<b>Cont from 022415</b>	<b>Petitioner states the following actions were taken:</b>	
<input type="checkbox"/> <b>Aff.Sub.Wit.</b>	- On 2-9-06, he closed the decedent's personal checking account and used the balance to open the estate checking account (\$15,935.25 as reflected in the Supplemental I&A filed 10-3-14).	
<input checked="" type="checkbox"/> <b>Verified</b>	- On 12-21-11, Petitioner closed the estate checking account and opened a new account due to the debit card being lost.	
<input checked="" type="checkbox"/> <b>Inventory</b>	- Petitioner traded the decedent's 2003 Ford Pickup (I&A Item 4) for another truck. Petitioner was given \$6,800.00 for the truck, resulting in a loss of \$5,200.00. The \$6,800.00 is being treated as a distribution to Petitioner.	
<input checked="" type="checkbox"/> <b>PTC</b>	- The estate consists in part of a residence located at 1415 Sunnyside, Fresno, and a duplex located at 1405 Sunnyside, Fresno (1405A and 1405B). Petitioner allowed his mother, Margie O'Meara, to live in the residence rent-free until she vacated the residence in 2008, and then allowed the children of James L. Mara to live in the duplex rent-free until they vacated the premises. During this time, Petitioner paid utilities and taxes for the property from the estate account. When James L. Mara moved into the residence in March 2013, they agreed that the estate would continue to pay the utility bill because it would be difficult to split, and that the taxes, PG&E, and insurance premiums would be paid by James L. Petitioner complied, and since March 2013, James L. Mara has resided in the residence rent free. Petitioner states James L. Mara has a boarder that pays rent to James L. Mara, but Petitioner has not sought to recover such rent payments from James L. Mara.	
<input checked="" type="checkbox"/> <b>Aff.Mail</b> w	- In 2013, Petitioner made substantial repairs to the duplex, doing the repair work himself, for which he has not yet been compensated.

**Disbursements to Gary O'Meara:** Petitioner states disbursements of \$52,240.25 were made either to or on behalf of Petitioner Gary O'Meara, not including the \$6,800 distribution from the truck. These disbursements are reflected in Disbursements Schedule C. However, during the course of administration, Petitioner did reimburse the estate the amount of \$11,051.78, which is itemized as "principal receipts" in Schedule B.

**Disbursements to James L. Mara:** Petitioner states disbursements totaling \$4,550.00 were made either to or on behalf of James L. Mara, as reflected in Disbursements Schedule C.

**Status of Estate:** Petitioner states all debts except statutory fees and commissions and reimbursements to petitioner have been paid. Petitioner requests compensation as follows:

**Reimburse Former Administrator: \$28,328.00**

(repair dry rot, repair roof, repair structural lumber, repair carport roof, rehab Apt. B, paint residence, repair and install flooring in residence, build fence around residence, grade driveway of residence, gardening services for 10 years) (See petition for basis, rate structure per job, etc.)

**Former Administrator (Statutory): \$12,805.17**

**Attorney (Statutory): \$12,805.17**

**Petitioner prays for an order that all acts and transactions of Gary W. O'Meara as Administrator be confirmed and approved, that Petitioner's account and report be approved, allowed, and settled as filed, that Petitioner and attorney be compensated as set forth above (reimbursement and statutory compensation), and for other and further orders as the Court considers proper.**

**Verified Objection to First Account was filed by James L. Mara on 2-13-15.** Objector objects to specific advancements to Petitioner as self-dealing, and various expenditures that Objector states were paid for by Margie Mara, not the estate. Objector objects to bank charges resulting from Petitioner's delay in administration. Objector objects to the claim that Petitioner made distributions to James L. Mara and states that claim is false. Objector objects to the claim for labor as improper as Petitioner did not hold a contractor's license. Objector objects to credit for receipts for the amount of reimbursements paid back to the estate.

Objector states that with the information provided by Petitioner, the estate can now be closed by the Public Administrator, who will need to submit her own first and final account and petition for distribution. Obviously, various matters will need to be trued up in the final account. James Mara will submit his separate list of expenses that he paid on behalf of the estate, and the division of assets will need to take into account these figures.

Objector states the Court cannot grant the petition, as Gary O'Meara has requested that the Court approve acts of self-dealing, for which approval cannot be given. Any decision regarding settlement of the account should be reserved until the hearing on the first and final account and petition for distribution of the estate.

Objector states the request for statutory fees is improper, given the above, and requests surcharge for the fees and expenses incurred by Objector in opposing this petition, which is without substantial merit, in an amount to be determined.

**Objector prays that the Court deny the petition for settlement of the account, that Gary O'Meara be surcharged in amounts set forth in the objection, plus interest, that Gary O'Meara be denied credit as set forth above, that Gary O'Meara not be compensated from estate assets as requested, that no amount be paid for statutory compensation to Gary O'Meara or his attorney, for costs of suit incurred herein, for reasonable attorneys' fees as permitted by contract or statute, and for such other and further relief as the Court may deem just and proper.**

**Dept. 303, 9:00 a.m. Tuesday, May 19, 2015**

**Public Administrator filed Objections on 2-20-15.** The Public Administrator states the estate has been open over 9 years. The Public Administrator was appointed less than three months ago on 12-1-14. Without the full history of this case, the PA can only address general matters that seem inappropriate:

- Paragraph 15c on Page 3. There is no explanation as to why the former Administrator *traded* cars instead of selling them, particularly when the trade resulted in a \$6,800 loss. He does not say what he paid for the subsequent truck, only what he sold it for. Second, he made a distribution to himself without authority.
- Paragraph d, Page 4, and Paragraph f, Page 5. The personal representative had the responsibility to make the estate income-producing pending its distribution to the heirs. He did not collect rent, and unless there was an agreement among all parties, assets were wasted as a result.
- Paragraph 15k on Page 7. Gary claims he had to pay expenses out of his own pocket, but at Paragraph 15a and b on Page 3, he reported having over \$16,000 from bank accounts.
- Gary should not have made *any* distributions without Court authority.
- Gary should be denied any compensation for his services as administrator due to his management of the estate.

