

Petition for Termination of Estate Proceedings and for Order Discharging

Administrator without Further Administration

DOD: 12/18/02		<p>FRANK T. RAMIREZ, Administrator, is Petitioner.</p> <p>Petitioner states:</p> <ol style="list-style-type: none"> The only asset of the estate is a ¼ interest in real property valued at \$10,000.00. The real property (100%) is currently in escrow with Chicago Title Co. to be sold for a total sales price of \$45,000.00. The DHS has a lien against the estate's portion of the property in the amount of \$10,000.00 and has remitted its demand to Chicago Title Company. After deducting the estate's share of costs of sale, the estate's ¼ share will fall short of \$10,000.00 by \$72.76. The real estate broker has agreed to reduce his commission by \$72.76 so that the DHS' claim of \$10,000.00 can be satisfied in full. After the payment of the DHS claim, there will be no assets remaining in the estate to pay the statutory commissions and attorney's fees. Petitioner has performed all duties required of him as administrator and all costs of administration incurred to date have been paid. <p>Petitioner prays for an Order:</p> <ol style="list-style-type: none"> Confirming and approving all of the acts and proceedings of Petitioner as Administrator; Terminating further proceedings for the administration of the estate; and Discharging Petitioner as the administrator of the estate. 		File 2 – Miller

Petitioners state, continued:

- The Budget filed herewith provides an itemized list that specifies the estimated expenses for the Conservatorship for October 2014 through October 2016 (*Please refer to Biennial Budget for Conservatee filed 9/23/2014 and expenses on Exhibit A;*)
- No increase in the **\$4,800.00** monthly withdrawal is requested;
- There is still a need for the Conservatorship; there is likely to remain a need for the Conservatorship throughout the lifetime of the Conservatee;
- Conservators have administered the conservatorship without waste and in the exercise of their powers as Conservators have rendered services to the Conservatorship in connection with the management and administration of the Conservatorship, including bookkeeping, preservation of records, clerical functions, dealing with the institution at which Conservatorship funds are maintained, meeting with counsel to discuss various matters with regard to the Conservatorship;
- Conservators are entitled to a reasonable fee for the services; however, Conservators have waived, and hereby again waive, their right to any fee for said services.

Conservators pray for an Order:

1. Approving the Report of Conservators;
2. Approving and confirming the acts of the Conservators;
3. Authorizing the Conservators to withdraw from the blocked account at Merrill Lynch the amount of **\$2,400.00** to pay Tucker, Chiu, Hebesha & Ward on account of legal services rendered by the attorney on behalf of the Conservatorship, at the amount of **\$682.50** for costs advanced.

Court Investigator Jennifer Young's Annual Review was filed on 10/23/2014.

NEEDS/PROBLEMS/COMMENTS, continued:

Notes for background, continued:

- *Order Settling Fifth Account and Report* filed 9/5/2007 authorized the **\$4,800.00** per month withdrawals as an increase from the previous **\$4,400.00** allowed per month; prior to 2000, the amount was **\$4,000.00** per month.
- Conservators have purchased, after obtaining Court approval for the withdrawals from blocked account, handicap-equipped vans as follows:
 1. 1994 Ford van for **\$43,562.57**, approved by Order signed 11/14/1994;
 2. 2003 Pontiac van for **\$38,768.11** (valued at **\$46,268.11**), approved by Order signed 10/28/2003;
 3. 2008 Dodge van for **\$56,233.95**, approved by Order signed 8/27/2008.

