Petition for Probate of Will and for Letters Testamentary; Authorization to Administer Under IAEA (Prob. C. 8002, 10450)

DOD: 8-7-10	JOHN P. MCCANN and COLLEEN E. DEMPSEY , two of the three named co-executors, are Petitioners.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>1. Need authority for Fresno Superior Court as appropriate venue for probate and administration of this Decedent's estate, as there does not appear to be any property subject to administration here, and this is not a request for ancillary probate. See Probate Code §§ 7052 (including commentary), and 12510.</p> <p>The Decedent was a resident of Katy, Harris County, Texas, and Petitioners do not allege that the Decedent owned any property here. Rather, Petitioners allege that monies taken by Daniel J. FTB Notice	<p>Daniel J. McCann filed Opposition to Petition on 6-21-13 states four grounds of objection. See additional pages.</p> <p>Probate Referee: Rick Smith</p> <p style="text-align: center;"><u>SEE ADDITIONAL PAGES</u></p>	

Page 2

Daniel J. McCann filed Opposition to Petition on 6-21-13 states four grounds of objection:

- 1) California Superior Court does not have jurisdiction to probate Mrs. McCann's will.
- 2) Petitioners have delayed and waived their right to appointment as personal representatives.
- 3) Petitioners are not competent to act as personal representatives because they are wasting and neglecting any assets the probate estate may have.
- 4) Petitioners are estopped from bringing their petition, which should be abated until the trust litigation is concluded.

Authorities cited include numerous cases, statutes, treatises. See objection for facts and details. Objector states the California Court's involvement with the trust does not confer probate jurisdiction. Objector requests that the petition be denied, for costs of suit, and all other proper relief.

NEEDS/PROBLEMS/COMMENTS:

2. The Court may require declination to serve from Daniel J. McCann.
3. Petitioners request appointment without bond and state the will waives bond; however, because they are only two of the three named co-executors, and due to the extensive litigation already in existence, the Court may require bond in the amount of \$1,500,000.00. Alternatively, the Court may require waiver from appropriate relatives/beneficiaries, or authority for waiver of bond as requested. (Note: Because Petitioners are also the co-trustees of the trust, waiver may be required from trust beneficiaries.)
4. The Court may require clarification regarding Fresno Business Journal as appropriate publication with regard to Probate Code §8121 (b), since the decedent did not reside here or own property here. Rather, the property that Petitioners state may be recovered is held by Daniel J. McCann, a resident of Vermont, and the Decedent was a resident of Texas.

Note to Attorney: Although the current Judicial Council form "Notice of Petition to Administer Estate" (updated 1-1-13) was used, the publication does not contain the updated language. For future petitions, please remember to note the update for publication.

✓ Verified	Maternal grandfather: JOE MANJARREZ

PTC	Petitioner alleges that the mother abuses methamphetamines and is unable to provide a safe and stable home for the minor. The father is currently in Fresno County Jail. Petitioner states that the minor has lived with her most of her life. The parents also resided in Petitioner's home, and when they separated they both agreed to leave the minor with Petitioner. The mother has also been incarcerated numerous times. Recently, the mother has been taking the minor from petitioner's care. The mother lives with her father (maternal grandfather) who is a registered sex offender. Petitioner states that it is not appropriate for a young teenage girl to be in the home with him. Further, the mother does not take the minor to school when she is in her care and the minor has numerous absences that occurred while in her mother's care. On 06/16/13, the mother tried to take the minor from Petitioner again, but it was determined by Fresno Police that she was under the influence of meth and the minor remained with Petitioner. Petitioner states that temporary guardianship is necessary to provide a safe and stable home for the minor.
