

		<b>GENERAL HEARING 9/28/15</b>	<b>NEEDS/PROBLEMS/COMMENTS:</b>
		<b>ANGELINA DOUGLAS and MAX DOUGLAS</b> are Petitioners. Angelina Douglas is the minor's maternal first cousin.	<b>Note:</b> This petition is for guardianship of the person only. The Fresno County Public Guardian was appointed Successor Guardian of the Estate of this minor on 1/13/10.
	Aff.Sub.Wit.		<p>1. Petitioners and the minor reside in Las Vegas, NV. Need clarification and authority re jurisdiction for establishing a guardianship of the <u>person</u> in California.</p> <p><b>Note:</b> Guardianship of the <u>estate only</u> was established in 2008 by Jesus' father, Rudolph Estrada. Mr. Estrada was removed as guardian of the estate and the Public Guardian was appointed as successor guardian of the estate on 1/13/10. The existence of this guardianship estate case in Fresno does not necessarily impart jurisdiction for guardianship of the person to be established here. If the Petitioners and minor intend to continue to reside in Nevada, as is implied by the statement that he needs to be enrolled in school there, then guardianship of the person must be established in that state. See Probate Code §§ 2202, 2352.</p> <p><b>Note:</b> Memorandum of Points and Authorities filed 8/10/15 addresses this issue. See document for details.</p> <p>2. Need proof of <u>personal</u> service of Notice of Hearing with a copy of the petition at least five court days prior to the hearing per Probate Code §2250(e) on the minor Jesus Estrada.</p> <p style="text-align: center;"><b>SEE ADDITIONAL PAGES</b></p>

The Public Guardian was appointed as guardian of the estate of this minor. As both parents have died, it is necessary to have a guardian of the person. Jesus needs to enroll in school in Las Vegas. He also needs to be added to Petitioners' health coverage.

**Declaration of Attorney Re Order to Show Cause filed 8/7/2015 states:**

- On 7/20/2015, he received from the Superior Court an Order to Show Cause why he should not be sanctioned for failure to appear and failure to file the First and Final Account in this matter;
- In March 2015, he began preparation of a Final Report of Administrator with Will Annexed an Petition for Final Distribution;
- at about the same time, he learned from his client that there has been some income received with respect to the real property that was the only asset of the Decedent's estate; she advised him that she had simply taken that income as hers and had declared it on her income tax returns;
- She further informed him that she had done this in accordance with the advice of her income tax preparer;
- He was reasonably confident that his would cause no harm of any kind, that no estate income tax returns need be filed, and that the State of California and the federal government would have received all taxes due them; however, he decided that it would be best that he discuss the matter with her income tax preparer, and he asked his client to request her tax return prepared contact him at his convenience;
- He was not contacted by his client's income tax return prepared; he then spoke to a CPA friend of his, and he assured him that no harm had been done, and that no estate income tax returns need be prepared; unfortunately, he had set his file of the estate aside pending his speaking to his client's income tax preparer, and he lost track of it;
- A First Final Report of Administrator with Will Annexed an Petition for Final Distribution has been filed [on 8/3/2015];
- His client the only heir of the Decedent and the only person interested in the estate;
- Over 8 years have passed since Decedent's death, and his client has not suffered any harm by reason of the delay in filing the Petition for Probate of Will or the Petition for Final Distribution in this matter;
- His client has waived the necessity of an accounting, and has waived the statutory fee in this matter;
- He has waived the statutory fee in this matter; the fee he will ask for services rendered in this matter is less than the statutory fee and will be paid by Joan Gouveia individually and will not be paid from the estate;
- He respectfully requests that the Petition for Final Distribution be heard in due course, and that no sanctions be imposed in this matter.

**Declaration of Cecilia Rodriguez filed 7/2/15 (Cont'd):**

Ms. Rodriguez states prior to her husband's death, he was the main provider for the family and always worked. Ms. Rodriguez worked seasonally in field work only and otherwise cared for Christopher. She was pregnant with Chrystina at the time of her husband's death.

She is currently renting an apartment and resides there with Christopher and Chrystina, both of the children from her marriage with her deceased husband. This is in the best interests of Christopher and Chrystina.

This year, she worked a total of 48 hours a week for one month at Sunstall, a solar company. She obtained this position through a temp staffing agency. On Monday 4/27/15, she will start a job at a winery in quality control, where she will earn \$11/hour. She will be employed approx. 3 months, but is hopeful it will transpire into something long term to support herself and her children.

