(1) First and Final Report of Executor of Status of Administration, Waiver of Accounting and (2) Petition for Allowance of Statutory Attorneys' Compensation and for (3) Final Distribution

DOD: 02/12/08		MICHAEL J. BOGOSIAN , Executor, is Petitioner.	NEEDS/PROBLEMS/COMMENTS: 1. The revised Order indicates the cash to be distributed to Michael Bogosian is \$6,664.14, however, the examiner calculates that the remaining cash, after payment of the statutory attorney's fees, to be \$7,096.04. The order may be interlineated to reflect the correct cash distribution if necessary. 2. Petitioner did not provide notice to the Franchise Tax Board as required pursuant to Probate Code § 9202(c).

<input checked="" type="checkbox"/>	PTC	Declaration of Jeffrey Simonian Concerning Omission of Information in Petition for Final Distribution filed 05/22/14 states: that notice to the Franchise Tax Board (FTB) was inadvertently not provided. However, the failure to give notice of these proceedings to the FTB should not delay the conclusion of the administration of the Decedent's estate. The final personal income tax returns were timely filed for the Decedent with the IRS and the FTB in 2009. The returns were marked as the final return for a deceased taxpayer thus providing notice of the Decedent's death to the respective tax authorities. No assessments or notice of change relating to the Decedent's final personal income tax return has been issued by the FTB and the limitations period for such assessment expired in 2013. The Executor is the sole beneficiary of the estate and a resident of California. In addition to having personal liability for failing to file required returns and pay any associated tax due to his fiduciary capacity, to the extent the Decedent's estate is distributed as prayed in the Petition, as sole beneficiary of the estate, also has personal liability for any unpaid taxes. Bringing the administration of the estate to a close will not impair the ability of the FTB to collect any unpaid taxes.

DOD: 4-14-12	ESTHER F. SOTELO , Granddaughter and Trustee with bond of \$10,000.00, is Petitioner.	NEEDS/PROBLEMS/COMMENTS:
	Account period: 1-1-11 thru 12-31-13	1. Need account statements pursuant to Probate Code §2620. Note: The account statements filed 4-15-14 are from the middle of the account period. Need the statements showing the balance as of the closing date of the account period (12-31-13.)
Accounting:	\$215,842.76	2. Examiner Notes previously noted that Article V requires distribution of the trust upon the death of the grantor. Mrs. Sotelo died almost two years ago, but the petition was not filed as a final account. At this time, Petitioner states she intends to bring the house to code and sell and distribute. The Court may require clarification regarding the time frame involved.
Beginning POH:	\$200,000.00	3. It appears the trustee's bond amount of \$10,000.00 was based on the conservatorship bond and the conservatee's income, and did not need to cover the real property because sale of the conservatee's real property would require Court oversight during her lifetime. However, at this time, the Court may require increased bond if the property is to be sold.
Ending POH:	\$200,000.00	Note: The Court will set a status hearing for the filing of the final account and petition for final distribution.
(real property)	Trustee: Petitioner requests fees to be deferred until the trust is ready for distribution	Reviewed by: skc
✓ Verified	Attorney: Petitioner requests fees to be deferred until the trust is ready for distribution	Reviewed on: 5-22-14
Inventory	Petitioner states Mrs. Esther Sotelo died on 4-14-12. The trust has been kept open because the trustee wants to maximize the return on sale of the trust's principal asset, a house in Pasadena, Ca, prior to distribution. There was substantial deferred maintenance on the property when the Sotelo Conservatorship (03CEPR01364) was first established. Also, a caretaker that has been residing at the property has invested a substantial sum in repairs in exchange for rent. More recently, Petitioner has engaged a company that provides carpentry and plumbing work to do additional repairs to bring it up to code for sale. A real estate agent has been engaged to list the property for sale and it is petitioner's intent to distribute the trust estate to beneficiaries as soon as the house in Pasadena is sold.	Updates:

NEEDS/PROBLEMS/COMMENTS, continued:

