ALERT REGARDING FRAUDULENT CALLS TO THE PUBLIC

The Fresno Superior Court has received reports from the public of fraudulent phone calls originating from a number appearing as one of the Court's official line, (559) 457-2150. The caller falsely claims to be from the Court or law enforcement and alleges that the recipient is facing federal charges and must immediately turn themselves in.

The Fresno Superior Court reminds the public that the Court does not contact individuals by phone regarding criminal charges, warrants, or requests to surrender.

These fraudulent calls are intended to intimidate recipients and may involve attempts to obtain personal information. The Court urges anyone receiving such calls **not to provide any personal information** and to **report the incident to their local law enforcement agency**.

If there is any doubt about the legitimacy of a call, residents are encouraged to independently verify contact information through the Court's official website, www.fresno.courts.ca.gov, and contact the Court directly.

The Fresno Superior Court remains committed to protecting the public and providing timely information to prevent fraud and protect community safety.
