File 7A – Verni																																					

Petitioner Carmela DeSantis' Status Report filed by Attorney Joseph Marchini on 11/17/2015 states:

- Petitioner has several pending petitions and several objections to trustee accountings pending before the court in this matter *[list of petitions and objections omitted]*;
- The Trustees have provided, but not filed with the Court, accountings for 2011 and 2012; Petitioner filed Objections on 9/25/2013, and served the objections on 10/8/2013;
- The trustees have provided, but not filed with the Court, accountings for 2012 (fourth account current), 2013 (fifth account current), and 2014 (sixth account current); Petitioner is reviewing these for possible objection.
- Petitioner has deposed numerous produce buyers who engaged in transactions posted to the first and second accountings; the depositions of the accountants who prepared the accounts are still to be taken;
- **Petition to Construe:** This petition was severed from other matters for separate trial in the belief that the resolution of this matter might streamline litigation of the others;
- On 8/4/2014, the Court issued its *Statement of Decision*; The *Notice of Entry of Judgment* was served 11/26/2014; *Notice of Appeal* was filed *[by Carmela DeSantis]* 1/23/2015;
- The Court of Appeal has concluded this is not an appropriate case for mediation at the appellate level.
- The appeal has been fully briefed on both sides; Appellant (i.e., Petitioner Carmela DeSantis) has requested oral argument; oral argument has yet to be scheduled, and the appeal remains pending.

Trustees' [Nicola Verni and Rosa Verni] Status Report filed by Attorney Nikole E. Cunningham on 8/7/2015 for the previous status hearing states:

- On 9/22/2014, after trial in this matter held before the Honorable Robert H. Oliver, judgment was entered in favor of the Trustees as to the Petition to Construe Trust Provisions;
- A Notice of Appeal was filed by Petitioner, Carmela DeSantis, on 1/23/2015;
- Pending resolution of the appeal, much of this case will be on hold as the appealed issues impact many of the remaining issues involved in this action.

Petition to Construe Trust Provision [Prob. C. 17200]

Leonarda DOD: 7/31/2000	<p>CARMELA DeSANTIS, daughter and Trust Beneficiary, is Petitioner. Petitioner states:</p> <ul style="list-style-type: none"> The VERNI FAMILY TRUST of 1999 was created by SAVERIO VERNI and LEONARDA VERNI on 6/10/1999, and was amended once by Settlers on the following day, 6/11/1999; Leonarda died on 7/31/2000, thereby causing the Trust to be divided into three sub-trusts: the VERNI MARITAL TRUST, the VERNI FAMILY TRUST, (which was amended once during both Trustors' lifetimes), and the VERNI SURVIVOR'S TRUST (copies of Trusts attached as Exhibit A); The instant petition relates to a provision contained in the SURVIVOR'S SUB-TRUST; over Petitioner's objections, Trustees Nick and Rosa have provided a commingled accounting for the Merged Family and Survivor's Sub-Trusts, which fails to segregate each Sub-Trust's assets, liabilities, receipts and disbursements; The failure to appropriately segregate assets, liabilities, receipts and disbursements among the Sub-Trusts prevents the Court, trustee and beneficiaries from determining the size and holdings of the SURVIVOR'S SUB-TRUST; because the SURVIVOR'S SUB-TRUST will be used to fund the above-referenced equalization provision, any appropriate increase in size to that particular Sub-Trust will allow greater realization of the Trustor's intent and will provide a means for effectuating the equalization of prior distributions; conversely, any inappropriate decrease in the size of the SURVIVOR'S SUB-TRUST will undermine the Trustor's intent and deny the Trustee the ability to effectuate an equalization; The Trustee of the SURVIVOR'S SUB-TRUST believes that distributions made during Saverio's lifetime should <u>not</u> be considered for purposes of the equalization process; Petitioner believes this to be contrary to the language of the provision and intent of the Trustor. <p>Petitioner requests a judicial declaration from the Court concerning the proper construction of Subsection 1, of Section B, or Article IV of the SURVIVOR'S SUB-TRUST [refer to copy of Trust or Paragraph 11 of Petition for exact language requiring apportionment of the residue of the trust estate into equal shares for Trustor's living children.]</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p><u>Continued from 8/17/2015.</u></p> <p>Note: Additional notes pages originally prepared with respect to this petition have been omitted.</p>