2. Petitioner Carl Peterson is a resident of South Dakota. The Court may require bond if the proposed personal representative resides outside California or for other good cause, even if the will waives bond, pursuant to California Rule of Court 7.201 (b) and Probate Code § 8571. *Declaration of Waiver of Bond* was filed 12/12/2013 with specific reference to waiver of bond for the Special Administrator, **CARL PETERSON**, by the following persons: Cynthia Wallert; Matthew Peterson; Tambra Peterson; John Torres; Florinda Torres; Kimbra Pannett. Petitioner Carl Peterson was appointed Special Administrator with limited authority and no bond on 12/12/2013, per *Order for Probate* filed 12/18/2013. *Letters* issued 1/15/2014, and expired 2/18/2014. Powers granted include in part: payment of bills such as house insurance, utilities, alarm, taxes, yard care on real property; payment of car insurance. Court may require bond to be posted, or waivers of bond from the beneficiaries in support of Carl Peterson's request to be appointed as Executor of Decedent's lost Will without bond.
3. *Second Amendment to Petition for Probate of Lost Will* filed 10/21/2013 seeks to probate the Decedent's Will dated 6/19/2012 as a lost Will. If Court grants the *Petition for Probate of Lost Will*, pursuant to Probate Code § 8223 need revised proposed order specifying probate of the lost Will, containing the provisions of the lost Will (i.e., a copy of the lost Will attached to the proposed order with a signature line included on the last page of the Will for the Court's approval.)
4. Need proposed letters indicating that Petitioner will be appointed as Executor of Decedent's lost Will.

Note: If *Petition* is granted, Court will set status hearings as follows:

- **Thursday, June 26, 2014 at 9:00 a.m. in Dept. 303** for filing of proof of bond, if Court requires posting of bond.
- **Thursday, October 30, 2014 at 9:00 a.m. in Dept. 303** for filing of inventory and appraisal; and
- **Tuesday, July 28, 2015 at 9:00 a.m. in Dept. 303** for filing of first account and/or petition for final distribution.

Pursuant Local Rule 7.5, if the documents noted above are filed 10 days prior to the dates listed, the hearings will be taken off calendar and no appearance will be required.

DOD: 6/24/2013	JEFF MEYER , son and Administrator, is Petitioner.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>Continued from 4/2/2014 Per Attorney Request.</p> <p>1. <i>Assignment of Interest in Estate</i> filed <u>10/11/2013</u> is dated and signed on 9/13/2013, and states that Cheryle Moon grants, conveys and assigns any and all right, title and interest she has in the <i>ESTATE OF BERNARD M. MEYER</i> to Eryn Brase, as Trustee under the CHERYLE MOON IRREVOCABLE TRUST AGREEMENT dated 9/13/2013. <i>Assignment of Interest in Estate</i> filed <u>5/5/2014</u> is dated and signed on 5/5/2014 and states that Eryn Brase, Attorney in Fact for Cheryle Moon, assigns all interest of Cheryle Moon in the assets of the estate [of Bernard M. Meyer] to the CHERYL MOON SPECIAL NEEDS TRUST. In light of the <i>Assignment</i> filed 10/11/2013, it appears that Cheryle Moon no longer has any interest in the assets of the Estate of Bernard M. Meyer that may be assigned, since they were previously assigned on 9/13/2013 to Eryn Brase as the Trustee of the CHERYLE MOON IRREVOCABLE TRUST AGREEMENT dated 9/13/2013. Need clarification and/or explanation for the effectiveness of the subsequent assignment.</p> <p>2. If the Court finds the subsequent assignment may be allowable, the <i>Assignment</i> filed 5/5/2014 appears to be ineffective unless the assignor is actually Eryn Brase, as Trustee of the CHERYLE MOON IRREVOCABLE TRUST AGREEMENT, and the assignee is the CHERYL MOON SPECIAL NEEDS TRUST. Additionally, by the Petitioner's filing of this document, the Court is made to assume that the CHERYL MOON SPECIAL NEEDS TRUST is a first-party trust such that the transfer of assets from this estate to the special needs trust is not in violation of trust terms and/or the law governing special needs trusts.</p>

