Need waivers.</li> <li>2. Need clarification: Petitioner refers to Assignments of Rights by certain unspecified beneficiaries at #30; however, no assignments are provided and the proposed distribution does not appear to indicate any assignment.</li> <li>3. Decedent's holographic will directs the house be sold and proceeds divided among her four children. It then states that she wants \$5,000 to go to each of her listed grandchildren (8 total). <i>The original petition</i> at #8 listed two additional minor grandchildren that appear to have been born after the will was written. <i>This petition</i> at #28 states the <i>intestate</i> heirs are listed, which infers that the list would include the two additional minor grandchildren; however, they are not included. <i>This petition</i> then requests distribution of the house in undivided interests, and division of the remaining cash among only the grandchildren listed in the will (all adults). The Court may require clarification as to omission of the two minor grandchildren.</li> <li>4.
