DOD: July 27, 1997		FRANK J. VOLPA , Executor, is petitioner.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <ol style="list-style-type: none"> Petition was not verified. Probate Code §1021. First Amended Petition for Final Distribution filed on 9/18/2007 stated that federal and California estate taxes had been filed and that no federal or California estate tax was due because of the charitable gifts. The Petition also stated that the personal and fiduciary tax returns had been filed and 1997 through 2006. The returns for 2007 were not due yet. No income taxes will be due on the final return. Petition is not clear on the unforeseen tax issues considering the petition alleged all taxed were paid and no taxes were due. In addition the Order on Final Distribution included a closing reserve of \$3,000.00. The court may require more information regarding the tax issues. Court may require receipts for what has been distributed to the charities pursuant to the order and a breakdown of those assets in the order that have not been distributed and therefore should still be in the possession of the executor.
		Petitioner states he was originally represented by Ruth E. Ratzlaff.	
Cont. from		Petitioner states he is in doubt about the course of action to be taken regarding the distribution of the estate because while the order for distribution was entered on October 9, 2007, Petitioner has only distributed a portion of the assets.

Petitioner has also distributed the Series EE Bonds that were to be distributed to those organizations.	
<input type="checkbox"/>	Aff. File 1 – Hanson			

Attorneys at Wild, Carter and Tipton have already spent at least 5 hours in review and analysis of the file, meetings with the attorney and communications with the financial institutions. Wild, Carter and Tipton would like assurances that they will be compensated from the estate for their efforts.

Accordingly Petitioner is requesting an instruction from the Court that it is appropriate to engage the services of Wild, Carter and Tipton to resolve the issues, to obtain a revised order of distribution (if necessary) and that on petition to this court, Wild, Carter and Tipton will be entitled to reasonable compensation from the estate as extraordinary compensation. Petitioner is also requesting an instruction that he may engage the services of a CPS, if necessary, for assistance with tax and accounting issues, as required, and that any associated fees will be compensable from the estate as an expense of administration. Petitioner is also requesting an instruction that his efforts to resolve the issues will be compensable as extraordinary compensation from the estate.

Petitioner prays that:

1. This court authorize and instruct Petitioner that efforts of Wild, Carter and Tipton will be compensable as extraordinary effort on behalf of the estate;
2. This court authorize and instruct Petitioner that the efforts of the services of a CA, if required, will be compensable from the estate as an expense of administration.
3. This court authorize and instruct Petitioner that his efforts will be compensable as extraordinary efforts on behalf of the estate on petition to the court.

NEEDS/PROBLEMS/COMMENTS (cont.):

4. Since there was an order for distribution it is unclear why now 6 years later the estate should be liable for the attorney, accountant fees and additional compensation to the personal Representative. It appears that if the personal representative was having unforeseen issues he should have timely notified the court. Probate Code § 11605 and § 11705 states when the court order becomes final it binds and is conclusive as to the rights of all interested persons. Probate Code § 11750 states the personal representative is responsible for distribution of the property in the estate in compliance with the terms of the order for distribution. The judgment becomes final 60 days after entry of the order or 180 days after entry of the judgment. (CCP 1908(a)(1) and California Rules of Court, Rule 8.104.) It appears that the court cannot revise the distribution order once it has become final.

NEEDS/PROBLEMS/COMMENTS (cont.):

5. It appears that the petitioner should be ordered to pay the charities what they were ordered in the final distribution order made in October 2007 and should be personally liable for any tax issues, attorney fees or losses to the charities for not distributing the assets when ordered by the court. Probate Code §9601 (a) states if a personal representative breaches a fiduciary duty, the personal representative is chargeable with any of the following that is appropriate under the circumstances: (1) Any loss or depreciation in value of the decedent's estate resulting from the breach of duty, with interest. (2) Any profit that would have accrued to the decedent's estate if the loss of profit is a result of the breach of duty.

Beneficiaries Kimberly J. Rendino, Nick M. Rendino, Jr., and Gregg D. Rendino filed Objections on 8-16-13. See additional pages.

Objectors state they are the beneficiaries currently entitled to distribution and have standing to object. Objectors object to the allegation that Nick M. Rendino, Jr., may owe the trust \$9,000.00. Nick M. Rendino, Jr., was not indebted to the settlor at the time of his death.

Objectors state that during the account period, Petitioner paid \$3,188.71 to Super Dons Chuljian as shown in the account on 11-13-12 for "parts and labor on 1960 Chevrolet Impala." Objectors object to this disbursement on the basis of lack of information as to the parts supplied and labor provided. Further, the value of the automobile did not increase after the repairs were effected per Schedule H.