	<p>Petitioners state the Family Trust is a sub-trust of the Jimmie Policarpo and Lucrezia Policarpo Trust dated 1-23-96 and amended and restated on 6-1-07. Upon the death of Lucrezia Policarpo on 7-16-07, the trust was divided into the Survivor's Trust and the Family Trust. Certain real property on N. Warren Street in Fresno was allocated to the Family Trust by Jimmie Policarpo per quitclaim deed recorded 9-29-09 (attached).</p> <p>On or about 8-24-12, Jimmie Policarpo borrowed \$82,000.00 and in connection with the loan, transferred the residence out of the Family Trust by deed recorded 8-24-12 and executed a deed of trust on that date (attached).</p> <p>After the loan was obtained, Jimmie Policarpo did not transfer title back to the Family Trust. Jimmie Policarpo died on 8-5-13.</p> <p>Petitioners state Jimmie Policarpo transferred the residence out of the Family Trust and into his own name to facilitate obtaining the loan and did not intend to make a distribution of the residence from the Family Trust. Petitioners state that in connection with the loan transaction, Jimmie Policarpo held title to the residence under a constructive trust and that the residence was under Jimmie Policarpo's control as trustee of the Family Trust. Petitioners request that this Court confirm that the residence is part of the Family Trust.</p> <p>Petitioners pray for an order that the real property commonly known as 7247 North Warren Avenue, Fresno, California, 93711 (legal description provided) is an asset of the Policarpo Family Trust U/D/T dated 6-1-07.</p>

Petitioner states Mr. Rolfe has hired Attorney Thomas Hornburg to represent him in his capacity as successor trustee of Petitioner's trust, and Mr. Hornburg has provided Mr. Rindlisbacher with a copy of a summary report of Petitioner's mental status as of April 2013 conducted by Alzheimer's & Memory Center. He has taken the position that Petitioner lacks the legal capacity to hire Mr. Rindlisbacher with her estate planning. See Exhibit G.

It is Petitioner's desire to terminate any authority she has granted to Mr. Rolfe or **JANELLE CHESKI-HILL** as an agent under her Durable Power of Attorney and to terminate any authority granted to Mr. Horswill, Mr. Rolfe, or Ms. Cheski-Hill as an agent under her Advanced Health Care Directive. See Revocations at Exhibits H and I.

Petitioner desires and intends to remove Mr. Rolfe as trustee of her trust and as executor under her will and to resume managing her own property. Petitioner wants to designate her longtime tax preparer **BILLIE MILES** as successor trustee of her trust and as executor. Petitioner also desires to remove Mr. Rolfe as a beneficiary under the trust and to leave the portion that was to go to him to two existing charitable beneficiaries. See Amendment at Exhibit J.

Legal Authorities: Petitioner cites Probate Code §4541, 4540, 4766, 4765. Probate Code §810 creates a rebuttable presumption that Petitioner has capacity to make decisions and be responsible for her own acts or decisions. Petitioner states she is not under conservatorship and there has never been a judicial adjudication that she lacks capacity. Petitioner wants to ensure that her desires regarding where she lives and how her estate is distributed are honored and desires to have an independent medical examination conducted by Dr. Howard Terrell, MD, of Clovis, CA, to assess her current legal capacity to contract, to make the desired changes to her estate plan, and to make medical and personal care decisions for herself. This medical assessment is critical because of the position being taken by Mr. Rolfe and others based on the April 2013 assessment. The estimated cost is \$4,000.00.

See also Points and Authorities in Support of Petition.

Petitioner prays for the following orders:

- 1. All Durable Powers of Attorney executed by Petitioner have been revoked and the power granted to any agents therein is terminated;**
- 2. All Advanced Health Care Directives executed by Petitioner have been revoked and the power of any agents designated therein is terminated;**
- 3. Petitioner Melinda Cordell has the legal capacity to make any and all health care decisions, including the decision as to where she will reside;**
- 4. Such other orders as the Court deems appropriate.**

Phillip Rolfe's Opposition to Petition filed 3-14-14 states: This case concerns the health, safety and financial security of Petitioner Melinda Cordell, all of which are in jeopardy due to the overzealous "advocacy" of Petitioner's purported attorney Curtis Rindlisbacher. This case demonstrates a flaw in the ethical standards of the practice of law in the State of California whereby the estate of an at-risk elder in need of the utmost care can be placed in peril due to the "assistance" of an overly zealous advocate. This Court should dismiss the petition in its entirety for lack of legal basis for the relief requested, or in the alternative, dismiss the petition pursuant to Probate Code §§ 4543 and 4768, and terminate jurisdiction to grant Mr. Rindlisbacher any compensation from Petitioner's estate.

