The primary creditor of the decedent is the United States of America, acting through the United States Department of Agriculture/Farm Service Agency. Following her appointment as executor, Executor requested that the bankruptcy be discharged and that the assets of the bankruptcy estate be delivered to her for probate administration. The United States opposed this request preferring that jurisdiction to adjudicate liability remain in Federal Court and that possession, custody and control of the decedent's assets rests with the Trustee appointed by Bankruptcy Court. Executor and Gilmore, Wood, Vinnard & Magness, attorneys for Executor, have rendered valuable services to the estate, but inasmuch as the estate has no assets, statutory compensation is \$0. In addition to ordinary services, Gilmore, Wood, Vinnard & Magness rendered in excess of 50 hours of extraordinary services litigating against the United States government and the decedent's brother in both decedent's bankruptcy proceedings and concerning the Estate of May McAfee (the decedent's mother). While the value of such services is significant, there are no assets in the estate from which compensation could be paid.

The decedent left his entire estate to Our Land Self Help Corporation. Unfortunately, the Estate has no assets. Hence, there is nothing to distribute to Our Land Self-Help Corporation.

Petitioner prays that the administration of this estate be brought to a close; the first and final account be settled, allowed, and approved as filed; that all acts and proceedings of Executor as Executor be confirmed and approved; that the Estate be closed and the fees and costs owing to Gilmore, Wood, Vinnard & Magness be discharged; that any further orders be made at the Court considers proper.

Amended Waiver of Accounting and Petition for Final Distribution and for Allowance of Compensation

DOD: 11-17-07		BRENT WISE , Son, is Petitioner.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>Continued from 2-19-14, 3-27-14, 4-14-14, 5-19-14, 6-16-14. The following issues remain:</p> <ol style="list-style-type: none"> Petitioner Brent Wise has not been appointed as Successor Administrator and therefore has no standing to bring this petition. Brent Wise will first need to be appointed as Successor Personal Representative. <u>Update: See Petition at Page B.</u> The original petition for probate alleged \$13,033.80 in personal property assets. However, I&A filed 3-14-08 indicated "various household furnishings and personal effects" valued at \$500.00 by the Administrator Jack Wise, rather than by the Probate Referee as required by Probate Code §8900. The Court may require clarification regarding the discrepancy in the amounts, and may require amended appraisal in accordance with applicable law. Petitioner requests distribution to himself as the heir of both this decedent and the former Administrator/spouse of the decedent, who is entitled to a ½ share of this estate. However, Pursuant to Probate Code §11802, distribution to a post-deceased heir must be made to the personal representative of his estate. Court records show that Petitioner was appointed as Executor of his father's estate on 10-2-13 in 13CEPR00643. <u>Therefore, need amended distribution.</u> <p><u>Note:</u> Petitioner filed a Petition for Final Distribution of the estate of Jack Wise that was continued to 4-29-14; however, without distribution from <i>this</i> estate, it does not appear that <i>that</i> estate is in a position to close.</p> <ol style="list-style-type: none"> Petitioner includes a fee computation of \$20.00 based on the Administrator's value assigned to personal property assets in the I&A. Petitioner does not appear to request payment, but does appear to reduce the proposed distribution by \$20. <u>Need clarification:</u> If the assets on hand consist solely of personal property items rather than cash, as stated, how is the distribution reduced by \$20? Who is \$20 to be paid to? Pursuant to Probate Code §12205, compensation may be reduced due to delay in closing the estate. <u>Need order.</u>

Petitioner states prior to mid-January 2013 the estate had no cash for payment of decedent's funeral expenses, the expenses to maintain decedent's real property prior to sale, and the retainer requested by the attorney Petitioner hired to take action against Gaylene Bolanos and her confederates. Petitioner borrowed \$10,900.00 from a friend named Rich Curll, to pay those expenses (itemization included in the accounting).

Petitioner prays for an Order:

1. The first and final account and report of Petitioner as Administrator be settled, allowed and approved as filed;
2. All acts and proceedings of Petitioner during his tenure as Administrator of the Decedent's estate be confirmed and approved;
3. Such further order as the Court considers proper.

NEEDS/PROBLEMS/COMMENTS (Cont.):

2. Petition does not state the status of the litigation against Gaylene Bolanos and her confederates. \$9,500.00 was paid to attorney Jeff Hammerschmidt as a retainer for his services. Court may require more information as to the litigation and the status of the retainer paid to attorney Hammerschmidt. – Declaration of Kirk Hagopian still does not give any information on the status of the retainer paid to Mr. Hammerschmidt. If Mr. Hammerschmidt did not do any work as alleged, then the retainer should be returned. Mr. Hagopian should have received a billing statement from Mr. Hammerschmidt regarding the retainer. The Court will require a copy of the billing statement showing what portion of the retainer was used and what it was used for. In addition, Mr. Hagopian states he has now hired attorney Leigh Burnside to prosecute an action against Ms. Bolanos. Mr. Hagopian states the action is still pending. Examiner was not able to find any action against Ms. Bolanos in Fresno County. Court will require the case number of the action filed against Ms. Bolanos to recover assets.
3. Disbursement schedule shows a disbursement of \$10,900 to repay the loan to Rich Curll however the receipt schedule does not show that the \$10,900 was received into the estate. Therefore the accounting does not balance. – Declaration states Mr. Hagopian never put the loan into the estate because no estate account had been opened. Any loan received by the estate that is ultimately paid back from the estate must be included in the receipt schedule or the accounting will not balance.
4. Itemization for costs advanced by Petitioner includes payment of \$18.00 to DMV to file non-operational on vehicle. However, no vehicle was ever inventoried into the estate. Need clarification. – Declaration of Mr. Hagopian states at the time of her death the decedent had an old auto that was in very poor condition. It had no value so he gave it away. He was required to pay the DMV \$18.00 to register car as no-operational. – The auto should have been included in the inventory whether or not it had value. In addition the court may require more information about this gift of the decedent's car.
5. Need Order

DOD: 12/07/11	GLORIA HAGOPIAN, was appointed successor administrator with bond set at \$10,000.00 and the remainder of funds to be placed into a blocked account on 05/27/14.	NEEDS/PROBLEMS/COMMENTS:
Cont. from 070814, 072214	Order to Deposit Money Into Blocked Account filed 7/11/14 orders all funds except for the sum of \$5,000.00 to be placed into a blocked account.	1. Receipt shows deposits totaling \$166,229.51 of which \$161,229.51 is blocked. The accounting on page 5A shows that the property on hand at the end of the account period is \$182,904.96. Therefore, the receipt is short \$21,675.45.
