Aff.Sub.Wit.	Inventory & Appraisal Final filed 07/12/2013 - \$19,813.34	
Verified	Minute Order of 02/13/2013 set this matter for hearing.	
Inventory	Former Status Report filed 03/10/2014 Petitioner and Robert Hanggi, through their respective attorneys, have been in negotiations to settle the estate. As of the date of this Status Report no agreement has been made. The last offer to settle was made by Petitioner's attorneys on 12/12/2013. Mr. Pape has advised that Robert Hanggi recently had surgery and was unavailable to review the settlement proposal. Petitioner intends to file a Petition under Probate Code §850, and have the court determine the separate property and the community property interest that the Decedent owned at the time of death. Once these issues are resolved petitioner will prepare and file a Petition for Final Distribution of the Estate.	
PTC	Report of Status of Administration filed 08/18/2014 states Petitioner filed an 850 Petition seeking to have the tentative property settlement that decedent and her husband, Robert H. Hanggi, had negotiated before the death of the decedent confirmed. Petitioner has been in negotiations with counsel for Robert H. Hanggi on resolution of this matter. Robert H. Hanggi has filed a Petition for a Probate Homestead over the interest the decedent owned in the real property. The hearing on the 850 Petition and the Petition for a Probate Homestead has been continued to 10/02/2014. Petitioner believes there is a reasonable probability that the matters will be resolved at that time. Petitioner is informed and believes and thereon alleges that the estate may be in a position to close by the end of 2014. The major issue to be resolved is the amount the decedent's estate will receive from Robert Hanggi, for decedent's interest in the residence and reimbursement of the funds for the cattle which he deposited into his own account and the termination of the length of his Probate Homestead.
