Page 2 – NEEDS/PROBLEMS/COMMENTS

1. Petitioner states at #6 that the trustee fees are computed according to Petitioner's fee schedule at 1.30% of the market value of the trust assets. Need clarification, as it does not appear that the Court authorized an increase from 0.75%.
2. The IBAR declaration includes various line items indicating that one of the family members requested that the Trustee, Bank of the West, resign, but Bank of the West "refused" to resign. The Court may require clarification regarding the situation.
3. The Court authorized the purchase of a new vehicle on 7/7/11; however, a new vehicle has not yet been purchased. The Court may require clarification regarding the status of the old vehicle. Does the 1997 van continue to meet the beneficiary's needs?
4. Disbursements Schedule indicates \$26,143.75 for repairs to the residence. The schedule states driveway and siding repairs. The Court may require clarification regarding these expenditures.
5. Disbursements include \$400/month paid to Elia Medina FBO Shyann as a monthly "allowance." The Court may require clarification or accounting as to how these funds are used, as there are no other expenditures noted on the beneficiary's behalf, other than upkeep of the residence.

Amended First Account and Report of Trustee of Edward Crable Special Needs Trust; Amended Petition to Settle Account

Age: 18	PATTI CRABLE, trustee, is petitioner.		<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>CONTINUED FROM 03/03/15 Minute Order from 03/03/15 states: Counsel is appearing via CourtCall. Counsel is directed to communicate with the examiner. If everything is resolved after further communication with counsel, the examiner is to provide the file to the Court for review and possible approval.</p> <p>As of 04/16/15, nothing further has been filed.</p> <ol style="list-style-type: none"> 1. There appears to be an addition error in the accounting and it does not balance. Further, it does not appear that the ending balance on hand is correct, as the bank statement attached to the Supplement filed 12/03/14 indicates that the balance is \$9,251.55 and not \$9,250.00 as stated on the Summary of Account. Also, the figures on the Summary of Account do not match the Summary on page 3 of the Supplement. Need revision/clarification. 2. The account indicates that the trust disbursed \$10,000.00 to the Leigh Law Group for legal services that resulted in the beneficiary being placed in a private out of state school valued at over \$50,000.00 that was paid for by the school district. Declaration of Jay Jambeck indicates that the placement was essential to the well-being of the beneficiary and the family agreed to pay the fees from the Special Needs Trust. However, it does not appear that a court order was obtained authorizing the payment and it is unclear whether this type of expenditure was authorized by the Trust instrument without a Court order. The court may require more information /authority for this expenditure. Further Notice of Hearing to the bonding company (International Fidelity Insurance Company) may be required. 3. Need Order.

Nothing further has been filed. The following issues remain noted:</p> <ol style="list-style-type: none"> The original will has not been deposited with the Court pursuant to Probate Code §8200. Need original will. The decedent's will is not self-proving. Although the will is not being admitted to probate, this summary proceeding does necessarily include a determination of validity of the will. See Probate Code §13151 and commentary. The Court may require Proof of Subscribing Witness (Form DE-131). Petitioner, who is the sole beneficiary according to the will, is one of the subscribing witnesses. It is unclear if there are two other witnesses, or just one (illegible). The Court may require the Proof of Subscribing Witness to be signed by one of the other witnesses, and may also require clarification with regard to the presumption of undue influence as described in Probate Code §6112. 6. Need Attachment 11, which should contain the legal description of the real property, a description of the personal property, and state the decedent's interest in each.

Note: There is a page stapled to the petition, after the will, that lists assets, but it is unclear if this is an attachment to the will, or if this is meant to be Attachment 11. Regardless, it does not state the decedent's interest in the assets. Petitioner states at #15 that she is a "tenant in common," which indicates that the decedent did not own the property in its entirety. What was the decedent's interest in the real property and the other assets?

7. Petition is incomplete at #13 – it only states the legal description of the real property. Need specific property interest of the real and personal property claimed by Petitioner.
8. Need Attachment 14, which should contain the names, ages, and addresses of all persons named in #1, #9, and #10, which would include the petitioner and the decedent's relatives (spouse, if any, children, and dates of death if deceased).
9. Petition is incomplete at #15. The named alternate executor, Mary Price, should be listed here, and is entitled to notice.
10. Petitioner states at #16 that she is the trustee of a trust that is a devisee under the decedent's will. That does not appear to be the case. The Court may require clarification.
11. Need Notice of Hearing.
12. Need proof of service of Notice of Hearing at least 15 days prior to the hearing pursuant to Probate Code §13153 on:
- Diana Moore (Daughter, per the decedent's will)
 - Mary Price (Named Alternate Executor)
 - Any other relatives pursuant to issues noted above.

	Petitioner prays for an order:	
	<ol style="list-style-type: none"> 1. Finding that notice of hearing has been given as required by law; 2. Compelling the trustee to deliver an account of the transactions of the trust to Petitioner by as soon as Court orders; and 3. For such other and further orders as the Court deems just and proper. 	
	See Page 2.	

Page 2

Response filed 1-16-15 by Joseph J. Marzullo, Trustee, states he is not required to account for the period when the trust may be revoked. One of the subtrusts is the survivor's trust, and accordingly, no accounting need be made to Petitioner with respect to the survivor's Trust. Mr. Marzullo states he is the current beneficiary and sole trustee; therefore, no account is required. Also, Petitioner has failed to comply with notice provisions of §17203. He and Petitioner have had an estranged relationship for many years. Petitioner has been verbally abusive to Respondent and has made threats against him. In spite of this, Respondent has provided considerable financial assistance to Petitioner over the years.

Respondent prays that:

1. The Court deny the relief requested in the petition;
2. That Petitioner take nothing by way of her petition;
3. Such other and additional relief as the court deems appropriate.