Objector states Petitioner was diagnosed with dementia less than a year ago on 4-17-13 by Alex Sherriffs, M.D., and Marcy Johnson, Ph.D., of the UCSF Fresno Alzheimer's & Memory Center. Petitioner presently resides in the dementia unit of Somerford Place Alzheimer's Assisted Living Facility in Fresno. On or about 2-3-14, Attorney Rindlisbacher met with Petitioner for the first time in the dementia unit of her assisted living facility. During this consultation, Petitioner was allegedly convinced that her trusted friend of many years, Respondent Phillip Rolfe, was not acting in her best interests. However, the true facts are that Mr. Rolfe has prudently and successfully managed Petitioner's finances since he was appointed as sole trustee of her trust and as her Attorney-in-Fact since 9-19-12. Mr. Rolfe states he only accepted this role out of deep care and concern for his friend and colleague of many years and because he knew there was no one else who would help her and ensure her proper care.

Objector states that contrary to the "factual background" carefully crafted by Mr. Rindlisbacher, Petitioner voluntarily gave up control of her personal finances and health care decisions and appointed Mr. Rolfe as her trustee because she was suffering from early onset dementia, and due to her inability to care for herself, had become malnourished and had fallen at her home. During her treatment, her impaired mental capacity was discovered. With the assistance of her longtime attorney Joseph Horswill, Petitioner executed the documents necessary to ensure her continued health and financial protection by Mr. Rolfe. Mr. Rindlisbacher was notified of these facts in writing by both Mr. Horswill and Mr. Rolfe's attorney, and Mr. Rindlisbacher was provided with a copy of the detailed assessments and recommendations made by the UCSF Fresno Alzheimer's & Memory Center. See Objection for details of the assessments.

Objector states the Court lacks authority to grant the relief requested with respect to the POA and should deny the petition in its entirety. Petitioner refers to only Probate Code §4541(a) for determination of whether the POA "is in effect or has terminated." However, Probate Code §4541(d) clearly provides that determination that a POA has been "revoked" requires a judicial determination of all of the following: the attorney-in-fact has violated or is unfit to perform the fiduciary duties; at the time of the determination, the principal lacks capacity to give or revoke a POA; the revocation of the attorney-in-fact's authority is in the best interest of the principal or the principal's estate.

There are no allegations that Mr. Rolfe is unfit and the facts would not bear this out. There is no allegation that Petitioner lacked capacity to execute the POA originally in 2012. To the contrary, Petitioner alleges that she is capable. Finally, there is no allegation that the revocation is in the best interest of the principal. Mr. Rolfe has prudently managed Petitioner's estate since he accepted the role of her fiduciary.

Objector states if Petitioner is truly seeking relief under §4541(a) as alleged, then Petitioner has failed to allege any facts as to why the POA would not be effective. Petitioner has failed to allege that said document was not executed by Petitioner or that Petitioner was not capable at the time of execution. There is no allegation that Mr. Rolfe or any other agent has terminated his or her authority thereunder. There is simply no authority to grant the requested relief under §4541 or any other section of the Probate Code with respect to the POA and therefore the petition should be denied.

Objector states the Court should dismiss the petition with respect to the POA because these proceedings are not reasonably necessary for the protection of Petitioner's financial interests. With respect to a petition filed under §4541, §4543 provides in part that the court may dismiss a petition that is not reasonably necessary for the protection of the interests of the principal or the principal's estate. Petitioner has failed to allege any factual basis to support the contention that this petition is reasonably necessary for the protection of her financial interests or estate. The reason for this deficiency is because there are no facts to support such a contention. Assuming Petitioner has standing to institute these proceedings, that does not mean that there are any grounds for the relief requested. Mr. Rolfe has prudently invested the assets of Petitioner and meticulously accounted for each and every expenditure made for her benefit since he assumed the role of her fiduciary.

SEE ADDITIONAL PAGES

Page 4

Objector states there is a very real possibility that due to Petitioner's relatively meager assets, her estate will not be sufficient to provide for her necessary care for the rest of her life. Any drain on these assets by frivolous proceedings such as these will be catastrophic for Petitioner's prospects of continuing to receive the standard of care that she enjoys and requires in light of her age and condition. Thus, this petition and the costly independent medical evaluation requested by Petitioner herein are simply not reasonably necessary and should be dismissed pursuant to §4543.

