Age: 41	<p>MATTHEW MILLER, Brother and Conservator of the Person, is Petitioner.</p> <p>Petitioner states the purpose of this petition is to avoid intestacy and to provide for distribution of the conservatorship estate and the Alison Miller Special Needs Trust. The Conservatee lacks capacity for the proposed action and lacks legal capacity to state a position as to the proposed action. The proposed action is only for the purposes of providing for the ultimate distribution of the conservatorship estate and special needs trust estate on the conservatee's death and will have no adverse effect on the assets available for her care. Petitioner states that the circumstances show the proposed action that Alison Miller, acting as a reasonably prudent person, would take if she had capacity to do so.</p> <p>The conservatee's existing estate plan consists of the special needs trust, which provides that the trust shall terminate on the death of the beneficiary and the trustee shall distribute the undistributed balance of the trust estate as the beneficiary may direct by the exercise of a special power of appointment, etc., subject to federal law requiring notice and reimbursement of state claims (language cited and copy provided). The trust provides that if the Conservatee fails to exercise the special power of appointment, that part must be distributed to her "heirs at law," which would be her father.</p> <p>However, based on the following facts, it is reasonable to conclude that the Conservatee would not provide for her father, but would instead provide for her brothers, Andrew Miller and Matthew Miller.</p> <p>When Alison was four months old, she became disabled after suffering a reaction to an immunization vaccine. Since that time, she has been profoundly handicapped, both physically and mentally. Shortly thereafter, her father abandoned her and has had no contact with her and provided no support in the subsequent 40+ years. Alison has a half-brother, Jeremy Miller, that she has never met.</p> <p>Until her death, Alison's mother had been solely responsible for her care, and since her death, Alison's brothers, Andrew and Matthew, have taken responsibility for her care. Since her father and half-brother have not been a part of her life, it is reasonable to conclude that Alison Miller would prefer that the trust estate be given to her brothers.</p> <p>Petitioner requests an Order authorizing Matthew Miller, as Conservator of the Person of Alison Miller, to execute the attached will under Probate Code §2580(b)(13), and for such other and further relief as the court deems proper.</p> <p>The attached will appoints Petitioner as Executor and devises the estate equally to her two brothers.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>Note: The Special Needs Trust established in 1998 was originally created in this conservatorship file and was later assigned a different case number (09CEPR00502). All assets previously held in the conservatorship estate were transferred to the SNT. Upon the petition of Matthew Miller to become Successor Conservator of the Person and Estate; the Court did not find a need for further conservatorship of the estate, and granted conservatorship of the person only.</p> <p>1. Notice of Hearing was not served on Alison Miller (Conservatee) pursuant to Probate Code §§ 2581(a) and 1460(a)(2).</p> <p>2. Need new order in compliance with Local Rule 7.6.1.D., E. (Probate orders shall be drawn so that their general effect may be determined without reference to the petition on which they are based. The proposed will should be attached to the order, and the signature line should appear at the end.</p> <p>Note: Alison Miller resides at Melendez Family Home, a care home in Terra Bella, CA., and receives services from CVRC.</p> <p>Reviewed by: skc</p> <p>Reviewed on: 7-10-12</p> <p>Updates:</p> <p>Recommendation:</p> <p>File 1 - Miller</p>

Age: 18 DOB: 05/03/94	KARIN SCHMIDT, mother and Guardian, is Petitioner.	NEEDS/PROBLEMS/COMMENTS: 1. The Petition indicates that Heather Schmidt turned 18 on May 3, 2012; however, the account period only goes through 03/30/12. The Court may require more information regarding any activity and the status of the property on hand. Note: Petitioner requests to be released from her duties as guardian of the estate; however, the guardian may only be released upon the filing of an Ex Parte Petition for Final Discharge and Order.