Objectors object to the disbursement of \$4,535.25 to Petitioner's former attorneys Wright & Wright on the basis of lack of information as to the services rendered.

Objectors object to the proposed payment of \$5,280.00 to Petitioner in trustee fees and allege that this reflects an excessive rate of pay for a lay trustee; that she resigned her position in the middle of negotiations for the sale of the primary asset of the trust, causing confusion and additional or duplicative expense to the trust in the installation of a new trustee to complete the sale, and that, at present, Objectors are unable to evaluate the actual benefit obtained from the services of the former trustee in view of the fact that the administration of the trust is not yet concluded.

Objectors request the petition be denied.

On 2/5/2013, Petitioner's attorney sent a letter to John Welsh requesting he provide an accounting as required by Probate Code §16063.

On 2/20/2013, Petitioner's attorney sent an additional letter to John Welsh requesting that he provide an accounting.

After representing that he would provide an accounting, John Welsh has failed and refused to provide an accounting, and no accounting has ever been provided to Petitioners.

Petitioners believe that pursuant to Probate Code §15642 John Welsh's refusal to provide an accounting to Petitioners is a breach of the Trust. Furthermore, John Welsh's conduct demonstrates recalcitrance with regards to dealing with Petitioners, and renders John Welsh unfit to act as Trustee.

John Welsh while wrongfully acting as Trustee, and controlling the Trust, failed to comply with the terms of the Trust to distribute equal shares of the Trust estate to Petitioners.

Petitioners allege that John Welsh has failed to distribute to them their rightful shares of the Trust estate. Such failure constitutes a wrongful act made in bad faith to deprive the proper beneficiaries of the property in the Trust estate. As such John Welsh should be compelled to provide an accounting of the Trust estate at the time of Charlotte's death, and should be compelled to pay double damages as a consequence of such a wrongful appropriation of the Trust estate.

A Constructive Trust should be imposed on the real property of John Welsh located at 46910 Dunlap Road, Miramonte, California 93641 under Civil Code §2224. Petitioners allege that John Welsh has used a portion of the Trust estate to maintain, repair, improve or otherwise benefit the Miramonte property sufficient to support a constructive trust being imposed on the Miramonte property for the benefit of Petitioners.

A Constructive Trust should also be imposed on Bank of America Account no. 23416-31370 and Wells Fargo Bank Account no. 10110221047174 that have been used by John Welsh in the handling of the Trust Estate. Petitioners believe John Welsh has used those accounts for his personal benefit sufficient to support a constructive trust being imposed on them for the benefit of Petitioners.

Previous paragraphs allege wrongful acts which are a breach of the Trust, a mistake, accident, or outright fraud. Because John Welsh has deprived Petitioners of their rightful distributions and property, John Welsh should be deemed to be holding said property as Constructive Trustee for Petitioners.

John Walsh's acts of depriving Petitioners of their rightful property and withholding all authorized distributions constitutes the tort of conversion.

John Welsh must pay double damages for the wrongful appropriation of Trust assets in clear violation of the Trust.

Pursuant to Civil Code §3294, an award of punitive damages against John Welsh should be awarded to Petitioners as a result of John Welsh's acts of fraud, oppression, or malice arising out of his breach of fiduciary duty as acting as Trustee and as a result of the fraudulent concealment and conversion of Trust assets.

Please see additional page

Wherefore, Petitioners pray for an Order of this Court:

1. Compelling John Welsh to render an account for the Trustee since the date of Charlotte V. Bartimore's death on 2/1/2011 through the present;
2. Removing John Welsh as successor Trustee of the Trust, or in the alternative, suspending his powers as Trustee and delivering the Trust estate to the Successor Trustee Dale R. Welsh, pending the filing of said account with this Court;
3. Compelling the distribution of Petitioners' share of the Trust estate as allocated to them under the Trust;
4. Surcharging John Welsh at the legal rate for improper payments made out of the Trust assets and for the lost value of the Trust as a consequence of their failure to make the Trust productive for beneficiaries;
5. Imposing a Constructive Trust over the wrongfully held assets by John Welsh, including but not limited to, the real property located at 46910 Dunlap Road, Miramonte, California 93641, in an amount determined at trial;
6. For double damages pursuant to Probate Code §859 in an amount to be determined at trial;
7. For punitive damages against John Welsh, in an amount determined at trial; and
8. For such other and further Orders and relief as the Court deems just and proper.

