Petition for Assumption of Law Practice of David J. St. Louis [Prob. C. 2468]

DOD: 10-7-12		JOAN ST. LOUIS , Spouse, is Petitioner.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <ol style="list-style-type: none"> Petitioner brings this petition under an incorrect code section. Probate Code §2468 is for assumption of practice when the attorney is under conservatorship. The appropriate section for assumption of a deceased attorney's practice is §9764. Need proof of service of Notice of Hearing with a copy of the Petition at least 15 days prior to the hearing pursuant to Request for Special Notice filed 9-30-13 and Probate Code §1252 on Attorney J. Patrick Sullivan. Petitioner describes Mr. St. Louis' close personal relationship with Attorney <u>Timothy Magill</u>, with whom all clients were either jointly represented or have signed substitutions, and who absorbed most of his cases; however, then requests that the Court appoint <u>Attorney Paul Chambers</u> as the practice administrator. <p>Attorney Timothy Magill was not served with notice of this hearing. The Court may require clarification regarding the request and notice to Mr. Magill.</p> <ol style="list-style-type: none"> Need consent of Attorney Chambers to serve as practice administrator. Petitioner states Attorney Chambers will serve without compensation. B&P Code §6180.12 states the appointed attorney shall serve without compensation, <u>but may be entitled to extraordinary compensation and reimbursement of costs</u>. The Court may require clarification and/or a waiver from Mr. Chambers if he is also waiving extraordinary compensation and reimbursement of costs. <p style="text-align: center;">SEE ADDITIONAL PAGES</p>
		Petitioner states she is the sole beneficiary of the estate and personal representative as set forth in Business and Professions Code §6180.2, and is an interested person pursuant to this section. Preceding his death, Mr. St. Louis had a close professional relationship with attorney Timothy Magill who was familiar with and able to notify Mr. St. Louis' clients of his passing and absorb all or substantially all of Mr. St. Louis' active cases. Petitioner cites authority and requests the court assume jurisdiction over the law practice of David J St. Louis for any purpose that the court deems fit, but for the particular purpose of disbursing to clients the client funds being held in the attorney-client trust account. Petitioner requests that Paul Chambers be appointed to represent and assist the court in assuming jurisdiction over this law practice, and order that Mr. Chambers shall have signature powers on the attorney-client trust account and the estate account of John K. Shirin. Mr. Chambers will serve without compensation.

Petitioner further requests that Paul Chambers be allowed to appoint himself as receiver and take possession and control of any and all bank accounts relating to David J St. Louis' law practice, including but not limited to general or office accounts, and the client's trust account.

- a. As receiver, Petitioner asks the court order that Paul Chambers coordinate with Allison St. Louis, the former legal secretary of David J St. Louis, to determine the clients who are entitled to funds held in the attorney-client trust account and the amounts each is owed;
- b. Petitioner further requests that after determining the recipients and the amounts owed to each client, that Mr. Chambers be allowed to issue checks to the recipients without further court order;
- c. Petitioner requests that Mr. Chambers be allowed to issue checks from the John K. Shirin Estate to those recipients entitled thereto without further court order;
- d. That upon completion of this task, Paul Chambers provide an accounting to the court of all amounts disbursed to each recipient.

Petitioner further requests that, as appropriate, Mr. Chambers shall inform the court of any other action taken as the court's representative.

Non-Opposition to Petition for Assumption of Law Practice of David J St. Louis was filed 9-30-13 by the State Bar of California Office of the Chief Trial Counsel.

Limited Opposition to Petition for Assumption of Law Practice of David J St. Louis was filed 10-9-13 by Bianca Soria.

Ms. Soria states she was a client of Mr. St. Louis. Pursuant to the terms of a settlement agreement reached on or about 7-28-09, the United States of America wired the sum of \$65,000 to the David J. St. Louis, Inc., Client's Trust Account at Bank of the West. Pursuant to the terms of the agreement, the Law Offices of David J. St. Louis, Inc. was obligated to distribute the Settlement Proceeds to Bianca Soria. To date, the funds have not been disbursed. The instant petition represents that the attorney-client trust account contains the sum of \$54,502.09.

Ms. Soria does not oppose the appointment of Mr. Chambers in winding up the practice; however, given that she has waited over four years to receive the settlement proceeds, she respectfully request that as a condition to granting the petition, the Court direct Mr. Chambers to distribute the sums in the Attorney-Client Trust Account to Bianca Soria within ten days of entry of an order. Alternatively, Ms. Soria requests that Mr. Chambers be required to post an appropriate bond to protect her and any other interested person.

NEEDS/PROBLEMS/COMMENTS (Continued):

6. Petitioner requests that Mr. Chambers have authority to disburse files and checks to recipients, including checks from the Shirin account, without further court order. The Court may require a revised order with qualifying language to the effect that further court order in this proceeding is not required; however, such disbursements shall be in accordance with applicable law and orders in the respective proceedings.

Note: For example, Petitioner describes that Mr. St. Louis had an outstanding receivable of \$1,012.45 in connection with the Shirin account, but does not state whether that amount has been authorized by the Court to be paid, or if the request to disburse funds without further Court order includes that amount. However, it is unclear why the amount alleged due would be specifically mentioned herein if it was not part of the request. Need clarification.

