B. No one may engage in photographing, recording, broadcasting, or activating any camera, microphone, recorder or broadcasting device while in Court, or in any courthouse, except:

1. Authorized court and court security personnel;
2. As permitted by California Rules of Court, rule 1.150, or by this rule;

FRESNO COUNTY SUPERIOR COURT

C. For purposes of this rule, the following definitions apply:

1. "Court" means any courtroom or courthouse in the County where the court conducts business, including all entrances, exits, hallways, escalators, elevators, and secured court parking areas.

2. "Camera" means any device that has a primary function of recording images and is not part of a multifunction device such as a "smartphone."

3. "Wearable Electronic Device and Wearable Camera" means any miniature electronic device that is worn under, with, or on top of clothing and having a primary purpose of image capture or recording (such as Google Glass, Go Pro Cameras, Lapel Pin cameras).

D. This rule shall not preclude any law enforcement officer from taking appropriate steps to ensure the orderly and peaceable conduct of court business at a courthouse, including the recording of criminal activity in progress. A law enforcement officer's use of a body camera for passive recording is allowed provided it is in conformity with agency policies and the camera is set to automatically overwrite data within the timeframe prescribed by the officer's departmental standards.

E. Except for representatives of media or media agencies as defined in California Rules of Court, rule 1.150(b)(2), no person shall bring into any courthouse a Camera, Wearable Electronic Device, or Wearable Camera, nor may any person operate a Personal Electronic Device in violation of this rule.

F. To establish whether a person is bringing a Camera into the courthouse for the purpose of media coverage security personnel may require that person to either provide a press pass issued by a local law enforcement agency, other verifiable press credentials, or a copy of a current filed petition seeking a court order.

G. Personal Electronic Devices may be brought into a court facility but may be used only in accordance with this rule and California Rules of Court, rule 1.150. All electronic devices may be inspected by court security personnel who shall comply with the Electronic Privacy Communications Act (Penal Code sections 1546; 1546.1, et seq.).

H. This rule does not prohibit the use of portable scanners, cameras, or copiers, provided such devices are used solely for the permissive purpose of imaging documents.

FRESNO COUNTY SUPERIOR COURT

I. Prior to entering a courtroom, all Cameras, Wearable Electronic Devices and Wearable Cameras, Personal Electric Devices, pagers, and all other electronic communication or recording devices must be silenced or, in the discretion of the judicial officer, turned off. No such device shall be handled in any way as to indicate that a picture, audio or video recording is being taken except in compliance with this rule. Any such device which disrupts the proceedings shall be subject to confiscation and search. Nothing in this rule shall restrict a judicial officer's discretion to regulate the use of such devices in his or her courtroom.

J. A copy of this rule shall be made reasonably available or posted near every security entry point into each court building, and at such other locations as the court's Director of Security directs. Violation of this rule may result in seizure of the device, monetary sanctions pursuant to section 177.5 of the Code of Civil Procedure, and/or a finding of contempt pursuant to sections 128 and 1209 of the Code of Civil Procedure, and/or arrest pursuant to Penal Code sections 166(a)(4), 166(a)(5), and 632.

K. Any court staff, security personnel or peace officer who becomes aware that a person is using a device in violation of this rule is directed to advise such individual orally of this rule, and take steps to provide the person with a written copy of this rule as soon as practical. Security personnel or a peace officer who has reasonable cause to believe a violation of this rule has occurred are requested to prepare an incident report, and if the circumstances warrant immediate corrective action because the person persists in violating this rule despite being informed of it or has violated the rule in a way that appears to have a significant adverse impact upon court security or the fair and orderly resolution of cases, shall take possession of the device and bring the person without unnecessary delay to the courtroom of the judicial officer, division supervising judge, Assistant Presiding Judge or Presiding Judge. Such judicial officer may take such action or issue such orders to show cause regarding imposition of sanctions or contempt pursuant to Code of Civil Procedure sections 128, 177.5, and 1209, and concerning the device, as may be appropriate. (Effective January 1, 2019, New)

Further, other departments may be assigned unlimited civil, limited civil, probate or family support hearings for which no court reporters will routinely be provided by the Court.

If a party wishes to provide a court reporter for a hearing or trial, prior to the hearing or trial date, such party must file a statement with the Court requesting the presence of an official court reporter, stating therein their intent to provide their own official court reporter.

FRESNO COUNTY SUPERIOR COURT

A party to an unlimited civil, family law or probate action who has been granted a fee waiver may file a request for an official court reporter to be provided by the Court for a specific hearing or trial. This request is required to be made separately from the above-mentioned statement and must be filed at the time the hearing is set or when notice of the hearing or trial is received. If the request is untimely, an official court reporter may not be available at the time of the hearing or trial. The “Request for Presence of a Court Reporter” form is mandatory when a party with an active fee waiver makes a request for an official court reporter to be provided by the Court. The form is available in the Family, Probate and Civil clerks’ offices and on the Fresno County Superior Court website: <http://www.fresno.courts.ca.gov/general-information/court-reporters>. 2.1.6 Extensions of Time by the Court

A. The court may extend any time requirement for service of process or for filing proof of service or responsive pleadings upon a showing of good cause on noticed motion or by ex parte application, which may be made on the form available from the Clerk's Office and on the court's website. The motion or application must be filed before the expiration of the initial time period within which the act is required to be done. When a request for an extension is filed, the court may deny the request, grant an extension of time to a specified date, or conduct a hearing on the matter.

B. When applying to the court to extend time for service of process based on the conditions stated in Code of Civil Procedure § 583.240, the plaintiff shall set forth the earliest date by which service may reasonably be effected so that the court may set a date for service and for the filing of a proof of service. (Rule 2.1.6 renumbered effective January 1, 2006; adopted as Rule 3.6 effective May 14, 2001)

2.1.7 Case Management Plans

A. All general civil cases and complex litigation shall be assigned to one of the following case management plans:

1. Plan 1: cases to be disposed of within 12 months.
2. Plan 2: cases to be disposed of within 18 months.
3. Plan 3: cases to be disposed of within 24 months.
4. Exempt complex litigation: complex litigation as defined in Rule 1.1.4 that is not expected to be disposed of within 24 months.

FRESNO COUNTY SUPERIOR COURT

B. Unless designated as a complex case in accordance with the California Rules of Court, all general civil cases shall be deemed to be assigned to Plan 1 upon the filing of the complaint. The court may reassign a case to a different plan at the time of a Case Management Conference or on noticed motion showing good cause for the reassignment.

C. All cases filed as class actions shall be initially assigned on a provisional basis as exempt complex litigation, subject to the Court reassigning any class action case to a different plan. (Effective July 1, 2014; Rule 2.1.7 renumbered effective January 1, 2006; adopted as Rule 3.7 effective May 14, 2001)

2.1.8 Stipulation for Trial Setting in Lieu of Case Management Conference

A. In general civil cases that are at issue before the Case Management Conference, if no jury is demanded and the time estimate for trial is two (2) hours or less, the parties may execute and file a Stipulation for Trial Setting in Lieu of Case Management Conference. The Stipulation shall be filed on a form that is available from the Clerk's Office and on the court's website. The Stipulation must be signed by all attorneys and self-represented parties.

B. If the filing of the Stipulation does not result in a trial date being set prior to the Case Management Conference, the Case Management Conference must be attended by all attorneys and self-represented parties as required by Rule 2.1.9.

C. Preference shall be deemed waived unless the At Issue Memorandum or Counter At Issue Memorandum states that the case is entitled to preference in setting. (Effective July 1, 2010; Rule 2.1.8 renumbered effective January 1, 2006; adopted as Rule 3.8 effective January 1, 2002)

2.1.9 Case Management Conference

A. All parties are required to appear at the Case Management Conference. The person attending the conference shall have sufficient understanding of the case and sufficient authority to make decisions and agreements as necessary, including agreements regarding submission of the case to ADR (such as choosing the form of ADR and choosing an arbitrator or mediator), and decisions regarding demanding or waiving a jury trial, assignment of the case to a Plan and the dates to be set for trial and settlement conference.

B. Unless the court determines otherwise, all cases except complex litigation are deemed at issue and ready to be set for trial at the time of the Case Management Conference.

C. At the Case Management Conference, all at issue cases will be assigned a date for trial, mandatory settlement conference, and trial readiness hearing.

FRESNO COUNTY SUPERIOR COURT

D. At the case Management Conference, the court may:

1. Reassign the case to Plan 2 or Plan 3;
2. Designate the case as complex litigation, refer it to the Presiding Judge for assignment of a judge for all purposes, and set it for a further Case Management Conference before the assigned judge;
3. Order or refer the case to ADR;
4. Direct one or more parties to effect service of process, file specified motions, or take other specified actions within specified time periods;
5. Record each party's demand or waiver of jury trial;
6. Schedule a further Case Management Conference;
7. Make a scheduling order, which may include a completion date for discovery and a final date for motions;
8. Schedule the matter for a dismissal hearing or issue an order to show cause;
9. Impose sanctions, including dismissal of the case;
10. Make such other orders as the court deems appropriate.

E. A Case Management Conference will be taken off calendar only if the case has been disposed of or has received a trial date prior to the Conference. For purposes of this rule, a case is disposed of if a judgment or dismissal of the entire action has been filed. If the case has been stayed or a notice of conditional settlement has been filed, the Conference will be continued. If any of these conditions has been met, it is the responsibility of the parties to notify the TCDR Clerk in writing and ask that the Conference be taken off calendar or continued. (Rule 2.1.9 renumbered effective January 1, 2006; adopted as Rule 3.9 effective May 14, 2001)

2.1.10 Trial Date and Conflicts

A. Ordinarily, Plan 1 cases will be assigned a trial date that is approximately 330 days after the date the complaint was filed.

1. At the request of all parties or at the request of any party without objection from any other party, a Plan 1 case may be set for trial on the earliest available court date. The request may be made at the At Issue Memorandum pursuant to Rule 2.1.8, or by stipulation. If the request is made in the At Issue Memorandum, it will be deemed unopposed if no Counter At Issue Memorandum is timely filed challenging the request. If an objection is made, the court will

FRESNO COUNTY SUPERIOR COURT

determine at the Case Management Conference whether the case should be set for trial on the earliest available court date.

2. Limited civil cases in which an early trial date is not requested as described in subdivision (1) will ordinarily be assigned a trial date that is approximately 90 days after the initial Case Management Conference date.

B. Plan 2 cases will be assigned a trial date that is approximately 480 days after the date the complaint was filed.

C. Plan 3 cases will be assigned a trial date that is approximately 630 days after the date the complaint was filed.

D. No trial date may be continued merely on stipulation of the parties. On a showing of good cause, the trial date may be continued by court order, obtained by noticed motion or by ex parte application presented to the assigned Civil Judge for All Purposes, at least five (5) court days before trial. It may also be continued pursuant to (F) below.

E. If an application for a continuance is presented less than five (5) court days before the trial date, it shall contain a detailed factual declaration demonstrating good cause for the delay.

F. After a trial date has been assigned, any party who has a conflict with the trial date shall, immediately upon having knowledge of the conflict, submit a letter to the Civil Supervising Judge and to all other parties notifying them of the conflict. The court shall maintain the trial date until the trial readiness hearing unless: (1) a continuance has been granted pursuant to (D) above, or (2) a continuance is otherwise approved by the Court. (Effective July 1, 2025; Rule 2.1.10 renumbered effective January 1, 2006; adopted as Rule 3.10 effective January 1, 2002)

2.1.11 Complex Litigation

A. Cases designated as complex litigation shall be exempt from the case disposition time standards of Rule 2.1.2. When a case is designated as complex litigation, the case shall be referred to the Presiding Judge or his designee, who may assign the case to one judge for all purposes or make other orders as appropriate.

B. If the case is assigned to one judge for all purposes, any pending or future Case Management Conference will be heard before the assigned judge. At or after the Case Management Conference, the assigned judge shall establish a case progression plan and assign a trial date designed to ensure that the case will progress to a disposition in a timely fashion, consistent with the purposes of the Trial Court Delay Reduction Act and with the particular needs of the case. After assignment, the assigned judge shall hear all of the proceedings in the case, except the mandatory settlement conference and except as otherwise ordered by the Presiding Judge. The

FRESNO COUNTY SUPERIOR COURT

assigned judge shall monitor the case to its conclusion, with the goal that it be disposed of within three (3) years after filing.

C. If the case is not assigned to one judge for all purposes, the case will be set for a further Case Management Conference before the Case Management Conference judge or another designated judge. The Case Management Judge or designated judge shall establish a case progression plan and monitor the case to ensure timely disposition consistent with the exceptional circumstances, with the goal of disposition within three (3) years after filing.

D. All cases initially filed as class actions shall be assigned to one judge for all purposes. Within one hundred twenty (120) calendar days of the filing of the action, an initial Case Management Conference will be heard before the assigned judge. Notice of the initial Case Management Conference will be given by the Court no later than forty-five (45) calendar days before the conference. The parties to the action will file a joint Case Management Conference Statement no later than seven (7) calendar days before the initial Case Management Conference, which shall address the following matters, among others:

1. Whether there are any related cases;
2. Whether all parties named in the complaint or cross-complaint have been served, have appeared, or have been dismissed;
3. Whether any additional parties may be added or the pleadings may be amended;
4. Whether any other matters (e.g., the bankruptcy of a party) may affect the Court's jurisdiction or processing of the case;
5. Whether the parties have stipulated to, or the case should be referred to, judicial arbitration in courts that have a judicial arbitration program or to any other form of alternative dispute resolution (ADR) process and, if so, the date by which the judicial arbitration or other ADR process must be completed;
6. Whether an early settlement conference should be scheduled and, if so, on what date;
7. What discovery issues are anticipated;
8. The date by which discovery will be completed concerning the class certification issues;
9. Any issues relating to the discovery of electronically stored information, including:

FRESNO COUNTY SUPERIOR COURT

- a. Issues relating to the preservation of discoverable electronically stored information;
 - b. The form or forms in which information will be produced;
 - c. The time within which the information will be produced;
 - d. The scope of discovery of the information;
 - e. The method for asserting or preserving claims of privilege or attorney work product, including whether such claims may be asserted after production;
 - f. The method for asserting or preserving the confidentiality, privacy, trade secrets, or proprietary status of information relating to a party or person not a party to the civil proceedings;
 - g. How the cost of production of electronically stored information is to be allocated among the parties;
 - h. Any other issues relating to the discovery of electronically stored information, including developing a proposed plan relating to the discovery of the information;
10. A proposed schedule for class certification motions, including any motions to strike class certification. The schedule shall include the proposed date for filing of any motions, the proposed date for filing any oppositions, the proposed date for filing any replies for motions and the proposed date for hearings on those motions;
11. Any other matters that should be considered by the Court or addressed in its case management order; and
12. Other relevant matters.

At the conclusion of the initial Case Management Conference, the Court may issue an order, including setting further Case Management Conferences. (Effective July 1, 2013; Rule 2.1.11 renumbered effective January 1, 2006; adopted as Rule 3.11 effective July 1, 2003)

2.1.12 Continuance or Modification

No time standard or deadline specified in these rules, nor any schedule, date, time limitation or other requirement imposed by any order made pursuant to these rules may be modified, extended or voided by any stipulation or agreement of the parties unless a written order approving it is obtained from the court. Continuances, extensions or modifications may be obtained by noticed motion or ex parte application, on a showing of good cause. (Rule 2.1.12 renumbered effective January 1, 2006; adopted as Rule 3.12 effective May 14, 2001)

FRESNO COUNTY SUPERIOR COURT

2.1.13 Settlement and Conditional Settlement

A. When a case settles, whether by conditional settlement or otherwise, the plaintiff shall comply with Rule 3.1385 of the California Rules of Court. Written notice of settlement shall be given on the Notice of Settlement form, which is available from the Clerk's Office and on the court's website.

