NEEDS/PROBLEMS/COMMENTS (Continued) (Page 2 of 3):

1. Inventory and Appraisal filed 3-23-10 and Amended I&A filed 9-13-11 appear to contain items appraised by Petitioner on Attachment 1 that should have been appraised by Probate Referee on Attachment 2 per Probate Code §8901:
 - Warrant dated 11-15-06 valued at \$13,618.19
 - Warrant dated 5-21-07 valued at \$232.61
 - Warrant dated 7-3-07 valued at \$18.41

***Note:** Descriptions of warrants state: “paid to Roli Elsotari (per Order of Fresno County Superior Court, sustained on appeal, this asset belongs to estate).”*

***Note:** Petition addresses the warrants at #3 and #5, as judgments and states interest is accruing and Petitioner plans to levy Ms. Elsotari’s wages to enforce the judgment.*

Declaration filed 9-13-11 states the warrants were properly inventoried. At the time of his death, these warrants represented wages and vacation compensation owed to Decedent. They were paid to Roli Elsotary pursuant to a beneficiary designation, and Petitioner sought judicial relief for an order that she be required to pay those monies back to the estate.

Examiner notes that items such as debts and notes payable are typically appraised by the Probate Referee. If, at the time of death, these items were not warrants, but wages, they should be listed appropriately in whatever form or character they were at the date of death. If they later became debts owed to the estate via judgment or warrant, that is not an inventory item. However, for purposes of continuing this review, this explanation is accepted by Examiner.

2. Inventory and Appraisal filed 3-23-10 includes “TD Ameritrade Investment Account” valued at \$108,013.63 by Administrator on Attachment 1. Petition states this is a money market account, which means that appraisal on Attachment 1 is appropriate per Probate Code §8901(d); *however*, the Petition further states that Decedent had “shorted” a number of stocks against this account and Administrator repaid the loan by purchasing the stocks that had been shorted by Decedent and selling them the same day at a gain of \$29,394.36. The court may require further information regarding whether appraisal of this item as a cash asset (including loan and repayment) is appropriate or whether the loan within the asset warrants appraisal by Probate Referee.

***Note:** Minute Order 4-28-11 states Atty Rindlisbacher represents the account was properly accounted for; however, the minute order does not reflect action by the court on the representation. The item remains noted.*

Declaration filed 9-13-11 states the item is properly appraised on Attachment 1.

SEE PAGE 3

NEEDS/PROBLEMS/COMMENTS (Continued) (Page 3 of 3):

3. Need Allowance or Rejection of Creditor's Claims:

- Bank of America \$311.50 (filed 8-27-07)
- Bank of America \$40,978.89 (filed 8-27-07)

Note: Petition states Bank of America was paid \$37,000.00; however, no Allowance or Satisfaction has been filed.

Note: Petition states Bank of America claim for \$311.50 is still pending.

Note: Declaration filed 8-18-11 provides a letter from Bank of America indicating settlement and receipt of \$37,000.00; however, the account number referenced on the letter does not match the account number referenced on either B of A creditor's claim. Need clarification.

Declaration filed 9-13-11 states Petitioner is researching to find out why the account numbers don't match, and the smaller claim is still pending.

As of 1-25-11, nothing further has been filed.

4. Petition appears to use net figures instead of gross figures for calculation of gains and losses (vehicles, personal property). This affects the balance of the account.

Declaration filed 9-13-11 states Petitioner is correcting the accounting to use gross figures and will be filing an amended and corrected account.

As of 1-25-11, nothing further has been filed.

5. Petition states the Guaranty Bank balance was transferred to the California State Controller's Office and Petitioner is submitting paperwork to collect this amount. Court may require additional information.

Declaration filed 9-13-11 states this item is pending. Petitioner was recently notified that there may be another asset that was previously unknown that may be a part of the estate.

As of 1-25-11, nothing further has been filed.

Need status of pending return of funds, plus status of discovery of the previously unknown asset.

Points and Authorities Re: UCCJEA, California filed on 2/21/12. The points and authorities address the issue of jurisdiction in light of the Court Investigator's Report that recommends the State of Nevada "is the appropriate venue" for this case.

Attorney Leslie Moore concludes that the State of California has jurisdiction and is the appropriate forum for the determination of custody/guardianship of the minor child in this case pursuant to UCCJEA. It appears that the background investigation of the Petitioner is the only hold up for the investigator to proceed. There may be other resources available to the court such as contacting the Clark County Nevada probate court to request assistance, or possibly Clark County Children and Family Services (CPS) staff could assist in providing a home check and the background information needed. The investigator could run an interstate CLETS report if the court so ordered. The petitioner has and will continue to make every effort to assist the court. The Petitioner can have the minor available for an interview in Fresno County, perhaps the date of the court hearing.

Should the Court determine that Nevada should take jurisdiction of this case, Ms. Moore requests the court include the findings in an order pursuant to Family Code §3421 and 3427, and include a request for the court in Nevada to communicate with this court pursuant to Family Code §3410.