This petition should be dismissed and any subsequent requests by Mr. Rindlisbacher to recoup his fees or costs from Petitioner's estate should be denied.

Objector states the Court lacks authority to grant the relief requested with respect to the Advanced Health Care directive and should therefore deny the petition in its entirety. Petitioner cites only §§ 4766(a)&(b) and requests a judicial determination that all Advanced Health Care Directives executed by petitioner have been revoked and the power of any agents designated therein is terminated. Probate Code §4766(d) actually relates to termination of the authority of an agent with respect to an advanced health care directive and provides that a petition may be brought for the purpose of declaring that authority is terminated upon determination that the agent has violated, failed to perform, or is unfit, etc., and that at the time of the determination by the court, the patient lacks capacity to execute or revoke same.

Here, there are no allegations that the health care agent authorized anything illegal or that the agent has engaged in any negligence or misconduct. Based on the facts alleged, there is no authority to grant the relief requested and the petition should be denied.

Objector states the Court should dismiss the petition because the proceedings are not reasonably necessary for the protection of Petitioner as a patient. Petitioner fails to allege any factual basis to support the contention that this petition is reasonably necessary for Petitioner's protection. Assuming Petitioner has standing to initiate these proceedings, that does not mean there are grounds for the relief requested. Petitioner is receiving sufficient care with the assistance of her health care proxy. She is currently residing in a facility capable of providing the care she requires and under the continued prudent financial management of Mr. Rolfe, it is anticipated that she will have the resources to remain there.

Petitioner lacks capacity to make her own financial or health care decisions, and therefore lacks the ability to revoke the POA or the Advanced Health Care Directive. See details and authority in Opposition.

Objector states the additional examination requested by Petitioner is unnecessary and would be a substantial and unnecessary burden on her estate. See letter from physician dated 11-27-12 and patient summary report referenced above dated 4-17-13. These evaluations included a physical and neuropsychological evaluations, a multidisciplinary team conference and a comprehensive interview with Ms. Cheski-Hill, Petitioner's good friend and agent for health care, and someone who has spent much time with her over the years. Dementia is a progressive disease and symptoms gradually worsen over time and cannot be reversed, only managed. In light of the very recent diagnosis and the progressive nature of the disease, it would be both medically unnecessary and a wasteful financial burden on Petitioner's estate to allow for the costs of the requested assessment.

Objector states Petitioner was incapable of contracting for legal services; therefore, Mr. Rindlisbacher is not Petitioner's attorney and the Court should terminate jurisdiction to award attorney's fees to Mr. Rindlisbacher. Authority provided.

Mr. Rolfe respectfully requests that this Court:

1. Dismiss the Petition to Determine Whether Health Care Directive has Terminated; OR IN THE ALTERNATIVE, order that the Health Care Directive has not been revoked or terminated;
2. Dismiss the Petition to Determine Whether Durable Power of Attorney has terminated, OR IN THE ALTERNATIVE, order that the Durable Power of Attorney has not been revoked or terminated;
3. Terminate the Court's ability to award attorney's fees and costs to Attorney Rindlisbacher in this matter; and
4. Such other orders as the Court deems appropriate.

Response filed by Attorney Horswill (represented by Attorney Joseph F. Foares of Tulare) filed 3-14-14 states: Mr. Horswill has been the attorney representing Petitioner Melinda Cordell for over 15 years. Mr. Horswill provided estate planning for Ms. Cordell during that time period and has had numerous discussions with her over the years as to her desires to live out her life. These desires were set forth not only in the prior will and powers of attorney executed by Ms. Cordell, but later, and most recently, in 2010 and thereafter when she drafted her revocable living trust and powers of attorney which remain in effect as of the date of the petition. As set forth in Mr. Horswill's declaration, Mr. Horswill believes it is in Ms. Cordell's best interest to have the estate planning documents that she executed in 2010 and her subsequent resignation executed in 2012 remain in effect.

Mr. Horswill states the issue of the attorney's duty to his client once the client becomes incapacitated is one that is somewhat complicated and not specifically addressed in the Ethical Rules of Professional Responsibility. Mr. Horswill requests the Court take judicial notice of the ethics opinion from the Bar Association of San Francisco with regard to Model Rule 1.14(b) – If the attorney reasonably believes that the client cannot act in the client's own interest, the attorney may take appropriate protective measures to preserve the client's personal property.

