16	I, [officer's name], declare:		
17	1. I am an Officer/Technician with the [insert agency]. The following facts are within		
18	my own personal knowledge, and if called upon as a witness I can testify competently to		
19	each of them.		
20	2. This next paragraph should set out factually how the items sought to be destroyed		
21	came into the possession of the agency and how they have been labeled, stored, etc.		
22	This information may be provided in multiple paragraphs. The information provided can		
23	be the normal process of logging items into storage. For example you can say that the		
24	²⁴ normal business practice of the department is to tag any item of found	d property with a	
25	25 case number, date and description. The information is then entered in	case number, date and description. The information is then entered into a database	
26	26 and the item is placed in the evidence locker for storage. You could s	say that any item	
27	seized pursuant to an arrest is assigned a case number and the item is labeled with the		
28	²⁸ case number, name of person from whom it was seized, the date and	description. The

2	locker for storage.	
3	3. The next paragraphs need to set out why the items may be destroyed. This is	
4	where you tell the court which authority applies to which items. The easiest way to do this	
5	is to have different exhibits for different authority. See Explanation section of Sample	
6	Authority.	
7		
8	I declare under penalty of perjury under the laws of the State of California that the	
9	foregoing is true and correct. You must properly swear to the information set out in the	
10	declaration or it has no evidentiary value meaning it is worthless. The statement set out	
11	above is proper and if you always use this language you will be fine. Code of Civil	
12	procedure §2015.5 set out an a