**The Public Administrator prays that the Court deny Gary's request for approval of his account and his request for compensation.**

**Status Report of Melvin K. Rube filed 5-13-15 states** an all-day mediation was scheduled for Friday April 3, 2015 with Retired Judge Robert Oliver, whose mediation fee was to be paid by the estate. However, on March 26, Mr. Krbechek unilaterally cancelled the mediation, apparently because the estate checking account contained insufficient assets to pay the fee. Since the cancellation, there have been no further attempts to settle this case. It is Mr. Rube's understanding that on February 3, 2015, one of the apartments on Sunnyside in Fresno was damaged when an automobile crashed into it. James Mara, a beneficiary, on his own initiative and without any legal authorization whatsoever, has either attempted to settle or has settled the property damage case with the driver of the automobile. **Mr. Gary O'Meara requests that a trial date in this matter be set sometime in November or December 2015.**

**Status Report Regarding Settlement Discussions filed 5-13-15 by the Public Administrator states** mediation was set up, however, there was no money to pay the administrator because Attorney Krbechek's client, James Mara, did not turn over the insurance proceeds to the estate.

**Status Report filed 5-14-15 by Attorney Krbechek states** his client informs him that the insurance proceeds were issued to the Public Administrator on 5-1-15.

**SEE ADDITIONAL PAGES**

**NEEDS/PROBLEMS/COMMENTS:**

1. The Court may require clarification regarding the real property that is the main asset of this estate. The I&A filed 12-19-06 includes "Residential real property located at 1415 Sunnyside, APN 498-181-08-01, and valued at \$360,000.00 at the decedent's death. This petition describes that the real property includes both a residence and a duplex with another address. Does the I&A, which only mentions the one address and APN, accurately reflect the entire property that is the asset of the estate?"
2. Petitioner requests that all of his acts and transactions of Administrator be confirmed and approved; however, Examiner notes that this estate was opened in 2005 and is seriously delinquent in its closing pursuant to Probate Code §12200. Examiner further notes that Petitioner made unauthorized distributions to himself totaling almost \$60,000.00 (payments and truck), as well as to the other heir (in a lesser amount). The Court may require clarification or may strike any such language from the proposed order.

**Note:** Petitioner states the distributions are included in Distributions Schedule C; however, it is notable that the lengthy Distributions Schedule C is for the entirety of the estate, by date, and distributions are not broken down by type or payee, making it difficult for the Court to review the unauthorized distributions as a set.

3. It appears Petitioner and Attorney are requesting statutory compensation as if this were the final account and the estate is in a position to close. See Exhibit 2 Compensation Base.

However, this first account is almost 10 years delinquent, and the Public Administrator has now been appointed to close the estate. The Court may require clarification with reference to the following Probate Code sections:

- §12205 (Court may reduce compensation for delay)
- §10830 (Compensation prior to close of estate), and
- §10814 (Compensation when there are two or more attorneys).

**Note:** It further appears that the calculation of the fees includes "principal receipts" of \$12,680.91, which appears to include the \$11,051.78 partial reimbursement to the estate for unauthorized distributions to Petitioner. Need authorization for such reimbursement to be included as a "receipt" for fee calculation.

3. In addition, the Status Report filed 10/15/2014 states after diligent search the Administrator has been unable to locate documentation to associate Parker Gillespie Sr. with the two accounts held at the State Controllers therefore there is a possibility they may never be recovered.
4. Fee base includes receipts. Need Receipt Schedule pursuant to Probate Code §7.550(b)(6).
5. Petitioner states she is the personal representative of the Estate of Parker J. Gillespie Jr. Need Letters showing her appointment as Personal Representative.
6. Petition requests that the Parker J. Gillespie Jr. Trust will assume the attorney fees and attorney reimbursement however the trust is not responsible for these fees as the Trust is not before the Court.

**Status Report filed 05/15/2015** states based on the Court's ruling at the hearing in this case on 02/24/2015, that the Court could order distribution only if property in the Administrator's actual possession, it was determined that the Administrator would conduct a final search for documentation that would allow collection of assets held by the State Controller's Office unclaimed property division. The Administrator has concluded her efforts and has been unable to locate the required documentation. Therefore, the property held by the State will not be collected. An amended inventory and appraisal will be filed concurrently with an amended petition requesting distribution.

Based on the Court's ruling at the hearing in this case on 02/24/2015, that the Court could not order distribution to the Co-Trustees of the Parker Gillespie Jr. Trust, it was determined that an estate representative would need to be appointed for the estate of Parker J. Gillespie, Jr., the deceased beneficiary of this probate. From communication with the law firm of Temmerman, Cilley & Kohlmann, LLP, the attorneys who will represent the personal representative of Parker Gillespie, Jr. in Santa Clara County probate matter, Mr. Alipaz is informed that the that the personal representative of Parker J. Gillespie's Jr.'s estate will be appointed and have authority to act in late July or early August.

Therefore, this probate will be in a position to distribute to the representative of the estate of Parker Gillespie Jr. sometime after early August when the representative of the estate of Parker J. Gillespie, Jr. has authority to act for his estate. As such, it is requested that this matter be set for further status in 90 days. Mr. Alipaz has a reasonable expectation that an amended petition for distribution will be filed prior to such future date.
