Status Hearing Re: Accounting

		PUBLIC GUARDIAN was appointed conservator of the person and estate on 2/14/1986.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>OFF CALENDAR. Order on 13th account was signed on 9/5/13.</p>
		The Public Guardian's 12 th Account for the account period ending 6/30/2011 was approved on 8/24/2011.	
		Minute Order dated 8/24/2011 set this status hearing for the filing of the 13 th account.	
		Status Report filed on 10/9/12 states it has been the Court's practice to set a status hearing for a subsequent account approximately 2 years from the date of the hearing. There does not appear to be any issues that came up with the 12 th account were the Court would request a one-year follow-up. The Public Guardian usually automatically calendars two years from the end date of an account period to do the next one. Therefore, the schedules and supporting schedules for the 13 th account were not prepared.	
		Therefore, it is respectfully requested that the Court set another status hearing for the 13 th account for one year for the state of this status hearing, or if the court did intend for the Public Guardian to file an annual account, a 60 day continuance is requested to prepare and file the account.

FTB Notice	Status Report filed 4-16-13 states Mr. Alcorta informed Senior Probate Assistant Susan Banuelos that he wants to buy the house and would be trying to find funding. However, he said he would never leave his mother's house, and Ms. Banuelos heard nothing further from him. He was served a 60 day notice to vacate the premises. It is the Public Administrator's intention to sell the real property and distribute the proceeds. If Mr. Alcorta does not voluntarily vacate the premises or come up with the funds necessary to keep the home, it will be necessary to file an unlawful detainer action. Therefore, Public Administrator is not in a position to settle this estate and requests that further status hearing not be set for at least six (6) months.		
	Status Report filed 9-30-13 states an unlawful detainer action was filed 7-5-13 and heard 8-20-13. Trial was continued to 10-22-13. Medi-Cal has reduced the claim to \$34,697.52. Family members have asked about paying off the claim in order to keep the home. At this point, nothing has been settled, and the Public Administrator requests at least four months to allow time to resolve the UD action, sell the property if necessary, and do the final account.

		File 14 – Meisel

Status Report Regarding Inventory and Appraisal and Final Distribution filed by the Public Administrator on 10/9/2013, continued:

- The Court is respectfully referred to the declarations of Margaret Midkiff and Eugenia Meisel filed on 7/2/2012 and 8/15/2012 [*please see below*]; there are also comments regarding some of the assets on the *Inventory and Appraisal* that was filed on 7/2/2012;
- The Public Administrator was appointed presumably to close the estate; however, he is unsure of how to do so given the accusations by each party;
- The Decedent was 58 when he first married Eugenia, so an elder abuse claim does not seem applicable;
- There is also no allegation that he was a dependent adult; however, Ms. Midkiff makes an argument that he was suffering from Alzheimer's by then;
- The Decedent remarried Eugenia at age 66; throughout their years together, Ms. Midkiff alleges that Eugenia was taking real and personal property; she says that Eugenia was even taking trust property that was never meant to be touched;
- The Public Administrator, and particularly his attorney, are reticent to continue asking the Court for instructions, but there is not a clear answer regarding what he should do in this case;
- The Decedent was not an elderly adult at the time he first married Eugenia; when she was given property, as alleged by her, they were married;
- Thus, the first reaction would be that there are little or no assets; however, the allegation of financial abuse/misappropriation and of a diagnosis of Alzheimer's may make this case unique;
- The Public Administrator has no choice but to request guidance from the Court about the next steps to be taken toward closing this estate;
- It is unclear how long of a continuance will be necessary pending the direction of the Court.

Declaration filed by EUGENIA ORONA MEISEL, spouse, on 8/15/2012 states:

- With respect to the *Inventory and Appraisal* No. 1, which she just received from Margaret Midkiff, her husband, David Meisel, did not have any assets as listed;
- David Meisel's last Social Security payment, that was deposited directly into their joint account, was taken out by Social Security;
- As to items number 5 and 6 for the IRA Distributions and pensions and Annuities, it is unclear how these amounts were determined by Margaret Midkiff; she cannot verify that these amounts are correct; as far as she knows, there was no money for IRA or any pensions or annuities;
- As far as the Montana property, she spoke with Mark Pyrex, who informed her that he handled the property sale for her husband, and he will verify that she had nothing to do with the sale;
- As to the *Inventory and Appraisal* Attachment No. 2, she does not know how the value was calculated; most of these items were lost in the fire at their home, except for David's hats, money clip, buckle, one watch, Marine necklace and a Marine ring; new furniture was purchased with community funds after the fire.

Declaration filed by MARGARET A. MIDKIFF, daughter, on 7/2/2012 states:

- On 1/29/2010, she asked Eugenia Orona if her dad had a will, and Eugenia told her "There is no will, there is nothing."

Declaration filed by MARGARET A. MIDKIFF, daughter, on 7/2/2012, continued:

- Eugenia Orona cancelled her dad's medical insurance policy in 6/2008 because she said that they could not afford the monthly insurance payment; at that time, her dad was receiving monthly social security benefits of **\$1,858.00**, her dad had two Smith & Barney accounts, a Money Market account of **\$48,890.13**, and retirement account of **\$42,703.78**, in addition to her dad's home that was free and clear with no monthly mortgage payment;
- Her dad had a safe deposit box that was emptied and closed by Eugenia Orona sometime before her dad's death, and she is the only one that knows what was in the safe deposit box in Sanger, CA;
- Eugenia Orona has the mineral rights agreement from the on their family property in Montana that is in a Trust, with a Trust bank account at Bank of America; this has been confirmed with her dad's CPA, and on her dad's tax returns; there is not income every year because the income that is received on the mineral rights is based on actual drilling that takes place that year, and is not a consistent amount every year;
- David Meisel's name was taken off of his home on 3/12/2008, and put into Eugenia Orona's name and then Eugenia Orona put the home in her son's name, **RICHARD ORONA, JR.** on 9/3/2008;
- David Meisel's name was taken off his vehicle title in 6/2008 (vehicles he owned were 1997 Ford and 2007 GMC), and put into Eugenia Orona's son's name, **RICHARD ORONA, JR.**;
- David Meisel married Eugenia Orona on 11/8/2006; David Meisel filed for divorce 7/2/2008 and then filed to have the divorce dismissed on 9/16/2008;
- She (Margaret Midkiff) arranged for a Marine Military Honor Detail for her dad's burial with the Sanger Marine Chapter; Eugenia Orona promised to send the flag he was buried with to me, but she never did;
- After David Meisel's death, Eugenia Orona stated on 7/28/2010, witness by Officer Reinhart at the Sanger Police Department, stated that Eugenia had filed a lawsuit for wrongful death against Kaiser Permanente, after he died; she asked Eugenia what happened, and Eugenia refused to explain to her;
- David Meisel originally purchased his home in Sanger on 5/7/1999, then in 7/2002 his home completely burned to the ground; he was able to rebuild his home through a payout from proceeds of the Allstate insurance policy along with proceeds from PGE payout because the fire was caused by a wire that dropped on his roof and the power to the wire could not be turned off for 1 ½ hours; David Meisel was a single man at that time;
- Eugenia Orona put her father's headstone on his grave 1 ½ years after his death, and would not allow any of his children to purchase a headstone for his grave; finally, when she put a headstone on his grave, it is a little marker that says "David Meisel, Marine Corps, 4/30/1940 to 2/21/2009, Eugenia Orona 7/20/1951 to"
- Eugenia Orona didn't include "Beloved Husband, Father & Grandfather, He will be missed;" nothing endearing or acknowledging that he was more than a name, that he had 5 children who loved him and miss him so much!
