<p><input checked="" type="checkbox"/> Pers.Serv.</p>	<p><b>Petitioners state</b> they originally petitioned for guardianship of Noah in 2009 because the father, who was the custodial parent, had passed away, and the mother had a drinking problem. After the petition was filed, the mother began working on the problem, a visitation plan was adopted, and Petitioners suspended their guardianship request. However, the problems have continued, and the mother is not capable of parenting Noah. She does not discipline him, set rules, or hold him accountable for defiant behavior. She buys him cigarettes and allows him to smoke marijuana. She knows he is out of control, but will not do anything because she doesn't want him to have a police record. She prefers to be his friend rather than his parent. Petitioners provide 81 pages of Noah's "tweets" containing references to selling drugs.</p>

<p>FTB Notice</p>	<p>Petitioners describe an incident from January 2013 when Noah called Petitioners at 1am and stated his mother had kicked him out of the house and could they come get him. Petitioners went there and attempted to speak with her, and observed Noah's room to be filthy with scraps of food, a bong, an empty bottle of Jack Daniels, and smelled of pot. Noah spent a couple of days with Petitioners. Petitioners also state Noah's school attendance is problematic.</p> <p>Petitioners have maintained an extensive log reflecting various inappropriate incidents. Petitioners request that Noah be placed under their custody and control.</p>	<p>File 2 – Manley</p>

**Leslie Smith, Mother, filed objections on 10-24-13.** Mother states the petition lacks any specific allegation regarding actions she has taken or neglected to take for the benefit of her son. Further, Petitioners neglect to point out that they have seen her twice in the last four years. The allegations are empty. Ms. Smith states she is a long time school teacher who lives in Fresno and commutes to Lemoore every day without incident. The DUI they refer to occurred **over 22 years ago**. Petitioners also neglect to point out that over the past 2 years they have failed to exercise any significant visitation with Noah despite the agreement that they could do so. With limited knowledge, they nevertheless allege that Noah is out of control. Noah is an incredibly articulate, intelligent young man performing adequately if not well in school. His grades are As and Bs. While he has experimented with alcohol and marijuana, the problem is not excessive, and he is disciplined for this use. Ms. Smith states she does not allow him to consume alcohol or marijuana. Noah continues to see his counselor on a regular basis. Most importantly, Noah has no desire to reside with Petitioners. He is well taken care of and guardianship is neither advisable nor appropriate.

---

**Ms. Smith requests the guardianship action be dismissed in its entirety and that Petitioners be compelled to pay costs, including attorney's fees, in responding to this frivolous motion. Points and Authorities provided.**

**DSS Social Worker Irma Ramirez filed a report on 11-7-13.**