Also, Ms. Soria alleges that a sum exceeding the amount alleged in the trust account is owed to her, and that the Court should order that it be paid forthwith. However, it is unclear from the documentation provided whether the settlement agreement in that case became a court order, or even that the funds alleged were paid to Attorney St. Louis.

7. Need bond of at least \$71,223.44 pursuant to Probate Code §9764(d), based on the estimated amount in the accounts and cost of recovery.

Note: The Limited Opposition filed by Ms. Soria indicates the amount of the funds held in the attorney-client trust account may be higher. The Court may require clarification regarding the balance of the accounts for bond purposes.

Note: The Court will set status hearings as follows:

- Friday 12-6-13 for filing of bond
- Friday 3-6-15 for filing of accounting of the Practice Administrator

8. Concerns with the proposed trust include, but are not limited to, the following:
- a. Section 3 of the Trust allows the trustee to pay or apply for the benefit of the beneficiary, such amounts from the principal or income, up to the how of each in the trustee's sole discretion for the beneficiaries special needs. Items or services include: incidental spending money, travel expenses, auto expenses, food, utilities, animal care, personal items, such as radios and televisions, educational expenses and supplies, and health care services and supplies supplemental to those that the beneficiary is entitled to receive under government assistance programs. It has been the policy of the court not to grant blanket authority without court oversight. Generally living expenses, such as food and utilities are not allowable expenses under a special needs trust. In addition, the trust does not state how the items/services listed specifically relate to the beneficiaries special needs.
 - b. Section 10 of the Trust allows the trustee to use trust funds for the purchase of a home for the beneficiary. The purchase of a home should be subject to the approval of the court.
 - c. Section 14 of the Trust allows the Trustee to terminate the Trust and distribute the assets, if in their sole discretion they determine it is appropriate. The Trust should only be allowed to be terminated and distributed upon order of the Court.
 - d. Section 15 also deals with termination of the Trust and should not be included in the terms of the Trust. The Trust should only be allowed to be terminated and distributed upon order of the Court.

		File 11 – Filgas

Lois Gray is currently residing at Cottonwood Retirement facility. The Settlor recently suffered from a stroke and is now diagnosed with dementia. The cost of living at Cottonwood is approximately \$4,720 each month with additional medical incidental costs of \$1,250.00.

Petitioner contends that pursuant to Section 2.A.(1) the Co-Agents are capable of taking any action necessary regarding the Settlor's real and personal property. This would include the Settlor's mobile home she is no longer residing in and will not be able to reside in at any future date. To keep the vacant mobile home costs the Settlor approximately \$700.00 per month for rental of the land within a complex and insurance.

Petitioner stated she has requested of the Co-Agent, Ronald Gray, on several occasions to agree to sell the mobile home owned by the Settlor to allow for additional funds to be provided to the assisted living facility. Ronald Gray refuses to participate in the sale unless the funds are provided to a joint trust account. A trust account is not necessary as the proceeds of the sale can be directly provided to Cottonwood for the monthly expenses.

Petitioner requested the Court enter an order that:

1. Lois Gray established the Lois Gray Durable Power of Attorney, on or about April 8, 2009;
2. The Co-Agents named by the Settlor are Eileen Sutterfield and Ronald Gray;
3. Co-Agent Ronald Gray be ordered to participate in the facilitation of the sale of the mobile home owned by the Settlor;
4. For all other relief as the Court deems proper under the circumstances.

Status Report of Leigh W. Burnside filed on 10/9/13 states on 9/25/13 the parties to this proceeding Ronald Gray ("Ronald") and Eileen Sutterfield ("Eileen"), and their respective attorneys participated in a further settlement conference with the Honorable Robert H. Oliver. Also present at the commencement of the settlement conference was Catherine Sharbaugh, attorney for Lois Gray.

The proceeding arose out of a dispute between Ronald and Eileen over the management of their mother's financial and personal affairs. Both Ronald and Eileen are nominated and acting co-agents under a durable power of attorney executed by their mother, Lois Gray, in April 2009, and are the successor co-trustees of a revocable trust established by Mrs. Gray in April 2009. Ronald and Eileen are also co-agents under an Advanced Health Care Directive signed by Mrs. Gray.

The parties were able to resolve their differences at the settlement conference, and the terms of the settlement were recited in open court and verbally assented to by Ronald and Eileen.

The day following the settlement conference, counsel for the parties spoke (in independent conversations) with the proposed successor trustee, Rick Leas of Central Valley Professional Fiduciary Services, who is based in Fresno. Mr. Leas has agreed to serve as sole successor trustee of Mrs. Gray's Trust, and to Ms. Burnside's knowledge, both Ronald and Eileen agree to resign as co-trustees in favor of Mr. Leas.

Since then, Eileen's attorney, Natalie Nuttall, and Ms. Burnside have been working on a formal written stipulation that sets forth the terms of the parties' settlement. Ms. Burnside believes that they are close to finishing the stipulation.
