File 5 - Ghidelli				

Declaration of Robert W. Gin filed on 4/22/13 states at the time of his death the decedent owned, as his sole and separate property, an undivided 1/5th interest in real property listed as parcels 1-5 of the inventory and appraisal. At the time of his death the decedent owned, as his sole and separate property an undivided 1/10th interest in certain mineral rights listed as parcels 6 and 7 of the inventory and appraisal. The decedent died intestate on April 30, 2001. As a result of his death, his spouse, Sharon Ghidelli, inherited an undivided 1/15th interest in the real property listed in the inventory and appraisal as items 1-5 and would also inherit an undivided 1/15th interest in the mineral rights listed on the inventory and appraisal as items 6 and 7.

Decedent's spouse subsequently died [in 2008] and her estate was probated in the State of Nevada and the State of Montana. Her undivided 1/15th interest in the real property and her undivided 1/30th interest in the mineral rights were addressed in her Nevada probate proceedings. An Order was entered disposing of the decedent's spouse's interest in the subject real property and mineral rights in the Nevada probate action and was recorded with the Fresno County Recorder on 11/20/2012.

The purpose of this proceeding is to have the court determine that the decedent's remaining interest in the real property and mineral rights.

Minute Order dated 4/24/13 states later and at the Court's direction, the minute order is amended to reflect the following: Declaration filed on 4/22/2013 states at the time of the decedent death he owned an undivided 1/5 interest in real property and an undivided 1/10th interest in mineral rights, as his sole and separate property. Inventory and appraisal filed on 3/19/2013 inventoried a 2/15th interest in real property and a 1/15th interest in mineral rights as of the date of death. The inventory and appraisal must contain all the decedent's property as of his date of death. Therefore, the inventory must contain the 1/5 interest in the real property and the 1/10th interest in the mineral rights that the decedent owned as of his date of death. In addition, the Declaration filed on 4/22/2013 indicates the 1/3 interest in the decedent's property that would pass via intestacy to the surviving spouse has already passed to her heirs in her probate proceeding in Nevada. The surviving spouse's share of this decedent's estate was never properly passed to her in for it to be included in her estate proceedings. Therefore, the court will require an amended pleading to include 100% of the assets decedent owned as of the date of death, indicated on a corrected inventory and appraisal, and a request for distribution to all intestate heirs, i.e. surviving spouse and children.

A copy of the Minute Order dated 4/24/13 was mailed to attorney Robert Gin on 5/2/2013.