B. When a settled case has not been dismissed within 45 days of the notice of settlement or within 45 days of the dismissal date specified in the notice, if the settlement is conditional, the court will set the matter for a Rule 3.1385 hearing. An unexcused failure or plaintiff to appear at the hearing may result in the court's dismissal of the case.

C. An extension of time for filing the dismissal may be granted on a showing of good cause. Requests for extensions shall be made on the Request for Extension of Time to File Dismissal form, which is available from the Clerk's Office and on the court's website. (Effective July 1, 2007; Rule 2.1.13 renumbered effective January 1, 2006; adopted as Rule 3.13 effective July 1, 2002)

2.1.14 Entry of Default Judgment by the Court

A. **Written Declarations Preferred Practice.** The Court prefers that applications for entry of default judgment (commonly referred to as "default prove ups") be made on written declarations pursuant to Code of Civil Procedure section 585, subdivision (d). The Court reviews each submitted application for entry of default judgment in the order received.

B. **Hearings.** Parties should set default prove ups for hearing only in exceptional cases. The Court, in its discretion, may also set an application for entry of default judgment on declarations for a hearing. The court will give notice of any such hearing. Parties must obtain hearing dates from the Civil Unlimited Law and Motion Clerk. Default prove ups set for hearing shall be supported by proof by written declaration in accordance with this rule and California Rules of Court, rule 3.1800. Such papers must be filed no later than 16 calendar days prior to the hearing. Evidence of the parties' exceptional circumstances shall be included with their supporting papers. If, after reviewing the materials submitted, the Court determines that oral testimony or additional documentary evidence is necessary, the tentative ruling posted prior to the hearing pursuant to Local Rule 2.2.6, will so indicate.

Live testimony in support of default prove up may not exceed 10 minutes of court time without prior approval by the assigned judge. This approval may be sought by ex parte application. Ex parte applications must set forth the exceptional circumstances justifying a hearing and explain why more than 10 minutes of live testimony is required.

FRESNO COUNTY SUPERIOR COURT

C. **Supporting Papers.** A party seeking a default judgment must present evidence in support of his or her claim by competent witnesses having personal knowledge of the essential facts, preferably by affidavit or declaration by such witnesses. In addition to the items required by California Rules of Court, rule 3.1800(a), the court also requires the submission of a “Default Prove Up Brief” that summarizes the evidence submitted, the relief requested, and provides any necessary legal analysis. The statement of the case required by rule 3.1800(a)(1) should be included in this brief. All materials in support of a default prove up should be submitted together as a single document, with each item listed separately in the caption of the combined pleading.

If attorneys’ fees based on a contract are requested, the party must submit a copy of the contract with the language supporting such an award highlighted with their supporting papers. (Effective July 1, 2025; Rule 2.1.14 renumbered effective January 1, 2006; adopted as Rule 3.14 effective July 1, 2000)

2.1.15 Signatures on Orders

It is the policy of the court not to sign orders or judgments unless some portion of the text of the order or judgment appears on the page to which the judicial officer’s signature is affixed, so that the connection between the signature page and the remainder of the order or judgment is apparent. (Rule 2.1.15 renumbered effective January 1, 2006; adopted as Rule 3.15 effective July 1, 2000)

2.1.16 Designation of Counsel

When a law firm is the attorney of record in a civil action, the attorney who signed the initial pleading shall be designated to receive notices in the case. If, after the filing of the initial pleading, the attorney who is to receive notices changes, then a Designation of Counsel must be filed with the court. The designation must include the name and state bar number of the designated attorney. The designation may be made on a form available from the Clerk’s Office and on the court’s website. (Rule 2.1.16 renumbered effective January 1, 2006; adopted as Rule 3.16 effective May 14, 2001)

2.1.17 Resolution of Discovery Disputes

A. No motion under sections 2017.010 through 2036.050, inclusive, of the California Code of Civil Procedure shall be heard in a civil unlimited case unless the moving party has first requested an informal Pretrial Discovery Conference with the Court and such request has either been denied and permission to file the motion is granted via court order or the discovery dispute has not been resolved as a result of the Conference and permission to file the motion is expressly granted. This rule shall not apply the following:

1. Motions to compel the deposition of a duly noticed party or subpoenaed person(s) who have not timely served an objection pursuant to Code of Civil Procedure section 2025.410;

FRESNO COUNTY SUPERIOR COURT

2. Motions to compel initial responses to interrogatories, requests for production and requests for admissions;

3. Motions to quash or compel compliance regarding a subpoena served on a nonparty; and

4. Motions to compel compliance with initial disclosures.

B. Before filing a request for a Pretrial Discovery Conference, the requesting party must initiate and participate in a “meet and confer” process (see Local Rule 1.1.4) in an attempt to resolve or narrow any discovery dispute.

C. Any request for a Pretrial Discovery Conference must be filed with the Clerk’s Office on the approved form (provided by the clerk), must include a brief summary of the dispute, must include a detailed explanation of meet and confer efforts, and must be served on opposing counsel on or before the date it is filed with the Court. Any opposition to a request for a Pretrial Discovery Conference must also be filed on an approved form (provided by the clerk), must include a brief summary of why the requested discovery should be denied, must be filed within five (5) court days of service of the request for a Pretrial Discovery Conference, extended five (5) days for service by mail, and must be served on opposing counsel.

D. Excepting a privilege log, if required pursuant to subsection B, below, no other pleadings, including but not limited to exhibits, declarations, or attachments, will be accepted.

E. If the party opponent has *any* opposition to the dispute as stated in the request described in paragraph no. 1 above, a written opposition on the approved form shall be timely filed or it will be considered by the Court as a refusal to participate as defined in “I” below.

F. The parties will be notified by minute order whether the request has been granted or denied and, if granted, the date and time of the Pretrial Discovery Conference. If the Court has not issued a minute order within fifteen (15) court days after the due date of any opposition, then the request for pretrial conference shall be deemed denied with permission to file the motion expressly granted.

G. Filing a request for a Pretrial Discovery Conference tolls the time for filing a motion to compel discovery on the disputed issues for the number of days between the filing of the request and issuance by the Court of a subsequent order pertaining to the discovery dispute. The Court’s order will specify the number of days the time for filing a motion is tolled. On the condition that the request is filed within the forty-five (45) day jurisdictional limit of the California Discovery Act, if the Court has not issued a minute order within fifteen (15) court days after the due date of any opposition, then the number of days the time for filing a motion shall be tolled for a period of fifteen (15) days if the request for Pre-Trial Conference was served personally and twenty (20) days if the request for Pre-Trial Conference was served by mail.

FRESNO COUNTY SUPERIOR COURT

H. Where privilege is a basis for refusal to produce documents, privilege logs must be provided. The privilege log must include an identification of all sending and receiving entities, as well as details of the information sufficient to apprise the opposing party of the basis for the privilege.

I. Refusal of any counsel to participate in a Pretrial Discovery Conference shall be grounds, in the discretion of the Court, for entry of an order adverse to the party represented by counsel so refusing, or adverse to counsel. Failure to file a written opposition to the merits underlying a request for a Conference is considered a refusal to participate. Where there has been no written opposition to the merits of the request filed the Court may, in its discretion, enter an order adverse to the non-responding party. (Effective July 1, 2024; adopted as Rule 2.1.17 effective January 1, 2013)

(Rule 2.1 renumbered effective January 1, 2006; adopted as Rule 3 effective July 1, 1992)

RULE 2.2 CIVIL LAW AND MOTION

2.2.1 Setting Law and Motion Hearing

Prior to the filing of any law and motion matter, a date and time for hearing shall be reserved with the law and motion clerk. Parties may also obtain a date and time for hearing of the law and motion matter for the earliest available date at the filing counter in the civil clerk's office upon presentation of moving papers and payment of appropriate fees. When calling to reserve a hearing date for a discovery motion, the person setting the motion shall provide information regarding compliance with rule 2.1.17. The person setting the motion shall inform the Clerk of one of the following:

A. The motion is to compel initial responses and is, therefore, exempt from rule 2.1.17;

B. Rule 2.1.17 has been complied with and permission to file the motion has been granted by the Court; or

C. Rule 2.1.17 does not apply to the motion being set. Anyone claiming C must provide the name of the attorney or self-represented party making the claim and a brief explanation to support the claim. (Effective July 1, 2016; Rule 2.2.1 renumbered effective January 1, 2006; adopted as Rule 4.1 effective January 1, 1997)

2.2.2 Taking Law and Motion Hearing Off Calendar

A. Any party who reserves a date and time for hearing with the Clerk, but fails to timely file moving papers for a hearing on that date, shall promptly notify the Clerk and request that the hearing be taken off calendar.

B. Any reserved law and motion date may be vacated by the Court without further notice if the moving papers are not filed the required number of days before the hearing date.

FRESNO COUNTY SUPERIOR COURT

C. Unless otherwise ordered by the Court, any moving party who wishes to have a law and motion hearing taken off calendar after the moving papers have been filed but before a response has been filed, may be required to give written notice to the Clerk, the assigned judge, and all parties at least five (5) court days before the scheduled hearing date. Notice to the Clerk may be sent by facsimile and shall be accompanied by proof that notification was given to all parties. Proof of notification to all parties may be made:

1. By proof of service by mail, or
2. By letter indicating that a copy thereof has been sent by facsimile to all parties, or
3. By a declaration stating when, and in what manner, notice was given to all parties.

D. A law and motion matter may also be taken off calendar by stipulation of the parties at least five (5) court days before the scheduled hearing, with written notice to the Clerk and assigned judge.

E. Any moving party who wishes to have a law and motion matter taken off calendar after the responsive papers have been filed shall do so by stipulation of the parties or shall obtain the permission of the assigned judge and give written notice to all parties. Proof of notification to all parties shall be made as described in (C) above.

F. Within five (5) court days of the hearing, permission to take the matter off calendar shall be obtained only from the assigned judge. (Effective January 1, 2025; Rule 2.2.2 renumbered effective January 1, 2006; adopted as Rule 4.2 effective January 1, 2003)

2.2.3 Continuing a Law and Motion Hearing

A. Any request for continuance of a law and motion hearing, may be required to be made in writing to the assigned judge at least five (5) court days before the scheduled hearing with proof of notification to all parties as described in Rule 2.2.2. The request may be submitted by facsimile. The request for continuance shall include a specific date for the continued hearing and a statement indicating whether the other parties consent or object to the continuance and/or the requested new hearing date.

B. If the request is made after the five (5) court day time limit has passed, the request shall contain a detailed factual explanation demonstrating good cause for the delay. (Rule 2.2.3 renumbered effective January 1, 2006; adopted as Rule 4.3 effective January 1, 2003)

2.2.4 Remote Appearances

When remote appearances are allowed, attorneys or parties may utilize the designated audio or video platform as identified by the Court. Attorneys or parties may

FRESNO COUNTY SUPERIOR COURT

appear by “CourtCall,” by making prior arrangements with the private company that administers the program. CourtCall may be arranged by calling (888) 882-6878, or the telephone number of any other vendor as approved by the Court. Attorneys or parties granted a remote appearance for video will receive the appropriate information via the email address provided in the original request. All requests for remote appearances must be submitted as set forth in The Superior Court of Fresno County, Local Rules.

(Effective January 1, 2025; Rule 2.2.5 (now 2.2.4) renumbered effective July 1, 2020; adopted as Rule 4.5 effective July 1, 2000)

2.2.5 Tentative Rulings

A. The court follows the tentative ruling procedure set forth in Rule 3.1308(a)(1) of the California Rules of Court. A tentative ruling on civil law and motion matter may be obtained by:

1. Telephoning the court at (559) 457-4943; or
2. Accessing tentative rulings on the court’s website.

B. If a party wishes to appear for oral argument, the notice to be given to the court, as required by Rule 3.1308(a)(1) of the California Rules of Court, must be given by telephone to the clerk in the department to which the matter is assigned for hearing. (Effective January 1, 2010; Rule 2.2.6 (now 2.2.5) renumbered effective July 1, 2020; adopted as Rule 4.6 effective January 1, 2005)

2.2.6 Appendix of Authorities

If a party cites to out-of-state cases, statutes or rules, or authority cited through a “Lexis” or “Westlaw” citation, a copy of each authority shall be lodged in a separately bound appendix of authorities, and each authority shall be tabbed and indexed as an exhibit as required by California Rules of Court, rule 3.1110(f). (Effective January 1, 2013; Rule 2.2.7 (now 2.2.6) renumbered effective July 1, 2020; adopted as Rule 2.2.7 effective January 1, 2013)

RULE 2.3 EARLY MANDATORY MEDIATION PILOT PROGRAM

Repealed. (Effective January 1, 2007)

RULE 2.4 ALTERNATIVE DISPUTE RESOLUTION (ADR)

2.4.1 ADR Information

Attorneys shall provide their clients with a copy of the ADR information package at the earliest available opportunity. Upon request, the ADR information package and related forms may be obtained from the Civil Clerk’s Office, ADR Department or the ADR section of the Court’s website. Plaintiffs and cross-complainants shall serve a copy of the ADR information package on each defendant or cross-defendant as required by the California Rules of Court and complete ADR requirements in

FRESNO COUNTY SUPERIOR COURT

accordance with Local Rule 2.4. (Effective January 1, 2024; Rule 2.4.1 renumbered effective January 1, 2006; adopted as Rule 7.1 effective May 14, 2001)

2.4.2 Participation in ADR

All parties must engage in some form of Alternative Dispute Resolution (ADR), such as mediation. The selected ADR process must be completed prior to the Mandatory Settlement Conference. Failure to do so may result in the Court imposing sanctions, unless excused by the Court upon a timely showing of good cause by written declaration. (Effective January 1, 2020, New)

2.4.3 Stipulation to ADR

If all named parties to the complaint have filed an appearance, the parties shall confer prior to the Case Management Conference (CMC) and file a Stipulation regarding Alternative Dispute Resolution (TADR-01 form) designated by the Court, at least ten (10) court days prior to the CMC. Parties who fail to file the ADR Stipulation may be subject to sanctions at an Order to Show Cause (OSC) hearing set by the Court. (Effective January 1, 2020, New)

2.4.4 ADR Status Report

At least ten (10) court days prior to the Mandatory Settlement Conference, the parties shall file an Alternative Dispute Resolution Status Report (TADR-03 form) designated by the Court. Parties who fail to file the ADR Status Report may be subject to sanctions at an OSC hearing held on the same date as the Trial Readiness hearing, or as otherwise set by the Court. (Effective January 1, 2020, New)

(Rule 2.4 renumbered effective January 1, 2006; adopted as Rule 7 effective July 1, 1992)

RULE 2.5 MANDATORY SETTLEMENT CONFERENCE

2.5.1 Mandatory Settlement Conference

A mandatory settlement conference shall be held pursuant to Rule 2.5 for every civil case set for trial on the master calendar, except as follows:

A. Small claims, unlawful detainers, and family law cases. (For Family Law Department requirements, refer to Rule 5.7.)

B. Short cause cases.

C. In any case where, at least thirty (30) days prior to the date set for trial, all parties have filed a written stipulation that they have previously engaged in one court-supervised settlement conference and do not believe another settlement conference would be productive. Plaintiff shall notify the ADR Department of the filing of the stipulation.

