**Thank you.**

**Page 2 - Petitioners state** an order granting additional powers under §1853 was granted 6/22/79, which included the right to borrow money and give security for the repayment thereof. In 1980 a small equity loan was received to maintain the conservatee's real property, which loan was timely paid. In or around 2005, a second equity line of credit was taken against the Conservatee's residential real property in the amount of \$50,000 to pay for necessary repairs and essential improvements, allowing the Conservatee to remain in her home. Due to Conservatee's limited income, co-conservator Carol Inman was a co-borrower. During the life of the Conservatee, her income was sufficient to pay the monthly mortgage to Chase Bank; however, since February 2015, Ms. Inman has been making the monthly payments from her personal funds to avoid foreclosure. Payments will continue until the real property is sold or the Court orders her to cease payments. (Note: Schedule G indicates that the balance as of December 2015 was \$30,114.70 with a 3.75% interest rate, payable monthly in the amount of \$479.24. Carol Inman has continued payments and seeks reimbursement as noted above. (See Schedule G – Liabilities)

At the time of her death, the Conservatee was residing in her home and was receiving SSI as her means of support, which was automatically deposited to the conservatorship estate checking account. On 2/10/15, notice of her death was provided to California Dept. of Health Care Services and an estate recovery claim was filed against the estate in the amount of \$2,059.90. Notice has been forwarded to Bruce Bickel. See Schedule G – Liabilities.

**Petitioners pray for judgment of this Court that:**

1. Notice of Hearing of this account, report and petition be given as required by law;
2. The court make an order approving, allowing and settling the attached account and report of the co-conservators as filed;
3. The Court confirms Petitioner Carol Inman's right to reimbursement for post death and ongoing payments to Chase Bank upon the sale of the subject real property;
4. The Court authorize Bruce Bickel, Administrator of the Estate, to pay attorney fees in the amount of \$3,069.37 for legal services and expenses rendered to the conservatorship during the accounting period;
5. The Court authorize and direct Linda Inman and Carol Inman to deliver the property remaining in their possession to Bruce Bickel, Administrator of the Estate of Charlotte Inman, subject to a lien for any amounts of payments herein authorized that remain unpaid, and that on delivering the property and filing proper receipts, the co-conservators be discharged and the surety on their bond be discharged; and
6. The Court make such other relief as it considers proper.

**Objection filed 6/8/16 by Diana R. Inman** requests an expanded accounting period to include all accounts represented and unrepresented in the petition, detailing Conservator's activities beginning 2005, when Conservatee moved back to her financially free and clear residence in Fresno.

Objector states the Conservator received an order dispensing accountings, but she did not obtain any such order. Conservator Linda received an Order Dispensing Accountings; however, Co-Conservator Carol did not. No notice to Conservatee's children was given and Conservators falsely maintained they were continually being monitored by the Court.

Objector states the home equity loan of \$50,000 taken on or around 2005 with a balance of \$30,114 is excessive considering the limited amount of improvements, and 10 years of payments have been made. The bank deed shows \$150,000 available funds. Conservators maintain Conservatee made loan payments, so what did residing Conservator pay toward household expenses to support her claiming the Conservatee as a dependent on tax returns?

**SEE ADDITIONAL PAGES**

**Page 3 – Objection (Cont'd):** Objector requests detail receipts of all conservatorship transactions for expanded accounting period including one year of prior utility statements and states the Chase account balance high considering limited income of Conservatee. Did home equity line of credit fund this account? Does this account pay the HELOC while continuously being funded by it? Why did this account only show up on the Second and Final Account? How many other accounts did Conservators conveniently forget? Conservator Carol is an accounting professional and is well versed in this field so Objector further questions all accounting discrepancies. Explain and support all withdrawals from all accounts.