~Please see additional page~

NEEDS/PROBLEMS/COMMENTS, continued:

1. *Declaration of Henry Y. Chiu filed 9/23/2014* requests **\$2,400.00** for attorney fees for services rendered to the Conservatorship, including conferences with Conservators, conferences with Merrill Lynch representatives, preparation for Court hearings on behalf of the Conservatorship, preparation of the *Report of Conservators and Petition for Authority to Pay Attorney's Fees and Costs*, preparation of annual budget and corresponding documents, and other related Conservatorship matters. Declaration states the Conservatorship estate incurred considerable attorney fees in connection with the hearing in October 2012 as a result of multiple Court appearances at the request of Judge Oliver; in addition, time was expended in assisting Conservators in filing an ex parte petition to withdraw funds [of **\$7,495.13**] to replace an air conditioning unit. Paragraph 28 of the *Report* state that the attorney fees are requested as a result of a protracted hearing on the *Report of Conservators* filed on 6/20/2012. Need authority to support the attorney request for fees based upon the following case history, provided for the Court's information in determining whether the requested fees should be authorized:
 - **Minute Order dated 7/25/2007** from the hearing on the *Fifth Account and Report of Conservators* filed 6/18/2007 states: "The Court orders that no further attorney fees will be paid on future accountings [emphasis added.] Accounting should be on file by 8/29/2007." It is noted that accountings appear to have been waived in 1994 such that accountings have not been filed pursuant to Probate Code § 2620 et seq. by the Conservators throughout the conservatorship, but Conservators have filed budget reports, which in every respect are less taxing to prepare than accountings. *Local Rule 7.16(B)(4)* provides that Court will allow a flat fee for attorney services for each timely filed subsequent account of **\$1,250.00** per year; this rule is mentioned by analogy for the Court's consideration in determining whether the Conservator's Reports warrant the fee request in spite of the Court's order of 7/25/2007 ordering that no further attorney fees will be paid in the matter.
 - **Report of Conservators filed on 6/20/2012** was set for hearing on 7/25/2014. *Minute Order* dated 7/25/2014 from the hearing on that Report states: "No appearances. Matter continued to 8/22/2012." It is noted that Exhibit 1 attached to *Declaration of Henry Y. Chiu filed 9/23/2014* containing the itemization of services does not include the date of 7/25/2014 on which no appearance was made by the attorney; the itemization begins on 8/16/2012, and itemizations dated 8/22/2014 (the date of the continued hearing due to attorney non-appearance) include services to attend 8/22/2014 hearing by Courtcall and conference with Judge Oliver regarding concerns of the Court. *Minute Order* dated 8/22/2012 states: "Counsel is directed to submit a declaration regarding the household budget as well as any improvements made and paid by the Millers." *Declaration of Ted Miller and Norma Miller in Support of Report of Conservators* was filed on 9/21/2012.

~Please see additional page~

NEEDS/PROBLEMS/COMMENTS, continued:

2. Paragraph 6 of the *Report* states that on **11/16/1994**, an *Order Appointing Petitioners as Conservators* was filed with the Court, wherein the Court waived further accountings and ordered that the amount of **\$933,069.53** be placed in a blocked account at Merrill Lynch. **Minute Order dated 8/27/2008** from the hearing on the *Report of Conservators* filed 9/5/2008 states, in pertinent part: "Attorney Shehady brings to the Court's attention that the order dated 11/16/1994 waived all accountings. This Court will require an annual report." Probate Code § 2620 et seq. requires accountings be filed for all conservatorship estates unless the conservatorship estate satisfies the requirements of Probate Code § 2628(a). It is unclear from Court records the basis upon which the Conservators had founded their request for waiver of accountings in 1994. The following is provided for the Court's consideration in revisiting the Court's granting in 1994 of the waiver of accountings:

- **Probate Code § 2628(a) provides:** the court may make an order that the conservator need not present the accounts otherwise required by this chapter so long as **all** of the following conditions are satisfied:

(1) The estate at the beginning and end of the accounting period for which an account is otherwise required consisted of property, exclusive of the residence of the conservatee, of a total value of less than **\$15,000.00**; [*Here, Conservatorship value is stated as \$630,986.39 as of 8/31/2014; the Court is provided no bank statements for verification of assets and income as would otherwise be required under Probate Code § 2620(c), due to the waiver of accountings*];

(2) The income of the estate for each month of the accounting period, exclusive of public benefit payments, was less than **\$2,000.00**; [*Again, the Court is provided no information as to assets and income to the Conservatorship in the form of Merrill Lynch bank account statements of balance and any gain or loss on investments*]; and

(3) All income of the estate during the accounting period, if not retained, was spent for the benefit of the Conservatee.