FRESNO COUNTY SUPERIOR COURT

D. In any case where, at least thirty (30) days prior to the date set for trial, all parties have filed a written stipulation that they have engaged in mediation, conducted by a neutral mediator, and do not believe a settlement conference would be productive. Plaintiff shall notify the ADR Department of the filing of the stipulation.

E. By order of the court for good cause, based upon a petition addressed to the Civil Supervising Judge and submitted in care of the ADR Department citing this rule, filed and served on all other parties at least thirty (30) days prior to trial. Opposition to the petition shall be in writing, submitted to the Civil Supervising Judge in care of the ADR Department, filed and served on all parties no later than ten (10) days after service of the petition. There will be no oral argument on such petitions. Parties will be notified of the court's ruling. Good cause requires facts supporting the conclusion that it would be extremely unlikely that a settlement conference will resolve the case.

F. Failure to comply with Rule 2.4.2 requiring the completion of ADR prior to a Mandatory Settlement Conference. (Effective January 1, 2020; Rule 2.5.1 renumbered effective January 1, 2006; adopted as Rule 8.1 effective January 1, 1997)

2.5.2 Meet and Confer Prior to Settlement Conference

A. In all cases set for a settlement conference where the parties are not excused from attending the settlement conference, the parties shall meet and confer prior to the date set for the settlement conference in a good faith attempt to settle all issues. The requirement of this rule is met by a face-to-face meeting between the parties, or by engaging in mediation before a neutral mediator. If, however, an attorney's office is located outside of Fresno County, or a party in pro per resides outside of Fresno County, that party may meet the requirement of this rule by meeting and conferring telephonically in a good faith attempt to settle all issues. Communication by writing will not suffice.

B. The fact of compliance with this rule, and the results of the meet and confer conference shall be set forth in the settlement conference statement. (Rule 2.5.2 renumbered effective January 1, 2006; adopted as Rule 8.2 effective January 1, 1998)

2.5.3 Further Settlement Conference on Day of Trial

Any party wishing to respond to the request shall respond

by letter to the Civil Supervising Judge in care of the ADR Department, with a copy provided to each party, within two (2) days of receipt of the request letter.

B. If the request is made after the thirty-day limit has passed, the request shall include a detailed factual declaration demonstrating good cause for the delay.

C. The party making the request may submit a stipulation or joint request reflecting the consent of all other parties to the proposed change. The court will generally not grant a request for a change of date for the settlement conference unless all parties have been contacted by the requesting party and have agreed to a new date and time.

D. Parties will be notified of the court's ruling.

E. On the request of an attorney whose office is located outside the County of Fresno, the court will attempt, if possible, to reschedule a settlement conference at a different time, but on the same date, when such request is made pursuant to subparagraph A above. (Effective July 1, 2017; Rule 2.5.4 renumbered effective January 1, 2006; adopted as Rule 8.4 effective January 1, 1997)

2.5.5 Attendance

A. **Parties.** All parties shall be personally present at the settlement conference except that an insured party is not required to appear where that party's insurance carrier admits coverage for all causes of action alleged against that party, full authority has been granted by such insured party to the carrier and attorney to settle within policy limits, and the highest demand for settlement is within policy limits. However, where the carrier assumes the defense pursuant to a reservation of rights, the insured shall attend the settlement conference also.

A party who is not an individual shall appear by a representative who shall be fully familiar with the facts of the case and have full authority to settle. If the party's governing body is a board, council, or committee which is required to approve settlement, the representative attending the settlement conference on behalf of that party shall have authority to recommend approval directly to such governing body, without seeking approval from any other person prior to making such recommendation.

B. **Attorneys.** The trial attorney for the case shall be personally present. The only exception shall be where the trial attorney is engaged in another trial at the same time as the settlement conference, in which case another attorney from the trial attorney's office shall attend, who is fully familiar with the facts of the case and has full authority to settle and who has discussed the case thoroughly with the client prior to the settlement conference.

C. **Insurance Claims' Employee.** In any case which requires consent of an insurance carrier to settle, an employee of the insurance carrier, who is fully familiar with the case and who has full authority to settle, shall be personally present. A claims

FRESNO COUNTY SUPERIOR COURT

adjuster retained only for the purpose of attending the settlement conference will not be acceptable.

D. **Consent of Others.** Where the consent of a spouse, business partner or other person is necessary to achieve settlement, even though this person is not a named party, every reasonable effort shall be made to either secure the attendance of such person at the settlement conference or have that person immediately available by telephone until released by the court.

E. **Structured Settlements for Minors.** In any case involving possible settlement for the benefit of a minor, where the settlement value might reasonably exceed \$25,000.00, the defendant seeking settlement with the minor shall bring to the settlement conference, or, throughout the settlement conference shall have immediate access to, a person qualified to compute present values under a structured settlement.

F. **Excused Attendance.** Subject to the above the court will not excuse parties, attorneys, or insurance carrier employees from required attendance except upon a timely showing of good cause by written declaration.

G. **“Full Authority to Settle Defined”.** In the case of a plaintiff or cross-complainant, “full authority” to settle means the attendee shall have the individual discretion and authority to negotiate, without consultation with others, and dismiss the complaint or cross-complaint in return for no consideration from the defendant or cross-defendant. In the case of a defendant or cross-defendant, “full authority” to settle means the attendee shall have the individual discretion and authority to negotiate, without consultation with others, and pay the highest demand made to date by the plaintiff or cross-complainant.

In the case of public entity parties whose elected bodies (e.g., City Council, Board of Supervisors) must approve a settlement, the attendee must be an authorized representative of the public entity who is fully informed as to the parameters under which the entity will approve a settlement. (Effective January 1, 2025; Rule 2.5.5 renumbered effective January 1, 2006; adopted as Rule 8.5 effective January 1, 2005)

2.5.6 Settlement Conference Statement

A. Each party shall submit their settlement conference statement to the ADR Department and serve on all parties, in pleading or letter form, preferably at least ten (10) days prior to the settlement conference, but no later than five (5) court days prior to the settlement conference. Settlement conference statements will be marked as received and will not be kept in the court file, and must be submitted anew for each additional settlement conference.

(Effective July 1, 2017; Rule 2.5.7 renumbered effective January 1, 2006; adopted as Rule 8.7 effective January 1, 1997)

For the purposes of this rule, all plaintiffs will be considered one side of the case, and all other parties will be considered the other side of the case. Payment of the fee by a party on one side of the case will not relieve parties on the other side of the case from waiver of trial by jury.

FRESNO COUNTY SUPERIOR COURT

B. **Time Due.** Jury fees shall be due on or before the date scheduled for the initial case management conference in the action. If no case management conference is scheduled in a civil action, the fee shall be due no later than 365 calendar days after the filing of the initial complaint. In unlawful detainer actions, or other case entitled to priority setting, the fees shall be due five days before the date set for trial.

This preliminary cost

notification must state, to the extent then known, the location(s) of the documents anticipated to be incorporated into the administrative record, must designate the contact person(s) responsible for identifying the agency personnel or other person(s) having custody of those documents, and must provide a listing of dates and times when those documents will be made available to petitioner or any party for inspection during normal business hours as the record is being prepared. This preliminary cost notification must be supplemented by the agency from time to time as additional documents are located or determined appropriate to be included in the record.

B. **Notification that Petitioner Elects to Prepare the Record.** Upon receipt of the preliminary cost notification, petitioner may elect to prepare the record of proceeding itself provided it notifies the agency within five (5) days of such receipt. If petitioner elects to prepare the record, then within forty (40) days of service of the notice on the public agency of petitioner's election, petitioner must prepare and serve on all parties a detailed document index listing the documents proposed by petitioner to constitute the record of proceedings. Within seven (7) calendar days of receipt of the detailed document index, the public agency, or other parties if any, must serve the petitioner and all parties with a document notifying them of any document(s) or item(s) that such parties contend should be added to, or deleted from, the record of proceedings. The public agency must promptly notify petitioner of any requested copying procedures or other conditions with which petitioner must comply in petitioner's preparation of the record. Service of the foregoing shall conform with the Code of Civil Procedure, Part 2, Title 14, Chapter 5, § 1010 et seq.

C. **Notice by Public Agency of Proposed Record.** If petitioner does not elect to prepare the record of proceedings, then within forty (40) days after service of the statutory request to prepare the record of proceedings, the public agency must prepare and serve on the parties a detailed document index listing the documents proposed by the public agency to constitute the record of proceedings and provide a supplemental estimated cost of preparation. Within seven (7) calendar days of receipt of the detailed document index; petitioner, or other parties if any, must serve the agency and all parties with a document notifying the agency of any document or item that such parties contend should be added to, or deleted from, the record. Service of the foregoing shall conform to the Code of Civil Procedure, Part 2, Title 14, Chapter 5, § 1010 et seq.

D. **Time of Lodging of Administrative Record.** If the public agency prepares the record, it shall be lodged with the court when it files its certification of the record. (Effective January 1, 2017, adopted as Rule 2.11.2 (now 2.11.3) effective July 1, 2011)

2.11.4 **Format of the Record of Proceedings**

The record must comply with California Rules of Court, rules 3.2200 through 3.2208. However, pursuant to California Rule of Court, rule 3.2206, the court orders that the administrative record be submitted electronically, through e-filing. The court

FRESNO COUNTY SUPERIOR COURT

prefers that the record be submitted in a searchable, portable document format (PDF) with bookmarks. (Effective January 1, 2021; adopted as Rule 2.11.4 effective January 1, 2017)

2.11.5 Briefing Schedule and Length of Memoranda

A. Unless otherwise ordered by the court, points and authorities prepared for a hearing on the merits of a writ petition shall be filed in accordance with the following schedule and page limits: The opening memorandum of points and authorities shall be filed at least forty-five (45) calendar days prior to the hearing date; and opposition shall be filed at least twenty-five (25) calendar days prior to the hearing date; and the reply shall be filed at least fifteen (15) calendar days prior to the hearing date. The opening and opposition memorandum shall not exceed thirty (30) pages in length with double-spaced lines (or twenty-two (22) pages with one and one-half spaced lines.) The reply shall not exceed twenty (20) pages in length with double-spaced lines (or fifteen (15) pages with one and one-half spaced lines). The court prefers that all memoranda use double-spaced lines. Points and authorities for any motion to be heard prior to the hearing on the merits of the writ petition shall comply with the filing schedule and page limits specified in California Rules of Court, rules 3.1113 and 3.1300, unless otherwise ordered. Except for the trial notebook and appendix of excerpts requirement in Local Rule 2.11.6, papers must be filed in the same manner as for general civil unlimited cases.

B. Applications to exceed the page limit pursuant to California Rules of Court, rule 3.1113, must be submitted directly to the judge assigned for all purposes without a hearing as provided in accordance with California Rules of Court, rule 3.1207, and the Superior Court of Fresno County, Local Rules, rule 2.7.2. The application to exceed the page limit must attach as an exhibit that party's statement of issues filed pursuant to Public Resources Code section 21167.8, and state reasons why the argument cannot be made within the stated page limit in A above. (Effective January 1, 2017, adopted as Rule 2.11.5 effective July 1, 2011)

2.11.6 Trial Notebook and Appendix of Excerpts

A. **Separate Trial Notebook and Appendix of Excerpts.** The court requires a separate trial notebook and separate appendix of excerpts to provide the court with easy-to-use binders containing the pleadings, motions, briefs, and cited portions of the record of proceedings supporting the parties' respective positions.

The trial notebook and appendix of excerpts of exhibits are neither lodged nor filed. Instead, the party responsible for preparing the notebook and appendix shall call the Research Department Office Assistant at (559) 457-4945 to arrange delivery of the items. Do not send items via mail or overnight delivery service without prior arrangement.

B. **Trial Notebook.** Petitioner shall prepare a "hard copy" trial notebook that must be submitted when its opening brief is filed. The trial notebook must consist of the petition, all answers, the opening brief, any motions set to be heard at trial, the

FRESNO COUNTY SUPERIOR COURT

statement of issues, and any other documents agreed upon by the parties. The trial notebook shall contain a table of contents, tabbed sections consistent with the table of contents, and an index of the documents in the notebook referencing page numbers. The notebook's pages shall be sequentially numbered in the lower right-hand corner of each page and be bound in a "D-ring" binder no more than three (3) inches thick. Should documents dictate, further notebooks with the same features should be used.

C. **Appendix of Excerpts.** The court requires that each party filing a brief prepare and submit a separate "hard copy" appendix of excerpts that contains the documents or pages of the record of proceedings cited in that party's brief. The appendix shall be submitted when that party's brief is filed. If a party believes that it is necessary to provide context to a cited page of the record of proceedings, that party may include a cover page or other pertinent pages from a document even though not actually cited in its brief. (Effective January 1, 2021; adopted as Rule 2.11.8 (now 2.11.6) effective July 1, 2011)

3.1.2 Release on Own Recognizance

Motions regarding release on own recognizance or for bail modification prior to the first court appearance should be made, in all cases, before the arraignment department judge or commissioner during normal court hours. After the first court appearance, such motions shall be made in the arraignment department or the department assigned to hear such motions, in open court. (Rule 3.1.2 renumbered effective January 1, 2006; adopted as Rule 14.2 effective July 1, 2000)

3.1.3 Resubmission of Motions Previously Acted Upon

A. When any motion, or other application for an order has been made to any judge of the court, and has been denied in whole or in part or has been granted in whole or in part, or granted conditionally or with limiting terms, any subsequent motion made by the same party in the same case for the same relief, upon materially changed circumstances, shall be accompanied by a declaration that:

2. The date and judge involved in the prior motion,
3. The nature of the motion,
4. The ruling, decision or order made thereon, and

5. The new or different facts or materially changed circumstances claimed to warrant relief, and the reason facts or circumstances were not presented to the judge who earlier ruled on the motion.

B. Any order made on subsequent applications failing to comply with these requirements may be vacated or set aside on ex parte application or on the court's own motion at any time. (Effective July 1, 2020; Rule 3.1.3 renumbered effective January 1, 2006; adopted as Rule 14.3 effective July 1, 2000)

FRESNO COUNTY SUPERIOR COURT

3.1.4 Defendant's Clothing

The attorney representing a defendant in the custody of the Sheriff in a criminal matter shall make timely and appropriate arrangements to ensure that the defendant is suitably dressed for trial before the case is assigned to a trial department. (Rule 3.1.4 renumbered effective January 1, 2006; adopted as Rule 14.14 effective July 1, 2000)

3.1.5 Continuances

A. All criminal cases set for trial will proceed to trial on the date scheduled in the absence of good cause. No continuances will be granted unless the court is presented convincing proof of good cause for a continuance in accordance with Penal Code § 1050. A stipulation of counsel to a trial continuance does not necessarily constitute good cause.

B. Motions for trial continuances shall be made in writing and served in accordance with Penal Code § 1050(b), unless the necessary showing is made under § 1050(c).

C. In felony cases after arraignment on the information or indictment, all motions for trial continuances shall be made to the judge in the Designated Department.

D. If, on the date set for trial, counsel is actually engaged in the trial of another case, the case scheduled for trial will trail from day to day until completion of the trial in the other case, or to such other date as set by the court under § 1050(c). (Effective July 1, 2007; Rule 3.1.6 (now 3.1.5) renumbered effective January 1, 2006; adopted as Rule 14.6 effective July 1, 2000)

3.1.6 Habeas Corpus Writs

A. All petitions for writ of habeas corpus shall be prepared as specified by the California Rules of Court and filed with the Clerk. Unless otherwise directed by the court, each petition will be assigned a unique case number by the Clerk and immediately forwarded to the research staff for review.