No court review of this case according to information obtained from Court website from 1994 when Conservators moved with Conservatee to San Diego, then Biloxi, MS, then Bremerton, WA, returning to Fresno in 2005 without Court oversight until 2011. When Conservatee's initial diagnosis of breast cancer was given, why weren't her children timely and duly notified? Was the Court notified, and if so, when? Was a medical treatment plan initiated or refused by the Conservators? Did the Conservators charge fees to the estate for services without submitted a schedule to the Courts or giving notice to relatives?

Objector prays the Court will grant expanded accounting period in all areas of this conservatorship as deemed appropriate and to include 2005-2015 due to the numerous violations of the conservators' fiduciary duties through the life of this case.

**Reply to Objection filed 6/14/16 states** Diana's objections are unfounded, without reasonable cause, and made in bad faith. The pleading contains numerous unrelated allegations and untimely questions. Furthermore, Diana asks the Court to reach beyond the matters at issue here by requesting an unnecessary expanded, detailed, and untimely account back to 2005. These unreasonable demands and unfounded allegations have caused unnecessary delay to closing this conservatorship and result in an increase in costs, expenses, and attorney fees. Petitioners request the Court order Diana to pay the compensation and costs incurred in defending this account pursuant to Probate Code §2622.5 et seq.

Petitioner states the estate of Charlotte Inman was and is a small estate as defined in Probate Code §2628. Her only assets were her home and a small piece of land outside California. Her income was limited to Social Security benefits and a small Veterans pension. This was true throughout the conservatorship and the conservatee's lifetime.

Moreover, the objections delve into matters of no consequence here. Objector is conflating issues and trying to raise irrelevant questions, the answers to which are of no consequence to this action. She should not be permitted to raise them now and this Court should not waste its time entertaining such irrelevant matters. Even assuming that was not fatal to Diana's claims, which it is, her objections fail in any event.

Diana's claim that she was not provided proper notice of the 1982 order dispensing future accountings is not true. See Response for details. Throughout the conservatorship, Diana never questioned or claimed any wrongdoings. If she had concerns regarding the handling of their mother's assets during her lifetime, she had ample opportunity to ask. She did not do so. Her claim of lack of notice in the conservatorship is irrelevant to the accounting.

**Regarding the Home Equity Loan:** The loan was approved for up to \$150,000, but only \$50,000 was needed to make the necessary repairs/maintenance at various times.

**SEE ADDITIONAL PAGES**

**Page 4 – Reply to Objection (Cont'd):** In 1991, Linda's husband (military) received orders to move to Italy. Linda reached out to Diana and asked her to become Co-Conservator. Diana refused. Therefore, Carol, the youngest daughter, agreed to become Co-Conservator. Carol lived with and cared for the Conservatee daily from 1991-1994, when Linda returned. Linda picked up Carol and the Conservatee and they moved to Biloxi along with Linda and her husband to fulfill her husband's military orders. Diana and her family moved into the Conservatee's home where they remained until 2007. From 1994-2000, Diana paid the small mortgage in lieu of rent. The Conservatee's income continued to pay for property taxes and homeowners insurance.

In 1997, Carol and the Conservatee moved with Linda and her husband from Biloxi to San Diego, and then to Bremerton, WA. In 2005, Linda and her husband divorced and Linda and the Conservatee moved back to Fresno and resided in the Conservatee's home along with Diana and her family until 2007, when, due to domestic violence issues, Diana and her family moved out.

Repairs and remodeling were necessary due to lack of maintenance while Diana lived there. For nearly two years, Linda worked to clean and repair the home, but the wear and tear on an aging home and a household with multiple children caused it to fall into disrepair. When the Conservatee cut her foot on damaged floor tile, the repair person advised new tile because they could not be safely repaired or replaced. With Carol's assistance, an equity loan was obtained and used to replace fixtures, appliances, windows, painting (interior and exterior), tree trimming, etc. Much labor was performed by Raymond Inman to stay within budget. (Raymond is the Conservatee's son and Petitioner's brother.)

