<b>DOD: 4/27/12</b>		<p><b>PUBLIC GUARDIAN</b>, Successor Conservator, is petitioner.</p> <p>Petitioner states the Public Guardian was appointed as successor Conservator of the deceased conservator upon the removal of the former conservator, Charles Hudiburgh.</p> <p>At the hearing on 1/16/13 regarding the former Conservator, Charles Hudiburgh's, second and final account, the court approved the account, but not the prior actions of the conservator. The hearing was continued to allow the Successor Conservator to determine if a surcharge is appropriate.</p> <p>Based on the Public Guardian's investigation, a surcharge is warranted. There were three items that the Public Guardian asserts are not sufficiently identified as required. However, as explained below, only two of the items should be deemed part of a surcharge.</p> <p>a. There were cash withdrawals of \$2,480.00 over a 26 month period, which equates to less than \$100 per month. Although there is no information as to the use of those funds, \$100 a month is an approximate amount the Public Guardian would provide to the Conservatee as personal needs money, which does not have to be accounted for. Therefore, a surcharge for the cash withdrawals is not warranted.</p> <p>b. There were payments to Sears for 21 months in the total amount of \$3,756.25. Since there is no explanation for these expenditures, they are presumed to be misappropriations, and thus are appropriately considered as part of the surcharge.</p> <p><b>Please see additional page</b></p>	<b>NEEDS/PROBLEMS/COMMENTS:</b>

<b>File 1 - Hudiburgh</b>							

- c. There were 58 disbursements titled "unknown" during the account period. Without any proof, or even explanation, that the funds were used for the conservatee's benefit, the total amount \$14,496.86 should be part of the surcharge against the former conservator.

The total amount of surcharge is \$18,253.11. Probate Code §850 et seq. allows for double damages and attorney fees to be awarded if the misappropriation was done in bad faith. The Public Guardian was not familiar with the case until after the conservatee died and the conservator was in jail. Therefore, she looks to the Court to determine what amount, if any, above the \$18,253.11 should be part of the surcharges.

As of at least April 2011, there was a \$125,000.00 bond in place. Petitioner requests that the bond company, Fidelity Insurance Company, be ordered to pay the successor conservator, the amount of \$18,253.11, in addition to any other amount the court orders, as surcharge against Charles Hudiburgh, for breaching his fiduciary duty to the conservatee by misappropriating funds from the conservatorship.

**Petitioner prays that:**

1. The Court find that the former Conservator, Charles Hudiburgh, breached his fiduciary duty to the conservatee;
2. The court find that the actual loss to the estate is \$18,253.11, and make an order of surcharge against the former conservator in that amount;
3. The Court make further orders regarding additional surcharge, as deemed appropriate;
4. The bond company, Fidelity Insurance Company, be ordered to pay the successor conservator the amount the Court determines to be a proper surcharge; and
5. Any other orders that the Court considers proper.

- Household furniture and furnishings, excluding items above, to **William R. Johnston, II**
- 60% of the residue, which is cash in the amount of \$296,902.24 to **William R. Johnston, II**
- 40% of the residue, which is cash in the amount of \$197,934.82, jointly to **Nancy R. Pond and James M. Cardella**

**NEEDS/PROBLEMS/COMMENTS:**

1. The 3-5-02 Will that was admitted to probate on 5-22-12 devises the decedent's personal property to William and Gina Johnston, and the residue to the DIANE SUE OLSON LIVING TRUST.  
This petition now discloses the existence of a later conflicting will (the 2-16-11 Will) with additional heirs and requests distribution according to an agreement entered into by some of those heirs prior to the opening of this probate.  
However, the Court has not been provided a copy of the 2-6-11 Will referenced in connection with this petition. Therefore, it is not clear whether the distribution scheme outlined in the agreement is appropriate, or whether all parties entitled to notice have been given notice.
2. Probate Code §8110 requires notice of petition to administer estate to heirs known to the petitioner. It appears that when this probate was opened, Petitioner was aware of the additional estate documents and heirs; however, there were not disclosed in the original petition and were not sent notice of this Probate.  
At this time, it appears that those heirs of the specific devises outlined in the agreement have been noticed; however, again, because the additional estate documents were not provided it is not clear if all parties entitled to notice have been given notice.
3. Petitioner provided notice of this hearing to "Central CA SPCA;" however, this entity is not mentioned in the agreement or in the petition. Need clarification. Is Central CA SPCA an heir under the other documents?
4. Petitioner provides only a copy of the agreement between heirs. Further, three of the signatures on the agreement are not dated, and neither David Roberts, attorney for Petitioner, nor Stacy Sablan, attorney for Ms. Pond and Mr. Cardella, signed the agreement. The Court may require an original, and may require clarification regarding the agreement.
5. The petition requests distribution of 60% of the residue, after specific gifts, to William R. Johnston, II, apparently individually. However, the agreement indicates distribution should be to William R. Johnston, II, as successor trustee of the Diane Sue Olson Living Trust. Need clarification. (See Paragraph 29. K. of the Petition and corresponding order.)
6. The petition requests distribution of 40% of the residue (\$197,934.82 cash) jointly to Nancy R. Pond and James M. Cardella. Need clarification: If the \$197,934.82 is to be distributed in one lump sum jointly to Ms. Pond and Mr. Cardella, need written consent to receive distribution of this amount in undivided interests (Local Rule 7.12.3). Alternatively, if each heir is to receive one half of that amount, the order should specify the dollar amount to each heir (Local Rule 7.6.1.A.).

Petition for Appointment of Probate Conservator of the Estate (Prob. C. 1820, 1821, 2680-2682)

Age: 60		<p align="center"><b><u>NO TEMPORARY REQUESTED</u></b></p> <p><b>PUBLIC GUARDIAN</b>, is Petitioner and requests appointment as Conservator of the Estate without bond.</p> <p><b>Estimated Value of the Estate:</b>          Personal property - \$50.61          Annual income unknown</p> <p><b>Petitioner states</b> that Ms. Nelson is unable to manage her finances. Ms. Nelson has a pension and social security income that is directly deposited to her bank account, however, she also has a mortgage that is automatically withdrawn from her bank account and not leaving enough money to cover her share of cost at Pacific Gardens where she lives. It is not feasible for Ms. Nelson to return to her home due to the level of care she requires. Petitioner is requesting authority to sell any unneeded personal property and sell her condominium (or to abandon it if she owes more than it is worth).