Petitioner states, continued:

- On 7/26/2012, Petitioner filed written *Objections to Second Account Current*, and attached a copy of the *Second Account Current (copy of the Objections to Second Account Current filed by Petitioner on 7/26/2012 attached as Exhibit B)*;
- The *Second Account Current* continued to be deficient in the same respects as noted with respect to the *First Account Current*, among others;
- In spite of Petitioner's repeated objections, the Trustees continue to fail to properly account to Petitioner and other beneficiaries, as required by the terms of the Trust and Probate Code § 16062 et seq., in the *Third Account Current*, covering the period of 1/1/2011 through 12/31/2011, mailed to Petitioner at her request on or about 11/19/2012, and the *Fourth Account Current* covering the period of 1/1/2012 through 12/31/2012, mailed to Petitioner at her request on or about 4/19/2013;
- The manner in which such Accounts are deficient is further described in Petitioner's *Objections to Third Account Current*, attached as *Exhibit C*, and Petitioner's *Objections to Fourth Account Current* attached as *Exhibit D*;
- Article 11, Section 4 of the Trust requires the Trustees to render an accounting upon written request of any beneficiary;
- To date, the Trustees have failed to provide adequate accounts in response to Petitioner's requests pursuant to this provision, thereby necessitating this request that the Court review the Second, Third and Fourth Accounts Current and the acts of the Trustees.

Response to Petition for Review of Accounts and Acts of Trustees filed on 12/5/2013 by Trustees Nick Verni and Rosa Verni states:

- Trustees admit that they filed the First Account Current and Report of Trustees and Petition for Settlement on 8/26/2010; Trustees further admit that Petitioner filed written objections to the First Account Current on 10/5/2010; however, Trustees deny that any deficiencies exist, legal or otherwise, in the First Account Current;
- Trustees admit that they submitted the Second Account Current to Petitioner; Trustees further admit that Petitioner filed written objections to the Second account current on 7/26/2012; however, Trustees deny that any deficiencies exist, legal or otherwise, in the Second Account Current;
- Trustees admit that they submitted the Third Account Current to Petitioner on or about 11/19/2012; Trustees further admit that they submitted the Fourth Account Current to Petitioner on or about 4/19/2013; however, Trustees deny that any deficiencies exist, legal or otherwise, in the Third Account Current and Fourth Account Current;
- The Trustees have filed a full account of their acts and proceedings during the period embraced thereby, and their Report and Account should be allowed and approved;
- Trustees expressly deny that any of the Second, Third and Fourth Accounts Current are deficient or otherwise fail to comply with the Trust or the requirements set forth in the Probate Code.

Trustees pray for an Order of this Court finding that:

1. The objections of Petitioner be dismissed;
2. All acts and transactions of the Trustees as reflected in the Account and Report be ratified and confirmed;
3. The Trustees be authorized and directed to continue the administration of the Sub-Trusts until such time as the remaining tasks discussed herein are accomplished, the remaining legal actions discussed herein are resolved, and a plan of final distribution can be presented to the beneficiaries of the trust for their consent;
4. Petitioner take nothing by way of her Petition; and
5. Attorney's fees and costs of suit are awarded to Respondents.