Diana's claim of concern re the equity loan is nothing short of audacious. In 2000, Diana and Linda made a verbal agreement wherein Diana would put \$500/month into an account to cover damage/repairs to the home in lieu of rent. When Linda and the Conservatee returned in 2005 and saw the condition of the home, they asked about the funds, and Diana told them the account did not exist. Had Diana set aside the funds, the equity line of credit would not have been necessary.

Diana's request for an expanded accounting is irrelevant to the purpose of the 6/23/16 hearing on the accounting. The Court dispensed accountings in 1982 because this is a "small estate" under the probate code. The final accounting dates to the death of the Conservatee and there is no need for an expanded accounting.

Carol continues to make the monthly equity loan payment. There have been no late notices or claims of unpaid utility bills.

There have been four creditor claims filed in the probate estate by State of California Dept. of Human Health Services, Estate Recovery Division; Veterans Administration; Carol Inman; and Diana Inman. There is no validity or reasonable suspicion that any other bills remain unpaid or were not paid during the conservatee's lifetime.

Chase Account: The required information was disclosed in the accounting. Diana's curiosity is not sufficient to support a valid objections and events occurring outside the account period are irrelevant. The objection must fail.

Court review from 1995-2011: Lack of investigation during this period is irrelevant to the accounting and termination of the conservatorship. The Court had knowledge of the Conservatee moving out of state, as Diana herself spoke with the Court Investigator. In 2005, the Court was advised of her return. The Co-Conservators were available thereafter.

**SEE ADDITIONAL PAGES**

**Page 5 – Response (Cont’d):** Notice of Diagnosis: This matter is irrelevant to the accounting.

Request for expanded accounting: This request is inappropriate given the 1982 order dispensing accountings on this small estate. Probate Code §2620(b) requires a final accounting after the conservatee's death. Nothing further is required.

If the Court determines that Diana's so-called objections are without reasonable cause and in bad faith, the Court may order Objector to pay the compensation and costs of the conservator and other expenses and costs of litigation including attorney's fees incurred to defend the accounting. Probate Code §2622.5(a). Diana has continued to bring up claims and objections irrelevant to the accounting, has made misrepresentations to the Court alleging lack of notice, and continues to try to dredge up questions from decades long gone for no purpose other than to hurt the co-conservators and mislead the Court.

The increased costs, expenses and attorney's fees amount to \$1,489.00 as detailed in Attachment 1 in the Supplemental Declaration of Teresa Petty-Jones, filed concurrently. Petitioner states the objections should be denied and Objector should be ordered to pay \$1,489 as reasonable costs, expenses, and attorney's fees for defending her frivolous so-called objections.

---

**Filings since last hearing: On 6/30/16, Petitioner filed an Addendum to the First Amended Second and Final Account** that provides detailed explanation of how bills were paid during the conservatorship. See Addendum for details. Addendum further states additional attorney fees and costs have been incurred in preparation of the addendum.

**Second Supplemental Declaration of Teresa B. Petty-Jones itemizes fees and costs to date.**

		<b>File 2- Van Camp</b>

**Objection to Final Account filed by Preston Van Camp on 7/7/16.** Objector states he was removed as Administrator of the Estate by this Court on 11/28/06 for failure to file an accounting and distribution.

Mr. Van Camp alleges he never mismanaged the estate and no evidence was ever introduced to this court supporting a claim of mismanagement nor was there every any action on the part of Van Camp that led to a loss of estate assets.

The final Accounting submitted by Kruthers did not approve Van Cam his filing fee of \$281.00 nor his 280.00 for notice of publication. Van Camp objects to not receiving reimbursement for these fees.