Petition for Instructions (Prob. C. 17200)

		<p>VICTORIA C. ADUELO, sole surviving Trustee and lifetime beneficiary, is Petitioner.</p> <p>Petitioner states she and the decedent were married over 39 years and were married at the time of decedent's death. This was their only marriage. The property conveyed to the Trust was the decedent's interest in the property of himself and Petitioner.</p> <p>Petitioner wishes to terminate the Trust and have the trust assets assigned to her. The Trust contains a "spendthrift" clause at article XI.</p> <p>Petitioner contends that the spendthrift clause does not preclude the voluntary assignment of any beneficiary's interest in the Trust.</p> <p>Petitioner seeks an order of this Court approving the termination of the Trust and transfer of the Trust assets to herself.</p> <p>Method One:</p> <p>Probate Code § 15409. Petitioner states it was never the Decedent's intention to include a spendthrift provision that would inhibit her ability to adjust for changed future circumstances. Petitioner has no issue with creditors. Petitioner believes that the Trust was to shield its assets from the estate taxes. However, today the federal estate and gift tax exemption is \$5,000,000.00. Substantially more than the value of the Trust assets. Declaration of Wm. Lanier Thomas establishes that a 100% interest in the Trust assets does not exceed \$400,000.00. Petitioner's declaration establishes that her assets do not exceed \$425,000.00. Consequently, two significant circumstances have changed; 1) the law regarding federal estate tax has changed in that the current exemptions are higher and 2) the value of the real property has not appreciated.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <ol style="list-style-type: none"> Petition lists the names and addresses of all vested or contingent beneficiaries. In that list is Vicky Ann Audelo. Petition then goes on to list those persons entitled to notice. In that list is Vicky Ann DeLuca. Consent to the termination is signed by Vicky DeLuca. Notice of the Hearing was sent to Vicky Ann Audelo. Court may wish to inquire if Vicky Ann DeLuca and Vicky Ann Audelo are the same person. Contingent beneficiary, Ernest J. Audelo has not signed a consent to the proposed termination. However, Ernie Audelo has signed a consent. Court may wish to inquire if Ernie and Ernest are the same person. Need Order.

Method Two:

If the Court is not persuaded to apply Probate Code §15409, Petitioner asks the court to consider the application of the Doctrine of Merger as detailed in the Points and Authorities attached as Exhibit "F." Petitioner asks in the alternative, that the Court give its instructions as to whether the Trust can be terminated without regard to the "spendthrift clause" under the following steps:

- a) The remainder beneficiaries assign their right, title and interest in the trust to petitioner.
- b) Thereupon the remainder interest and income interest would merge into the hands of Petitioner under the Doctrine of Merger, the Trust would terminate and distribute to Petitioner.
- c) Upon completion of the assignment of the residuary beneficiaries interest to the Petitioners and filing of such assignments with the Court, Petitioner will report to the Court ex parte the final details showing that all steps contemplated by this petition have been completed and ask for and ex parte order of this court terminating the trust.

Petitioner states continuance of the trust is not necessary to carry out any material purpose of the trust.

The proposed termination is necessary because all of the ownership interest in the trust will be with Petitioner.

Wherefore, Petitioner prays for an order:

1. Instructing Petitioner as to whether Method One or Method Two is the approach the Court will approve for terminating the Trust;

Atty Smith, Darryl II (Pro Per – Father – Petitioner)

Atty Simons, Suzy (Pro Per – Maternal Grandmother – Temporary Guardian)
Ex Parte Petition for Visitation

Suzy Simons, Temporary Guardian, filed declarations in response. Ms. Simons describes an incident where he was upset after talking with his mother on the phone, and believes from what she has seen and been told that Petitioner sells drugs (prescription drugs and pot). Juju likes that he has his own bed to sleep in and a new home. Since then, he has started preschool and is very happy and excited. Additional declarations describe interactions with the mother, but that she has not received any texts or calls from the father (Petitioner).

Ms. Simons describes interactions with the mother, such as instead of calling to say happy birthday to Juju, "most of the conversation was on Courtney's end, declaring that she missed him and asking him if he missed her and 'Don't you want to be with me?'"

Because Juju mentioned to his mom that he went to Shining Star Preschool, Ms. Simons was concerned that she would go there, and let the school administrators know that the parents were not allowed contact with the child at this time until the hearing.

On her way to Court on 5-18-12 to file papers, Ms. Simons drove near Petitioner's home and saw him leaning into a car. She pulled up and "his eyes were glazed." The mother's car was also in the driveway.

Two years ago the father abused Meth, he was in jail then transferred to a men's home, 3 weeks ago he came to visit the child and while visiting he hit the child's mother and was arrested. Father served the Mother with an OSC in Family Law Case 12CEFL02792, hearing is set for 06/25/2012. Father is requesting supervised visits to the Mother as she is abusing Meth. Petitioner states that if the Father is granted custody of the child that this would traumatize her as the child has resided with the Petitioner since birth.