B. Once this initial review has been completed, the petition will be sent to the designated judge. Unless otherwise specified by the Presiding Judge, all such petitions will be acted upon by the judge assigned to hear criminal law and motion matters. Action on the petition will be taken in accordance with the provisions of the California Rules of Court.

C. Priority will be given to emergency petitions, i.e., those alleging that time is of the essence to protect the petitioner from death or permanent disability. Ex parte communications are discouraged.

D. Petitions that do not comply with the California Rules of Court and these rules may be summarily denied. Habeas Corpus petitions are not a substitute for a

FRESNO COUNTY SUPERIOR COURT

timely appeal, and should not be sought until all legal and administrative remedies have been exhausted.

E. The repeated filing of unmeritorious petitions may be deemed an abuse of process, and may subject the petitioner to appropriate sanctions as ordered by the COURT. (Effective July 1, 2007; Rule 3.1.7 (now 3.1.6) renumbered effective January 1, 2006; adopted as Rule 14.7 effective July 1, 2000)

3.1.7 Writs of Mandate and Prohibition

A. Petitions for extraordinary relief by way of mandamus and/or prohibition in misdemeanor or traffic cases shall be filed and processed in the Appellate Division. Such relief should not be sought until all existing legal and administrative remedies have been exhausted.

B. Petitions for extraordinary relief by way of mandamus and/or prohibition in felony cases, which challenge a ruling by a magistrate made prior to defendant being held to answer, shall be filed and processed in the underlying felony criminal case. The supervising judge of the Criminal Division will then assign the petition to a single superior court judge for determination. In the event the supervising judge of the Criminal Division acted as the magistrate whose ruling is being challenged the assignment of the petition shall be made pursuant to rule 3.4.2.

C. When an emergency situation exists, it is the responsibility of the petitioner to clearly indicate the nature of the emergency in the petition, and to also inform the Clerk at the time the petition is filed. For the purposes of these petitions, emergency situations include actions in which time is of the essence to prevent denial of a fundamental constitutional right or undue hardship.

D. Petitions that are defective, incomplete, lack adequate supporting documentation, or fall outside the scope of the court's jurisdiction may be summarily denied. Abuse of the writ process may subject the petitioner to appropriate sanctions. (Effective January 1, 2010; Rule 3.1.8 (now 3.1.7) renumbered effective January 1, 2006; adopted as Rule 14.8 effective July 1, 2003)

3.1.8 Attorney, Expert and Investigation Fees

3.1.11 Penal Code Sections 1203.4, 1203.4a, and 1203.41

A. **Petition for Dismissal.** Submission of a petition for dismissal, pursuant to Penal Code §§ 1203.4, 1203.4a or 1203.41 without a calendared hearing date will require that the defendant seeking such relief also submit with their petition a completed income and expense declaration, providing the information required on Judicial Council form TCR-105A.

Failure to include the required income and expense declaration may result in summary denial of the petition, without prejudice.

B. **Proof of Service.** All petitions for dismissal, including those filed by Fresno County Probation on behalf of a defendant, submitted for filing pursuant to Penal Code §§ 1203.4, 1203.4a (only as to infractions), or 1203.41 shall include proof of service of the petition on the Office of the District Attorney. Failure to provide proof of service of the petition on the Office of the District Attorney, at the time of filing, will result in summary denial of the petition, without prejudice. (Effective January 1, 2020; adopted as Rule 3.11.11 effective July 1, 2011)

B. Pursuant to Penal Code § 1538.5(b), hearings to challenge searches, based upon a warrant, should first be heard by the issuing magistrate, if available. Defendants seeking to challenge such a warrant shall comply with the procedure in Local Rule 3.5.1A, in the calendaring and filing of said motion with the issuing magistrate as the “Designated Department.”

FRESNO COUNTY SUPERIOR COURT

In cases where the motion is brought to coincide with the preliminary hearing the hearing on the motion shall instead be heard by the magistrate assigned to conduct the preliminary hearing. (Pen. Code § 1538.5 subd. (f).)

C. All motions to suppress must comply with the filing, notice, and content requirements of Local Rule 3.5.1.

1. Moving papers shall include the following:

a. If factual assertions are based on cited documentation (such as police reports) and this documentation has not previously been filed with the court, the moving party shall attach a copy of the cited document.

b. Where a motion to suppress was made at the preliminary examination, any references in the supporting papers to such testimony shall be identified as to volume number, if more than one volume, and page and line number in the transcript.

c. Where no motion to suppress was made at the preliminary examination and if the moving party requests testimony be received by the court at the hearing, the first page of the notice of motion, or motions, shall so indicate. The failure to so indicate shall be construed by the court as a request by the moving party to submit the matter on the statement or statements of fact and the argument of counsel.

d. Where a motion to suppress was made at the preliminary examination and if the moving party requests additional testimony be received by the court at such hearing, the first page of the notice of motion, or motions, shall so indicate. The failure to so indicate shall be construed by the court as a result on the part of the moving party that the matter be submitted on the transcript(s) of prior proceedings and the argument of counsel.

2. Responding papers shall include the following:

a. If factual assertions are based on cited documentation and this documentation has not yet been filed with the court, the responding party shall attach a copy of the cited document.

FRESNO COUNTY SUPERIOR COURT

so indicate. The failure to so indicate shall be construed by the court as a request by the responding party to submit the matter on the statement or statements of fact and the argument of counsel.

D. Each party is responsible for insuring that its witnesses are present for the hearing.

E. Motions for Traverse of Search Warrant:

1. In accordance with *Franks v. Delaware* (1978) 438 U.S. 154, 90 S.Ct. 2674, as explained in *People v. Wilson* (1986) 182 Cal.App.3d 742, 227 Cal.Rptr. 528, the moving party must do the following:

a. Make a Penal Code § 1538.5 motion.

b. Establish standing to contest the search.

c. Point to specific portions of the affidavit which contain false information, or demonstrate with specificity what information it is claimed was omitted.

d. Allege that the misstatements or omissions were made by the officer/affiant with the intent to deceive, or were made recklessly (i.e., with utter disregard for the truth). Allegations of negligence, or allegations failing to refer to the state of mind of the affiant, are insufficient.

e. Demonstrate that the alleged misstatements or omissions were material. Materiality in this context means that the affidavit with the objectionable language taken out or omissions added would be lacking sufficient probable cause.

f. Submit affidavits or other competent evidence demonstrating the probable truth of the defense allegations, or satisfactorily explain the absence of such affidavits.

F. If any motion involves a warrant, the moving papers shall include a copy of the warrant and its affidavit.

G. Failure to comply with the above-stated rules may result in appropriate sanctions. In the case of the moving party, this may include a summary denial of the motion. (Effective July 1, 2008; Rule 3.5.2 renumbered effective January 1, 2006; adopted as Rule 18.2 effective July 1, 2004)

2. Records lodged through e-filing must be designated “confidential” during the e-filing process. Documents submitted for lodging shall be designated as such by selecting the “confidential security group” security option on the filing details prompt in the Court’s electronic system. When submitting records for lodging through e-filing, the filing party must provide the following information in the “Comments to Court” field, as applicable: 1) the reason for lodging (ex. pending motion to seal, lodged for trial); and 2) any related court date (ex. motion on [date], trial: [date]). Records not designated “confidential” in the e-filing process will automatically be accessible to the public.

3. If the materials are submitted physically, the envelope or container lodged with the court must be labeled “CONDITIONALLY UNDER SEAL.” Records may be lodged by physically submitting them to a clerk’s office, if the clerk’s office is open. If the clerk’s office is not open, records may be deposited at a court drop box. If the records will not fit in the drop box, the party lodging them must contact the clerk of the assigned department and make arrangements for the physical delivery of the records. If no department has been assigned, the submitter must contact the clerk’s office by phone to make arrangements for delivery of the records. [Do not send records to be lodged to either the clerk’s office or any department via mail or overnight delivery service without prior arrangement.]

C. The clerk’s office will not accept electronic storage media for lodging in any unlimited civil or limited civil action, unless pursuant to a court order. “Electronic storage media” includes internal and external hard drives, CDs, DVDs, Floppy Disks, USB drives, ZIP disks, magnetic tapes, SD cards, and any other similar purposed device.

D. Lodged records will be returned to the tendering party after the resolution of the calendared matter, unless the party requests their destruction. Therefore, when submitted, lodged records must be accompanied either by a self-addressed envelope with sufficient postage or, if the clerk’s offices are open, an attorney service pick-up slip. Following the return of the lodged documents by the court, the tendering party should retain them until the applicable appeal period has expired. (Effective January 1, 2021, New)

This notification must be received within ten (10) days of the order denying the motion or application to seal, unless otherwise ordered by the court. On receipt of this notification, the clerk will unseal and file the record.

If the moving party does not notify the court within ten (10) days of the order, the clerk will contact the moving party to arrange return of the lodged records to the moving party. [If the moving party does not make arrangements for the return of the records within thirty (30) days of a written notice to do so, the clerk will permanently delete the conditionally lodged records on the 15th day following the court’s order denying the motion or application to seal.

F. Any motion or application, any opposition, and any supporting documents referring to material lodged conditionally under seal, or material that has been ordered sealed, must be filed in a public redacted version and lodged in a complete, unredacted version conditionally under seal. The cover of the redacted version must identify it as “Public—Redacts materials from conditionally sealed record” or “Public – Redacts Sealed Material,” as appropriate. 4.1.15 Protocol for Communication Between Courts Regarding Domestic Violence Orders

A. Purpose

This rule sets forth the court communication protocol for Domestic Violence and Child Custody Orders as required by the California Rules of Court. This protocol is intended to avoid the issuance of conflicting orders when possible, and to permit appropriate visitation between a restrained person and the child(ren) who is/are the subject of a family, probate or juvenile proceeding, while providing for the safety of all victims and witnesses. Furthermore, the best interests of the child(ren), litigants and the Court are promoted by early identification and coordination of proceedings involving the same child(ren) or the child(ren)'s caretaker(s). To that end, this rule is also designed to ensure that all bench officers have information about the existence of overlapping cases. This rule recognizes the statutory requirement that criminal protective orders have precedence of enforcement over all other contract orders; however, it acknowledges that there are situations where it is appropriate to permit visitation between a criminal defendant and his or her child.

B. Notice of Pending Cases and Orders

1. Court Inquiry

Before issuing a criminal or non-criminal protective order, or a custody or visitation order, the Court should inquire of the parties or the attorneys whether there are any cases in which there are criminal or civil protective orders, or custody and visitation orders that involve the child(ren) in the current case.

FRESNO COUNTY SUPERIOR COURT

2. Attorneys and Self-Represented Parties in Family, Probate and Juvenile Cases

All attorneys and self-represented parties involved in family law, probate and juvenile cases shall inform the Court about any cases in which there are criminal or non-criminal protective orders or custody and visitation orders that involve the child(ren) in the current case. The information shall be provided to the Court, all parties and all attorneys in the case.

3. Prosecuting Attorneys

Pursuant to Penal Code § 273.75, the District Attorney or City Attorney shall investigate whether there are any criminal or civil protective orders or custody and visitation orders that involve a child of, or under the care of, a participant in a domestic violence charge. Prosecuting attorneys shall inform the Court, all parties and all attorneys in the case of such orders.

C. **Communication Between Courts**

1. Communication Regarding Existing Cases in Other Departments

When any court becomes aware of the existence of another case involving the same child(ren), the judicial assistant shall notify the Domestic Violence Case Coordinator who shall then provide notification to the other court. The Domestic Violence Case Coordinator shall ensure that the appropriate trial courts receive written notice of overlapping cases. Prior to conducting a hearing in the matter, the trial judge will review the overlapping orders, if appropriate. Notice will be provided to the parties of the overlapping orders reviewed by the judicial officer.

2. Communication Regarding Protective Orders

a. Criminal Protective Orders

When the criminal court issues a protective order against a defendant who has a pending family, probate or juvenile case, the criminal court shall send a copy of the protective order to the appropriate court administrator who will send it to the trial court with the overlapping case. This may be accomplished by working through the Domestic Violence Case Coordinator.

b. Temporary or Permanent Non-Criminal Restraining Orders

When either the Family Court or Dependency Court issues a temporary or permanent restraining order and the restrained person or the protected person has another pending dependency, family, probate,

FRESNO COUNTY SUPERIOR COURT

juvenile or criminal case, the Family Court or Dependency Court shall send a copy of the protective order to the appropriate court administrator who will send it to the trial court with the overlapping case. This may be accomplished by working through the Domestic Violence Case Coordinator.

D. **Modification of Criminal Protective Orders**

Criminal protective orders take precedence over other contact orders. When a criminal protective order exists and either or both parties request a child custody order that is inconsistent with the criminal protective order, it is the obligation of the moving parties to seek a modification of the criminal protective order by placing the matter on the criminal domestic violence calendar. Notice must be provided to all parties, attorneys and probation or parole officers. No party shall seek a child custody or visitation order in family, probate or juvenile court that is inconsistent with an existing criminal protective order unless a judicial officers presiding over the criminal domestic violence matter has first granted the request to modify the criminal protective order. If applicable, a reporter's transcript and/or a settled statement on appeal shall be submitted.

C. A party may file a request for an extension of time to comply with the briefing schedule with the Presiding Judge of the Appellate Division. Such request shall include a separate declaration providing good cause for the extension of time, a proposed order and a properly completed checklist for proposed orders form. (Effective July 1, 2013; Rule 5.5.1 renumbered effective January 1, 2006; adopted as Rule 34.1 effective July 1, 1999)

The following services are offered by Family Court Services (FCS). Confidential mediation (Tier I below) shall be made available in all cases in which child custody is at issue; the remaining services shall be scheduled as directed by the family law judicial officer in the exercise of his/her discretion according to the availability of resources and the needs of each case.

A. **At-Court CCRC Session.** An at-court session is scheduled by a judicial officer when a judicial officer determines that exigent circumstances exist such that an immediate CCRC Session must be scheduled. Children who are five years of age or older must be brought to court for at-court sessions. All at-court sessions shall be child custody recommending counseling sessions. The sessions are not confidential and the counselor shall submit a report and recommendation to the Court and parties. There is no charge for child custody recommending counseling

FRESNO COUNTY SUPERIOR COURT

for at-court sessions, as these sessions are mandatory. Once a case has had an at-court session, future sessions may include any of the services set forth below.

B. **Confidential Mediation**

1. Two types of confidential mediation may be offered:

a. Courtroom Mediation: When resources allow, an initial confidential mediation session may take place at a request for a Restraining Order hearing. The goal of mediation is to assist parents in reaching an agreement that would meet the needs of the child(ren). If an agreement is not reached during courtroom mediation, then the Court may make a custody order. The parents may, if they wish, come to a more complete agreement during any future mediation session.

b. Schedule Mediation (Tier 1): Unless custody/visitation has been resolved at the readiness hearing, parents shall be directed to proceed to Family Court Services to receive their Tier 1 mediation dates immediately following the readiness hearing.

2. Children shall not participate in confidential mediation unless otherwise directed by FCS or the Court.

3. There is no charge for confidential mediation.

4. Mediation is confidential except:

a. The mediator shall report, but not comment on, the parties' agreement or inability to reach an agreement to the parties and the Court.

b. The mediator shall report suspected child abuse, elder abuse, and/or if someone is a danger to themselves or others.

C. **Further Services Beyond Mandatory Confidential Mediation (Tiers II and III)**. If confidential mediation has not resulted in full agreement, the judicial officer has discretion to refer the parties for further sessions with FCS as provided in this section.