Van Camp spent hundreds of working hours on the estate, researched over 10 years of personal income taxes for the decedent and her deceased husband. Van Camp filed proper notices with the County of Fresno so that the property tax would be adjusted according to law. Personal payments on the estate's real property, association fees, and property taxes were made during the entire time Van Camp was administrator. Van Camp published notices of the estate, filed the petition plus status reports to the court and submitted three accountings of the estate. Van Camp noticed all creditors including Medi Cal and the State of California. Van Cam had the real property appraised and filed the inventory and appraisal. Most of the estate had already been completed by Van Camp, except for the selling of the real property and paying the debts.

Kruthers and the Fresno County Public Administrator took over management of the estate in November 2006. During the vast majority of the ten years since the County took over, they did nothing and let the estate fall into waste, disrepair, and substantial loss of market value. There is evidence of mismanagement in this estate by Fresno County. Van Camp asks the court to take judicial notice of the public administrator assigned to this estate throughout the last ten years and their subsequent criminal charges related to their job duties as public administrators.

For these reasons, Van Camp objects to Kruthers failure to distribute to Van Camp any administrator fees. Van Camp objects to Kruthers' request for extraordinary fees in its entirety based upon the negligence of the County of Fresno Public Administrator and also request that Kruthers is not entitled to any attorney fees, or public administrator fees, or at most a very minimal amount.

Kruthers had notice that there was an ongoing claim by Pamela Van Camp who was paying the mortgage and homeowner association dues throughout all the years this case was in probate. The approval of a claim by the Public Administrator and Kruthers for costs paid to the mortgage company are dubious at best since the liquid assets in the estate was limited to \$9.00. Van Camp requests receipts showing proof the Public Administrator made those payments.

Finally, Van Camp objects to Kruthers' Final Accounting which never addressed nor paid the Claim of Lien that Fan Camp filed with the Fresno County Recorder's Office in the amount of \$37,061.12 and recorded on the real property in the estate.

		<b>File 11- Hernandez</b>

The Estate of Theresa Rojas Sanchez, Fresno County Superior Court Case No. 13CEPR00028 settled. An Order for Distribution was signed on 06/10/2016. The Estate of Mary Louise Hernandez was awarded \$1,358.57 as payment for her portion of the statutory compensation for services as former Administrator of the estate. The Estate of Mary Louise Hernandez was awarded \$15,801.42 as beneficiary of the Estate of Theresa Rojas Sanchez. The Estate of Theresa Rojas Sanchez has not yet completed the distribution of funds.

The Administrator received a Notice of Proposed Action from the California Franchise Tax Board ("FTB"), stating the FTB believes the Estate of Mary L. Hernandez has unreported taxable income for 2014 received from Merrill Lynch, Pierce, Fenner & Smith, with a total tax, penalties, interest and fee due of \$342.71. The Administrator believes this is not correct. The Administrator believes the income was received by Mary L. Hernandez in her capacity as Executor of the Estate of Manuel Rojas, Los Angeles County Superior Court Case No. BP 151 861, Central Division, Dpt. 67. The Administrator is working with the FTB to resolve the issue.

The Estate of Manuel Rojas has a distribution receivable from the Estate of Theresa Rojas Sanchez. Accordingly, the Estate of Theresa Rojas Sanchez must be settled and distribute, in part, to the Estate of Manuel Rojas, before the Estate of Manuel Rojas can settle and distribute, in part, to the Estate of Mary Louise Hernandez. In addition, the tax dispute with the Franchise Tax Board must be resolved before the Estate of Mary Louise Hernandez can be closed.

Because the Estate of Theresa Rojas Sanchez must be settled and distributed, in part, to the Estate of Manuel Rojas, which must then be settled and distributed, in part, to this estate, including resolution of the tax issue, Administrator believes it will another 12 months to receive the receivables from the Estate of Theresa Rojas Sanchez, and the Estate of Manuel Rojas Sanchez and to resolve the issues with the FTB. For these reasons, the Administrator requests a 12 month extension to file a petition for final distribution.

**Wherefore, Administrator prays for an Order of this Court that:**

1. Administrator be granted a 12 month extension to file a petition for final distribution.