Mr. Horswill states he has been providing Ms. Cordell legal representation for over 15 years and has come to know her very well. Over the course of the last 12-18 months, Mr. Horswill has seen a steady decline in her physical and mental state, so much so, that he determined that she was no longer able to act in her own best interest. As a result, Mr. Horswill contends she is best served to now rely on her estate plan, allowing Mr. Rolfe to handle her affairs, as he has been doing so diligently and competently in the past. Further, Mr. Horswill believes that the status quo of her estate plan best serves her needs and that she should remain as a resident of Somerford Place, but will abide by any orders the Court issues on her behalf.

Page 6

Declaration filed concurrently by Attorney Horswill states: Mr. Horswill does not intend nor attempt to breach Ms. Cordell's rights to her attorney-client privilege. The below statements are stated in generalities and are not specific details of conversations or work-product. Mr. Horswill respectfully requests the Court allow him to supplement the declaration in camera. Mr. Horswill states he met Ms. Cordell in or about February 1997 when she requested his assistance in a bankruptcy matter. From that date forward, he has had numerous conversations with her either in his office or at her residence. In March 1998 he prepared estate planning documents for Ms. Cordell pursuant to her request consisting of a will and powers of attorney for finances and health care. From March 1998 through March 2005, they had several different conversations regarding her estate planning and wishes as to actions to be taken should she become deceased or incapacitated. On or about March 2005, he prepared a new will to modify the terms of her prior will.

In July 2010, based on some inheritance received, Mr. Horswill's office prepared a trust entitled "The Melinda Cordell 2010 Trust dated August 13, 2010." Pursuant to many discussions, the POA for finances and health care were also revised. Ms. Cordell expressed unequivocal confidence in her friend Phillip Rolfe to be the trustee and handle administration should she become deceased or incapacitated. As to the general power of attorney, she once again expressed confidence in her friend Phillip Rolfe and her friend Janelle Cheski-Hill as agent in fact. For health care, Mr. Horswill states he reluctantly agreed to act as agent with Mr. Rolfe as alterantive agent. Later Mr. Rolfe was named as sole agent under both as well as trustee.

Mr. Horswill states that on or about September 2012, Ms. Cordell suffered an injury and her health began to significantly decline. While she may or may not have been incompetent at that time, she nevertheless agreed to resign her position as trustee and allow Mr. Rolfe to serve as trustee and handle her finances from that point forward. It is Mr. Horswill's belief that this was a proper and courageous decision by Ms. Cordell given her decline in health.

Throughout 2012-2013, Mr. Horswill states he met with Ms. Cordell on a number of occasions, and at each visit felt her health had declined from the previous visit. In early 2013, he found her somewhat confused and incoherent, and determined it was not in her best interest to make further changes to her estate planning after his last meeting with her by phone in November 2013. His suspicions were confirmed when he received the medical evaluation. Throughout the middle and later part of 2013, Mr. Horswill received a significant amount of phone calls from Ms. Cordell requesting to terminate the trsut and that she be allowed to move to "her home" in Colorado. Although Mr. Horswill indicated to her on those occasions that she does not own property in Colorado, she insisted that she did, which further supported his belief that she was unable to handle her affairs.

Mr. Horswill states that he has found Mr. Rolfe to be a very competent and compassionate person. He has taken over duties as successor trustee and has done an outstanding job. This includes his assistance in placing Ms. Cordell at Somerford Place, which in Mr. Horswill's opinion is an appropriate place for her to reside. Based on his prior relationship and conversations with Ms. Cordell over the last 15 years, Mr. Horswill believes it is in Ms. Cordell's best interest to remain at Somerford Place and to retain Mr. Rolfe as successor trustee as he has done so diligently in the past, all without any compensation for his work.

Mr. Horswill feels this litigation filed by Mr. Rindlisbacher threatens not only to undermine Ms. Cordell's estate planning as she intended it to be, but also could have a substantial effect on her capacity to meet those needs.