- **Exhibit A, Budget for October 2014 through October 2016 (Estimated)** lists expenses incurred each year, a few of which are listed below, about which the Court may require further information and itemization as to allocation of the expenses solely to the Conservatee; because accountings are waived, there is no indication in the *Report* that the Conservators apportion the amounts to share the expenses with the Conservatee:
 - Home Health Aide/therapy of **\$18,000.00**;
 - Credit Card of **\$6,000.00**;
 - AT&T of **\$350.00**; Cable of **\$1,750.00**; PGE/Utilities of **\$5,500.00**;
 - Taxes of **\$4,500.00**;
 - Home/Van insurance, gas, repairs and expense totaling **\$4,150.00**;
 - Home repairs and upkeep of **\$3,000.00**; pool expense of **\$1,200.00**;
 - Miscellaneous of **\$1,400.00**.

Note: If Court requires conservatorship estate accountings under Probate Code § 2620 et seq., the Court will set a status hearing as follows: **Monday, October 31, 2016 at 9:00 a.m. in Dept. 303** for filing of the First Account of the Conservatorship estate.

Dept. 303, 9:00 a.m. Tuesday, October 28, 2014

Atty Franco, Paul C. (for Deborah Kamine – Executor)
Status Hearing Re: Account/Report of Executor on Waiver of Account
and Petition for Distribution

DOD: 01/17/11	<p>DEBORAH KAMINE, daughter, was appointed Executor with full IAEA authority and without bond on 05/12/11. Letter Testamentary were issued on 05/12/11.</p> <p>Inventory & Appraisal, final, filed 10/11/13 - \$198,712.13</p> <p>Minute Order from status hearing on 10/25/13 set this matter for status regarding filing the Account/Report of Executor on Waiver of Account and Petition for Distribution.</p> <p>Former Status Conference Statement filed 07/21/2014 states the reason for delay in closing out the estate concerns the disposition of the home, which represents the single greatest asset of the Estate. There are four beneficiaries to the Estate, including the petitioner. The home is encumbered with a loan of approximately \$80,000.00. One of the beneficiaries, not the Executor, has been residing in the home and continues to as of this time. In addition, the petitioner is owed reimbursements that are expected to exceed the net value of the remaining Estate once the home is sold and expenses for repairs, commissions and closing costs are incurred. After months of negotiating a resolution with the beneficiaries, an agreement was reached last week wherein petitioner will pay the beneficiaries an equal amount to each from her own sources in exchange for an assignment of their interests in the Estate to petitioner. Petitioner is now prepared to close the Estate by filing a Petition for Final Distribution on Waiver of Accounting once this has been concluded. This will allow the petitioner to keep the home, which will hopefully through appreciation and payoff over time, allow her to recoup her expenses rather than through reimbursement. The assignments are expected to be received over the next two weeks, and the petitioner for final distribution is expected to be filed on or before 30 days from the date of this hearing. Petitioner would appreciate a final continuance of 30 days.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>Continued from 08/19/2014</p> <p>Minute Order of 07/22/2014: Ms. Kircher appearing specially for Attorney Paul Franco.</p> <p>Minute Order from 04/18/2014: No appearances. 	Aff.Sub.Wit.	<p>The assets of the Trust include real property consisting of approx. 8 acres located at 718, 748 and 810 S. Minnewawa in Fresno (containing an orchard and various structures) and approx. \$1,400,000 in liquid assets. The property has been used for agricultural applications since the mid 1940s. A Phase I environmental site investigation recommended further investigation for the potential presence of contaminants. A Phase II limited site investigation was conducted and for the areas tested, certain chemicals were discovered in elevated levels beyond that provided for by the California EPA's California Human Health Screening Levels. In addition, asbestos was discovered in some of the structures.</p> <p>A disagreement has arisen among Trust beneficiaries as to the optimal route in dealing with the environmental issues. Remediating known environmental issues will cost the Trust a significant amount of money, and there is a risk that the cleanup process will uncover new and more significant concerns. Petitioner believes remediating the environmental issues will likely enable the Trust to net a significantly higher amount than if he were to simply list the property for sale without conducting any cleanup. More importantly, remediating the damage now provides greater clarity as to the exposure the Trust faces.</p>	<p>Minute Order 9-23-14: Continued to 10-28-14.</p>

