1. The petition states the decedent's date of death was 4/14/14; however, the original and first amended petitions both indicated 3/14/14 as the date of death. What is the decedent's correct date of death?
2. The decedent's will is not self-proving. Although the will is not being admitted to probate, this summary proceeding does necessarily include a determination of validity of the will. See Probate Code §13151 and commentary. The Court may require Proof of Subscribing Witness (Form DE-131).
3. Petitioner, who is the sole beneficiary according to the will, is one of the subscribing witnesses. It is unclear if there are two other witnesses, or just one (illegible). The Court may require the Proof of Subscribing Witness to be signed by one of the other witnesses, and may also require clarification with regard to the presumption of undue influence as described in Probate Code §6112.
4. The petition is blank at #9a (1) and (2). Was the decedent survived by a spouse, or no spouse? If no spouse, was the decedent divorced or never married, or was the spouse deceased? If the spouse is deceased, need date of death per Local Rule 7.1.1.D. (Note: The original petition indicated divorced or never married, but the first amended petition and this second amended petition are blank.)
5. The petition is blank at #9a (3) and (4). Was the decedent survived by a registered domestic partner, or no registered domestic partner? (Note: The first amended petition indicated no registered domestic partner, but this second amended petition is blank.)
6. The petition is blank at #9a (7) and (8). Was the decedent survived by issue of a predeceased child, or no issue of a predeceased child? (Note: The first amended petition indicated no issue of predeceased child, but this second amended petition is blank.)
7. Petitioner does not state what the decedent's interest in the real and personal property is at #11 or #13. Did the decedent own a 100% interest in the real and personal property?
8. The APN provided for the real property at #13 is 465-212-03; however, the APN on the proposed order is 465-121-03. Need clarification: What is the correct APN for the real property?
9. Need Attachment 14, which should contain the names, ages, and addresses of all persons named in #1, #9, and #10, which would include the petitioner and the decedent's relatives (spouse, if any, children, and dates of death if deceased).
10. Petitioner states at #16 that she is the trustee of a trust that is a devisee under the decedent's will. That does not appear to be the case. The Court may require clarification.

File 13 – Bolin			

Declaration Continuation Page attached to the Proof of Service by Mail filed 4/6/2015, continued:

- Barbara Hauser is the daughter of Decedent and his first wife, Bonnie Bolin, who was divorced from Decedent in 1964;
- Decedent didn't acquire the property in question until 24 years after his divorce from Bonnie Bolin; Decedent acquired the property when he was married to Donna Bolin;
- Barbara Hauser told Petitioner in 2006 she had no interest in the California property [subject of the instant petition], and was returning to Alex, Oklahoma;
- All of the telephone numbers, faxes, and cell numbers Barbara Hauser provided are unable to reach her since they are no longer in service.

Note: **Proof of Service by Mail filed 4/6/2015** shows a copy of the *Declaration of Judith Bolin Re Spousal Property Petition in Estate of Bobby Jo Bolin, Deceased, and Continuation Page, signed under Penalty of Perjury* was served on 4/1/2015 to the only known address (in Alex, Oklahoma) provided by the party served, **BARBARA HAUSER**, Decedent's daughter; proof of service states that Petitioner has had no contact with the party served since 2006 in spite of numerous attempts to contact her by phone.

NEEDS/PROBLEMS/COMMENTS, continued:

1. Probate Code § 13650(a) provides a surviving spouse may file a petition in the county in which the estate of the deceased spouse may be administered requesting an order that administration of all or part of the estate is not necessary for the reason that all or part of the estate is property passing to the surviving spouse. Petitioner states the property was acquired on 10/4/1988 in joint tenancy by Decedent and his wife, **DONNA S. BOLIN**, who died on 4/2/1998. Based upon that statement (and the copy of the deed provided), it appears the real property is the **separate property** of the Decedent from **4/2/1998 until 3/25/2002**. Petitioner's statements that during Decedent's marriage to Petitioner from **3/26/2002 until his death on 2/22/2006**, the mortgage and maintenance on the property was paid out of community funds of the Decedent and Petitioner, appear to support the allegation that some portion of the property may be community property. Petitioner's payments on the property following Decedent's death on **2/22/2006 from June 2013** do not apply to the Decedent's separate property interest and cannot be considered as part of any community property portion asserted by Petitioner. Pursuant to Probate Code § 6401(c)(2)(A), the intestate share of Petitioner is **½ of the real property**, with the other **½ passing to the Decedent's daughter, BARBARA HAUSER**, or to her issue if she is deceased. The fact that Decedent's daughter cannot be located does not change her inheritance right under intestate succession. Petitioner's allegations regarding the community property interest to which she may be entitled may allow her to use the instant spousal property petition to pass only her share of Decedent's estate pursuant to Probate Code § 13650. However, Petitioner must utilize another proceeding in conjunction with this spousal property petition to pass the share to which she is not entitled, such as a full probate of Decedent's estate, in order to pass the share of the estate to which Barbara Hauser is entitled, or may utilize another procedure in lieu of the instant spousal property petition.

Decedent died intestate		Residence: Fresno Publication: Business Journal	<u>Declaration of Attorney Steven R.