“Joseph Lewis Horswill’s Response to the Petition in Support of his Response to Principal’s Petition to Determine Whether Advance Health Care Directive has Terminated; Petition to Determine Whether Durable Power of Attorney has Terminated” filed 3-28-14 states: Mr. Horswill has represented Ms. Cordell for over 15 years and during that time has had numerous discussions with her as to her desires to live out her life. These desires were set forth not only in the prior Will and Powers of Attorney executed by Ms. Cordell, but later, and most recently, in 2010, and thereafter, when she drafted her revocable living trust and powers of attorney which remain in effect as of the date of the petition. Mr. Horswill believes it is in the best interest of Ms. Cordell to have the estate planning documents she executed in 2010 and her subsequent resignation as trustee, executed in 2012, remain in effect. Mr. Horswill has the obligation to take protective matters to respect and to carry out his clients wishes if incapacitation occurs. See authority re duty.

“Phillip Rolfe’s Verified Opposition to Petition to Determine Whether Health Care Directive has Terminated and Petition to Determine Whether Durable Power of Attorney has Terminated; Memorandum of Points and Authorities Thereof” filed 4-16-14 states: The Court should dismiss this petition in its entirety for lack of legal basis for the relief requested or in the alternative dismiss the petition in its entirety pursuant to §§ 4543 and 4768 and terminate jurisdiction to grant Rindlisbacher any compensation from Petitioner’s estate. Petitioner voluntarily gave up control of her finances and health care decisions and appointed Mr. Rolfe because she was suffering from early onset dementia. She had become malnourished and had fallen at her home. Her impaired mental capacity was discovered by treating physicians. With the assistance of her longtime attorney Mr. Horswill, Petitioner executed the documents necessary to ensure her continued health and financial protection by Mr. Rolfe. Mr. Rindlisbacher was notified of these facts in writing prior to the filing of this petition, and was also provided a copy of the detailed assessments and recommendations made by UCSF Fresno Alzheimer’s & Memory Center less than one year ago.

The Court lacks authority to grant the relief with respect to the POA and should deny the petition in its entirety pursuant to Probate Code §4541. See details in Opposition.

The Court should dismiss the petition with respect to the POA because the proceedings are not reasonably necessary for the protection of Petitioner’s financial interests pursuant to Probate Code §§ 4541, 4543.

The Court lacks authority to grant the relief requested with respect to the Advanced Health Care Directive and should therefore deny the petition in its entirety pursuant to Probate Code §4766.

The Court should dismiss the petition with respect to the Advanced Health Care Directive because these proceedings are not reasonably necessary for the protection of Petitioner as a patient pursuant to Probate Code §§ 4766, 4768.

Petitioner lacks the capacity to make her own financial or health care decisions and therefore lacks the ability to revoke the POA or Advance Health Care Directive. See Probate Code §§ 4609, 911, other authority cited.

The additional medical examination requested by Petitioner is unnecessary and would be a substantial and unnecessary burden on Petitioner’s estate.

Petitioner was incapable of contracting for legal services; therefore, Rindlisbacher is not Petitioner’s attorney and the Court should terminate jurisdiction to award attorney’s fees to him.

Phillip Rolfe's Response to Ex Parte Petition to Set Matter for Hearing filed 5-7-14 states that on 3-25-14, the Court continued the matter and set status for 6-17-14 re completion of a new assessment. The Court further ordered that if the assessment was completed earlier said conference could be set before 6-17-14. Despite the fact that the court specifically ordered status conference in this matter, Petitioner filed an ex parte petition to set hearing. Mr. Rolfe requests the Court deny the request to set a contested hearing at this time, and requests that the Court set the ex parte hearing so that all parties may have the opportunity to be present so that further status may be scheduled.

Not.Cred.	Petitioner states the parents are not able to maintain their drug rehabilitation programs and therefore pose a detriment and threat to the progress of the children's emotional growth and physical and emotional security. Petitioner states the parents have been separated since May 2006, the father has a criminal and domestic violence history, and both parents have a long history of drug and alcohol abuse, as well as child abuse and neglect. Petitioner states currently the mother is in another relationship with another man while in a program, and she is not maintaining her program which is designed to keep her clean and help her reunite with her children. Petitioner states that the mother's last relationship was as a sex slave for two persons, who the mother was given to as "property" and they told her they would kill Petitioner if she disobeyed them, and who continue to drive through Petitioner's apartment complex and leer at Petitioner and the children. Petitioner states she does not feel safe in her own home or in this area, therefore moving the children out of state will provide a safer environment for them and provide safe distance from the parents and the people who continue to look for their mother.