Petitioner states even if the property is sold "as is" this would not stop governmental authorities from coming back after the Trust, the trustee, and beneficiaries who receive distributions. Various federal and California statutes saddle prior landowners with liability for environmental issues even after a property is sold, even if disclosed to buyers. To address this, Petitioner could, in theory, obtain indemnity from a buyer, but this would likely significantly depress the sales prior and would only be as good as the worth of the indemnifying party.

A disagreement has also arisen among beneficiaries regarding making a preliminary distribution of the Trust estate while Petitioner deals with the environmental issues. A Trust beneficiary has asked for a large preliminary distribution. However, Petitioner is concerned that the environmental liability could exceed the entire trust estate. While initial cleanup costs are well below the size of the trust estate, there is some likelihood that the estimates are too low and that when work starts, worse problems will be uncovered.

Petitioner has consulted with two appraisers and an independent commercial real estate broker and there is consensus that the property would likely be used as a multi-family development. Petitioner notes that the homes are vacant and as such are a liability. Petitioner has already obtained bids for asbestos remediation, cleanup of contaminated ground, and removal of the structures. If the Court grants the relief requested, Petitioner will obtain updated final bids and begin asbestos remediation. Once cleanup is complete, the trust could offer a potential buyer assurance that all issues are remediated.

Petitioner prays for an order instructing Petitioner:

- a. Whether Petitioner as trustee is acting in the best interests of the Trust beneficiaries by proceeding with his plan to remediate the environmental issues and remove the structures at the property before listing it for sale; and**
- b. Whether Petitioner as trustee is justified in withholding any preliminary distribution at this time until the extent of the cost to remediate the environmental damage is finally determined; and**
- c. For any other relief the Court deems just and proper.**

Beneficiary Chris Mochizuki filed a Response on 6-5-14.

SEE ADDITIONAL PAGES

Page 3

Chris Mochizuki states the property is no longer operated as an orchard and there are several abandoned buildings on the property. It is suitable for residential uses, but would have to be incorporated into the city, rezoned, and subdivided. Based on appraisals obtained by the trustee, the property is valued at approx. \$430,000. The trust has no liabilities or debts apart from the claimed risk associated with the remediation of hazardous substances on the property.

The Trustee is required to wrap up the affairs of the trust and distribute the net assets to the beneficiaries within a reasonable time. The Trustee has the power to comply with environmental laws and to "abate, clean up, or otherwise remedy" any violation of environmental laws. To date, Petitioner has only made small advances to Larry for help with his living expenses. He has refused to make any other distributions from the substantial cash reserves, supposedly because of the risk of runaway remediation costs for the property. However, he has taken no steps to begin remediation or to sell it "as is." Consequently, the beneficiaries are receiving nothing.

Petitioner expresses fear that the cost of remediating hazardous substances on the property justifies his delay in distributing cash to beneficiaries. However, he has not been entirely candid with the Court. The bids show costs of approx. \$50,000 for the entire remediation, which is less than 3% of trust assets. Even if he decided to reserve more, there would be plenty of liquid assets to make a sizeable interim distribution to beneficiaries.