1. Two types of further services may be offered.

a. Tier II. The purpose of Tier II sessions is to provide the Court with additional information regarding specific areas deemed significant by the Judicial Officer. A Tier II summary report shall be provided to the Court and parties which may include, but not be limited to, a description of collateral contacts with law enforcement or Child Protective Services, interviews with the child(ren), etc. The Tier II summary report will not include any recommendations from the mediator.

FRESNO COUNTY SUPERIOR COURT

b. Tier III. Tier III sessions are CCRC sessions. These sessions shall result in a report and recommendation from the counselor. The counselor's recommendation shall be made available to the parties, at the FCS office, two (2) court days before the court hearing. If the recommendation is not available before the hearing, it shall be available in court at the time of the hearing. Children who are five years of age or older shall participate in Tier III sessions.

2. Tier II and Tier III sessions are not confidential. Any mediator who provided confidential mediation to the parents shall not be permitted to serve as a Tier II, Tier III, or At-Court counselor unless deemed operationally necessary by the FCS Manager.

3. When permitted by law or rule, fees may be charged for Tier II and Tier III. If fees are to be charged, then parents shall be informed of the fees and given an opportunity to be heard before the judicial officer refers the parents for Tier II or Tier III services. The amount ordered, if any, shall be included in the minute order. The Court has jurisdiction to allocate the fees between the parties.

D. Family Code § 3111 – Custody Evaluation: Custody evaluations will only be ordered by the Court in the event all other services have been insufficient to develop a long term custody order.

1. Evaluators. The custody evaluator shall be mutually agreed upon by the parties or selected by the judicial officer if the parties are unable to reach an agreement. The custody evaluation may be completed by a FCS staff member or by a private psychologist who has been approved by the Court.

2. Fees. A fee will be charged for a custody evaluation. A substantial deposit may be required before the evaluation can commence and full payment may be required before the custody evaluation report is submitted to the Court for consideration.

3. Time Period. The custody evaluation shall be completed within the time period set forth by the Court. In the event a child custody evaluation is not completed within the time set forth by the Court, the referral may be terminated and the current orders regarding custody and visitation shall remain in full force and effect until further order of the Court.

4. Participation. If the Court receives a custody evaluation where only one party participates and the other party does not complete the evaluation, the completed portion of the evaluation may be considered by the Court. [Note: a specific format is not required for the proposed property division, but the proposal must be clear, complete, and understandable. A computerized program such as Propertizer or a spread sheet may be used, or a Judicial Council Form, such as the Property Declaration (FL-160) may be completed and attached to reflect the proposed property division.]

RULE 5.8 MATTERS SET FOR TRIAL OR EVIDENTIARY HEARING

Consistent with Family Code section 2330.3 and Standard of Judicial Administration 5.30(b), it is the policy of the Fresno County Superior Court that a family law case will be assigned to one judicial officer for all purposes to the extent possible. Trials and evidentiary hearings will be set in the department of origin unless the time

FRESNO COUNTY SUPERIOR COURT

estimate exceeds that available in that department. Trials or evidentiary hearings with a time limit in excess of that available in the department of origin shall be given a trial/hearing setting date in the presiding department of the Family Law Division. If the time estimate for the matter is within the allowable limit of the presiding department of the Family Law Division, then the matter shall be given a date in that department. If the time estimate for the trial/hearing exceeds all available time within the Family Law Division, then the matter shall, when ready, be assigned a date through Master Calendar. The Master Calendar date will be obtained through the presiding department of the Family Law Division.

At the time a case is set for an evidentiary hearing or trial, the parties shall provide a time estimate of the anticipated length of the evidentiary hearing or trial. The Court will rely on the accuracy of the time estimate in setting cases and managing its calendar. All parties must regard the time estimate as certain. If the case is not completed within the time estimate, the Court may make any orders permitted by law including but not limited to deeming the case submitted on the evidence received, ordering the case off calendar, declaring a mistrial, curtailing further presentation of evidence, or completing the trial or hearing.

Prior to setting any matter for trial/evidentiary hearing, any family law judicial officer hearing the case may make appropriate pre-trial orders, including but not limited to requiring an office four-way meeting, allowing time for Alternative Dispute Resolution, setting one or more Case Status Conferences/Case Resolution Conferences/Settlement Conferences.

Unless otherwise ordered by the court, the following must be filed and exchanged at least ten (10) calendar days prior to any trial/evidentiary hearing:

1. A joint statement of stipulated facts; a joint statement of disputed facts;
2. All exhibits which may be submitted at the trial/hearing (the exhibits themselves need not be filed, but each party must file a detailed list of each exhibit which that party has exchanged);
3. A current Income and Expense Declaration with appropriate supporting documents unless there is no issue of child support, spousal support, or attorney's fees/sanctions;
4. A witness list which must include the names, addresses, and telephone numbers of each witness along with a detailed but concise offer of proof of that witness's anticipated testimony and the number of minutes that witness is expected to testify on direct examination; and
5. A trial brief which must include a statement of issues, and if the matter is to be heard as a result of a Request for Order, then the trial brief must indicate the date the Request for Order was filed, which party filed the Request, and the issues being to be heard.

FRESNO COUNTY SUPERIOR COURT

Unless otherwise ordered by the court at the trial/hearing setting conference, all motions in limine must be in writing and filed and served at least ten (10) calendar days prior to the hearing/trial.

Matters will be set for trial/evidentiary hearing only when settlement opportunities have been exhausted. Matters will be released to Master Calendar only upon exhaustion of all remedies within family law. If a matter is released to Master Calendar and the parties then wish to discuss settlement with the Master Calendar trial judge, the matter will be returned to the Family Law Division for further settlement negotiations. (Effective July 1, 2014; adopted as Rule 5.8 effective January 1, 2014)

RULE 6.2 CONFIDENTIALITY

6.2.1 Release of Information Relating to Juveniles

A. **Application of Rule.** Juvenile Court records are confidential. In accordance with Welfare & Institutions Code §§ 827 and 828, California Rules of Court, rule 5.552, and case law, disclosure and use of juvenile records shall be governed by this rule.

1. Definitions.

a. "Juvenile records and information" as used in this rule means any of the following:

- 1) Any document or record filed in any Juvenile Court proceeding,
- 2) Any document, record or information concerning a minor made available to the probation officer, DSS, GAL or CASA in preparing a report to the Juvenile Court; and
- 3) Any probation department, DSS, CASA, or state or local law enforcement document, record or information relating to a juvenile contact, or to a hold or arrest of a juvenile, even if Juvenile Court proceedings have not been instituted.

b. "Otherwise confidential" refers to records, which are also confidential under one or more other statutes (including, but not limited to, Civil Code § 56, et seq.; Welfare & Institutions Code §§ 5328, Penal Code §§ 11143, 11167, 13300; Government Code § 6254; Health & Safety Code §§ 10850, 11977, 120980). Note: Such records may not be shared with other agencies or individuals without the consent of the record holder or a court order.

FRESNO COUNTY SUPERIOR COURT

2. Nothing in this rule is intended to limit the exchange of information and documents as provided by Penal Code § 11166 et seq.

3. Persons or agencies receiving records or information pursuant to this rule shall not disclose such records or information to another person or agency unless such disclosure is authorized by the Juvenile Court or this rule.

B. Release of Documents.

1. Juvenile records and information cannot be obtained by civil or criminal subpoena. Unless otherwise authorized by law, juvenile records and information may be disclosed only by an order of the Juvenile Court as provided for by Welfare & Institutions Code § 827 and California Rules of Court, rule 5.552, except as subdivisions (d) and (e) of rule 5.552 are modified herein. For good cause shown, and compelling reasons, if a petition pursuant to § 827 seeks juvenile records and information for a court proceeding pending before a regularly sitting judge of the Superior Court of Fresno County, that judge shall be deemed to be a judge of the Juvenile Court, for purposes of applying this rule. Any order made by such a judge shall be filed with the Juvenile Court.

2. Once a petition to declare a person a dependent child or ward of the Juvenile Court has been filed, juvenile records and information, unless otherwise confidential, may be released without a court order to authorized Juvenile Court personnel, including judicial officers and the Clerk, and to those persons or agencies designated by Welfare & Institutions Code §§ 827 and 828.

3. If access to juvenile records and information is necessary and relevant in connection with, or in the course of, a civil or criminal investigation, a proceeding brought to declare a person a dependent child or ward of the Juvenile Court, or a proceeding involving custody, visitation, adoption, guardianship, conservatorship, emancipation, or domestic violence, the agencies listed below or their duly authorized representatives may share with any of the other listed agencies and their authorized representatives such records and information, not otherwise confidential, as the holder of the records and information deems to be appropriate and in the best interest of the minor. An agency or its authorized representative may petition the Juvenile Court for disclosure of any records or information not so disclosed.

- a. City Attorney offices;
- b. Coroner offices;
- c. Child Protective Services;
- d. County Counsel offices;

FRESNO COUNTY SUPERIOR COURT

e. Probation departments (including their Victim/Witness Assistance programs);

f. District Attorney offices;

g. Family Court Services;

h. Persons or agencies specified in Penal Code § 11167.5(b);

i. Federal, state or local law enforcement agencies;

j. Superior Court judicial officers and their immediate court personnel;

4. The Court recognizes that certain agencies need to inspect juvenile court records to accomplish the legitimate goals of the juvenile justice system. Such goals include the need to adequately evaluate an individual minor's background in order to develop a treatment plan, or the need to audit any part of the juvenile justice system to evaluate its operation. To that end, the agencies listed in rule 6.7.1(B)(3) above may disclose juvenile records, not otherwise confidential, to the following agencies upon providing the agency holding the juvenile records a declaration under penalty of perjury setting forth the need:

a. County Mental Health departments;

b. Department of Motor Vehicles;

c. Federal, state, county and city auditors;

d. Public guardian offices; and

e. Other agencies as authorized in writing by the Presiding Judge of the Juvenile Court, for good cause shown.

5. Law enforcement agencies may disclose to a minor's parent(s) or legal guardian(s), and DSS or County Probation may disclose to a foster parent caring for a minor, such juvenile records of the minor, not otherwise confidential, as the agency deems appropriate and in the best interest of the minor.

6. Mental health records and information of a juvenile may be disclosed to the extent authorized by Welfare & Institutions Code § 5328 (e.g., written parental consent) or 18961 ("multi-disciplinary personnel teams").

7. Law enforcement agencies may disclose information, which is not otherwise confidential, from police reports written by officers of the agency

FRESNO COUNTY SUPERIOR COURT

concerning traffic accidents (excluding any driving record report) or incidents of criminal acts alleged to have involved one or more juveniles, to a person or entity (or its authorized representative) who was damaged by the accident or who was a victim of the crime. The information is to be released only for purposes of assisting the person or entity in obtaining reimbursement for injuries or damages caused by the conduct of the minor(s). The person to whom the information is released shall agree in writing that the person will not disclose any of the information released to him or her to anyone other than the person's attorney, insurance adjuster, or one legally representing the person's or entity's interest in recovering damages resulting from the incident. The person to whom the information is released shall also agree in writing that the information will be used for no purpose other than as stated above. Any document released pursuant to this paragraph shall be clearly marked "CONFIDENTIAL." It shall state that it is being provided pursuant to this rule, and that any distribution or use other than as allowed herein is a violation of this rule and that the violator may be subject to sanctions. Notwithstanding this rule, if the information identifying any juveniles is deleted, traffic accident reports may also be released to any state or local engineering department for use in the normal scope of the department's duties.

8. Nothing in this rule shall be used to limit disclosure of information as authorized by Welfare & Institutions Code §§ 627, 828, and 829. Additionally, the Fresno County Probation Department is authorized to inspect and utilize those records specified in Welfare & Institutions Code § 504 relating to serious habitual offenders.

9. The documents referenced below may be released to those agencies or individuals as specified herein.

a. DSS is authorized to disclose to the parties and their actual or prospective counsel at a dependency court detention hearing such documents as DSS deems to be appropriate as part of its prima facie statement including, but not limited to, the identity of all persons who reported any allegation of child abuse or neglect (see Penal Code § 11167(d)). If DSS chooses to delete the identification of the reporting party or parties, and a party to the dependency proceeding wants the identification disclosed, then that party may request that the Court order such disclosure. The Court shall not issue such an order except for good cause shown and only after an in camera review with DSS and/or its attorney of record having an opportunity to be heard.

b. In cases where a minor who has been taken into custody by DSS is abducted, then DSS may provide to the prosecuting authority the following documents and information:

- 1) Copies of any law enforcement reports which brought the matter to the attention of DSS;

FRESNO COUNTY SUPERIOR COURT

2) Copies of the juvenile dependency petition concerning that minor;

3) Copies of all minute orders or other court orders which show the Juvenile Court's jurisdiction over the minor, any knowledge of this jurisdiction by the suspected child abductor(s), and/or any appearance before the Court by the suspected child abductor(s);

4) Copies of any warrants or body attachments for the child or suspected child abductor(s);

5) Any addresses, telephone numbers, or other identifying information which could assist the District Attorney's office in locating the child or suspected child abductor(s).

c. Whenever a law enforcement agency has prepared a report referencing one or more juveniles involved in an incident related to school activity or attendance that occurred at any time within the scope of Education Code § 48900, the agency may release that report to a school official or other person authorized to act on behalf of the school, provided that the requesting person declares under penalty of perjury that the information in the report will be used exclusively for purposes of possible suspension, expulsion, or other disciplinary action against one or more minors referenced in the report and/or for seeking restitution under Education Code § 48904.

d. Whenever a juvenile has been assessed a fine or otherwise has been ordered by the Juvenile Court or Juvenile Court Traffic hearing officer to pay monies to the County, the Court is authorized to enter into the Case Management System Odyssey the name, address, telephone number, social security number, case number, amount ordered to be paid, and such other information as is reasonably necessary for the Court and/or the Revenue Collections Unit (RCU) of the Auditor-Controller/Treasurer-Tax Collector's Office for the collection of said monies. The Court shall take reasonable steps to limit access to this information in Odyssey to court and RCU personnel.

10. The Court recognizes that state prosecutors need to inspect and disclose certain juvenile court records as necessary to plead and prove prior qualifying juvenile adjudications within the meaning of Penal Code § 667 (commonly known as "Three Strikes"). To that end, a District Attorney of any county of the State of California, or the Attorney General of the State of California, and their agents and employees, are entitled to access any and all juvenile court records not previously ordered sealed pursuant to Welfare &

FRESNO COUNTY SUPERIOR COURT

Institutions Code § 781, related to a prior qualifying juvenile adjudication within the meaning of Penal Code § 667(d)(3). The District Attorney, Attorney General and their agents and employees are permitted to disclose, without further order of this court, so much of such records as is necessary to plead and prove an accusatory pleading pursuant to Penal Code § 667.

The enactment of Penal Code § 667 constitutes good cause to retain records of juvenile adjudications qualifying under that statute. No such juvenile records shall be routinely destroyed as provided in Welfare & Institutions Code §§ 781(d) and 826(a). Nothing in this rule is intended to limit the right of the person who is the subject of a juvenile court record to petition the Court for the destruction of such records.

C. **Petition Procedure.** Anyone seeking to inspect, copy or obtain juvenile records or juvenile case file information or testimony relating thereto, not otherwise specifically provided for by this rule, shall comply with the following requirements:

g. If a stipulation is not signed by all parties, petitioner shall file the petition with the Juvenile Court, along with a declaration setting forth petitioner's efforts to meet and confer with all parties and the reason or reasons that a stipulation could not be obtained, and serve them upon all parties. and stipulation and shall grant or deny the petition, or order the matter to be set for hearing.

