**Response of Guardian to Laura Escoto's Request to Modify Visitation filed 10/31/12** states: the current court order is that Laura may visit in the guardians home on alternating Sundays commencing at 10:00 am and ending at 4:00 pm. The current order was executed when Laura was enrolled in an inpatient drug rehab at Spirit of Woman. Laura was not allowed to leave the facility, so guardian brought the children to visit her at the facility. Laura had Sunday visitation because the children's father, Carlos, was to have supervised visits with his parents (paternal grandparents) on alternating Saturdays. Carlos and Laura cannot visit simultaneously because Laura is protected from Carlos by a domestic violence restraining order that doesn't expire until 06/01/14. As a condition of visiting, both Carlos and Laura were to submit to a drug test 3 days before each visitation.

After completing the 90 day program, Laura renewed her enrollment for an additional 30 days to make it a 120 day program; however, Laura left Spirit of Woman without completing the additional program she pledged to complete. Shortly after leaving Spirit of Woman, Laura enrolled herself in an out-patient transitional sober living facility called Lifehouse, however she left Lifehouse within 1 month. Laura continued alternating Sunday visitation in Respondent's home and continued to submit to a drug test prior to visiting. Laura never returned to either Spirit of Woman or Lifehouse and is currently homeless.

On 05/17/12, Carlos (father), tested positive for meth, thus the guardian suspended his visitation pursuant to the court order. Since suspending Carlos' visitation, Respondent has been harassed by Laura, Carlos, and Carlos' parents regarding visitation. Although Laura has a restraining order against Carlos, they communicate regularly. Carlos has always lived with his parents. In the past, when the children have visited with their paternal grandparents, the grandparents let Carlos visit with the children unsupervised and even let them leave their home with Carlos, which is unacceptable.

After Carlos' visitation was suspended due to his drug use, he and his parents have shown up at the school when Hendrix had a soccer game. Respondent states that Carlos' father, Carlos, Sr. verbally assaulted her on one occasion and on another occasion, after having been warned by the school to stay away, they showed up again and the school called the police which resulted in a huge scene and Carlos being arrested. It is not in the best interest of the children to witness these incidents.

On October 2, 2012, Laura advised that she was working and could not visit the children on Sunday and requested to visit the children on Wednesday 10/03/12 instead. Respondent agreed so long as Laura could drug test before visiting. Laura made excuses for why she could not drug test before visiting, respondent states that she tried accommodating Laura to drug test offering to drive her to the drug testing sight or use a home test, but Laura refused. Respondent fears that Laura is using drugs again and did not want to test because of the possibility of a positive drug test.

Respondent states that the guardianship has been very difficult for her. She stepped in and obtained guardianship due to the parents drug use and instability. She believes that the children would have been taken by CPS had she not sought guardianship. Since becoming guardian, she has been verbally assaulted by the paternal grandparents, has had to deal with the police due to Carlos being at the school, and rearranging her schedule to accommodate visitation for Laura has been difficult. Respondent also has 3 other children in her home to care for and she is the caretaker for a medically challenged child who requires 24 hour care. Respondent states that she is willing to continue to act as guardian but she needs help from the Court and definite rules in place to make things easier.

Continued on Page 3

## **7 Hendrix Escoto, Camryn Escoto and Carlos Escoto, III (GUARD/P)**

Page 3

When the children were visiting both parents and the paternal grandparents every weekend, they would return to Respondents home with bad attitudes and were tough to control. The parents and paternal grandparents rules are much more liberal that Respondents. The children don't understand why they can't live with their parents or paternal grandparents and it is difficult for them adjusting to living in Respondents household after visiting over the weekends. Respondent states that she ensures that the children do their homework, eat meals as a family, and respect people. The parents and paternal grandparents give the children much more freedom and even allow them to walk by themselves to the mall close to the paternal grandparents home, it is often difficult for them to readjust to a more strict home.

