfer of title of various assets, theft of an asset, etc. This First Account indicates no actions were taken at all since Decedent's death. The Court may require clarification.

3. Bond of \$64,400.00 does not appear sufficient. The Court may require an increase to at least \$195,517.83. See Cal. Rule of Court 7.204 (Duty to apply for order increasing bond).

4. Petitioner does not provide the reasons why the estate cannot be distributed and closed and an estimate of time needed to close administration pursuant to Probate Code §12200(a).
Note: The Court will set a status hearing for the filing of the Final account as appropriate.

Page 2

Petitioner states (Continued): The recording caption of the Quit Claim Deed provides that Decedent himself requested recording and that after recording it should be returned to the property. Terri Jean resides at the property.

Petitioner was unaware of the Quit Claim Deed and only became aware of it on 2-18-15 when served with a copy of Inventory and Appraisal No. 1 Corrected Final filed 2-9-15 by Terri Jean, which removes the property from the estate. Petitioner states Terri Jean filed her petition for Letters of Administration on 9-17-13 and indicated the property was part of the estate and that Decedent died intestate. Until 2-9-15, Terri Jean had not disclosed the existence or produced a copy of the Quit Claim Deed or the Will.

Petitioner states Terri Jean did not investigate the validity of the Quit Claim Deed or did not do so thoroughly enough to look up the notary Sarbjeet Kaur and obtain copies of the notarial journal. Terri Jean is the only person that would benefit if the Quit Claim Deed were valid because the property would pass directly to her and would not be divided equally between her and the decedent's two children.

Petitioner states jurisdiction under Probate Code §850(a)(2) to resolve disputed property claims for estate property is concurrent and not exclusive. Authority provided.

Petitioner requests that:

- 1. Finding that all facts stated in the Petition are true and that all notices required by law have been duly given;**
- 2. The Court find and direct Terri Lynn Wekseth (Jean) to transfer and quitclaim any and all interest in the property to the Administrator of the Estate of Randy A. Jean;**
- 3. Such other and further orders be made as this Court may deem proper under the circumstances.**

SEE ADDITIONAL PAGES

NEEDS/PROBLEMS/COMMENTS:

1. The Notary Journal Entry at Exhibit A does not indicate a document type. The certification of notary journal entry referenced as Exhibit B verifies that the attached photocopies of the journal entry are true and correct; however, her statement as to the document type: "The Document type... Randy A Jean- In Case of Death. (His will to protect people he need to)" does not appear to be a verified statement, and this information is not reflected in the journal entry. The Court may require a verified declaration from the notary as to the specific nature of the document type that was notarized, or further documentation.
2. Petitioner appears to allege that this document dated 10-6-08 was the decedent's will, as set forth in the notary's declaration referenced in #1 above. The Court may require clarification as to why this document was never requested to be admitted to probate as a will, either previously, or now, with reference to Probate Code §8504. (Note: Admission would require production and proving. The original document has never been deposited with the Court pursuant to Probate Code §8200.)
3. Petitioner was originally granted a fee waiver in connection with her petition for appointment as special administrator, ex parte request for order shortening time, and petition for probate, which filing fees would total \$695.00. The filing fee for this petition (\$435) was paid. Examiner notes that outstanding filing fees will be due upon any distribution to Petitioner. Alternatively, as it appears Petitioner's circumstances may have changed, or her attorney may now be advancing fees, the Court may require further application pursuant to Government Code 68636(a).
4. Need order.

Aff.Sub.Wit.	<p>Former Status Report (not verified) filed 10-27-14 by Attorney Franco states at the last status hearing, the Court was informed that there was a delay in closing the estate due to an approximate seven-month wait time with the State of California Unclaimed Property Division for certain Merrill Lynch accounts that had been turned over to the state. At this time, the executor is still waiting on those funds. The Unclaimed Property Division is unable to provide an expected time other than what was previously reported. The estate is otherwise in a position to close and resolution has been reached with beneficiaries regarding assets and the large amount of reimbursement sought by the executor. The funds mentioned herein are needed for the resolution, though, which prevents a partial distribution. Petitioner would appreciate a further continuance of 60 days.</p> <p>Examiner's Note: There is at least one Request for Special Notice filed in this matter. It does not appear that Notice of Hearing or copies of the various status reports have been served on interested parties. The Court may require service of this status report and notice of any future hearing</p>

	File 13 – Blankenship	

Former Status Conference Statement filed 01/26/2015 states there still exists a delay in closing the estate due to a delay in receiving money from the State of California Unclaimed Property Division for certain Merrill Lynch accounts of the decedent that had been turned over to the State. At prior hearings on this matter, the Court was informed that the Unclaimed Property Division informed the Executor that there was an approximate 7 month waiting time from application for unclaimed property to receipt of funds. The claim was made in July of 2014, and was resubmitted in November due to certain errors in the original claim. As of the time of the filing of this status report, the Executor is still waiting for those funds from the State of California. The Executor received the notices attached as Exhibit A from the Unclaimed Property Division. That the State is baked up due to budget cuts and shortage of staff. The estate is otherwise in a Petition to Close, however, the funds from the Unclaimed Property Division represent the only liquid cash assets of the estate. A resolution has been reached with beneficiaries regarding the Estate assets and the large amount of reimbursements sought by the Executor. The funds from the Unclaimed Property Divisions unfortunately are needed for the resolution, preventing a partial Petition for Final Distribution, Petitioner would appreciate a further continuance of 60-90 days.