When working, the children are at a daycare, which takes and picks up Christopher from school and watches him before and after school. Chrystina stays there all day. The daycare charges \$30/day for both children.

Ms. Rodriguez states she currently receives transitional food stamps to help feed the children, which will end in August 2015. She is borrowing a vehicle from her cousin to provide transportation to school, doctor, grocery store for the benefit of the children. She pays gas, insurance, car payment. The most recent bank account statement shows cash on hand as of 12/31/14 of \$30,132.54.

Ms. Rodriguez respectfully prays for an order for authorization as guardian of the estate of Christopher Rodriguez to withdraw \$1,000/month without further court order to be expended for the comfortable and suitable support and/or maintenance and/or education of Christopher Rodriguez, including but not limited to rent, food, household supplies, utilities and phone, clothing and transportation, until further order of this court, or as the court may deem proper.

**Supplemental Declaration of Cecilia Rodriguez** filed 07/21/15 lists the college classes she has taken and states that she is currently pursuing a Certificate of Achievement in Office Technology-Medical Administrative Assistant at Reedley College. She has already completed 2 classes and plans to complete the required courses in Spring 2016. The cost is \$46/unit per semester, plus insurance fees of \$19/semester, plus books. She has completed the FAFSA (Fee Application for Federal Student Aid) and she may be eligible for student aid. She states that the \$1,000/month is needed for the next 12 months to allow her to meet the financial obligations of raising two children on her own while she attends school.

**Declaration of Victoria R. Bernhardt Regarding Petition for Distribution** filed 07/23/15 states: The current balance in the blocked account is \$27,133.91. Account activity printout and statement attached.

**Conservators' Objection to Attorney's Fees Sought by Previous Attorney (Con't):**

The Co-Conservators spent minimal time with Mr. Marshall and his staff, having only had a few phone calls and no office visits. The Conservatee resides with co-conservator Cynthia Thomas and she provides the conservatee with a safe and caring environment. She pays all of conservatee's obligations and deposits all of conservatee's monthly checks to ensure the conservatee of a comfortable present and future. Any unreasonable expenditures can diminish an estate and place the conservatee in dire circumstances. The requested attorney's fees would jeopardize the conservatee's future needs.

Some examples of unreasonable attorney's fees include 3 hours to prepare the temporary conservatorship petition (totaling \$688.00); 3 hours to prepare the permanent conservatorship petition (totaling \$645.00); and an office conference with staff on 01/15/14 with fees of \$365.00.

**Response to Co-Conservator's Objection to Petition for Attorney's Fees and Costs for all services rendered** filed 08/05/15 states: The conservators paint the proceedings as simple and uncontested, however, while it's true that no formal, written objections were filed, the case required for more time and attention than a typical "uncontested" conservatorship matter because the conservatee's third daughter, Julia Coyle, was residing with conservatee and misappropriating her funds at a rapid rate. Julia did not file a formal objection, but did file a declaration in response and continued to misappropriate assets during the pendency of the proceedings. Additional time was spent assisting the co-conservators in dealing with Julia's continuing conduct and attempting to thwart further attempts by Julia to loot the estate and assisting co-conservators recover assets previously misappropriated.

In addition, a Petition for Instructions regarding a deed in lieu of foreclosure of the conservatee's residence was necessary and Petitioner communicated with and reviewed correspondence from the lender and loan services in connection with the transaction.

Petitioner has not received a copy of the First Account despite having filed a Request for Special Notice. Petitioner and at least one other attorney have reviewed the fees billed to ensure the amounts are reasonable in light of the work performed, the information available to the firm regarding the size of the conservatorship estate, and the firm's customary fees and billing practices. Fees have been reduced and written off where appropriate.

Co-Conservator's misrepresent the tasks performed in connection with the fees requested. Specifically, Co-Conservators mention 3 hours of time spent on preparation of the temporary conservatorship petition (\$688.00 billed on 12/31/13 for 3.2 hours of attorney time), however the billing records actually show that the time was for 1) preparing for attendance at the hearing on the temporary petition (at which Julia was expected to appear and possibly object), 2) attendance at the hearing, 3) discussing the status of the conservatorship estate with the co-conservators, and 4) discussing and analyzing potential methods for recovering conservatee's vehicle and protecting conservatee's bank accounts. The other specifically pointed out examples are similarly over simplified.

The objection does not contain a prayer for relief and does not request that the Court take any specific action upon consideration of the petition and objection thereto.

A \$60.00 error was discovered and should not be charged to the conservatorship estate, reducing the amount requested to \$18,276.02.