Objections to Third Account Current of the Family Trust filed by CARMELA DESANTIS filed on 11/5/2015 states:

- The Third Account has not yet been filed with the Court in connection with this matter; accordingly, a true and correct copy of the Third Account Current of the Family Trust is attached at Exhibit A;
- The objections concern the Third Account related to the Family Sub-trust, one of the 3 sub-trusts of the Verni Family Trust: the Marital Sub-trust, Family Sub-trust, and Survivor's Sub-trust;
- As of the date of the date of the death of the surviving Trustor (Saverio Verni), the Marital Sub-trust and Family Sub-trust were merged into a single Family Sub-trust (the "Family Sub-trust");
- Respondent Antonietta Rosa Verni was at relevant times the Trustee of the Family Sub-trust; letter dated 10/21/2015 informed counsel that Rosa Verni has since resigned as Trustee of that Trust;
- Nick Verni is Trustee of the Survivor's Sub-trust;
- Objections to Third Account: The Third Account is incomplete in that it covers only the period of 1/1/2011 through 12/31/2011; the
- *[Detailed objections contained in Paragraphs 3 through 15, with Paragraph 16 stating that until Petitioner receives all information, she reserves the right to make further objections to the Third Account.]*
- **Objections to Third Account Current of the Survivor's Trust filed by CARMELA DESANTIS filed on 11/5/2015 states** in substantial form the same general allegations as the *Objections to the Third Account of the Family Trust*; *[Detailed objections contained in Paragraphs 3 through 15, with Paragraph 16 stating that until Petitioner receives all information, she reserves the right to make further objections to the Third Account.]*

Proof of Service filed 11/12/2015 shows copies of the Objections were served to all interested parties on 11/9/2015.

Petitioner's Declaration attached to the Petition states:

- She and Decedent had 5 children and never divorced and there never was a custody or child support order;
- Decedent purchased the properties listed in this *Petition* in his name; he was a controlling man; they separated but remained friends; he lived in Fresno and she lives in Las Vegas, Nevada;
- When Decedent found out he was dying of pancreatic cancer in May of 2015, she would visit with him, while he lived with his girlfriend, **KIM HARRIS**;
- Decedent spoke of a will but was too sick to write one; he was in a lot of pain and could not walk nor knew where he was due to pain and medication; he was in and out of the hospital; she and their son, **ALVARO NEGRETE**, took care of Decedent; he was sent home from the hospital on 6/2/2015 and died on 6/3/2015;
- They have a daughter, **MARIA NEGRETE**, who produced a Trust stating that Decedent had left her in charge of everything;
- The handwriting on the Trust is not Decedent's signature; he was to have signed this document on 6/1/2015; he was in no condition to sign nor speak;
- When Decedent died, Maria told the doctors that Decedent was divorced; since Decedent's death, Maria has taken over **\$18,000.00** out of Decedent's bank account, and the bank put a freeze on the account after Petitioner produced documents proving to be the surviving spouse;
- There is real property and personal property to be administered; it has taken her this long to petition the Court due to her having to take care of their son who is recovering from second and third degree burns from a work-related injury;
- Maria has taken vehicles and put them in her name and took them to Arizona;
- Decedent's girlfriend, **KIM HARRIS**, also took vehicles; all the vehicles belong to Decedent;
- Maria is trying to clear out Decedent's account and put her brothers out of the property belonging to Decedent;
- She prays for a court date to resolve this matter of the fraudulent Trust and prove that she is indeed the surviving spouse of the Decedent.

NEEDS/PROBLEMS/COMMENTS, continued:

4. Item 5(a)(2) of the *Petition* is incomplete re: issue of a predeceased child.
5. Item 5(b) of the *Petition* is incomplete re: survived by a stepchild or foster child.
6. Attachment 7(a) to the *Petition* does not contain the legal descriptions of each of the subject real properties, including the APN (Assessor's Parcel Number) which Petitioner requests to be determined as having passed to her as surviving spouse.
7. Need **Attachment 7(b)** to the *Petition* containing the legal descriptions of each of the subject real properties, including the APN (Assessor's Parcel Number), and all the personal property, which Petitioner requests to be determined as having belong to her as surviving spouse.
8. Item 8 of the *Petition* is incomplete re: written agreement.
9. Item 10 of the *Petition* states there exists no genuine will or trust, and that [Decedent] was too ill to sign the trust. However, *Exhibit 4* to the *Petition* contains a copy of an apparently executed and notarized document entitled the **JUAN RIOS NEGRETE REVOCABLE LIVING TRUST**. Petitioner cannot seek to have the Trust determined as fraudulent via the instant spousal property petition.

