| Notice of Hrg | Petitioner states: that the current guardians have prevented the paternal family from having contact with Irene. Petitioner states that she is concerned for Irene's well-being and stability while in the care of the guardians as they both have criminal history and drug and alcohol abuse is suspected. Because the guardians have isolated Irene, the rest of her family are prevented from seeing how she is doing and the type of environment and behaviors she is being exposed to. Irene's father is scheduled to be released from Chino prison at the end of July. Petitioner states that she is willing to maintain guardianship as long as necessary to ensure appropriate and safe contact between Irene and her parents. Petitioner further states that she does not know where the guardians and Irene are currently living and believes they may have moved to Stockton. | |

Declaration of Keith Huggins, paternal uncle, filed 07/18/12 states that he does not believe that the Co-Guardians are in Irene's best interest. He reiterates that the Co-Guardians have past criminal and CPS history and have been isolating Irene from contact with the rest of her family. Mr. Huggin also alleges that Jacob Gosselin sells Marijuana. He further states that Petitioner Joyce Betz has virtually raised Irene since birth and has been the most stable and constant parental figure in her life. He feels that Joyce Betz is the most appropriate guardian for Irene.

Court Investigator Charlotte Bien's report filed 08/23/2012.

| | Petitioner states she has her own apartment – a very nice two bedroom in a good area. She has a very good job working for the public authorities and is in the health care union. She attends church at Harmony Free and will take her son with her. Jerry Dyer also attends church there. Her son stays nights with her often and she takes him to school and picks him up. He tells her he wants to be with her and she can't wait for the day he returns home for good. Mother states she has had her own apartment since December 2011. The guardian promised that she would return Jason before second grade began, but second grade is now over. It hurts her to see her son being hurt by the situation. Petitioner asks the court to please end the guardianship so that she and her son can be complete and settled together in one stable home. | |

The mother's recent poor judgment heightens the need to remove them from the situation in order to keep them from harm and undue stress. The lack of suitable living conditions and employment of the father provides little stability nor transportation needs for the girls getting to school, practices, etc. Petitioners live three blocks from their school, a bedroom to house them, and both have vehicles and valid driver licenses.