The Court shall review and consider the petition and declaration and shall grant or deny the petition, or order the matter to be set for hearing.

3. Upon an order that a hearing be held, the Clerk shall set the hearing within ten (10) court days and cause notice to be served upon all parties, as provided for in California Rules of Court, rule 5.552.

1. Jurisdictional and/or Dispositional reports are due at least forty-eight (48) hours before the hearing;
2. Six, Twelve and Eighteen Month Status Reviews and section 366.3 Status Review reports are due at least ten (10) calendar days before the hearing;
3. All other reports shall be due a reasonable number of days before the hearing but in no event less than forty-eight (48) hours before.

FRESNO COUNTY SUPERIOR COURT

B. If the social study report is not timely filed or made available to all parties, then any affected party may request a continuance or the Court on its own motion may continue the hearing to the extent permitted by law.

C. The names of any experts to be called by any party and copies of their reports, if not part of a social study report prepared by DSS, shall be provided to all parties at least ten (10) days before the hearing. (Effective July 1, 2012; Rule 6.3.9 (now 6.4.4) renumbered effective January 1, 2006; adopted as Rule 52.9 effective January 1, 1999)

6.4.5 Settlement Conferences

Settlement conferences shall be calendared and held prior to every contested hearing, unless deemed unnecessary by the judicial officer setting the contested hearing.

The trial attorneys and all parties shall be present at the settlement conference, unless excused by the Court. All parties shall be readily available either in person or by telephone at the direction of their attorneys. A representative of DSS with authority to settle cases shall be present at the settlement conference. (Effective July 1, 2012; Rule 6.3.10 (now 6.4.5) renumbered effective January 1, 2006; adopted as Rule 52.10 effective January 1, 1996)

6.4.6 Requests for Transcripts

Any party wanting the Court to pay for a reporter's transcript shall first apply in writing to the judicial officer who heard the matter in question or secondly to the Presiding Judge of the Juvenile Court. Alternatively, a party may orally request at a court hearing that the court order a transcript be prepared at court expense. A party may order a reporter's transcript prepared at that party's expense without seeking court authorization. (Effective January 1, 2022; Rule 6.3.11 (now 6.4.6) renumbered effective January 1, 2006; adopted as Rule 52.11 effective January 1, 1999)

6.4.7 Continuances

It is the policy of this Juvenile Court to strictly comply with the timelines for dependency hearings, unless good cause is shown for continuance. (Welfare & Institutions Code § 352; California Rules of Court, rule 5.5.50(a)(2)). (Effective July 1, 2012, New)

(Rule 6.4 renumbered effective January 1, 2006; adopted as Rule 53 effective July 1, 1992)

RULE 6.5 DEPENDENCY MOTIONS AND ORDERS

6.5.1 Motion to Challenge Legal Sufficiency of Petition

In any dependency proceeding the Court may entertain a pre-hearing challenge to the petition's sufficiency by a motion to challenge the legal sufficiency of the petition. Such a motion may be made in writing or orally, but must be made as early in the proceedings as possible. The Court may rule on the motion at the hearing at which it is

FRESNO COUNTY SUPERIOR COURT

made, or may continue the hearing on the motion to another date in order to receive briefing from counsel. If the Court sustains the motion, the Court may grant leave to amend the pleading in the petition upon any terms as may be just and shall fix the time within which the amendment or amended petition shall be filed. (Effective July 1, 2012; Rule 6.4.1 (now 6.5.1) renumbered effective January 1, 2006; adopted as Rule 53.1 effective January 1, 1999)

6.5.2 Ex Parte Applications/Orders

Ex parte applications for orders are made to the Court without formal advance notice to the other parties of the application. There are three types of ex parte applications: ex parte applications to calendar hearings, routine ex parte applications, and all other ex parte applications. (Effective July 1, 2012; Rule 6.4.2 (now 6.5.2) renumbered effective January 1, 2006; adopted as Rule 53.2 effective January 1, 1996)

6.5.3 Ex Parte Application to Calendar Hearing

A. An ex parte application to calendar a hearing is made by submission of the Ex Parte Application to Calendar and Order form to the judicial officer in whose courtroom the case is assigned. An ex parte application to calendar a hearing shall not be made to a judicial officer other than the judicial officer in whose courtroom the proposed hearing is to be held, except for good cause.

1. If the Ex Parte Application to Calendar and Order form is being used to place on calendar a hearing which does not already have a hearing date, advance notice to all other parties of the intent to submit an Ex Parte Application to Calendar and Order form to a judicial officer in whose courtroom the case is assigned is not required if the proposed date of hearing is more than seven (7) calendar days from the date of submission of the form. Any party choosing to proceed thus must give all other parties seven (7) calendar days written notice of the hearing date which has been approved by the judicial officer. If the proposed date of hearing is less than seven (7) calendar days from the date of submission of the Ex Parte Application to Calendar and Order form, consent to the proposed hearing date must be sought from the other parties. Consent of a party can be reflected by that party initialing the appropriate box on the Ex Parte Application to Calendar and Order form.

An Ex Parte Application to Calendar and Order form seeking a hearing date less than seven (7) calendar days from the date of submission of the form may be submitted to the judicial officer even if written consent to the proposed hearing date has been withheld by another party, so long as said party was given an opportunity to give written consent to the proposed hearing date. The party submitting the Ex Parte Application to Calendar and Order form shall memorialize on the form the party's refusal to give written consent to the proposed hearing date.

2. If the Ex Parte Application to Calendar and Order form is being used to obtain a continuance of a hearing date which is already on calendar, the

FRESNO COUNTY SUPERIOR COURT

Ex Parte Application to Calendar and Order form, which shall adequately specify the reason the continuance is sought and the length of the continuance being sought, shall first be presented to all parties. If any party objects to the proposed continuance, or requests a hearing on the request for a continuance, that party should so specify on the Ex Parte Application to Calendar and Order form. Once the Ex Parte Application to Calendar and Order form has been initialed by all parties, the form shall be presented to the judicial officer in whose courtroom the hearing is currently scheduled for consideration.

When presented with an Ex Parte Application to Calendar and Order form requesting a continuance, the judicial officer shall do one of the following:

- a. Grant the request for a continuance and select a new hearing date,
- b. Deny the request for a continuance, or
- c. Set the request for a continuance for hearing and select a date for that hearing.

When the party submitting the completed Ex Parte Application to Calendar and Order form receives that form back from the judicial officer, that party shall file the form with the Clerk's Office and serve copies of the filed form on all parties.

B. If a case has an upcoming hearing date already on calendar, an Ex Parte Application to Calendar and Order form need not be submitted to place on calendar for the same date a separate/different motion on the same case. However, the party seeking to place the separate/different motion on calendar must give ten (10) calendar days written notice of the separate/different motion to all other parties, unless the Court, for good cause shown, prescribes a lesser number of days for notice.

C. The Ex Parte Application to Calendar and Order form has no purpose other than to place, change, or continue a hearing date on the Court's calendar. The Ex Parte Application to Calendar and Order form is not a substitute for a Welfare & Institutions Code § 388 petition, a formal written motion, or supporting points and authorities. (Effective July 1, 2012; Rule 6.4.3 (now 6.5.3) renumbered effective January 1, 2006; adopted as Rule 53.3 effective January 1, 1999)

6.5.4 Routine Ex Parte Applications

A. Unless counsel for a party has specifically requested advance notice of ex parte applications for out-of-state travel or medical/dental care for the minor, an ex parte application may be made, without advance formal notice, to the judicial officer in whose courtroom the minor's case is assigned, seeking an order permitting the minor to travel

FRESNO COUNTY SUPERIOR COURT

out-of-state with the foster parent or care provider, relative, or other appropriate adult acceptable to DSS, or an order authorizing that medical or dental care be performed on the minor. Any such ex parte applications shall be filed no less than fifteen (15) calendar days prior to the proposed travel or medical/dental care absent good cause shown on the application, or unless the Court has specified a greater or lesser period. All such ex parte applications shall include the following information:

1. The name and address of each party to the action, and the name and address of each party's counsel;
2. The efforts made to obtain the consent of and/or give notice to the parents or guardians of the minor of the proposed travel or medical/dental care;
3. If a parent or guardian has refused to agree to the proposed travel or to give consent to medical/dental care, that fact shall be noted on the application, including the ground for the parent's/guardian's refusal, if known;
4. For any parent or guardian whom DSS was unable to locate to give notice and/or obtain consent, a description of the efforts made to locate the parent/guardian;
5. The fact the minor's counsel has been notified of the proposed travel or medical/dental care, and said counsel's position on the proposed travel or medical/dental care.
6. The fact the CASA has been notified of the proposed travel or medical/dental care, and said CASA's position on the proposed travel or medical/dental care.

B. When presented with an ex parte application for an order authorizing out-of-state travel or medical/dental care, the judicial officer shall either grant the request and issue the order, or deny the request. If the judicial officer issues the requested order authorizing out-of-state travel or medical/dental care, the party who sought the order shall file the ex parte application form and order with the Clerk's Office and provide copies of the filed ex parte application and order form with all counsel. Any party disagreeing with the order for out-of-state travel or medical/dental care may place the matter on calendar for further consideration.

C. An order nunc pro tunc making corrections, changes or additions to any finding or order generated at a prior hearing may be made by ex parte application where the Court made an order or finding that was mistakenly omitted from the minute order. (Effective July 1, 2012; Rule 6.4.4 (now 6.5.4) renumbered effective January 1, 2006; adopted as Rule 53.4 effective January 1, 1999)

FRESNO COUNTY SUPERIOR COURT

6.5.5 Non-Routine Applications

A. All ex parte applications other than those discussed in Rules 6.5.3 and 6.5.4 are considered non-routine ex parte applications. All non-routine ex parte applications must be made only upon adequate advance notice to all counsel in accordance with this rule. Non-routine ex parte applications include, but are not limited to, requests for a temporary order modifying a visitation order pending a hearing on a concurrently filed Welfare & Institutions Code § 388 petition seeking the same relief on a permanent basis.

B. Non-routine ex parte applications shall be heard at 8:30 a.m. by the judicial officer in whose courtroom the case is assigned.

C. Before submitting an ex parte application and proposed order forms to the judicial officer in whose courtroom the case is assigned for signature, the applicant shall adhere to the following procedures:

1. The applicant shall advise the judicial officer in whose courtroom the case is assigned no later than 3:00 p.m. that a non-routine ex parte application will be made the following morning in that judicial officer's courtroom.

2. The applicant shall give, no later than 4:00 p.m. on the day prior to the proposed ex parte application, advance notice of the time, place, and basic subject matter of the proposed ex parte application to all counsel and the social worker assigned to the case, except for good cause shown or consent of all counsel.

3. The notice given to the other counsel regarding the ex parte application for a non-routine order shall be stated on the Declaration Re Notice of Ex Parte Application form.

D. If the applicant has made a good faith attempt to inform the other counsel regarding the ex parte application but was unable to do so, the efforts made to inform them shall be specified on the Declaration Re Notice of Ex Parte Application form.

E. If the applicant contends that advanced notice to one or more other counsel should not be required, the grounds upon which this contention is based shall be specified on the Declaration Re Notice of Ex Parte Application form. The completed Declaration Re Notice of Ex Parte Application form shall be submitted to the judicial officer with the ex parte application. An ex parte application which is submitted to the judicial officer without the Declaration Re Notice of Ex Parte Application form will be summarily denied.

F. Whenever possible, the ex parte application moving papers and the Declaration Re Notice of Ex Parte Application form, and any responding papers, shall

FRESNO COUNTY SUPERIOR COURT

be served on all other counsel as far in advance of the ex parte application as is practicable.

G. Notice of the ex parte application may be excused if the giving of such notice would frustrate the purpose of the order, or cause the minor to suffer immediate and irreparable physical or emotional harm.

H. Notice may also be excused if, following a good faith attempt, the giving of notice is not possible, or if the other counsel do not object to the relief sought by the ex parte application. (Effective July 1, 2012; Rule 6.4.5 (now 6.5.5) renumbered effective January 1, 2006; adopted as Rule 53.5 effective January 1, 1996)

6.5.6 Noticed Motions

Except as otherwise provided herein, all motions shall be in writing and accompanied by a supporting affidavit or declaration and points and authorities, if applicable. No noticed motion shall be accepted by the Clerk unless it is accompanied by a proof of service. A noticed motion must give ten (10) calendar days written notice to all other counsel unless the Court, for good cause shown, prescribes a lesser number of days for notice. (Effective July 1, 2012; Rule 6.4.6 (now 6.5.6) renumbered effective January 1, 2006; adopted as Rule 53.6 effective January 1, 1996)

6.5.7 Motion for More Restrictive Placement

Any motion by DSS to modify an existing order to a more restrictive placement shall be implemented pursuant to Welfare & Institutions Code § 387 and California Rules of Court, rules 5.560(c) and 5.565. A change in an out-of-home, non-relative placement (i.e., foster care, family foster home, or group home) shall not be deemed a more restrictive placement unless the placement change is from a level twelve (12) or lower placement (as defined by State law) to a higher level which requires a mental health certification. Placement in a level thirteen (13) or higher level home is defined as being more restrictive than a level one (1) to level twelve (12) home whether the home be a foster home, a family foster home or a group home. (Effective July 1, 2012; Rule 6.4.7 (now 6.5.7) renumbered effective January 1, 2006; adopted as Rule 53.7 effective January 1, 1996)

6.5.8 Motion for Less Restrictive Placement

Any motion by an interested party to modify the Court's orders to a less restrictive placement shall follow the procedures outline in Welfare & Institutions Code § 388 and California Rules of Court, rules 5.560(d) and 5.570, and these rules. (Effective July 1, 2012; Rule 6.4.8 (now 6.5.8) renumbered effective January 1, 2006; adopted as Rule 53.8 effective January 1, 1999)

6.5.9 Petitions for Modification (Consent Calendar Procedure)

The following procedures shall be followed for all Petitions for Modification filed pursuant to Welfare & Institutions Code § 388, except those petitions seeking

FRESNO COUNTY SUPERIOR COURT

termination of a guardianship pursuant to Welfare & Institutions Code § 366.3, subdivision (b), and California Rules of Court, rule 5.740.

A. Each Department will hold a “388” consent calendar on a designated day of each week at 8:30 a.m., at which time the Court will act upon those petitions to which there is no objection and set for hearing those petitions to which any party objects.

B. Petitioner shall select the consent calendar date for the matter to be heard based upon a date which allows at least five (5) court days’ advance notice to all parties. Petitioner is to provide copies of the petition to all parties and file the original with an attached proof of service. Copies are to be provided to both DSS and County Counsel.

C. The Clerk shall file the Petition and calendar it on the “388” consent calendar, which shall be separate from the regular calendar. The Clerk will make available copies of the “388” consent calendar to the office of each counsel of record and DSS seven (7) calendar days preceding the date of the “388” consent calendar.

D. At the hearing, if all parties consent, the matter will be submitted without hearing and a ruling will be entered. If any party enters an objection, which may be communicated to the Court in person, in writing, or telephonically, the matter will be set for hearing.

E. The Court’s ruling, or the date of the hearing if one is set, will be noted on a minute order.

F. Petitions seeking an interim order are to be presented to the Court prior to filing and service. Interim orders will be granted upon a showing of good cause. (Effective July 1, 2012; Rule 6.4.9 (now 6.5.9) renumbered effective January 1, 2006; adopted as Rule 53.9 effective July 1, 1999)

6.5.10 Visitation

A. Visitation between a minor and the minor's parents should be as frequent as possible based on the individual circumstances of the case.

