		Petitioner requests to have custody of his son and to have his case reviewed. Petitioner sees no reason for his son to be with his grandmother when he is fully capable and willing to be fully responsible for his son. Petitioner doesn't feel the visitation that he is allowed is sufficient to fully bond with his son, especially now that he will be having a sibling. Petitioner believes it is in his son's best interest to be closer to his little brother and father than the 2 hours a week that is currently allowed (sometimes less because the grandmother arrives late).	
		Petitioner believes his son needs a father figure and he and his wife are able to provide a stable house for his son. Petitioner states there is no need for his son to continue living with his grandmother when he has a loving father who wants to be a part of his life.	
		Court Investigator Jennifer Young filed a report on 7-26-13 and 9-3-13.