Petitioner claims it is necessary to reserve the entire \$1,400,000 in case the remediation costs spiral out of control, but provides no objective basis for this fear. Moreover, if there is really a danger that costs could approach that amount, why begin the process at all to remediate a property that is worth, at best, \$600,000? If the risk of uncontrolled remediation costs is genuine, the trust would be better served by selling the real property "as is" for a reduced price and indemnity from a buyer, then distributing cash assets.

Administration of the Trust has been paralyzed by Petitioner's inability to decide whether remediation should or should not proceed. The Court should instruct him to either remediate the property or sell it "as is." In the meantime, Petitioner should be instructed to make a substantial interim distribution so that the beneficiaries can receive some of the benefits intended by their parents.

Respondent provides discussion regarding the environmental concerns on the property. See Response for details.

Respondent concludes that even if the costs double or triple, they would represent only a small fraction of the Trust's assets. It is difficult to understand Petitioner's concerns about uncontrolled costs, his reluctance to market the property "as is," and why he has allowed this minor problem to stall administration of the trust for the past year. The Court should require Petitioner to make a decision whether to remediate or sell "as is" and then act on it in a timely manner. The Court should require quarterly reports so that this process can be monitored by beneficiaries. In the meantime, Respondent respectfully requests that the Court order Petitioner to make a preliminary distribution to the beneficiaries of not less than \$1,000,000.

Page 4

Respondent Chris Mochizuki filed Further Response on 9-18-14 that states the current status is unknown. The trustee has not provided any information on the status of the remediation effort. They do not know how much of the work was completed, what remains, whether any unexpected contamination was encountered, the costs to date, or the costs to complete. There have not been any discussions of interim distributions. The trustee's continuing failure to provide information to the beneficiaries is unexplained and should not continue.

Respondent requests a Court order as follows:

1. That the trustee provide a full report to the Court and all beneficiaries regarding the work performed to date and the cost thereof within 10 days;
2. That the trustee provide a further report to the Court and all beneficiaries within 10 days regarding the remaining work to be performed, the estimated cost of the work, and the completion date, supported by documentation from contractors retained to perform the work;
3. That the trustee make an interim distribution of \$1,000,000 to the beneficiaries in accordance with their interests under the trust within 10 days; and
4. That the hearing on this matter be continued for 30 days to determine the status on the remediation and whether the property can now be listed for sale.

Status Report filed by Attorney Steven Matlak (not verified by trustee) provides status of the various projects and states work is still in progress and an additional 45 days is needed in order to complete the initial phase of the remediation work. See report for details re asbestos demolition, etc. Mr. Matlak states the trustee believes the work can be completed by November 1, 2014 and requests the Court continue this matter for an additional 45 days.

As of 10-23-14, nothing further has been filed by Petitioner.

On 10-24-14, Respondent Chris Mochizuki filed Further Response wherein the above request is reiterated. Respondent states the Court and beneficiaries have been patient with this process, but there is no longer justification to continue withholding over \$1 million in cash in a trust that has no liabilities. The Trustee's continuing failure to provide information to the beneficiaries is unacceptable and should not continue. If the trustee refuses to keep the beneficiaries informed and refuses to administer the trust for their benefit, he should resign or be replaced.

		File 12 – Shockley

12 (additional page) **Alice Beatrice Shockley (Estate) Case No.06CEPR01193**

Former Status report filed 6-26-14 by Attorney Cross (not verified) states he has finally had the opportunity to speak with Mr. Shockley. He stated that his sister (now deceased Co-Administrator) had taken charge of most of the estate since she lived in Selma, and he lives in Oakhurst. Together, they paid about a year of payments on the home and funeral expenses, etc. When the sale of the house fell through, she informed him that she was not going to pay any ore toward the house, so he didn't either. She then cut off contact with him for over three years. She did not supply him with any copies.

Mr. Cross states neither co-administrator sought his advice during that time regarding the sale of the property.

At the hearing on 5-16-14, Judge Oliver ordered a waiver of filing fees based upon the insolvency of the estate and suggested that we could proceed by way of declaration based on information and belief, as had apparently been suggested in other cases. It appears this would take the form of a Petition for Termination of Further Proceedings and Discharge of Personal Representative.