B. Orders for visitation may be issued at any scheduled hearing. Arrangements for visitation may be modified by the filing and approval of a Welfare & Institutions Code § 388 petition.

C. Unless specified otherwise by the Court, the following definitions shall apply to visitation orders:

1. Supervised Visits: Visits supervised by DSS, unless the Court orders that a third party may supervise the visits.

FRESNO COUNTY SUPERIOR COURT

2. Reasonable Visits: Supervised or unsupervised visits which may last up to one (1) day but shall not include overnight.

3. Liberal Visits: Visits which may include overnight and weekends and up to a maximum of thirteen (13) consecutive days.

4. Extended Visits: Visits which last beyond thirteen (13) consecutive days. Extended visits do not become placements, unless otherwise ordered by the Court.

D. Any significant decrease from the Court-ordered level of a parent's/party's level of visitation shall be presented to the affected parent/party for comment before being submitted to the Court. The Court may set a hearing on the issue after hearing the parent's/party's comments on the proposed reduction. (Effective July 1, 2012; Rule 6.4.10 (now 6.5.10) renumbered effective January 1, 2006; adopted as Rule 53.10 effective January 1, 1996)

6.5.11 Travel Authorization

Unless ordered otherwise by the Court, a minor's care provider may authorize travel by the minor within the State of California with the concurrence of DSS and, when possible, notice to the parent. Any travel for the minor out of the State of California shall require prior court approval. Any application to the Court for orders regarding travel of the minor shall comply with Juvenile Rule 6.5.4 and shall state what efforts have been made to notify the parent(s) and their response, if any. (Effective July 1, 2012; Rule 6.4.11 (now 6.5.11) renumbered effective January 1, 2006; adopted as Rule 53.11 effective January 1, 1996)

6.5.12 Application to Commence Proceeding

When a CPS referral is made to DSS and if DSS decides not to intervene or fails to report the outcome of the referral to a reporting party within ten (10) days, any person may apply to DSS requesting DSS to file a petition pursuant to Welfare & Institutions Code § 329. In that application, the applicant shall give notice and identifying information of any pending family law-related proceeding. If a family law-related proceeding is pending, a copy of the application shall also be sent to Family Court Services by the applicant. DSS shall respond to the application as soon as possible or within three (3) weeks after submission of the application. If applicable, DSS shall notify Family Court Services of its response. If the applicant is dissatisfied with the decision of DSS, the applicant may petition the Juvenile Court to order DSS to file a Welfare & Institutions Code § 300 petition as provided by Welfare & Institutions Code § 331. (Effective July 1, 2012; Rule 6.4.12 (now 6.5.12) renumbered effective January 1, 2006; adopted as Rule 53.12 effective January 1, 1999)

6.5.13 Request for Rehearing

Any party to a juvenile delinquency proceeding requesting a rehearing within ten (10) calendar days after service of a copy of an order and findings shall, within one (1)

FRESNO COUNTY SUPERIOR COURT

judicial day after filing a request for rehearing also serve a copy of the request upon the referee from whose decision the request has arisen.

The referee shall immediately direct the court reporter, by minute order, to prepare a transcript of the appropriate hearing and deliver a copy of the minute order to the Presiding Judge of the Juvenile Court and to the counsel for the party requesting the rehearing.

Within ten (10) calendar days after being ordered to prepare the transcript, the court reporter shall deliver the transcript to the Presiding Judge of the Juvenile Court. (Effective July 1, 2012; Rule 6.4.13 (now 6.5.13) renumbered effective January 1, 2006; adopted as Rule 53.13 effective January 1, 1996)

(Rule 6.5 renumbered effective January 1, 2006; adopted as Rule 54 effective July 1, 1992)

RULE 6.6 COORDINATION OF COURT PROCEEDINGS

6.6.1 Court Management of Child Abuse or Neglect Cases

A. It is the policy of the Superior Court to identify and coordinate custody proceedings involving the same minor, which may appear in multiple legal settings. It is further the policy of the Superior Court to coordinate the efforts of the different court systems (including, but not limited to, the family, juvenile, child support, and probate courts) so that the minor's needs are served and the resources of the family and the Court are not wasted. To these ends the Superior Court and the agencies serving the Court shall cooperate to increase the exchange of information and to determine the most appropriate forum for the resolution of the issues relating to the minor.

B. Notice of Pending Cases and Orders

1. Court Inquiry. Before issuing a protective order, or a custody or visitation order, the Court should inquire of the parties or the attorneys whether there are any cases in which there are criminal or civil protective orders, or custody and visitation orders that involve the child(ren) in the current case.

2. Attorneys and Self-Represented Parties in Family, Probate and Criminal Cases. All attorneys and self-represented parties involved in family law, probate and criminal cases shall inform the Court about any cases of which they are aware in which there are criminal or non-criminal protective orders or custody and visitation orders that involve the child(ren) in the current case. The information shall be provided to the Court, all parties and all attorneys in the case.

C. Communication Between Courts

1. Communication Regarding Existing Cases in Other Departments. When any court becomes aware of the existence of another case involving the

FRESNO COUNTY SUPERIOR COURT

same child(ren), the judicial assistant shall notify the other court. Prior to conducting a hearing in the matter, the trial judge will review the overlapping orders, if appropriate. Notice will be provided to the parties of the overlapping orders reviewed by the judicial officer.

2. Communication Regarding Protective Orders.

a. Temporary or Permanent Non-Criminal Restraining Orders. When either the Family Court or Dependency Court issues a temporary or permanent restraining order and the restrained person or the protected person has another pending dependency, family, probate, juvenile or criminal case, the Family Court or Dependency Court shall send a copy of the protective order to the appropriate court administrator who will send it to the trial court with the overlapping case. This may be accomplished by working through the Domestic Violence Case Coordinator.

D. **Modification of Criminal Protective Orders.** Criminal protective orders take precedence over other contact orders. When a criminal protective order exists and either or both parties request a child custody order that is inconsistent with the criminal protective order, it is the obligation of the moving parties to seek a modification of the criminal protective order by placing the matter on the criminal domestic violence calendar. Notice must be provided to all parties, attorneys and probation or parole officers. No party shall seek a child custody or visitation order in family, probate or juvenile court that is inconsistent with an existing criminal protective order unless a judicial officer presiding over the criminal domestic violence matter has first granted the request to modify the criminal protective order. (Effective July 1, 2012; Rule 6.5.1 (now 6.6.1) renumbered effective January 1, 2006; adopted as Rule 54.1 effective January 1, 1999)

6.6.2 **Report Pursuant to Penal Code § 11166**

If during the pendency of a family law proceeding a child abuse or neglect allegation against one of the minor's parents comes to the attention of a Family Court Services staff member or other mediator or evaluator, that person shall first determine whether the allegation must be reported to a child protection agency pursuant to Penal Code § 11166. If that person determines the allegation does not fall within the description of § 11166, he or she need not make a report. However, any other person may report the allegation to a child protection agency. (Effective July 1, 2012; Rule 6.5.2 (now 6.6.2) renumbered effective January 1, 2006; adopted as Rule 54.2 effective January 1, 1996)

6.6.3 **Child Abuse or Neglect Investigation**

When DSS receives a report of suspected child abuse or neglect during the pendency of a family law-related proceeding, it shall investigate the matter pursuant to the regulations of the California Department of Social Services. DSS shall inform Family Court Services of any decisions it makes concerning the child abuse or neglect investigation. If DSS determines that further investigation is necessary, it shall contact the appropriate investigating agency immediately so that all investigative efforts can be

FRESNO COUNTY SUPERIOR COURT

coordinated. (Effective July 1, 2012; Rule 6.5.3 (6.6.3) renumbered effective January 1, 2006; adopted as Rule 54.3 effective January 1, 1996)

6.6.4 Suspension of Family Law and Probate Proceedings

A. **DSS Report.** After a report of suspected child abuse or neglect has been made to a child protection agency, any custody and visitation proceedings in the Family Law or Probate Department are suspended, except that the Family Law or Probate Department shall have the power to make temporary protective orders to ensure the safety of the minor. The suspension shall remain for eighteen (18) calendar days from the report or until DSS indicates in writing that it will take no action in the matter, whichever occurs first.

B. **Welfare & Institutions Code § 300 Petition, Juvenile Court.** If a petition pursuant to Welfare & Institutions Code § 300 is filed in the Juvenile Court, all custody and visitation proceedings in the Family Law or Probate Department are suspended. Thereafter, custody and visitation issues shall be determined by the Juvenile Court. The Family Law or Probate Department shall resume custody or visitation proceedings only after written authorization is received from the Juvenile Court. (Effective July 1, 2012; Rule 6.5.4 (now 6.6.4) renumbered effective January 1, 2006; adopted as Rule 54.4 effective January 1, 1999)

6.6.5 Informal Supervision Agreement

If, during DSS's investigation, one or both parents reach an informal supervision agreement pursuant to Welfare & Institutions Code § 301, a copy of that agreement shall be sent immediately to DSS, to Family Court Services and to each parent. (Effective July 1, 2012; Rule 6.5.5 (now 6.6.5) renumbered effective January 1, 2006; adopted as Rule 54.5 effective January 1, 1996)

6.6.6 Coordination of Cases

At any time during the process described herein, the Presiding Judges of the Family Law and Probate Departments and the Juvenile Court are encouraged to discuss problems relating to the coordination of cases involving child abuse or neglect allegations. (Effective July 1, 2012; Rule 6.5.6 (now 6.6.6) renumbered effective January 1, 2006; adopted as Rule 54.6 effective January 1, 1999)

6.6.7 Petition for Dismissal

Whenever any interested party believes that Juvenile Dependency Court intervention on behalf of a minor is no longer necessary, application may be made to the Juvenile Dependency Court pursuant to Welfare & Institutions Code § 388 or at any regularly scheduled hearing to have the case dismissed. If the application is granted, any future litigation relating to the custody, visitation and control of the minor shall be heard in the Family Law Department or other appropriate department. (Effective July 1, 2012; Rule 6.5.7 (now 6.6.7) renumbered effective January 1, 2006; adopted as Rule 54.7 effective January 1, 1999)

FRESNO COUNTY SUPERIOR COURT

6.6.8 Juvenile Court Custodial Order

If the Juvenile Dependency Court determines that jurisdiction of the Juvenile Court is no longer necessary for the protection of the minor, the Court may create a custodial order consistent with the needs of the minor and thereafter dismiss the juvenile petition and case. (See Judicial Council form JV-200.) Any party may object to the proposed dismissal and be heard on the issues. (Effective July 1, 2012; Rule 6.5.8 (now 6.6.8) renumbered effective January 1, 2006; adopted as Rule 54.8 effective January 1, 1996)

6.6.9 Maintenance of Orders in Court Files

A. **Juvenile Court.** The original court custodial order shall be filed in the Family Law Department or other department and endorsed copies shall be filed in the Juvenile Court file. A copy of the endorsed-filed order shall be mailed to the attorneys and parties.

B. **Superior Court.** If no court file exists in the Family Law Department or other department or in any other jurisdiction, the Clerk shall create a file under the names of the minor's parents. The file shall contain a copy of the Juvenile Court order. Pursuant to Welfare & Institutions Code § 362.4, there shall be no filing fee. (Effective July 1, 2012; Rule 6.5.9 (now 6.6.9) renumbered effective January 1, 2006; adopted as Rule 54.9 effective January 1, 1999)

(Rule 6.6 renumbered effective January 1, 2006; adopted as Rule 55 effective July 1, 1992)

RULE 6.7 MEDICAL MATTERS

6.7.1 Medical Consent

A. **Medical Consent.** Welfare & Institutions Code §§ 369 and 739 set forth the responsibilities of the Court, social worker and probation officer for handling medical consent matters for minors in dependency and delinquency. In Fresno County, DSS is responsible for obtaining required court authorization or for authorizing necessary medical care for minors who come within the provisions of Welfare & Institutions Code § 300 (abused and neglected children), and the Probation Department is responsible for obtaining these authorizations for minors who come within the provisions of Welfare & Institutions Code §§ 601 and 602 (status offenders and delinquent minors, respectively). Only where a minor has been taken into temporary custody and the parents object to the treatment is it necessary for the Court to intervene. (See Welf. & Inst. Code, §§ 369(a) and 739(a).

1. The Court authorizes DSS social workers to consent in this situation for children covered by Welfare & Institutions Code § 369(a).

B. **Notification.** In any case where the Court intervenes in providing consent for a medical procedure, the Court shall ensure that notice of the procedure and request

FRESNO COUNTY SUPERIOR COURT

for consent are given to the child's attorney and Court-Appointed Special Advocate (CASA) at the earliest practicable time.

C. **Emergency Medical Consent.** Emergency Medical Consent can be obtained through the respective agencies responsible for the minor, either DSS or Probation. DSS and Probation provide this Medical Consent service twenty-four (24) hours a day, each day of the year. Pursuant to Welfare & Institutions Code §§ 369(d) and 739(d) the social worker or probation officer, after making reasonable efforts to obtain parental consent, has the authority to grant "emergency medical treatment" for any minor who "requires immediate treatment for the alleviation of severe pain or an immediate diagnosis and treatment of an unforeseeable medical, surgical or dental, or other remedial condition or contagious disease which, if not immediately diagnosed and treated, would lead to serious disability or death" without involving the Court. (Effective January 1, 2015; Rule 6.6.1 (now 6.7.1) renumbered effective January 1, 2006; adopted as Rule 55.1 effective January 1, 1999)

6.7.2 **Authorization for Use of Psychotropic Drugs in Juvenile Delinquency/Dependency Proceedings**

Family Code § 6924 sets forth the general guidelines for providing mental health treatment to minors. Pursuant to Welfare & Institutions Code §§ 369(b), 369.5 and 739.5 and California Rules of Court, rule 5.640, for any minor removed from the custody of the parent or guardian pursuant to Welfare & Institutions Code §§ 306, 309, 726, or by order of the Juvenile Court, approval must be obtained for the minor (if under 18 years of age) to be treated with psychotropic medication. Absent a medical emergency as defined in Welfare & Institutions Code § 369(d), authorization from the Juvenile Court (or from someone authorized by the Court) must be obtained prior to administering psychotropic medication to a minor under the jurisdiction of the Juvenile Court. If the minor has a current prescription for psychotropic medication at the time a juvenile dependency proceeding is commenced, a medical professional may continue to authorize administration of, and the minor may continue using, the medication pending Juvenile Court review. The treating medical professional is required to notify the Juvenile Court whenever a treatment plan for psychotropic medication is commenced without consent of a parent or guardian.

A. **Application for Psychotropic Medication.** The following outlines the process for obtaining Court authorization:

1. At the time the minor appears before a physician for treatment, and if the consent of the parent or guardian has not been obtained, the treating physician completes the Prescribing Physician's Statement-Attachment (Judicial Council form #220(A)). The statement is presented to the appropriate agency; either DSS or Probation.

2. Once the JV-220(A) is received by the appropriate agency, DSS or Probation is to legibly and fully complete the JV-220 packet, which includes the following mandatory Judicial Council forms:

RULE 6.9 COMPETENCY PROTOCOL

A. Introduction

1. The Juvenile Competency Protocol shall apply when it appears that there is a doubt as to a minor's competency to stand trial or to participate in Juvenile Justice proceedings. The protocol is designed to provide an overview of the following: Procedures for determining a minor's competency; the evaluation process; the competency hearing process; and the remediation process.

2. This protocol is intended to supplement the provisions of Welfare & Institutions Code § 709, California Rules of Court, rule 5.645, as well as relevant case law. Unless otherwise noted, references to a section (or §) are to the Welfare & Institutions Code and references to a rule are to the California Rules of Court.