Further, Laura remains homeless and unstable. She did not complete her drug rehabilitation and Respondent believes she is using drugs again. Based on past behavior, Laura's suicide attempts and drug use, Respondent believes the safety of the children is still an important issue. Respondent is uncomfortable with the paternal grandparents providing their home for visitation due to the fact that they have facilitated Carlos interacting with the children in violation of the Court's prohibition. Respondent asks the Courts assistance in setting definite boundaries regarding guardianship and the visitation schedule with Laura. Respondent states that she has tried to accommodate Laura, but believes with her drug addiction, she needs continued supervision. Respondent realizes that Carlos has not asked to modify his visitation yet, but by Laura requesting that her visitation take place at the paternal grandparents home, indirectly the paternal family is involved in this petition. Respondent asks that the Court review the best interests of the children and assist her in making this guardianship work.

### **Based on the foregoing, Respondent asks the court:**

1. Consider the proposed visitation schedule as follows which provides reasonable orders not including overnight visits at this time, but allows Laura to visit with the children on alternating Saturdays from 10:00 am – 5:00 pm and alternating Sundays from 10:00 am to 5:00 pm.
2. Require Laura to submit to a witnessed drug screen on each Friday immediately preceding the Saturday visitation. The drug test shall be faxed directly to Respondent and if the drug screen is positive, visitation shall be suspended pending further order of the Court.

**Declaration of Nora Escoto filed 11/02/12** states that she is in total agreement with the visitation plan requested by Laura Escoto.

**Declaration of Carlos A. Escoto, Sr. filed 11/02/12** states that he and his wife have allowed Laura Escoto to move into their home. They are in total agreement with the visitation request made by Laura. Further, Mr. Escoto states that they are happy to answer to the false information that has been stated about them in court or mediation.

**Declaration of Carlos Escoto (father) filed 11/02/12** states that he no longer lives with his parents having moved from their home 3 months ago. Mr. Escoto further states that Laura is a good mother. He further states that the guardian has not followed through with things she stated she would with the children (such as getting them therapy) and that she has often stated that caring for the children is a burden for her. He fully supports the children being with their mother and his parents.

Petitioner states he is recovering from a stroke which has impacted his ability to communicate. Although he is improving with the assistance of speech therapy, he still requires someone to negotiate and contract on his behalf.</p> <p><b>Estimated Value of Estate:</b>                  Personal property: Unknown                  Annual income: Unknown                  Real property: \$180,000.00</p> <p><b>Petitioner states</b> his net income of approx. \$6,000.00/month is consumed by his monthly expenses. It is believed that his other significant asset, his personal residence, does not have equity as it is encumbered by a first and second mortgage. As a result, the parties have agreed to a bond in the amount of \$70,000.00.</p> <p><b>Petitioner states</b> that although he <i>does not</i> lack the ability to give informed consent for medical treatment, he has agreed that the Co-Conservators should be given the power to consent to medical treatment on his behalf pursuant to Probate Code §2355.</p>

## NEEDS/PROBLEMS/COMMENTS:

1. Petitioner requests the Conservators be granted authority to negotiate on behalf of both Petitioner and his spouse, Stacy Salzman. The Court cannot make orders with regard to the spouse. The order has been interlined to exclude reference to powers on behalf of the spouse Stacy Salzman.
2. Petitioner states his income of approx. \$6,000.00/month (\$72,000.00/year) is consumed by his monthly expenses, and his residence, which will ultimately be sold, has no equity, as it is encumbered by a first and a second mortgage; therefore, the parties agree to a bond in the amount of \$70,000.00.

However, based on the estimated income, Examiner calculates that bond should be at least \$79,200.00, including an amount for cost of recovery pursuant to Probate Code §2320(c)(4) and Cal. Rules of Court 7.207. Examiner also notes that this calculation may be inaccurate due to the unknown value of any other personal property.

The Court may require bond of \$79,200.00 at this time, and will review upon the filing of the first account for adjustment as appropriate.
