Aliah, age 4	<p>ROBERT RICHARDSON, SR., Maternal Grandfather, is Petitioner.</p> <p>TINA RICHARDSON, Maternal Step-Grandmother, was appointed Guardian of Aliah on 6-18-09 and of Jasmine on 6-2-10.</p> <p>Father (Jasmine): David Massey Jr. - Notice dispensed per min order 6-2-10</p> <p>Father (Aliah): Unknown - Notice dispensed per min order 6-2-10</p> <p>Mother: Darnisha Wadley Richardson</p> <p>Petitioner states: He and his then-wife Tina Richardson cared for the children since they were born. In 2010 they started to experience marital problems that eventually ended in divorce court. From November 2008 until March 2011, Petitioner was the primary care provider for all three of his grandchildren (these two minors, plus another grandson). In April 2011, he and Tina Richardson separated, and he was not allowed to see his grandchildren for a long while because of bitterness from his ex-wife. She then began to use the grandchildren as pawns to her advantage. She allowed visits when she had something to do. When they separated, Petitioner took his grandson with her because she did not want anything to do with him; she only wanted the granddaughters. She lied to the court on several occasions stating she was the biological grandmother. Meanwhile, Petitioner and his grandson would go spend a weekend at her house just to see the granddaughters. Petitioner states he has tried on three separate occasions to seek visitation and custody. His ex-wife lied to get a restraining order against him on 12-22-11 for one year that had the effect of barring him from seeing his granddaughters. Since that time, she has never allowed them to socialize with any of their biological family members, but they do go to her family events. They were not allowed to attend their great-grandmother's funeral. Petitioner states he is their only biological grandparent alive and the only family they know. Petitioner requests reasonable visitation.</p> <p>Guardian Tina Pierce-Richardson filed an Objection on 5-1-13.</p> <p style="text-align: center;">SEE ADDITIONAL PAGE</p>	NEEDS/PROBLEMS/COMMENTS:
Jasmine, age 3		Note: Attorney C. Michael Farmer did not sign the petition.
		Note: Petitioner did not file a Notice of Hearing, but did file a Proof of Service reflecting service on the Guardian. The Guardian has filed an Objection.

Guardian's objection states: The safety of Aliah and Jasmine Richardson is still at risk. Petitioner has a court order that he should not be driving with minors in car. Mr. Richardson allows her to drop off the minors but every time she allows them to go, he feels he needs to bring them home without her consent. Mr. Richardson has no valid driver license. His wife has picked the minors up once but has never brought them home. They still disagree on the fact that the courts have ordered him not to drive with the minors. It's on his record that he has admitted to having a drinking issue. Guardian feels for the safety of the minors until Mr. Richardson gets a valid license. He should have visitation and control his drinking. She tries working with him because the minors love spending time, but does not like the smell of smoke.

DOD: 01/11/10		<p>PAULETTE JANIAN, attorney for Executor Rosalind Logan, is Petitioner.</p> <p>ROSALIND LOGAN was appointed Executor on 03/29/10 without bond.</p> <p>Letters were issued on 03/29/10.</p> <p>Inventory & Appraisal showing the value of the estate at \$116,107.06 was filed on 01/11/11.</p> <p>Petitioner states Rosalind Logan is a beneficiary of the estate together with five other beneficiaries. The Executor's phone numbers are not current. Letters dated 02/10/11, 03/20/11, 04/12/11, 05/04/11, 08/22/11, 02/01/12, 10/24/12 and 03/26/13 have been unanswered. All correspondence addressed to Rosalind Logan at 2704 B Street, Selma, CA, her last known address, has not been returned. The last letter dated 03/26/13, included a Substitution of Attorney and a pre-addressed, stamped envelope. Nothing has been returned. The Will of the decedent left this home to the Executor and she has had possession of the property since the decedent's death. The attorney drove to the home about 1 month ago and it appears to be occupied. The property is fenced with a locked gate, therefore the attorney was not able to make contact with anyone inside the home. 	Estimated Value of the Estate: Personal property - \$35,340.89 Annual income - 11,265.60 Total - \$46,606.49 Real property estimated value - \$60,000.00 Voting rights affected.		
	Petitioner states Ms. Henrichs was admitted to Clovis Community Hospital due to severe back pain. She is diagnosed with dementia and has reportedly declined significantly over the last few years and is unable to properly care for herself. She hallucinates, thinking her niece is in her house late at night. She is forgetful and appears to be leaving dirty, moldy dishes in her sink and not properly disposing of cat waste. She calls her nieces multiple times a day to ask about doctor and hair appointments. She previously got lost driving herself to a doctor appointment and reportedly used a tank of gas driving around until she ended up in a field. Her family has since disabled her vehicle so she cannot drive. Due to her dementia, she is unable to manage her finances. Her niece had been assisting her in paying her bills. Since it appears that Ms. Henrichs will not be able to return to her home, it will be necessary to sell her house to avoid costs associated with it. Petitioner is requesting authority to sell any unneeded personal property and to sell her real property, including a vacant lot.