The Surviving Co-Administrator and the attorney would like to proceed in this fashion. However, because the attorney finds paucity of authority as to what would be required, he is requesting guidance from the court and/or Probate Examiners. Is Inventory and Appraisal required? Is an accounting needed? Is notice of hearing required to creditors or any other person or entity? Upon having a better understanding of what is required, the petition will be filed within 30 days.

Examiner's Notes re above questions:

Q: Is Inventory and Appraisal required?

A: Pursuant to Probate Code §8800, inventory and appraisal is required. In this case, there was an estate asset that ultimately foreclosed. If you would like to request that the Court waive the requirement of the Inventory and Appraisal due to the circumstances of this estate, you may wish to include such request in your petition. You may need to provide notice to the Probate Referee. See Probate Code §8900 et seq.

Q: Is notice of hearing required to creditors or any other person or entity?

A: A petition to terminate proceedings requires notice to all persons entitled thereto, which may include relatives, creditors whose claims were allowed but not paid per Probate Code § 11000, and those who have requested special notice pursuant to Probate Code § 1252. In this case, the California Franchise Tax Board requested special notice. You may also wish to address whether notice to the agencies in Probate Code §9202 is or was required and given. You will also be required to address the creditor's claims individually, in addition to notice of hearing. See Judicial Council Allowance or Rejection of Creditor's Claim and Probate Code §9250.

Q: Is an accounting needed?

A: Please see applicable Probate Code, including §§ 10951, 11000, 12200. Account may be requested by a creditor pursuant to the notice, or may be compelled by the Court, depending on circumstances.

In short, the estate must be properly closed, and how you wish to go about that is up to you as the attorney; however, the above information is provided as a general guideline with reference to Probate Code.

12 (additional page) Alice Beatrice Shockley (Estate) Case No.06CEPR01193

Former Status Report filed 05/14/2014 states that co-administrator or decedent's estate, Katherine Royce, died on 08/05/2011. Mr. Shockley, co-administrator, has promised to prove a copy of her death certificate. In this case, the sole significant asset was the residence real property commonly known as 2805 B Street, Ca. which was subject to a substantial note secured by the deed of trust on the property. At the time of appointment of the personal representatives it appeared that there was substantial equity in the home. It was listed for sale and a buyer was found for a reasonable price. Unfortunately the buy backed out at the last minute. The value of the property then dropped because of the sharp decline of property values in general, no buyer was found at lower prices, and the property ultimately became worthless than the amount owed on notes secured by a deed of trust. Co-administrator William R. Shockley made the house payments for about a year, but beyond that it was beyond his means, and his co-administrator sister lacked means to contribute significantly to continue payment on the real property. As a consequence the property was ultimately washed in foreclosure. The lender refused to deal with the co-administrators with regard to the property. As a consequence of the above, the remaining administrator, William R. Shockley, has no assets to pay to any of the numerous creditors of decedent. Attorney Cross is requesting that remaining co-administrator supply the attorney with the documentation concerning the foreclosure and his payments. Nothing remains, of course, to reimburse him either.

Needs/Problems/Comments continued:

1. Need Inventory and Appraisal and First Account or Petition for Final Distribution or current written status report pursuant to Local Rule 7.5 which states in all matters set for status hearing verified status reports must be filed no later than 10 days before the hearing. Status Reports must comply with the applicable code requirements. Notice of the status hearing, together with a copy of the Status Report shall be served on all necessary parties.