~Please see additional page~

24 Second Additional Page, Juan Rios Negrete (Spousal) Case No. 15CEPR00876

10. Item 12 of the *Petition* states a petition for probate or for administration of Decedent's estate is being filed with this *Petition*. Court records do not show such proceeding has been filed or is pending.
11. *Petition* includes Attachment 1, 2, and 3, containing copies of Deeds, two of which do not include the identified exhibits which describe the real properties, and one of which appears to transfer the identified real property to **ALVARO NEGRETE, JUAN NEGRETE, and KIM HARRIS**, as joint tenants. Said Attachments are ineffective for any purpose related to the instant spousal property petition.
12. *Petition* is signed but is not dated nor verified by the Petitioner pursuant to Probate Code § 1021 and CA Rule of Court 7.103. [Note: Declaration attached to the *Petition* is notarized and verified.]
13. Need proposed spousal property order.

27 Additional Page, Poundstone Family Grantor Trust Case No. 15CEPR00996

Petitioner states, continued:

- In this case, Trustor Miriam Poundstone unequivocally declared in the Trust that it was her intention that her Trustee shall hold, administer, and dispose of all trust property accepted by her Trustee for the benefit of her beneficiaries in accordance with the terms of the Trust agreement;
- The Trust defines the trust estate as including the trust property described on Schedule A as well as all property transferred to the Trust after the date of the Trust agreement that is acceptable to the Trustee;
- The Trustee [*Petitioner*] and the beneficiaries accept distribution of the [*property on Exhibit B*] to the Trust as indicated in the Acceptance of Property by Trustee and Consent to Acceptance of Property by Trustee forms [*signed by the beneficiaries*] and attached as *Exhibit D*;
- Since the intention of the Trustor to transfer all of her property to the Trust is clear on the face of the Trust and the Pour Over Will, Petitioner asserts that the standards set forth in *Heggstad, Kucker v. Kucker (2011)* [192 Cal.App.4th 90], and Probate Code § 15200(c) are satisfied;
- Accordingly, based on the legal authority and supporting facts, it would appear that the legal owner of the Trustor's assets listed in Exhibit B is the Trust;
- Petitioner has reviewed the facts on which the claim of ownership of the personal property of the Trustors is made and believes such facts to be true and correct;
- Petitioner requests that this Court determine that all of Trustor's right, title, and interest in the property listed in Exhibit B be deemed assets of the Trust;
- Under the terms of the Pour Over Will, the residue of Decedent's estate is to be distributed to the Trust; as such, Petitioner submits that Decedent's intent to transfer her assets to the Trust was clearly established, and further, probate of the estate would result in the exact same distribution;
- Under the terms of the Trust, the beneficiaries of Decedent's estate are her five children;
- Under Decedent's Pour Over Will, all assets belonging to Decedent were bequeathed to the Trust;
- As such, in the event Decedent's property was probated, the ultimate beneficiary of the estate would be the Trust and subsequently the Trust beneficiaries, who are the Decedent's children;
- All Trust beneficiaries and heirs at law consent to the distribution of the assets listed on Exhibit B to the Trust;
- Granting of this Petition will save judicial resources and will not prejudice any person or entity otherwise entitled to share in a portion of Decedent's estate.

Petitioner prays for an Order that:

1. The **POUNDSTONE FAMILY GRANTOR TRUST** is in existence; and
2. The assets set forth on Exhibit B attached to the Petition are assets subject to the management and control on Petitioner as Trustee of the Trust.
