File 1 - Hose				

Petitioner states, continued:

- Petitioner is not aware of any creditor's claims being submitted or filed; there are no assets to use for payment;
- No inventory was filed; the estate did not hold any properties, real or personal, that were subject to probate administration;
- All costs of administration have been paid;
- Due to the lack of an estate, no fees, commissions, bond fee or certification fee is requested;
- Also due to the lack of an estate, Petitioner requests that she be discharged as administrator of the Decedent's estate;
- As the estate is now over 13 years old with no creditors and no assets, Petitioner believes that filing this *Petition for Termination* is the most efficient and appropriate manner in which to conclude this probate.

Petitioner prays for an Order:

1. Terminating the probate proceeding; and
2. Discharging the personal representative.

The blocked account was transferred to a new unblocked account by the Educational Employee's Credit Union in 2012 at the former conservator's request, and it appears the money was used by the conservator for the conservatee's care at the sub-acute facility where he is being treated. The conservator took a petition to the bank, and they to that as a court order so they cancelled the blocked account and transferred the money to an unblocked account. The Public Guardian believes that the bank now realizes they should not have done that, but all indications are that the money was used for his care.</p> <p>The Public Guardian has applied for Medi-Cal on the conservatee's behalf and is paying a share of cost to the facility. The funds were over \$100,000, but the private pay for his care was \$16,000 per month so the funds did not last long.</p> <p>The Public Guardian asserts that although there were inappropriate actions taken by both the former conservator and the bank, there was no resulting harm to the conservatee's estate.</p>	NEEDS/PROBLEMS/COMMENTS:

4. Bank statement for account #XXX0433 for the month of November 2013 includes a lot of withdrawals for items not included on the disbursement schedule, such as; Taco Bell, Red Carpet Car Wash, Save Mart, Chinese BBQ, Office Depot, Subway, Casa Corona, Jack In the Box, etc. Need clarification.
5. Petition asks for attorney fees totaling **\$6,625.00**. Attorney fees appear to include duplication of work by the attorney and the paralegal. For instance billing statement includes time for the attorney to prepare all the pleadings and also for the paralegal to prepare all the pleadings. The billing statement includes .30 hours (\$79.50) for the attorney to prepare the Duties of Conservator. In addition the billing statement also includes paralegal time of .20 (\$5.00) to prepare the same form. The only thing that needs to be prepared on the Duties of Conservator form is the case name and case number. The billing statement also includes time to prepare a Petition for Exclusive Authority to Give Medical Treatment that was filed at the same time as the Petition for Appointment of Conservator. This was an unnecessary petition in that the request can be made in Petition for Appointment of Conservator. The fees also include time for the preparation of the first amended petition.
6. Need original care facility statements for Sierra Vista Skilled Nursing Facility. Probate Code §2620(c)(5). Note: A Resident Account Report from Sierra Vista Health Care was filed on 7/30/14 however, the copy is not legible.

Note: Court will set status hearing as follows:

- **Wednesday, January 27, 2016 at 9:00 a.m. in Dept. 303** for the next accounting.

Pursuant Local Rule 7.5, if the document noted above is filed 10 days prior to the date listed, the hearing will be taken off calendar and no appearance will be required.