		File 16B – Diaz, Alvarez, Garcia

Vernon: 11-27-12	VANCE KACHADURIAN , Trustee, is Petitioner.	NEEDS/PROBLEMS/COMMENTS: Note: Petitioner alleges that beneficiary Vanessa Kachadurian took possession of various assets. It is unclear whether the acts alleged were prior to or after the deaths of the settlors, or if they took place during this account period. Petitioner does not request relief in connection with the allegations; the petition only seeks approval of Petitioner's actions as trustee for the period indicated. Therefore, the following items are noted for the Court's consideration regarding this request. Minute Order 9-23-14: Mr. Rube informs the Court that they are trying to agree on a settlement. Counsel and their clients are to personally appear unless matter settled and agreement filed. The following issue remain noted: <ol style="list-style-type: none"> 1. Notice of Hearing filed 4-17-14 indicates that a copy of the accounting petition was <u>not</u> included in the mailing to the beneficiaries. Probate Code §17203 does not require that a copy of a petition under that section (internal affairs of a trust) be included; however, the Court may require clarification with respect to Probate Code §16060 et seq (duty to inform, account, etc.). <u>Have the beneficiaries been provided a copy of this petition?</u> 2. Trust Exhibit A indicates that the trust originally contained two properties: One on N. Sixth Street that was sold as described in this petition, and another on E. Nees Avenue that is not mentioned in this petition. The Court may require clarification as to the disposition of the Nees Avenue property. 3. The trust indicates that the life insurance policies indicated in Exhibit B are assets of the trust; however, Exhibit B is not attached. Petitioner indicates receipt and distribution of one policy (Met). The Court may require clarification as to whether there were any others mentioned in the trust's Exhibit B. 4. The Court may require clarification as to the expenses incurred by Petitioner that were partially reimbursed.

Page 2

Petitioner alleges that Vanessa Kachadurian, without knowledge, permission, consent, or authorization of Vernon or Vance, unlawfully used Vernon's ATM card to withdraw approx. \$2,500.00 from Citibank Acct #xx088, and also removed approx. \$4,000.00 cash and tangible personal property from the residence including jewelry, misc. furnishings, Vernon's wallet, credit cards, Citibank debit card, and coins. Petitioner also alleges that Vanessa Kachadurian, by way of undue influence, fraud or theft, took possession of the 2005 Toyota Sienna thereby removing said van from the trust estate.

Petitioner prays for an order settling, allowing and approving the account and ratifying, confirming, and approving all acts and transactions of Petitioner as set forth in the petition, and for such other relief as the Court deems appropriate.

Objections filed 7-14-14 by Vanessa Kachadurian states the unfounded and absurd accusations against her that have nothing to do with the matter before the Court. The one fact that the petitioner fails to mention is that he persuaded his father to change an account to a joint account with him and his father; this was a Citibank account that was titled in the name of the trust and had a balance of approx. \$80,000. Petitioner claimed that account on their father's death. Objector believes that Petitioner deceived their father to enter into this transaction. It was the decedent's intent, as well as that of their mother, that all assets and accounts be divided equally between their children. The petitioner took a windfall profit by this transaction, which accrued to his personal benefit and to the detriment of his siblings.

Objector objects to the unsubstantiated suppositions made in Paragraph 9 that Objector took cash, coins, jewelry and other personal property from the decedent's home without consent or knowledge of the petitioner, and the unsubstantiated contention in Paragraph 10 that she removed the Toyota van from the estate by other than law means. Objector contends that the decedent signed the van over to her.

Objector objects to the fact that the petitioner has admitted he has all of the personal property, furnishings and furniture from the house in a storage facility, yet failed to submit a detailed inventory of those items or his intentions as to distribution. Additionally, he has donated or otherwise disposed of some items and has not furnished receipt.

Objector would be interested in knowing the plan for distribution of the personal property, furnishings and furniture from the house, are there are a number of items that Objector is interested in obtaining.

Objector requests that the Court:

- 1. Deny the petition as prayed;**
- 2. Order Petitioner to file an amended petition omitting all the irrelevant editorial comments made in regard to Objector;**
- 3. Order Petitioner to file a complete and detailed inventory of the personal property, furnishings and furniture taken from the house as well as any other property items in his personal possession; and**
- 4. All other proper relief as the Court may deem just and proper.**