3. If a conflict arises between this protocol and statutory or case law, the statute and case law control. Moreover, this protocol is not intended to, and does not, create any rights, substantive or procedural, enforceable at law by any party in any matter.

B. Consideration of Informal Resolution

1. Formal competency proceedings in some cases may be contrary either to the goals of protecting public safety or rehabilitating the minor.¹ If the court and parties agree that voluntary participation in services available in the community sufficiently address the needs of the minor and community safety, the court may proceed with an informal resolution without initiating formal competency proceedings.

¹ Use of the word "minor" throughout this protocol refers to both minors and former minors.

FRESNO COUNTY SUPERIOR COURT

2. The informal resolution shall last only until services are in place and the minor is stabilized, generally no longer than six months. On agreement of the parties, the informal resolution may last for a period longer than six months but shall not be longer than one year. Upon successful completion of the informal resolution, the petition shall be dismissed pursuant to §782, and sealed pursuant to the law. The minor shall be deemed in compliance with the terms of the informal resolution if the minor is in substantial compliance with the terms of the informal resolution.

3. If a party asserts the minor is failing to comply with the terms of the informal resolution, the court shall hold a hearing to determine whether the minor is in substantial compliance. If the court finds that the minor has failed to comply with the terms of the informal resolution within their ability, formal competency proceedings may commence.

C. Juvenile Competence Proceedings

A minor is incompetent to participate in Juvenile Justice proceedings if the minor “lacks sufficient present ability to consult and assist in preparing the minor’s defense with a reasonable degree of rational understanding, or lacks a rational as well as factual understanding, of the nature of the charges or proceedings against them. Incompetency may result from the present of any condition or conditions, including, but not limited to, mental illness, mental disorder, developmental disability, or developmental immaturity.” (§ 709, subd. (a)(2).)

D. Initiation of Competency Proceedings

1. Expression of Doubt

During the pendency of any juvenile proceeding, the court or minor’s counsel may express a doubt as to the minor’s competency. ((§ 709, subd. (a)(3).)

Prior to commencing competency proceedings, the court must first find “substantial evidence that raises a doubt as to the minor’s competency.” (§ 709, subd. (a)(3); Rule 5.645(d)(1).) The court should conduct an initial inquiry to determine if substantial evidence exists to suspend the underlying juvenile proceedings. The court may receive information from any source. Evidence is substantial if it raises a reasonable doubt concerning the minor’s ability to understand the nature of the juvenile proceedings or to assist in the defense. (*People v. Rogers* (2006) 39 Cal.4th 826, 847; *People v. Hayes* (1999) 21 Cal.4th 1211, 1281-1282.)

The Court may allow minor’s counsel to present their opinion regarding the minor’s competence *in camera* if the court finds there is reason to believe

FRESNO COUNTY SUPERIOR COURT

that attorney-client privileged information would be inappropriately revealed in open court. (Rule 4.130(b)(2).)

The court must only determine the existence of substantial evidence to raise a doubt as to the minor's current competency. (§ 709, subd. (a).)

2. Suspension of the Proceedings

If the court finds substantial evidence raises a doubt as to the minor's competency, proceedings shall be suspended. (§ 709, subd. (a)(3).)

During the suspension of proceedings, the court may rule on motions that do not require the participation of the minor in their preparation. These motions include, but are not limited to:

- a. Motions to dismiss;
- b. Motions regarding a change in the placement of the minor;
- c. Detention hearings;
- d. Demurrers; and
- e. Motions to join agencies in the Juvenile Justice Court proceedings that may have failed to meet a legal obligation to provide services to the minor. (§ 727, subd.(b)(1).)

3. Appointment of Evaluator

When the court finds substantial evidence of a doubt as to the competency of the minor, the court shall appoint an expert from the court's panel to assess the minor's competence unless the parties stipulate to, or submit on the issue of, the minor's lack of competency.

When the court orders a juvenile competency evaluation, the court shall select one Juvenile Competency Panel evaluator. The court shall immediately notify the evaluator and probation of the appointment.

Probation shall send any relevant information to the evaluator, including, but not limited to, police reports, school records, special education records and recent psychological testing reports, that they believe will be of assistance in making a juvenile competency determination. Minor's counsel and the District Attorney's Office shall provide all relevant documents in their possession to probation as soon as possible. Probation shall make every attempt to obtain any relevant documentation to the evaluator as quickly as possible.

FRESNO COUNTY SUPERIOR COURT

The Court shall, absent unusual circumstances, set a non-appearance “status” hearing within five (5) court days from the time the proceedings are suspended to confirm the evaluator has accepted appointment for the evaluation. Upon confirmation of acceptance, the court will provide the evaluator’s contact information to all counsel.

4. Method of Evaluation

a. Independent Experts

The evaluators on the Juvenile Competency Panel are appointed by the judicial officers as “at will” independent experts. The policies discussed herein describe the contents and processes involved in generating evaluations only. The opinion rendered in each evaluation is at the discretion of the individual psychologist.

b. Criteria for Competency Evaluations

The juvenile competency evaluator shall:

1) Interview the minor in person, absent exigent circumstances and agreement of counsel. If the minor is detained, the interview will take place at the Juvenile Justice Campus in a confidential setting. If the minor is not detained, the evaluator will schedule an appointment with the minor or the minor’s parent or guardian.

2) Review all material and conduct all interviews and testing as set forth in the Checklist for Juvenile Competency Evaluations attached to the Juvenile Competency Protocol as Appendix 1.

3) Opine, in a written report, whether the minor has the sufficient present ability to consult with counsel with a reasonable degree of rational understanding, and whether the minor has a rational and factual understanding of the nature of the charges or proceedings against them. The evaluator shall state the basis for these conclusions.

c. Inclusion of Remediation Plan

If the evaluator concludes that the minor lacks competency, the evaluator shall give an opinion on whether the minor is likely to attain competence in the foreseeable future, and, if so, make recommendations regarding the type of remediation services that would be effective in assisting the minor attain competence. (§ 727, subd.(b)(3).)

FRESNO COUNTY SUPERIOR COURT

E. Juvenile Competency Hearing (JCH)

1. Timing

The juvenile competency evaluator shall submit their report to the court and counsel at least two (2) court days prior to the date set for the Juvenile Competency Hearing. If the minor is detained, the Juvenile Competency Hearing will be scheduled within 30 calendar days of the suspension of proceedings. If the minor is not detained, the hearing will be held within 45 calendar days.

Upon a showing of good cause, the court may continue the hearing date.

The question of the minor's competence shall be determined at an evidentiary hearing unless there is a stipulation or submission by the parties on the findings of the evaluator.

2. Judicial Officer

The Judicial Competency Hearing need not be held before the same judicial officer who declared a doubt as to the minor's competence to stand trial. (*People v. Hill* (1967) 62 Cal.2d 105, 113, fn. 2; *People v. Lawley* (2002) 27 Cal.4th 102, 133-134.)

3. Burden of Proof

There is a rebuttable presumption that the minor is competent. (§ 709, subd. (c).) The party asserting the minor's incompetence bears the burden of proof by a preponderance of the evidence. (§ 709; *In re R. V.* (2015) 61 Cal.4th 181; *Bryan E. v. Superior Court* (2014) 231 Cal.App.4th 385.)

4. Capacity

Prior to the determination of competency, the court shall determine, for any minor under age 14 at the time of the alleged offense, whether the minor had the capacity to commit a crime pursuant to Penal Code §26. The district attorney bears the burden of rebutting the presumption that a minor under the age of 14 is presumed to be incapable of committing a crime by clear and convincing evidence. (*In re Joseph H.* (2015) 237 Cal.App.4th 517, 538.)

5. Findings

a. If the minor is found competent, the court shall reinstate the Juvenile Justice proceedings.

FRESNO COUNTY SUPERIOR COURT

b. If the minor is found incompetent and the petition contains only misdemeanor offenses, the court shall dismiss the petition. (§709, subd. (f).)

c. If the minor is found to be incompetent and able to be remediated in the foreseeable future, and the petition includes felony offenses, proceedings shall remain suspended and the court shall set a Competency Planning Hearing within 15 calendar days for detained minors, or within 30 calendar days for minors who are out of custody.

F. **Competency Planning Hearing/Remediation Review Hearings**

At the Competency Planning Hearing, the court shall order appropriate remediation services for the minor. The court shall set a Competency Remediation services for the minor. The court shall set a Competency Remediation Hearing within six (6) months of the referral for remediation services.

The court shall set the first Remediation Review Hearing. The court shall review the minor's progress every 30 calendar days if the minor is detained, and every 45 calendar days if the minor is out of custody. The need for detention shall remain at issue throughout the remediation process and alternatives to detention shall be explored.

The assigned probation officer will be responsible for coordinating appropriate treatment services with behavioral health and submitting reports to the court.

For minors receiving remediation services in custody, the remediator should make every effort to provide services a minimum of twice a week.

Behavioral health, or their designee, shall provide a report as it relates to participation and progress in the competency remediation program for each Remediation Review Hearing. The report should indicate the degree of progress towards regaining competency and the minor's compliance with the current remediation plan. The report shall be provided to probation 5 court days prior to each Remediation Review Hearing and probation shall distribute the reports to the court, counsel and district attorney upon receipt. The assigned probation officer shall notify behavioral health, or their designee, of court dates.

If the minor does not participate in remediation services, behavioral health shall immediately notify the assigned probation officer. Probation shall request that the court calendar the case for the next available court date to reevaluate the most effective means of providing remediation services. Behavioral health, or their designee, shall provide a report containing the efforts made to administer competency training.

FRESNO COUNTY SUPERIOR COURT

At any time during the remediation process, if behavioral health or their designee, believes the minor's competence has been obtained or restored, this information shall be included in their progress report to the court.

If the court finds that the minor has attained competence, the Juvenile Justice proceedings shall be reinstated and the case shall resume at the stage at which it was suspended.

G. **Placement of Minor**

Services must be provided in the least restrictive environment consistent with public safety. A finding of incompetency alone shall not be the basis for secure confinement. (§709, subd. (g)(1).) Many minors can successfully participate in remediation services while living in their homes, attending their regular schools, and participating in their normal activities.

The court has the discretion to place a minor in an out of home placement or in custody. The court should take into consideration the following factors:

1. Where the minor will have the best chance of obtaining competence
2. Needs of the minor
3. Seriousness of the underlying offense(s)
4. Public Safety
5. Minor's past performance while out of custody
6. Whether the minor will actively engage in remediation services while out of custody

H. **Six Month Remediation Hearing**

Within six months of the finding of incompetence, the court shall hold an evidentiary hearing on whether the minor has been remediated or can be remediated in the foreseeable future unless the parties stipulate, or agree, to the recommendation of behavioral health.

If the minor disputes the opinion that the minor has attained competency, the minor has the burden of proving that they remain incompetent. The burden of proof is by a preponderance of the evidence.

FRESNO COUNTY SUPERIOR COURT

If the district attorney disputes the recommendation that the minor is unable to be remediated, the district attorney has the burden of proving, by a preponderance of the evidence, that the minor is remediable.

At the 6-Month Remediation Hearing, the court has the following options:

1. Find that the minor has been remediated and reinstate the proceedings.
2. Find that the minor has not yet been remediated but is likely to be remediated within the foreseeable future. The court shall order the minor to return to the remediation program. However, the total remediation period shall not exceed one year from the finding of incompetence, unless the petition contains a §707, subd. (b), offense. Remediation services may be extended to a maximum of 18-months if the petition contains a §707, subd. (b), offense.
3. If the court finds that the minor will not achieve competency in the foreseeable future, the court shall dismiss the petition.

If remediation services are continued past the 6-Month Remediation Hearing, the court shall set at 12-Month Remediation Hearing and continue to hold Remediation Review Hearings. If the court finds that the minor has not been remediated at the 12-Month Remediation Hearing, the petition shall be dismissed, unless the petition contains a §707, subd. (b), offense and the court finds, at the 12-Month Remediation Hearing, that the minor is likely to be remediated in the foreseeable future, the court shall set an 18-Month Review Hearing and continue to hold Remediation Review Hearings. If the court finds that the minor has not been remediated after 18-Months of remediation efforts, the petition shall be dismissed.

I. Secure Confinement During Competency Proceedings

The court shall not continue a minor's detention beyond six (6) months from the finding of incompetence unless it makes findings, on the record, that it is in the best interests of the minor and public safety that the minor remains detained. In making this determination, the court shall consider whether:

1. It is the location the minor will have the best chance of obtaining competence
2. The placement is the least restrictive setting appropriate
3. Alternatives have been identified and pursued and, if not, why not
4. The placement is necessary for the safety of the minor or other

FRESNO COUNTY SUPERIOR COURT

In any case in which a detained minor is charged with a §707, subd. (b), offense, after consideration of the criteria listed above, the court may continue the minor's detention for an additional year, but not to exceed eighteen (18) months from the finding of incompetence.

J. **Developmentally Disabled Minors**

If the juvenile competency evaluator believes the minor is developmentally disabled and the minor is not a Central Valley Regional Center (CVRC) client, the court shall appoint CVRC to evaluate the minor. CVRC shall determine whether the minor is eligible for CVRC services and shall provide the court with a written report informing the court of its determinations. The court's appointment of CVRC for determination of eligibility for services shall not delay the court's competency determination.

Minor's counsel shall request that the court include a referral to CVRC on the minute order. The assigned probation officer shall serve the court order forthwith on CVRC and file a proof of service with the court clerk. Minor's counsel may provide CVRC with any information from the minor's file that is necessary for the purposes of obtaining or continuing services through CVRC.

For purposes of a CVRC referral, developmental disability shall be defined based on the description contained in §4512, subd. (a).

An evaluator's opinion that a minor is developmentally disabled does not supersede an independent determination by CVRC as to the minor's eligibility for services under the Lanterman Petris-Short Act. To qualify for these services, CVRC must examine and accept the minor.

K. **Minor's Statements in Subsequent Proceedings**

Statements made to any competency evaluator or to mental health professionals during remediation process, and any evidence derived from these statements, shall not be used in any hearing, not related to competency, against the minor in either juvenile or adult court. (§709, subd. (b)(5).) (Effective July 1, 2024 adopted as Rule 6.9 effective July 1, 2012)

(Chapter 6 amended effective January 1, 2006; adopted as VI effective July 1, 1992)

A. All matters set for hearing are reviewed in advance by Probate Examiners. If the matter is submitted properly, if all procedural requirements have been satisfied, and if the matter does not require discretionary consideration by the assigned judicial officer, the matter may be pre-approved, and a court appearance will be optional. The Examiner Notes will state whether the matter has been recommended for approval.

B. Pre-approved matters are called by the court at the time set for hearing. If there are no objections, and if the assigned judicial officer approves, the order will be signed at that time. If a person with standing raises an objection at the hearing, or if the assigned judicial officer does not approve the petition, a new hearing date will be set and a copy of the minute order will be e-mailed to the petitioner or attorney.

C. For all non-confidential matters, the Probate Examiner Notes are available on the Court's website, at www.fresno.courts.ca.gov/divisions/probate or upon request.

D. If the matter is not ready on the continued date, it may be ordered off calendar or may be denied without prejudice unless a request for continuance is granted by the court upon the personal appearance by counsel or the petitioner, if self-represented. C. **Account Requirements.** All cash deposits into blocked accounts shall be into federally insured, interest bearing accounts.

FRESNO COUNTY SUPERIOR COURT

D. **Maximum in Blocked Accounts.** In no event shall assets exceeding the maximum insured amount be held in any one federally insured depository.
