Status Hearing Re: Accounting from Mr. Aguirre

Age: 63	PUBLIC GUARDIAN is Conservator of the Person and Estate.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p><u>Minute Order 9-4-13 (Judge Cardoz):</u> No appearances. The Court orders Kim Aguirre and Heather Kruthers to be personally present on 10/09/13. The Court directs that a copy of the minute order be sent to both counsels. Continued to 10/9/13.</p> <p><u>Examiner Notes previously noted:</u></p> <p>1. On 7-31-12, the Court authorized payment of \$7,000.00 to L. Kim Aguirre, attorney for the Conservatee, for use in securing appropriate housing and transportation and ordered the funds placed in an appropriate account to be used for that limited purpose. On 11-8-12, an ex parte petition was filed that stated the Conservatee found an apartment and was required to pay "several thousand dollars" for first and last months' rent and deposit, and additional funds were needed. The Court authorized an additional \$2,000.00 on 11-9-12.</p> <p>Petitioner's disbursements schedule reflects the funds paid to Mr. Aguirre, but does not provide a breakdown of how those funds were used. Further, the disbursements schedule includes housing and transportation costs during this time frame that appear to have been arranged and paid for by the Public Guardian as Conservator, outside of the \$9,000.00 paid to Mr. Aguirre. See also the extensive itemization of time spent by the Conservator on these matters.</p> <p>Need clarification regarding the \$9,000.00 paid to Mr. Aguirre.</p> <p style="text-align: center;"><u>See Page 2</u></p> <p>Reviewed by: skc</p> <p>Reviewed on: 10-2-13</p> <p>Updates:</p> <p>Recommendation:</p> <p>File 6 – Lee</p>

1. The Court may require clarification as to the \$1,036.00 for Billing for Services provided by Laura dePfyffer, who is Mr. Aguirre's assistant.

Examiner Notes that attorneys' secretarial services are considered costs of doing business and not reimbursable per local rules. Here, all line items appear to be office telephone conversations with the client. Were the funds allotted for Mr. Lee's used to pay the attorney's assistant an hourly rate on top of her salary, or in lieu of, or in addition to? Attorney fees are subject to applicable petition and notice requirements according to the Probate Code and Cal. Rules of Court, but these services appear to fall under our local rule re cost of doing business.

2. The Court may require clarification as to who Diana Martinez is, and her qualifications to provide moving services.

The loan was for \$79,900.00. He was allowed more time to see what probate was going to do. There are also back taxes of approx. \$9,000, plus interest, and a debt of \$299.20 owed to Asset Acceptance. He is awaiting a call to arrange payments. The bill of the probate referee is paid. The Administrator states he and the county are awaiting final distribution of the estate to make the needed changes and be able to transfer the loan and pay off all debts. There is another meeting with the county to update them on 9-11-13. If final distribution is granted before then, we can move on to the next step of taking over the loan. Lupe Duran, Mother, filed an Objection on 8-20-13. Mother objects on the basis of insufficient and inaccurate facts given by Petitioners. Mother states she had been living with her parents for 7 months prior to this incident because she needed help to maintain her employment and save for another house in an affordable price range. Arguments arose due to her work schedule. Both she and her mother work late night hours and the children were left in the care of her father, Petitioner Robert Duran. However, he suffers from sleep apnea and was unable to care for the kids. They would be up by themselves because he would fall asleep. Mother states she had to stop working because her 8-year-old son was left to care for his little sister and she could not let that happen. During their tenancy with her parents, she has been attacked by her mother on more than one occasion while children present. She was called a "bitch" and they were kicked out several times. It became a nuisance to stay with Petitioners as they accused her of being on drugs. Mother states she had a new baby in May 2013 and was given pain medication from the C-section delivery. She has never misused the medication or neglected her children. She loves them very much and her only intentions were to get away from two abusive relationships: 1) the father of the baby, and 2) her mother, Petitioner Martha Duran.

Mother states she fears that leaving the kids with her parents they will be subjected to false information regarding her situation. Mother states Richard gets stomach pains from nervousness and the two girls are used to her care. She is worried that they feel confused and abandoned. Mother states she has made every attempt to find shelter, gain help from Marjaree Mason Center, counseling, and has obtained a part time job. She will continue to follow on a path of faith, counseling, and parenting.

Mother provides letters in support from a friend, a case manager at New Outlook Family Transitional Housing, and a statement indicating assistance of homeless assistance from Fresno County.

Petitioner Martha Duran filed a declaration on 8-20-13 that states it is brought to their attention that the mother is currently residing with a family friend, Christina Castillio. Petitioner states Ms. Castillio lives in a 2 bedroom home with multiple families and has a child with special needs. The mother previously attempted to defraud welfare and taxes by saying that she cared for that child. Petitioner states they are bringing this information because they believe the mother and Ms. Castillio will be once again trying to use the same information to assure she is being productive and getting her life straight. Petitioners are aware that the mother is still using narcotics and will try to remove the children to this residence.

Petitioner states all three of the children have resided with Petitioners since birth. They are concerned that Richard will not go to school and that Emilie will not receive dental care if they are with the mother. The baby has not had any vaccinations. They are scheduled for 8/22. Without treatment for her addiction, the children will not be cared for or given the basic necessities. Their main concern is the well-being of the children.

Court Investigator Jennifer Daniel filed a report on 10/02/13.