Successor Trustee's Opposition to Petitioner's Amended Petition to Compel Accounting, Suspend and Remove John M. Welsh as Trustee and Answer to Allegations of Constructive Trust filed by Trustee, John Welsh on 8/26/2013. Trustee John Welsh states filed concurrently is an accounting from February 1, 2011, the date of death of Settlor, Charlotte V. Bartimore, through July 31, 2013.

John Welsh, Successor Trustee, Respondent objects to removal of him as Trustee, as his actions of a late accounting do not rise to the level of a breach of fiduciary duty. Respondent states he provided an initial accounting to the beneficiaries on or about March 15, 2011. The next accounting would have been due after February 1, 2012. John Welsh states he has had several personal crisis situations occur during this period and was unable to provide the accounting due to circumstances out of his control. Both of his eldest children were hospitalized on different occasions with severe injuries and he also has a child with developmental disabilities who resides with him on a full time basis.

John Welsh states he made some distributions, however, due to the uncertainty surrounding the "Mariner Note", which is a not an deed of trust held against the property, payable to the Trust, which is undervalued at this time, John Welsh, Trustee has not terminated the Trust and made full distribution. John Welsh contends that funds may be necessary should it become necessary to foreclose on the note. Should foreclosure become necessary, to would require John Welsh, Trustee, to assume a large first trust deed, which is ahead of the note payable to the Trust and would require the Trust to assume those payments until the property could be sold. Presently the property is valued at \$725,000.00. The First Trust Deed Note is in the amount of \$820,000.00

Successor Trustee's Opposition to Petitioner's Amended Petition to Compel Accounting, Suspend and Remove John M. Welsh as Trustee and Answer to Allegations of Constructive Trust filed by Trustee, John Welsh on 8/26/2013

(Cont.): John Welsh, Trustee, objects to Petitioner's request to remove him, based on the terms of the Trust, which states any successor Trustee "must be a trust company or bank qualified to do a trust business." No such designation has occurred. If the Court should consider Petitioner's request, which John Welsh, Trustee, does not consent, then the Court only has the power to appoint a trust company or bank qualified to do a trust business. The Court has no authority pursuant to the terms of the trust, to appoint the Alternate Successor Trustee, Dale M. Welsh.

John Welsh, Trustee, contends it is within his discretion to make distributions to administer the terms of the Trust. Because the issue regarding the "Mariner Note", further distribution should not be made at the present time until it is determined the course of action necessary regarding the note held by the Trust. The borrower has only recently finalized his transaction with the First Deed holder and the Successor Trustee was waiting for an appraisal of the property before entering into any final negotiations.

Wherefore, John M. Welsh, Successor Trustee prays:

1. That Petitioner's request to remove Successor Trustee, John Welsh, be denied;
2. That Petitioner take nothing by way of this Amended Petition;
3. For costs of suit and any other relief as may be just and appropriate.

Probate Status Hearing Re: Inventory and Appraisal and First Accounting

Age: 99	<p>MONTIE DAY, son, was appointed Conservator of the Person and Estate on 05/23/13.</p> <p>Inventory & Appraisal, Final filed 08/26/13 - \$2,000.00</p> <p>Status Report filed 09/16/13 states: the remaining assets of the conservatee are located within her residence in Clovis. Conservatee's son, Darrell Day, is currently residing in the conservatee's home and has refused to allow the conservator into the home to inventory any property belonging to the conservatee that may be inside, therefore, Conservator filed an Inventory & Appraisal on 08/26/13 indicating the conservatee's assets to the best of his knowledge. All financial documents (insurance policies, etc.) which may show additional financial assets of Ms. Day are unavailable to the conservator because they are also located inside the residence and are being withheld by Darrell Day. At this point in time, due to the costs of seeking further court orders, no action by the Court is requested.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>1. The assets inventoried on the Inventory & Appraisal filed 08/26/13 were "appraised" by the conservator; however the assets are of such a nature that they are to be appraised by the Probate Referee. Need amended/revised Final Inventory & Appraisal with assets appraised by the probate referee. (Probate Code § 8902).</p> <p>Note: The Status Report filed 09/16/13 addresses some issues with the Public Guardian's accounting while it was temporary trustee of the Trust and alleges that there are unaccounted for assets totaling approximately \$20,000.00. However, these issues relate to the Trust matter and should therefore be addressed in that case rather than in this conservatorship matter.</p>
